DECISIONS.

Nearly all of the many questions asked have been answered by a reference to the Digest. A few new points have been raised and these I have endeavored to decide on strictly Masonic lines, as instructed by the last Grand Chapter.

I have sought the advice of eminent Masons, Past Grand Masters and others, and in reference to Decisions Nos. 1 and 2, have corresponded with Eastern Masons of national reputation. These two I consider as the most important—the one as establishing the status of members, who, from ignorance or neglect and possibly no fault of their own, have not complied with the statutory regulation; the other, as conceding to the Worthy Matron the time-honored rights and prerogatives of the "Master of the Lodge." Respecting No. 7, I would say that the previous decisions, both in our own Digest and that of the Grand Lodge, having been rendered on isolated points, are somewhat obscure, not to say contradictory. I have endeavored to cover the whole ground, proceeding on the line that as we enter the Chapter of our own free will and accord, so should we leave it, if we see fit so to do. No advantage should be taken of any technical point, nor any one forced to dimit unwillingly.

No. 1.—It is the duty of every member to sign the by-laws, and a refusal to do so would render one liable to trial and punishment. But if for any reason the by-laws have not been signed, the person initiated or affiliated is nevertheless a member, entitled to all the privileges and subject to all the duties of membership.

No. 2.—A by-law prescribing the meetings on which initiations may be held is null and void, and a motion to proceed with or to postpone an initiation or to change the order of business is out of order. The work and business of the Chapter are in the hands of the Worthy Matron, to be proceeded with in accordance with her will and pleasure, subject only to the general rules and regulations of the Order.

No. 3.—It is the duty of the Worthy Matron to install her successor, and it is not the privilege of the Matron elect to select the installing officer.

No. 4.—A motion to appoint a sister or brother to an office is out of order. The appointing power resides in the Worthy Matron.

No. 5.—A suicide may be buried by the Chapter.

No. 6.—The "Floral Work," being neither business or work of the order, should not be given in open Chapter.

No. 7.—All applications for a dimit shall be construed to include a recommendatory certificate and must be made in writing or personally in open Chapter. Should the Chapter refuse to grant such certificate, it is optional with the party applying to retain membership in the Chapter or to take a dimit without recommendation. A member may withdraw an application for a dimit at any time before action thereon by the Chapter. Upon the demand of a member the Secretary shall forthwith issue a certificate of withdrawal without recommendation, but the Secretary must be assured that the member understands the nature of the certificate so obtained.

No. 8.—The seat of honor is at the right of the Worthy Matron. It should be assumed by the visiting Grand Officer highest in rank. When visiting a Chapter in company with the Grand Matron or a District Deputy on the occasion of her official visit,

the Grand Patron may waive his claim to precedence in her favor.

No. 9.—Chapters must pay Grand Chapter dues on contributing members.

RECOMMENDATIONS.

A complete revision of our constitution and digest of decisions is a necessity. This should be made carefully and deliberately. A committee should be appointed to compare the constitutions of the various Grand Chapters, study their digests, and during the first six months of the year invite suggestions from the sisters and brothers. Then they should condense and arrange whatever their best judgment may decide upon, keeping in close touch in all general principles with the constitution and laws of our Grand Lodge and the ancient landmarks of Masonry. This work should be undertaken and performed with painstaking zeal, to the end that we may have a constitution that shall be a model, and then amendments will for a long time be needless. I therefore recommend that a committee of five be appointed by the incoming Grand Patron, who shall be charged with this work and who shall, if possible, report to the next Grand Chapter.

Our form of proceedings in trials is extremely defective, and I recommend that we adopt that of the Grand Lodge. It is the product of much careful labor and is as near perfection as possible.

More questions have been asked about the raps at the door than about any other one point. The Grand Officers, on consultation, decided to make no decision on the subject, but to recommend to this Grand Chapter that the Warder give the raps but twice—first when she returns into the Chapter room after having announced to the Sentinel that the Chapter is about to be opened, and last when she returns after having informed him that it is about to be closed. I believe I am safe in saying that in no three Chapters in the jurisdiction they have the same ideas on this subject. There is certainly no reason why the Chapter should be disturbed by the raps every time a member desires to leave the room. Our brethren of the other Masonic Bodies do not do it, and why should we?

I also recommend that in the march, when the officers enter the Chapter, that the Secretary and Treasurer take the places that they occupy at the Golden Chain, viz., between Adah and Ruth, and Electa and Martha respectively. The reason for this is apparent to any one who observes.

There exists a state of affairs respecting the powers of the presiding officers of the Grand and subordinate Chapters which gives rise to many questions. By our constitution and the various decisions of our Digest, the Grand Patron holds a similar position to that of Grand Master of a Grand Lodge; exercising all powers and prerogatives which law and custom confer upon that officer, excepting only those which are specifically delegated to the Grand Matron. She, on the other hand, has no power except that of granting dispensations and appointing certain officers. For while the law allows her to convene a Chapter and require conformity to the laws and regulations of the Order, she can make no binding decision as to either law or work. On the other hand, in the subordinate Chapter the Worthy Matron is supreme, the office of Patron being advisory only, and his presence even may be dispensed with, except during an initiation. Whether it is the part of wisdom to modify our laws in these respects is for this Grand Chapter carefully to consider. I have always favored the custom of most other jurisdictions, where the Grand Matron is the presiding officer, believing that she would preside with more dignity and grace than any brother could display.

The delay in publishing our proceedings has been the cause of much complaint. I have endeavored to find out the reason of this, and have discovered that it is not the fault of the Grand Secretary. The returns from the various Chapters are delinquent October 1st, and very few are in the Grand Secretary's hands much before that time, some of them coming in still later. She is then in the midst of her preparations for the meeting of this Grand Chapter, and with that meeting and the duties attending its close the month of October has passed before she can even begin the work of preparing the returns for printing. I would therefore recommend that the year close July 31st instead of August 31st, and that returns be considered delinquent September

- the same precepts by the same symbols, and be in all respects, except the bare letter of the law, an integral portion of that ancient and honorable Order.

This same lack of appreciation of the importance of the institution exists to a great extent among the Masonic Fraternity.

Many, I may say the majority, regard it as but one of the societies of the day. Perhaps more ancient, certainly honorable, yet only the first among its equals.

To this serious error may be attributed most of the ills of which the fraternity complains. The vast array of nonaffiliate and suspended Masons, the small attendance at lodge meetings, the lack of interest shown in the work of the Order, and beyond all, the utter forgetfulness of obligations now so prevalent, are the direct consequence of lack of instruction in the fundamental principles of Masonry. Add to this that narrowness of soul which would confine to a single organization the use of the ancient symbols, while closing the door of that organization to vast numbers of those who would best appreciate them, and we may realize the reason why nearly one-third of those who have received the degrees in Masonry and in this Order, are to-day "outside the gate."

The Masonic historian for a long time endeavored to substantiate the claim to antiquity by searching the records of organization, and, failing there, sought by modern invention of ancient tradition to satisfy the questionings of those who seek the why and the wherefore of the teachings, and the proof of the assertions of Masonry.

Now, he follows rather the stream of thought ascending toward its source in the dawn of creation. There he finds a unique evolution of the infinite spirit of nature.

Without date of origin, without specific announcement of purpose, without a human originator, Masonry is as necessary to the development of the world as is the law of gravitation to the harmony of the spheres.

It is the Soul of Humanity, the inspiration which has originated every movement of progression, the true source of liberty of thought, of speech, of action.

To Masonry is the world indebted, not only for the preserva-

tion of the Mystic Book of the Law, but for the safe transmission through the ages of all those ideas that elevate humanity and make men better than the beasts.

Every movement throughout the history of man which has tended to the moral and material benefit of the race, has originated with and been carried on by those who owed allegiance to the ancient mysteries. From the erection of the Pyramids, the going forth of the Israelites from Egypt, the building of the first and second Temples, the Crusades and the Retormation of Luther, to our own Revolution and the liberation and unification of Italy, Masonry has been the secret spring of every effort for humanity.

It is the contriving wisdom, the executing strength, the adorning beauty, as manifested in the human soul. The unerring ultimate standard for the measurement of all things. The path to God.

Were these doctrines plainly taught, rather than vaguely hinted at, how much more energy would be displayed in work, both in and out of the Lodge, and how few would there be who from slight reasons of inconvenience, personal pique, penuriousness or *laziness*, would sever their connection with so great and glorious an institution.

"Once a Mason always a Mason," would mean something did we all believe what we profess and what we teach.

And what place or part has woman in this noble work? Debarred by an unreasoning prejudice formulated into law from participating in the present work of the organization, she still may breath the Masonic spirit and do Masonic work.

