

ATTENTION PLEASE!

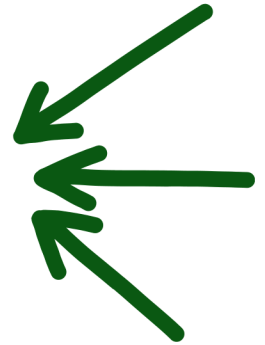

We are trying something **NEW!**

Fun Night committee will be allowing you to **RESERVE** a table of 8 for fun night dinner!

All you need to do is have **ONE** member of your group **EMAIL** Patty Stahl at **2023funnight@gmail.com** with the names of the 8 people that plan to share a table. Reservations must be sent to her by **October 1**. Once reservations have closed and she receives the list of attendees, she will double check that all are attending the dinner and she will send out a confirmation email. If you do NOT receive an email, then you do NOT have a table reserved. (We will have plenty of seats, so don't worry if you don't have a reserved table.)

THE FINE PRINT: These reservations are for a reserved table **ONLY**, and not a specific location in the room. All reserved tables will be assigned randomly. If you don't have a group of 8, no worries, we will have open tables. Our goal is to not have people feel the need to rush to get a seat by leaving sessions early, or worry that friends have to split up around the room. Please send your list **EARLY** when you know all 8 have signed up for Fun Night!