Here in the Eastern Star may woman become in all except in name, a Mason. But here, as in the Lodge, the mere passing through the ceremonies of the degrees will confer no knowledge, and unless the meaning of the symbols is impressed upon the heart, one is no better or wiser for having assumed our obligations.

Many a man has passed through all the degrees, perchance presided in the East, who has never become a Mason, while there have been and are to-day women masters of the Craft, Keepers of the Holy Fire, Princesses of the Royal Secret, having the True Word in their bosoms, who know nothing of initiations or obligations as we receive them.

Sisters and Brothers read, study. Lack of Masonic reading is responsible for much of the indifference shown by those who have assumed our obligations. The literature of Masonry is vast, most of it easily accessible, and by those whose hearts are opened, easily understood.

And finally, Sisters and Brothers, let us endeavor to manage the affairs of this Order, so far as they are committed to our care, in such a manner that we shall be a power in the land. Let our aims be high, our standard of right and duty above all others, and, marching side by side with our Masonic Brethren, let our prowess in the great battle with the hosts of Ignorance, Tyranny and Fanaticism be such as shall compel them to acknowledge us as Soldiers of Mithra and Liegemen of Honor and duty. Now henceforth and forever.

JAMES B. MERRITT,
Grand Patron.

Which address was ordered to be referred to the Committee on Distribution.

The Worthy Grand Matron, Mrs. Carrie Louise Peaslee, then delivered her Annual Address to the Grand Chapter, as follows:

ADDRESS OF THE WORTHY GRAND MATRON.

*To the Officers and Members
of the Grand Chapter, O. E. S., of California:*

So swiftly and silently has time sped by, we scarcely realize another year has come and gone. May the memories of the time, whether joyous or sad, strengthen the fraternal bond, and teach us to so order our future lives as to reflect honor and love for "Him whose Star we have seen in the East." I had hoped when I assumed my office to make many more personal visits, but alas that time speeds on so rapidly and distances within our jurisdiction are so great.

For the many invitations received from subordinate Chapters to be in attendance at receptions and other occasions, I am sincerely grateful, and regret that I could not avail myself of the opportunity of sharing the fraternal greetings and generous hospitality of the sisters and brothers in their Chapter homes.

Invitations have been received from Oregon, Iowa, Montana, Michigan, New York, Colorado, Missouri, New Hampshire, Texas, Massachusetts, Illinois, South Dakota, Maine, Rhode Island, Connecticut and Indian Territory, to attend the sessions of their Grand Chapter. These have been acknowledged, and greetings of this Grand Chapter extended.

Escondido, U. D., Lyra, U. D., Norwalk, U. D., Jasmine, U. D., Pearl, U. D., and Chispa, U. D., have not been assigned, as the Tenth District, wherein they were formed, had so nearly its full complement of Chapters. Another year this portion of our jurisdiction will require re-districting.

REPORTS OF THE DISTRICT DEPUTY GRAND MATRONS.

In the selection of those who were to serve as my representatives I was guided either by personal knowledge of the individual or the recommendation of Past Grand Officers, hoping thereby to secure those fully qualified to perform the important duty required of them. Judging by the numerous communications I have received from them, they have endeavored to do their work well, and follow in detail the instructions placed in their hands. In all Chapters my deputies have been accorded the honor and respect due their office, and were privileged to share that bounteous hospitality which is proverbial of California. For all of which I wish to express my gratitude.

It will be observed that in the Second District the Deputy Grand Matron was selected from another district, but this was not done until repeated efforts and failure to secure some sister within the district to serve in this capacity.

Sister FRANCES HART, D. G. M.—District No. 1.

The following Chapters comprising this district have been visited: Camellia, No. 63; Rohnerville, No. 76; Ferndale, No. 23, and Del Norte, U. D.

June 5, accompanied by a large delegation from Ferndale Chapter, I visited Camellia Chapter, No. 63. The degrees were conferred in an impressive manner and without the use of rituals. A few instructions were necessary; these were kindly received. All officers seem anxious to perfect themselves in the work of the Order. This Chapter is especially fortunate in having the services of Sister Holmes as secretary. The treasury is in good condition.

June 17. Visited Rohnerville Chapter, No. 76. Twenty-five visitors from Ferndale Chapter were present. Here the beautiful work of our Order was rendered with ease and dignity. Two candidates were initiated; my suggestions were gratefully received. This Chapter has many staunch and true members, who keep the principles of our Order ever in their hearts. All books, except black book, were in excellent condition, and money in the treasury. The hospitality of Rohnerville Chapter is seldom excelled.

June 26. Visited Ferndale Chapter. Sixty members present and many visitors from Rohnerville and Camellia Chapters. The work was beautifully rendered, and although this is my home Chapter, I can conscientiously say it justly merited the honor and praise received from the visitors. The Chapter is in excellent condition, with a steadily increasing membership. Books neatly and correctly kept.

Del Norte Chapter, U. D., the fourth Chapter in my district, is located at Crescent City. I am sorry that I was unable to visit it. The Grand Patron having visited them sends me the following report: Their work was very good, finances all right,

an experienced Bro. Secretary, strong Masonic support, work coming in all the time and prospects of a flourishing Chapter, which will be a worthy addition to the first district.

Sister CATHERINE E. MERRITT, D. G. M.—District No. 2.

Leaving home June 12, I visited in company with the Grand Patron the Chapters at Wheatland and Lincoln.

June 15. We were joined by Sister Holmes, D. D. G. M. of the 5th District, and visited Aurora, Evangeline, Mountain View, Placer and Truckee Chapters.

Hesperian Chapter, No. 112. June 20. We arrived at Amadee, where we were met by friends from Susanville, and after a twenty-eight mile ride found ourselves in that pleasant little town. Here we found a wide awake Chapter, all striving to learn. They have never received instructions in the details of the work, and asked that the smallest mistakes be corrected, as they desire absolute accuracy. They have never been visited before by a Grand Patron. Nearly half of the members present were brethren. Books correctly kept and money in the treasury. We were handsomely entertained and feel under many obligations to the kind sisters and brothers.

Mountain View Chapter, No. 88. June 22. Sister and Brother Cahlan kindly took us to Janesville, arriving before noon. After lunch in the Hall, we held a meeting of the Chapter. While the members have a great interest in the Order, some of them coming a distance of twenty-five miles to the meetings, there has been a lack of proper instruction both in the signs and floor work, and they did not fully understand how to examine visitors. Taking into consideration the scattered membership, this Chapter deserves commendation, and will probably show better work next year, as they paid strict attention to the corrections made. They have had several initiations and more in prospect. Books correctly kept and money on hand.

Sincerity Chapter, No. 53. A beautiful drive over the Sierras, above the snow line and through the lovely Indian Valley, brought us to Greenville, June 23. Next day we held a meeting of the Chapter in the afternoon. In the evening there was a reception,

to which all Masons and their families were invited. This Chapter has lately moved from Taylorville to this place, and good will probably result from the change. There is more material here and it is coming in. Two were initiated at the time of my visit and the work was fairly well done, considering the lack of instruction. The officers desire to learn and took good heed to the corrections made, asking many questions about the work. Books well kept, and treasury in good condition.

Alturas Chapter, No. 51. Returning to Susanville June 25, next morning Bro. Brockman, of Hesperian Chapter, kindly took us over mountain and through valley, forty-eight miles, to Van Loan's, on the Madeline Plains. Next day forty miles further by stage brought us to Alturas. Monday evening, June 29, we visited Alturas Chapter, No. 51. The membership in this Chapter is scattered far and wide, but those who remain are intelligent and desirous of knowledge. They appreciated the visit of a Grand Officer. Instructions they have heretofore received differing from year to year. The work was well done, and if prosperity returns to the country, this Chapter will give a good account of itself. I found a neglect in the collection of dues. Books fairly kept, except black book, which the Secretary promised to write up immediately. Money in the treasury.

Esther Chapter, No. 74. After a drive of forty-two miles, on June 30, we arrived in the town of Adin. In the evening visited the Chapter. Here there are a few sisters and brothers who are working under great difficulties. The members, many of them have moved away, other live a great distance from the Chapter, and some who could, do not attend. The work was done as well as could be expected, and the spirit manifested by those present rendered the evening a very pleasant one. The same lack of authoritative instruction was manifest here as in the rest of the district. The revival of mining is helping this locality some, and if the members will continue their efforts, better times for the Chapter are sure to come. Books correctly kept and money on hand.

Fall River Chapter, No. 91. July 1st, another forty mile ride brings us into the desolated village of Glenburn. It is not the

fault of the members of this Chapter that it is in its present condition. The "heroic endurance" exhibited here, if manifested in other localities, would have conquered Fate. The country is being depopulated. Of the members but eleven are now resident, and some of them are going away. Nine of the eleven were present at the meeting, and after discussing the situation, the Grand Patron advised them to consider the question of removal, and if that was not practicable, to surrender their charter at the next session of the Grand Chapter.

Sister LINN GILLESPIE, D. G. M.—District No. 3.

The nine Chapters embraced in this District have all been visited, and with one or two exceptions found them all zealous and much interested. In every instance the utmost kindness and cordiality was shown me.

Evening Star Chapter, No. 10, the pioneer Chapter of the District, was well attended and work exemplified in a creditable manner, notwithstanding the absence of several officers. Fraternal love abounds. Books, excepting black book, well kept.

St. John's Chapter, No. 14, I found in an excellent condition. Two candidates received the degrees, which were conferred in an impressive manner. Brotherly and sisterly love prevails, strengthened by that harmony of action that should exist throughout our Order. All books in perfect order. Finances good.

Welcome Chapter, No. 17, is as hospitable as ever. I did not see the work exemplified, on account of the sickness of several of the officers. I was present when the Grand Patron visited them and saw the work rendered to the credit of all, the work being thoroughly memorized. Books are neatly kept.

Vesper Chapter, No. 20, is in better condition than I had expected to find it, owing to previous reports. The Worthy Patron is very zealous, and I believe under his leadership the Chapter will improve. One candidate received the degrees. Sister Kingsley was in attendance and as usual manifested great interest. No black book was kept by this Chapter.

Northern Light Chapter, No. 26, received me most cordially and much interest was manifested. The work was very well rendered, no rituals being used by the officers. Remarks for the good of the Order were made by several, and Love seems to be the watchword of all. Books are properly kept.

Stella Chapter, No. 39. Meets in a beautiful Masonic Hall. The work is well memorized and rendered in a manner befitting the surroundings. Harmony prevails. Sister Carrie M. Wadsworth, who so faithfully filled the position of Deputy Grand Matron last year, was in her station as Secretary, and I need not add—books in perfect order. The finances of Stella Chapter are in good condition.

Redding Chapter, No. 44, my home Chapter, received me most cordially. Work memorized and well rendered. The Chapter is steadily improving and increasing in membership. There have been eleven additions to our fraternal bond this year. A black book had not been kept in this Chapter.

Fidelity Chapter, No. 131. The Matron and brothers of this Chapter are quite zealous workers. The brothers deserving special credit, as a number of the offices were filled by them. Rituals were used by most of the officers. Special mention is due the Secretary for the perfect order and correctness of his books.

Mt. Shasta Chapter, U. D., I found laboring under serious difficulties and misunderstandings, but I hope and pray ere this they realize more fully their pledges to one another, and may strive to reach the standard taught by our beloved Order. They have an excellent corps of officers, and material sufficient to make Mt. Shasta one of the best in the District.

Sister JOSEPHINE MONTGOMERY, D. G. M.—District No. 4.

The following eight Chapters comprise this district: Vernon, No. 35; Wheatland, No. 48; Marysville, No. 55; Fidelity, No. 56; Friendship, No. 67; Molino, No. 83; Josephine, No. 104, and Amapola, No. 119. All of which have been visited. I wish to thank the members of each one for the pleasant evenings spent with them, and the many courtesies shown me.

Marysville Chapter, No. 55. April 16, I paid my first official visit in the district to this Chapter, and I found it in a flourishing condition in every respect. Two candidates were initiated in a creditable manner. Very few instructions necessary, and these were kindly received. The presence and address of our Grand Patron added much to the evening's instruction and entertainment. Sister Hapgood, Past Grand Matron, also added much by her usual cheerful and encouraging speech. A large delegation from Fidelia, also visitors from Wheatland and Crystal Chapters were present. The singing of the chants by a mixed quartet made the initiation ceremonies very impressive. The hall was beautifully decorated, and a sumptuous banquet was served at the close of the Chapter.

Vernon Chapter, No. 35, still holds its reputation for good work. Two links were added to the "Golden Chain." The Conductress' work was especially good, as was also Ruth's delivery of her lecture. Few corrections were necessary, and these were thankfully received. All seemed working for the peace and harmony of the Chapter. The "Golden Chain" of this Chapter has been broken by the death of Bro. E. B. Morgan, who was for several years Patron of the Chapter, and always a faithful and earnest worker in the Order. The evening of my visit the hall was a perfect bower of roses. A fine musical entertainment and banquet finished an evening long to be remembered. The Secretary had not made use of the black book.

Amapola Chapter, No. 119. This is the youngest Chapter in the district, and if the excellent work and interest manifest on the evening of my visit continues, it promises to be the banner Chapter in the district. It was a rainy night, and some of the officers were absent, but others ably filled their places. Martha's lecture was especially impressive. Only a few corrections were needed in any part of the work. I had the pleasure of here meeting with a Past Grand Matron from Oregon, who complimented Amapola very highly. Other visitors were present from Josephine, No. 104.

Wheatland Chapter, No. 48, was visited April 27. Most of the work was good. The Conductress did her part in an able

manner. Quite a few instructions were needed, all of which were kindly received. Rituals were used very little. The brothers do not take the interest in the Chapter we wish they would, but the sisters are faithful and earnest. Visitors from Marysville and Friendship Chapters helped to share the bounteous lunch spread, and good fellowship prevailed. Their treasury is in good condition.

Fidelia Chapter, No. 56. The work here was the nearest to perfection of any in my District. Only a very few instructions were necessary. Books are in order and money in the treasury. This Chapter truly lives for good works, cheerful companionship and social enjoyment. A most energetic Matron here presides, and all work hand in hand. It is a pleasure to note the good fellowship existing between this Chapter and Marysville, many of whose members were present on this occasion. Sister Hapgood, Past Grand Matron, being among the number. No black book is kept by this Chapter.

Friendship Chapter, No. 67. Here I found existing a most cordial and generous hospitality. Both in the Chapter room and in the home of Sister Fleming, where I was entertained. The Chapter has a most efficient Matron, who delivers the Patron's lectures as well as her own. No rituals are used except by the Patron. Owing to an exceedingly small hall the work was rendered with difficulty. Some corrections were needed. A new piano, recently purchased, adds much to their Chapter work.

Josephine Chapter, No. 104. The officers are working with zeal and faithfulness, and as a result the Chapter is in a flourishing condition. A few instructions were given. I must especially commend the Worthy Patron for the impressive manner in which he conferred the degrees. This Chapter is also proud in being the possessor of a new piano. A number of visitors were present from Amapola and Silver Gate Chapters. And as this is my home Chapter it is a great pleasure to be able to report them as doing so well.

Molino Chapter, Mo. 83. This is the smallest Chapter in the District, and they are surely working under many difficulties.

But I hope in the near future all will be bright and prosperous for them. I feel it would be unjust to criticize the work as so few of the regular officers were present and those filled several stations. They are the faithful ones. Much credit is due the Worthy Matron, Sister Gyle, for her perseverance in laboring to keep the little Chapter together. Visitors from Mercedes and Silver Gate Chapters were present. No black book is kept in this Chapter.

Sister JENNIE HOLMES, D. G. M.—District No. 5.

Eight Chapters are included in my District: Evangeline, No. 9; Aurora, No. 40; Placer, No. 49; Crystal, No. 57; Mountain Fern, No. 62; Fallen Leaf, No. 90; Truckee, No. 116, and Sierra Star, No. 129. All have been visited and in each I was cordially received, and am grateful for courtesies extended me.

Fallen Leaf Chapter, No. 90, I found doing good work and endeavoring to reach the perfect standard. Five candidates were initiated and ten affiliated on the evening of my visit. Books are well kept and money in the treasury, besides two hundred shares in the Masonic Hall stock. A bright future seems in store for Fallen Leaf Chapter.

Crystal Chapter, No. 57. This Chapter is full of energy. Work well done. Books complete and neatly kept, a handsome sum in the treasury. Hospitality and love reign in Crystal Chapter.

Aurora Chapter, No. 40, I found to be in good condition. The work was well rendered. Books neatly and correctly kept. Finances good. Peace and harmony prevail surely in this Chapter.

Evangeline Chapter, No. 9. I visited this, my home Chapter, June 16. The Grand Patron being present at my request he inspected the work of the Chapter. The following is his report: This being the evening of their 23d Anniversary, there was a full attendance of resident members. Like all other mining town, Nevada City had had many temporary residents, and consequently the former large membership has fallen off. And many of those whose names are still on the books are non-resi-

dents. However, Evangeline is far from dead as the members present at time of our visit proves. The spirit of push, as manifested by many of the members, gives assurance that the available material will all in due time be wrought into the walls of the building. The work was fairly exemplified. Minor errors, some of long standing, were noticed and freely criticized. It was not intended to pass over even the smallest deviation from the standard work, and we believe from the desire shown by officers to learn the exact work, the next inspection will show this Chapter well up in the line. The Grand Master, a member of this Chapter, was present and spoke for the good of the Order in his usual felicitous manner. Many others added their wisdom, pleasantry and experience; and when the feast of reason was over, the inner man was refreshed in the Banquet Hall. The well kept books of the Secretary show a handsome sum in the treasury.

Mountain Fern Chapter, No. 62. On the evening of my visit the attendance was good, and the work well rendered. What few corrections were necessary seemed gratefully received. One link was added to the "Golden Chain." Books were in good order and money in treasury. Good will and hospitality prevail.

Placer Chapter, No. 49, I found laboring under difficulties, as many of their members have long distances to travel in coming to the Chapter meetings. Still they are doing fair work, and as the officers are anxious to perfect themselves, the needed corrections were received in the same kindly spirit as given. Books well kept; finances in good condition.

Truckee Chapter, No. 116. Here the officers are earnest, and exemplified the work in a creditable manner, though some instructions were needed. Books neatly kept, and some money in the treasury. The Chapter is very harmonious and hospitable.

Sierra Star Chapter, No. 129. This Chapter is doing its work fairly well. Instructions needed. The officers seemed anxious to perfect themselves in the work of the Chapter, and I trust were benefited by the instructions given. Books in good order and money in the treasury.

Sister FLORENCE MILLER, Associate Grand Matron, District No. 6.

It is my pleasant duty to announce that I have officially visited all of the Chapters in the sixth district, which are as follows: Vacaville, No. 28; Naomi, No. 36; Yolo, No. 60; Veritas, No. 84; Marshall, No. 86; Elk Grove, No. 109; Columbus, No. 117. In all I have found both officers and members manifesting great interest in the work. Chapter halls have all been beautifully and artistically decorated, and interesting programmes given, followed by sumptuous banquets. For the pleasure I have thus enjoyed I thank the Worthy Grand Matron, and am grateful to the Chapters for the cordial welcome and generous hospitality extended me.

Yolo Chapter, No. 60. This is the home Chapter of Sister Freeman, Past Grand Matron. Her love for the Order and fine executive ability keeps everything moving in the right direction. I did not see the work exemplified, but know they are capable of doing good work. The Worthy Grand Patron was present and instructed them in the floor work, as they had not then received the book of instructions. Books perfectly kept and money in the treasury.

Columbus Chapter, No. 117. By special invitation, I visited this Chapter May 11. The Worthy Grand Patron was present, also a number of Past Grand officers and visitors from sister Chapters. The degrees were conferred upon two candidates in a very proficient and impressive manner. Each officer manifesting a desire to excel in the ritualistic work. They needed few instructions. Books in perfect order. Finances in excellent condition.

Naomi Chapter, No. 36. I made my official visit to this Chapter on May 13, this being its eighteenth anniversary, and it was celebrated by the addition of four bright links to the "Golden Chain." As this is my home Chapter, from which I have received so many favors I refrain from commenting on its work, and leave its record as it has been given by inspectors in the past.

Veritas Chapter, No. 84. The Worthy Grand Patron shared with me the honors of the evening's visit. The work was exemplified in a most impressive manner, two candidates receiving the degrees. We may justly feel proud of this Chapter. The four principal offices are filled by young ladies, who strive to keep the work up to the highest standard. Books are neatly kept and money in the treasury.

Marshall Chapter, No. 86, was visited in company with Sister Gett of Naomi, and several sisters of Veritas Chapter. Was pleased to meet our Grand Warder in this her home Chapter. The meeting was well attended. Peace and harmony prevail. Anxiety to learn was manifested by all. Twenty-five dollars expended for chaitable purposes thus early in the year, proves they are promulgating one of the underlying principles of our beautiful Order. The secretary's books are neatly and correctly kept. Money in the treasury.

Vacaville Chapter, No. 28. I was accompanied by Sister Bidwell when making my visit to this Chapter. I found them laboring under many discouragements. A number of the members have moved away, others have lost interest. The Worthy Matron and a few faithful ones are deserving of much credit in keeping the Chapter alive. The work was exemplified and instructions given, all of which was kindly received. The Secretary keeps no black book, otherwise the books were in order. Money in the treasury.

Elk Grove Chapter, No. 109. Together with a number of my home Chapter, I visited this Chapter June 23. The work was exemplified in a very creditable manner. The officers are earnest workers and desire to become proficient. The Worthy Matron deserves praise for the dignified manner in which she presided. She is ably supported by an excellent Worthy Patron and Associate Matron. Books, excepting black book, are properly kept. Money on hand.

Sister MARIA BROWN, D. G. M.—District No. 7.

This District includes nine Chapters: Rose Valley, No. 33; Kingsley, No. 58; Morning Star, No. 61; Augusta, No. 80;

Sotoyome, No. 82; Valley of the Moon, No. 85; Ocean View, No. 111; Clover Leaf, No. 130; and Clear Lake, U. D. All have been visited except Valley of the Moon, No. 85. Circumstances rendering it impossible for me to meet with them when convenient for them.

Clear Lake Chapter, U. D., is in a very prosperous condition. It is the youngest Chapter in the District and has a membership at this time of seventy-two. Their work is well done. The Worthy Matron is a very enthusiastic worker. Very few corrections needed, those gratefully received. I was cordially received and agreeably entertained.

Ocean View Chapter, No. 111. I found this Chapter also in a prosperous condition. All working in perfect harmony. They have the strongest Masonic support of any Chapter I have visited. Books well kept and money in the treasury. The work was well rendered, considering the absence of some of the officers. The Sentinel was particularly accurate in his work. I shall always remember with pleasure my visit to this Chapter.

Kingsley Chapter, No. 58. The work of this Chapter is well done, that of the Patron and Conductress being particularly praiseworthy, in fact, the best I have ever witnessed. There was a large attendance, and everything seemed harmonious. Books correctly kept and some money in the treasury. I was most cordially received and delightfully entertained.

Rose Valley Chapter, No. 33. The Worthy Grand Patron visited this Chapter for me, it being quite impossible for me to attend. He reported the work well done, especially that of the Conductress. Books well kept and finances in excellent condition.

Morning Star Chapter, No. 61. This is my home Chapter, and the Worthy Grand Patron being present, inspected the work. Our Matron, Patron and Conductress were complimented on their work, and some suggestions made by the Grand Patron were kindly received. Books were in order and money in the treasury.

Augusta Chapter, No. 80. This Chapter, though small, is in very good working order. Considering the absence of several

officers, the work was very well rendered. Their Worthy Matron, Sister Henley, is a very zealous worker. All members present seemed anxious to be instructed in the work of the Order.

Clover Leaf Chapter, No. 130, is a very harmonious Chapter, with a small membership. Matron, Patron and Conductress did their work well. All necessary instructions given were gratefully received. The Chapter has good Masonic support. Books are properly kept and some money in the treasury.

Sotoyome Chapter, No. 82, has been very unfortunate this year, in being three times visited by the dread messenger, death, claiming some of its brightest members. The evening of my visit there was a small attendance—many officers were absent from town—therefore, I did not see the work exemplified. The Chapter has a very efficient member in Sister Raabe, who keeps them well instructed.

Sister EMMA MALGREN, D. G. M.—District No. 8.

The ten Chapters in this District have all been visited, and all were endeavoring to work in perfect harmony. In each Chapter I was most cordially received and the kindness of the members made my duty a labor of love and pleasure.

Oakland Chapter, U. D. To this Chapter I paid my first official visit, and was happy to here greet our dear Sister Partridge, Most Worthy Grand Matron. This Chapter had existed only six months and was increasing rapidly in membership. Six petitions being balloted upon the evening of my visit. The "Star officers" exhibited great earnestness in the delivery of their lectures and deserve especial mention. The best interests of the Chapter is studied by the capable and energetic Worthy Matron Sister Warner and Worthy Patron Bro. Baker. The books are neatly kept, and I trust a Charter may be granted this Chapter.

Carita Chapter, No. 115. This Chapter was visited April 8. This was the first regular meeting of the Chapter since the completion of the beautifully decorated hall. The District Meeting and Fourth Anniversary of Carita Chapter were unitedly celebrated on this occasion. Sister Partridge, Most Worthy Grand

Matron; Bro. Merritt, Grand Patron; Sister Willats, Grand Secretary; Sister Flint, Past Most Worthy Grand Matron; Bro. Flint, Past Grand Patron and Sister Wilson, Past Grand Matron, and other visitors from sister Chapters were pleasantly entertained. The Worthy Matron in her lovable gentleness had the honor of wearing the regalia of the "Thirty-third" degree of Masonry. The work was rendered in a beautiful manner by officers thoroughly proficient. Books, including black book, well kept.

Golden Wave Chapter, No. 103. In visiting this Chapter I was safely piloted through an intricate route by Sister Merritt, D. D. G. M. of the 2nd District, who accompanied me. We were given a warm reception, and were charmed with the young ladies who filled the officers' chairs, particularly the Worthy Matron, who is a young lady of much ability and presided with dignity. The Patron being absent Bro. McKenzie, who substituted, deserves especial mention. The work was well rendered by the efficient corps of officers, under whose reign the year has been a happy and prosperous one. All books are correctly kept.

Oak Leaf Chapter, No. 8. This is the home Chapter of our Most Worthy Grand Matron Sister Partridge and our Worthy Grand Patron Bro. Merritt. The former has portrayed her friendship and fraternal love by visiting with me every Chapter in the District, but one. This will ever be appreciated. Notwithstanding the inclemency of the weather the attendance was large the evening I visited Oak Leaf. The grace and accuracy displayed by the officers in rendering their work reflected great credit upon the Worthy Matron and her subordinates. Sister Rowe as Conductress deserves especial mention for the ease and dignity in mastering the work of her office. The books of this Chapter are a marvel of beauty.

Unity Chapter, No. 65. This the home Chapter of Sister Wilson, Past Grand Matron, was visited in company with a large delegation of Sisters and Brothers from San Francisco Chapter. The work of Unity Chapter was accurate in every detail, indicating careful study, and reflected great credit upon

the enthusiastic officers. The Worthy Matron, Sister Moore, is a young lady who presides with ease and dignity, and is ably assisted by the Worthy Patron. Unity of thought and action conspire to make this an almost perfect Chapter. We were delightfully entertained by remarks by the Most Worthy Grand Matron. The books of the Chapter are properly kept.

Golden Gate Chapter, No. 1. Received me May 21st in a most cordial manner, and I was much impressed by the perfect harmony existing between officers and members. This must be encouraging to Sister Duren, their kind and efficient Worthy Matron. The officers exemplified the work in a dignified and impressive manner. This was the anniversary of our Mother Chapter, and remarks by Grand and Past Grand officers added much to the pleasure of the evening. Black book written up to date. All other books also properly kept.

Beulah Chapter, No. 99. At the time of my visit to this Chapter, as District Deputy, many Grand officers and visitors from surrounding Chapters were present. This being my home Chapter, delicacy of feeling forbade me commenting on the work. Bro. Merritt, Grand Patron, kindly performed the duty of explaining and giving instructions concerning the work. The Chapter is untiring in its efforts to perfect itself and work in unity and peace. Books are neatly and correctly kept.

Ivy Chapter, No. 27. Received me May 5th, and as is characteristic of this Chapter, was made to feel perfectly at home, because of their kindly attention. This is one of the finest Chapters in the jurisdiction, and the degrees were exemplified in a most excellent manner upon four candidates. The Worthy Matron and Worthy Patron deserve especial praise, and all officers manifested commendable pride in being proficient in their work, the effectiveness of which is greatly enhanced by the lovely surroundings. The Secretary's books are in order, and the finances of the Chapter are in excellent condition.

Semper Fidelis Chapter, No. 135. This Chapter has a scattered membership, consequently the labor devolves upon the earnest and zealous officers, who are to be commended for their faithfulness and manifest desire for perfection in the work of the

Order. Considering the difficulties under which they labor, the work was well rendered. With such an energetic Matron as Sister Savage there can be no failure. The necessary instructions were received in the same kindly spirit as they were given. Books are in excellent condition.

Harmony Chapter, No. 124. This is the youngest chartered Chapter in the district, but by no means the least in good work. Although two of the "Star officers" were absent, their places were readily filled and the degrees conferred in a manner gratifying to witness, and a credit to the Chapter. The Worthy Matron is a young lady of much ability, and is aided in her work by a wise and faithful Worthy Patron. Harmony may rest assured that the lessons so impressively taught by them, and the good time enjoyed will ever be a pleasant memory to those privileged to be their guests. Our Grand Secretary, Sister Willats, Grand Conductress Sister Giberson, and Past Grand Patron Brother Gray shared the pleasures of the evening.

Sister LILLIAN BOND, D. G. M.—District No. 9.

The following six Chapters comprise this district: Suisun, No. 2; Silver Star, No. 3; Silver Gate, No. 30; Silver Spray, No. 59; Manzanita, No. 69; and Laurel, No. 87. All have been visited except Laurel, which was not able to receive me. In all of the Chapters visited I have been most cordially received, and wish to render many thanks for the acts of loving kindness and courtesies extended me.

Suisun Chapter, No. 2. This is the oldest Chapter in the district. Here I had the pleasure of meeting the Worthy Grand Patron, Brother Merritt. I found the Chapter in an excellent condition. The work was memorized, and but few instructions needed. Books well kept. Suisun Chapter extended to me the hand of fraternal love, and my visit was a most pleasant one.

Silver Gate Chapter, No. 30. Accompanied by Sister Mary Bond I visited this Chapter. We were met and most delightfully entertained by Worthy Matron Sister Durner at her cosy home. In the Chapter I found a hearty welcome. The ritualistic work was well done. Few instructions needed, but those

were kindly received. The Chapter is harmonious. Books in order. My visit will long remain a pleasant memory.

Silver Spray Chapter, No. 59. The officers seem to be laboring with a spirit of earnestness. Worthy Matron presides with dignity, and not only filled her own station in a most excellent manner, but also that of Conductress. The Chapter, I am sorry to say, has not the proper Masonic support. But I am positive if the officers continue to labor with the same spirit as manifested on this occasion, it will surely bring success.

Manzanita Chapter, No. 69, has a scattered membership. The Patron walks five miles to attend the Chapter and never misses a meeting. The officers were found in need of instruction, and much interest was manifested by all in learning the correct manner of doing the work of the Chapter. The black book was not written up to date. They have some money in the treasury.

Silver Star Chapter, No. 3. My last official visit was paid to this, my own dear Silver Star Chapter. The work was exemplified in a highly satisfactory manner and reflected great credit on our shining light in the East and her corps of officers. The officers and members are all energetic and full of interest, and are untiring in their efforts to keep the Chapter up to the highest standard of perfection. The Chapter is steadily increasing in membership, and I am pleased to say has the respect and support of the Masonic fraternity in our city.

Sister CARRIE L. PEASLEE, W. G. M.—District No. 10.

The inspection of the Chapters of this district has been a pleasant duty, resulting, I trust, in mutual benefit. I have gone to all in the spirit of love and helpfulness. In no portion of our jurisdiction have I found Chapters excelling those of the Tenth District in enthusiasm and earnest desire to attain to the ideal standard of Chapter work.

Acacia Chapter, No. 21, has the distinction of being one of the oldest Chapters in Southern California and enjoys the benefits to be derived from a large, enthusiastic and cultured membership. Both officers and members are rejoicing in the fact that they are soon to enter their new Chapter home in the mag-

nificent Masonic Temple now about completed. The degrees were conferred at the time of my visit in an excellent manner and reflect much credit upon the officers. Sister Kimball, who for many years served the Chapter as its Secretary, as Matron presided with ease and dignity. Brother Laurance, who is serving his second term, is a model Worthy Patron. The amount expended for charitable purposes and the careful attention to the reporting of sickness and distress among the members indicates that they are fulfilling one of the great underlying principles of our beautiful Order.

South Gate Chapter, No. 133. This is the youngest chartered Chapter in the district, but may justly take rank with the strongest. Anxiety to perfect the work of the Chapter in all of its details characterizes the officers. The degrees were conferred in such a manner that few corrections were necessary. Sister Potts is an enthusiastic Matron, and is apparently well supported by the members. Most cordial is the welcome all visitors receive, and none will be disappointed in the pleasure to be derived from spending an evening with South Gate Chapter.

Santa Monica by the Sea Chapter, No. 113. The Secretary of the Chapter being out of town, notice of my intended visit did not reach the officers until the day previous to my coming. The Worthy Matron, Sister Carpenter, deserves much credit for the promptness with which she got her officers together and prepared for my reception. The officers did very well, although some instructions in the floor work were necessary. Peace and goodwill pervade the Chapter. The books were in order and finances in good condition.

Hermosa Chapter, No. 105. Here I found an active Chapter, with an excellent corps of officers. Intelligence and grace of manner rendered their work effective. A well filled treasury and good Masonic support speaks much for Hermosa Chapter. This is the home Chapter of our Associate Grand Patron, whose wise counsel and influence for good is felt in all departments of the Chapter's work.

Southern Star Chapter, No. 96. It is one of the best in the District. Its officers are truly filling their stations with honor

and usefulness, and are worthy of the support of every member. The degrees were conferred in a manner indicating careful training. The fraternal greetings and bounteous hospitality extended me will ever be remembered. The only shadow cast over this gathering was the absence of our dear Sister Matfield, Past Grand Matron, who was detained at home by illness. We all know that her presence and eloquent words are always an inspiration in any Chapter.

Silver Wave Chapter, No. 75. This is the home Chapter of our much respected and aged Brother Lord, who for many years was the leader and mainstay of the Chapter, and though now prevented by infirmity from attending the meetings his influence for good there abides. I here found the Matron's chair filled by a young lady who performed her duties with that unaffected dignity of manner that marks a superior officer. It would have been an excellent lesson for many of our younger officers to have witnessed the effective manner in which several of the officers rendered their lectures. The Sister who occupied Ruth's chair, although past seventy, delivered her work in a manner seldom surpassed. All manifested an earnestness and devotion to the principles of the Order, that is deserving of stronger Masonic support than they receive. Our good Sister Lord, as is her usual custom, presented the Grand Matron with a beautiful piece of her handiwork. But it will not require a glance at this memento to remind one of the kind and generous hospitality of this Chapter.

Ungava Chapter, No. 106. The officers of this Chapter are earnest and dilligent, but not as well supported by the attendance of members as they should be. The Chapter expressed its confidence in Sister Cunningham by selecting her a second time as the presiding officer. The choice was apparently a wise one, for she inspires all of her subordinates to do their best. The degrees were conferred in an impressive manner, only very few corrections necessary. There is no black book in use; all other books neatly and accurately kept, and money in the treasury.

Pomona Chapter, No. 110. This is an especially active Chapter, having, up to the time of my visit, May 9, received twenty-

eight new members, and many are still seeking admission. The degrees were exemplified in a manner that indicated that each officer was striving to excel. The instructions given were most kindly received. The Worthy Matron, Sister Sanders, is untiring in our efforts to make Pomona Chapter one of the best. They have strong Masonic support. Books and finances in good condition.

Pasadena Chapter, No. 108, stands second as to membership, but is not excelled by any in the district in its endeavor to attain to the highest degree of excellence in all works of the Chapter. Sister Wiley as Worthy Matron presides with much dignity, and is supported by an excellent Worthy Patron. The devotion of every officer to her work is both "earnest and persistent," and their intelligent interpretation and effective rendition of the ritualistic work makes a most favorable impression upon the candidate. They receive instruction gladly, as they desire absolute accuracy. That there has been plenty of opportunity for practice is indicated by the fact that there have been seventy-six additions to the Chapter this year. On the evening of my visit the officers, beautifully costumed, presented the "Floral Work" in a faultless manner, and the beautiful Eastern Star poem rendered by Sister Banbury touched every heart. Harmony and genuine hospitality abound in Pasadena Chapter. Our Associate Grand Patron, Brother Hewitt, honored the Chapter by his presence and inspiring speech. The Secretary's books are well kept; money in the treasury. The coming of the Grand Chapter, last year, to our Southland did much toward stimulating a greater interest in the Order in this portion of the jurisdiction. Our people gaining a better understanding of its usefulness and having the opportunity of observing its personnel. The result has been the formation of seven new chapters in this district, all of which it has been my privilege to visit.

Copa del Oro Chapter, U. D. The officers of this Chapter deserve great credit for the efficient manner in which they performed their duties. Rituals not in use, and only some instruction in the floor work needed. The Chapter was instituted in January, and at the time of my visit in May they had initiated

eleven candidates and received three by affiliation. The officers and members are thus encouraged to do their best, and I am sure this Chapter will exert an influence for good in the community where it is located and be an honor to this Grand Chapter. Books in very good condition and money in the treasury. The Chapter has excellent Masonic support.

Jasmine Chapter, U. D. I visited this Chapter in May, found them laboring under disadvantages. Officers not fully realizing the responsibility resting upon them. Instructions were given in the work, and before the Chapter closed I was pleased to note an increase in interest as indicated in their requesting a second visit from the inspecting officer, assuring her they would profit by the instructions and do better. According to my promise I visited them again on September 29th, and to my great satisfaction and pleasure found an entirely different Chapter, every officer except the Warder, who was a pro tem., rendered her work well and without the use of rituals; very few corrections were necessary. One candidate was initiated; two petitions have been balloted upon, and two are in the hands of a committee. It will only require continued activity and earnestness to make Jasmine Chapter a worthy addition to the District. The books are a model of neatness and accuracy. All bills are paid and money in the treasury.

Escondido Chapter, U. D., I found in need of instruction and encouragement. Their membership is small and somewhat scattered. But as many are earnest and intelligent, I doubt not a greater effort will be put forth in the future to bring the work of the Chapter up to the standard. The degrees were fairly well conferred. Peace and harmony prevail and generous hospitality was extended their guest.

Norwalk Chapter, U. D., is located in a town of few inhabitants, the members mostly residing in the surrounding country. But they have an earnest corps of officers, and having the support of the Masonic fraternity it will only require diligence on the part of every member to make this a prosperous Chapter, though its membership may not be large. Instructions were kindly received, as they desire to learn. Finances are good.

Lyra Chapter, U. D. Success is surely in store for this Chapter if active, earnest devotion to the interests of the Order by the officers and members will secure it. In Sister Thompson they have a capable Matron, and she is well supported by Brother Lawhead as Worthy Patron. The officers take pride in their work and take advantage of every opportunity to visit other Chapters that they may acquire a better understanding of the work. The degrees were conferred in a creditable manner, necessary instructions were gratefully received, and I feel confident due heed will be paid to them. The membership is small, but very harmonious, and all are anxious to so conduct the affairs of the Chapter as to merit the granting of their charter.

Pearl Chapter, U. D. This Chapter, though small in numbers, is striving to do good work. The officers were in need of instruction, as most of them had not had the opportunity of witnessing the work elsewhere. The Conductress deserves especial praise for the accuracy of her work. The Chapter is very grateful indeed to one of their brothers for the gift of a beautiful set of jewels. Their meetings are held in a Masonic Hall and have Masonic support.

Chispa Chapter, U. D. I was present at the instituting of this Chapter and regret that I have not been able since to visit it. The officers who assumed the chairs seemed earnest and intelligent and gave evidence of a determination to master the work before them. I understand their Worthy Matron has been absent from the city some time, but that her station has been creditably filled by the Associate Matron, Sister McFadden. The brothers take an active interest, and I trust the records of this Chapter will give evidence of progress in the work.

Sister BERTHA LAURITZEN, D. G. M.—District No. 11.

This District embraces ten Chapters. All have been visited with the exception of Ceanothus, of San Juan. In all Chapters visited I was cordially received and pleasantly entertained. At the close of the meetings refreshments were served and a general good time enjoyed by all. In each Chapter I asked to be examined, and in all but one I found them perfectly familiar with the requirements.

Reveille Chapter, No. 47. On May the 4th I made my initial visit as Deputy Grand Matron with this Chapter. This was also the occasion of a visit from the Worthy Grand Patron. I found the Chapter in an excellent condition. Officers, able and efficient, supported by an enthusiastic membership. A few suggestions were needed and kindly received. I was particularly impressed by the manner in which the "Golden Chain" was formed, never having seen it so beautifully and gracefully formed in any other Chapter. Books well kept. Finances in excellent condition. Rituals were not in use by any officer. Members working together in harmony, their aim being truly "the good of the Order."

Lily of the Valley Chapter, No. 18. I did not find some of the officers doing as well as I expected and knew they were capable of doing, but this was an unexpected official visit, both to myself and the Chapter, and they were hardly prepared for my visit. The Conductress and Points of the Star are all young ladies, and render their work in a very impressive manner. Books correctly kept. Finances good. Later in the year this Chapter was visited by the Worthy Grand Matron, who reported that on the occasion of her visit the work was almost faultlessly done. Thus did Lily of the Valley sustain its reputation for good work.

Idlewild Chapter, No. 19. At the time of my visit the Worthy Grand Patron and a number of other visitors were present. Work excellently rendered. But few corrections necessary. Ritual not in use by any of the officers. The members take an active interest in the affairs of the Chapter, and are zealous in their efforts to promote the welfare of the Order. Books neatly and correctly kept. Money in the treasury.

Magnolia Chapter, No. 73. Having visited this Chapter many times I knew what to expect, both in the way they would do the work and the manner of entertaining. On this occasion the work was well done. Officers are efficient, and, together with the members, work in perfect harmony for the advancement of the Chapter. Books are in perfect order and money in the treasury.

Los Gatos Chapter, No. 128. This is a most delightful and

harmonious Chapter. A few of the officers were not as proficient in the work as I had hoped to find them, but they were anxious and willing to receive instructions that would enable them to advance. Much interest is manifested by officers and members. This Chapter does not receive as much Masonic support as it should. Books, with the exception of the black book, are correctly kept. This Chapter meets in a most beautiful hall.

San Jose Chapter, No. 31, renders the work in the most perfect manner of any in the district. The membership is composed of active, enthusiastic workers, who unite with the Worthy Matron in laboring for the success of the Chapter. The work was faultlessly given and reflected credit on the officers. Books neatly and correctly kept. Finances excellent. It is truly a pleasure to visit this Chapter.

Miramonte Chapter, U. D., is the youngest Chapter in the district. It had been organized only five months at the time of my visit. They are doing excellent work, officers and members showing a deep interest in all work of the Chapter. A few suggestions were made and gratefully received, as they are working for advancement. Books well kept. Finances good for so young a Chapter.

Athena Chapter, No. 46. This being my home Chapter I had hoped on the occasion of my official visit the Worthy Grand Matron would be present to inspect the Chapter, but she was unable so do so. Later she visited the Chapter and gave us a great deal of praise for the manner in which the work was done. On the occasion of my visit the work was well rendered, instructions only being necessary in balloting. The officers and members take great interest and are ever ready to do all in their power for the advancement and prosperity of the Chapter. Finances excellent, as there is about seven hundred dollars in the treasury.

Ocean Spray Chapter, No. 68, I found in excellent condition. Officers and members united and harmonious. They have work to do, and do it with a zeal and earnestness that reflects credit upon the management of the Worthy Matron. Few corrections were necessary upon their rendering of the work. Books well

kept. Money in the treasury. Sister Miller, Associate Grand Matron, was present on this occasion.

I regret that I was unable to meet with Ceanothus Chapter, No. 45. The membership is small and scattered, and owing to the fact that many of the officers and members were away from their homes it was impossible to arrange for an official visit. The Worthy Matron reports the Chapter financially in good condition. All bills promptly paid and books correctly kept.

Sister BESSIE D. BUKER, D. G. M.—District No. 12.

The following nine Chapters comprise this District: Electa, No. 72; Raisina, No. 89; Madera, No. 92; Heliotrope, No. 93; Centinela, No. 136; Elaine, No. 101; Mercedes, No. 126; Chrysanthemum, No. 132; Orestimba, U. D. All have been visited, and from the questions asked and answered found most of them in good condition. Every Chapter received me most cordially, and I am truly grateful for all kindness shown me.

Electa Chapter, No. 72. Is the oldest in the District, and having had many years of prosperity is among the strongest. The initiatory work, as well as the floral decorations, deserve especial mention. The cordial hospitality delighted all who were so fortunate as to be present. An invitation had been extended to the members of Summit Chapter, and was generously responded to. A musical and literary programme followed the regular work. Sister Purvis' Eastern Star recitation was most touchingly rendered. I was hospitably entertained at the home of the Worthy Matron, Sister Jamison. The books of the Chapter are correctly kept.

Madera Chapter, No. 92. Was notified of my intended visit, and your Deputy went to them. Found many officers absent, but with the assistance of Past officers the work was exemplified. Instructions and encouragement given. The Conductress deserves much credit for the manner in which she led the candidate through the intricacies of the Labyrinth. Entries are not made in the regular black book, otherwise books are well kept, and the treasury in good condition.

Heliotrope Chapter, No. 93. Has a small membership, many living some distance from town and cannot regularly attend, others have moved away, leaving a few faithful ones to bear the burden. The work was exemplified and four links added to the "Golden Chain." Instructions were given and kindly received. The untiring efforts of the Worthy Matron, deserves especial mention. Visitors were present from several Chapters. The Chapter has a small amount in the treasury.

Elaine Chapter, No. 101. Officers are proficient and show an earnest desire to attain perfection in the ritualistic work. The degrees were conferred upon two candidates in a faultless manner. The Worthy Matron does all within her power for the advancement of our beloved Order. The Chapter is truly in a very prosperous condition. Books in order. Over one hundred dollars in the treasury.

Mercedes Chapter, No. 126. This Chapter is in an unusually prosperous condition. The most perfect harmony exists. On the occasion of my official visit every officer answered to roll call, and all are enthusiastic in their work and desire to do everything in their power for the advancement of the Order. The Worthy Matron and Worthy Patron deserve especial mention for efficiency of work. The Chapter has strong Masonic support. The books are neatly and correctly kept. There is over one hundred dollars in the treasury.

Chrysanthemum Chapter, No. 132, I found in a depressed condition, and laboring under many difficulties. Membership small; attendance poor, owing to the fact that many have moved from the town. Words of encouragement and instruction were given and thankfully received. Books accurately kept, with the exception of the black book. The Chapter is not properly supported by the Masonic fraternity.

Centinela Chapter, No. 136, has a membership of twenty-five. The degrees were exemplified. Officers deserving much praise for their efforts. Four candidates were initiated. Thorough instructions were given in the ritualistic and floor work. Books are neatly and accurately kept.

Raisina Chapter, No. 89. Here the Hall was made attractive by floral designs appropriate to the Order. The attendance was large, many visitors from other Chapters in the district being present. The degrees were conferred upon two candidates in a manner reflecting credit upon the officers. The Worthy Matron is earnest and faithful, and is supported by an excellent Worthy Patron. The Conductress and Associate Conductress deserve especial mention for the excellent manner in which they did their work. Books accurately kept, with the exception of the black book.

Orestimba Chapter, U. D., is the youngest Chapter in the district, but in many respects may be classed with the strongest. With the exception of one officer not a ritual was used during the entire ceremonies. They have the lessons of our Order thoroughly at heart, and work with an earnestness that would be a credit to many of the older Chapters. The Chapter room was elaborately decorated. Books correctly kept and cash on hand.

Sister ANNIE L. BEEBE, D. G. M.—District No. 13.

This District comprises seven Chapters: Bakersfield, No. 125; Lucerne, No. 127; Lily of the Lake, No. 41; Palm Leaf, No. 114; Martha Washington, No. 13; Tulare, No. 94, and Delano, U. D. They have all been visited.

Delano Chapter, U. D. Was officially visited April 14th. I was much gratified by the work done and the true fraternal spirit displayed. This was only the second meeting after the organization of the Chapter, and the exemplification of the work would have done credit to an older Chapter. There were five candidates who received the degrees on this occasion. A delightful spirit of harmony prevails. The officers seem anxious to be properly instructed. Their hall is small, but very neat and attractive. The books are in the hands of a good Secretary. I predict for this Chapter a prosperous future.

Bakersfield Chapter, No. 125. I visited this Chapter April 15th. The Worthy Matron having called a special meeting for the purpose of my inspecting their work. As the chairs were nearly all filled by officers pro tem., the work was not par-

ticularly well done. This being also the first time the Worthy Patron had filled his station since the installation. The Secretary's books were in excellent order. Light refreshments were served and a social hour spent at the close of the Chapter.

Tulare Chapter, No. 94. The home of this Chapter was beautifully decorated and filled to its utmost capacity by the members and visitors from other Chapters. The ritualistic work was rendered in an impressive manner. The members seem to possess the true spirit of fraternal love, each vying with the other in trying to make their meetings both pleasant and profitable to all. There is every indication of a continuance of prosperity in this Chapter.

Martha Washington Chapter, No. 13. On the occasion of my visit I was impressed with the spirit of revival which seemed to pervade the very atmosphere. The degrees were conferred upon eight candidates in an excellent manner, indeed, the officers did admirably. Six of the initiates were Masons, who will be a great acquisition to the Chapter. The books are in order, and finances in good condition. The decorations on this occasion were beautiful, the banquet hall being a veritable bower of roses. Good cheer and open hospitality prevailed. All departed feeling that the Mother Chapter of the District still cherished a fraternal love for her offspring. Visitors were present from four sister Chapters.

Palm Leaf Chapter, No. 114. I was most graciously received by this Chapter. The ritualistic work was well rendered, as this Chapter has an efficient corps of officers, who work untiringly to keep its standard of excellence. The Secretary's books are in perfect order, and finances in good condition. They have the hearty support of the Masonic Lodge, and all work harmoniously for the "Star." Many visitors were present. The evening closed very pleasantly with a banquet, seasoned with witty toasts and interesting addresses.

Lucerne Chapter, No. 127. Though this Chapter is young in years, the ritualistic work was well rendered. The officers have the interest of the Order at heart, and strive to place their Chapter on a high plane. Two links were added to the "Golden

Chain." The Worthy Patron showing perfection in his work. Secretary's books are well kept, and business is conducted with accuracy. Their Hall is large and well equipped. Many visitors were present. The Chapter has good Masonic support.

Lily of the Lake Chapter, No. 41, I found in excellent condition, officers showing commendable zeal, especially the Worthy Patron. After the exemplification of the work the time spent in the Banquet Hall ended one of the most enjoyable visits of the year. This Chapter has no cash book.

Sister LUELLA E. CAVIS, D. G. M.—District No. 14.

This district contains the following Chapters: Ariel, No. 42; Homo, No. 50; Golden Star, No. 66; Queen Esther, No. 71; Azalia, No. 77; Woodbridge, No. 118; Tuolumne Star, No. 123; Angels, No. 134; Summit, U. D.

Woodbridge Chapter, No. 118. I made my first official visit to this Chapter, and found the members full of enthusiasm and life. The work was excellently rendered. Attendance remarkably good. The Chapter is well supported by the Masonic fraternity. Books neatly and accurately kept. Money in the treasury.

Golden Star Chapter, No. 66, is in excellent condition. It has a membership of sixty-seven, all full of the spirit of enthusiasm. Few instructions needed. Books in order. Money on hand.

Queen Esther Chapter, No. 71. I went to this Chapter according to appointment, but owing to death in the Worthy Matron's family, absence and serious illness of other officers and members, no meeting was held. I called upon the Secretary and secured answers to the "list of questions." From these I find the Chapter to be very small in numbers, but in good financial condition. Books well kept. They are anxious to retain their charter and are hoping to rebuild the Chapter. Since the Deputy's visit this Chapter has changed its place of meeting from Plymouth to Sutter Creek, and with the change will undoubtedly come new life and prosperity to the Chapter.

Tuolumne Star Chapter, No. 125, has an earnest and active membership. The degrees were conferred upon a sister in a

most excellent manner. The Chapter has good Masonic support. The Secretary keeps no black book; all other books are neatly and properly kept. This is a most delightful Chapter. Harmony and goodwill prevails. My visit with them was full of joy and pleasantness and will ever be remembered as one of the brightest of my official visits.

Angels Chapter, No. 134, called a special meeting May 8th for the purpose of receiving the Deputy. This is the youngest chartered Chapter in the district, but is full of energy and ambition. The degrees were conferred on one candidate in a most excellent manner. The Worthy Matron is devoted to her work and her interest in the welfare of her Chapter is unflinching. She is generously supported by her sisters and brothers. This Chapter was without a seal, but promised to secure one immediately.

Homo Chapter, No. 50, my home Chapter, was visited officially May 27th. This being the celebration of our fifteenth anniversary, we had the pleasure of entertaining Sister Partridge, Most Worthy Grand Matron, and Brother Merritt, Worthy Grand Patron. The work was rendered in the usual excellent manner. Books are correctly kept and money in the treasury. Remarks for the "Good of the Order" were made by Sister Partridge and Brother Merritt, and were listened to with deep interest and pleasure.

Azalia Chapter, No. 77. I found the officers and members working hard to build up the Chapter, which has recently been moved from Campo Seco to San Andreas. The officers are earnest and intelligent, only needing practice to bring their work up to a high standard. Some instructions were needed, and gratefully received. Three candidates were initiated. Books neatly kept. Money in the treasury.

Summit Chapter, U. D. This Chapter was instituted in December, 1895. I found the officers and members working diligently, and hoping to merit a charter. The ritualistic work was thoroughly memorized and the floor work almost perfectly given. The members are wideawake and anxious to perfect the Chapter. They meet in a Masonic Hall and have good Masonic support.

Ariel Chapter, No. 42. Is not a large Chapter, but it is full of the spirit of harmony and hospitality, and is apparently much stronger than in the past. The degrees were conferred upon one candidate in a very impressive manner. The books are in good order. The Chapter meets in a beautiful Masonic hall. With this Chapter I concluded my official visits, and for the many acts of kindness and courtesies received from officers and members of Chapters in District No. 14 I am truly grateful.

Sister DOROTHEA O. DALLIDET, D. G. M.—District No. 15.

Sister Dallidet, who was East at the time she accepted the appointment as one of my deputies, undoubtedly expected to return in time to perform the duties of her office, but later having decided to remain throughout the year tendered her resignation. Believing it to be too late to appoint another in her stead I assumed the duty of inspecting the District. I regret that I cannot report all Chapters in good condition. Scattered membership and financial depression have done much to dampen the Order of these Chapters that otherwise would be earnest and active.

Ventura Chapter, No. 79, has a small membership. I found them in need of much instruction and encouragement. A few years ago this Chapter had thought best to surrender its charter, and many members took out their dimits, and since the revival of the Chapter have not returned, thus taking much from its strength. However, the officers seem determined to put forth greater effort in the future to bring the work of the Chapter up to a higher standard of excellence, thereby hoping to awaken a deeper interest in the Order and increase their numbers. The degrees were conferred upon one candidate. The Worthy Patron did his work very well. Rituals were much in use by other officers. The Chapter owes much to its efficient Secretary, Brother Thompson, for his active interest in the welfare of the Chapter. Books are in good condition and some money in the treasury.

Marguerite Chapter, No. 78, is one of the best in the district, and has gained that distinction by close attention to the details of the work and the harmonious action of every officer and

member. Two candidates received the degrees. The work was thoroughly memorized and effectively rendered. Very few instructions were needed. A visit to this Chapter is surely a delight.

Mizpah Chapter, No. 100, is a thoroughly good Chapter, officers and members unitedly laboring for the welfare of the Chapter. Past officers also taking a deep interest. The work was exemplified in an excellent manner. The Worthy Patron being absent, our Grand Sentinel, Brother Travers, whose home Chapter this is, filled that position, rendering his lectures with much earnestness and dignity. Truly the spirit of loving kindness abides in this Chapter.

Ramona Chapter, No. 97. Here is a Chapter struggling for its life. It has a membership of twenty-three, twelve of whom were present at the time of my visit. Books were not in very good condition, minutes not having been written in the record book since 1894.

Bethlehem Chapter, No. 95, informed me they could not receive me at the time I was making my official visits to the other Chapters of the district. I, however, called upon the Worthy Matron of the Chapter, that I might learn something concerning it, but I am sorry indeed to report the Chapter in much the same condition as last year and the interest of the members being diverted in other directions.

SISTER PHCEBE S. MARSHALL, D. G. M.—District No. 16.

This district comprised the three Chapters in Nevada, but since my appointment as Deputy two Chapters have been instituted—Lady Emma at Wadsworth and Silver State at Winnemucca. I was present at the instituting of Lady Emma Chapter and have had the pleasure of visiting it since. I found the work well memorized and creditably rendered.

Electa Chapter, No. 120, I was unable to visit owing to the illness of the Worthy Matron, at whose request my visit was deferred until she was able to make another appointment. This has never been done.

Esther Chapter, No. 121, gave me a most cordial welcome and exemplified the work in an excellent manner. Only a very few corrections were necessary, and these were kindly received. The Secretary has no black book.

Adah Chapter, No. 122. This Chapter does its work well. No ritual used except by the Chaplain. Four candidates were initiated the evening of my visit. Where all do so well it is difficult to particularize, but great credit is due the Conductress for the dignified and faultless manner in which she performed the duties of her office. Ruth's lecture also was charmingly rendered. Books are in order.

RECOMMENDATIONS.

I. Owing to the increase in number of Chapters I would recommend the southern portion of the State to be redistricted.

II. Recommend the Bible be used in administering the test oath.

III. Recommend the time for which appointments of our Grand Representatives shall hold be named by this Grand Chapter.

IV. Considering the increasing objection to the Deputy system as now existing, I would recommend a committee be appointed by this Grand Chapter to formulate plans for the improvement of this system or the substitution of a more satisfactory and effectual method of inspecting the Chapters of this jurisdiction.

V. Recommend that those Chapters U. D., giving evidence of competence to do the work and willingness to obey the laws and regulations of our Order, be granted charter.

VI. Recommend that the thanks of this Grand Chapter be extended to the Grand Master of the Grand Lodge of California for the invitation to the officers and members of our Order to be present on the occasion of the laying of the corner-stone of the Masonic Widows' and Orphan' Home. Expressing to him our appreciation of the courtesy and our earnest desire that the blessing of our Heavenly Father may rest upon the Masonic Fraternity in all its efforts in providing for the widowed and fatherless.

THE HOME.

I regret to report, as did my predecessor, that very little has been done in regard to the Masonic Widows' and Orphans' Home. Several of our Chapters are gradually accumulating a Home fund which they intend to contribute toward this laudable undertaking. The corner-stone of the Home having been laid, our Order will undoubtedly be stimulated to greater activity in its behalf.

OUR DEAD.

During the year many of our members have passed from their earthly home "to the New Jerusalem, that city not made with hands." They have fathomed the great mystery of mysteries. The sacred tie has for the time been severed, but the sweet memory of the loved one gone will lighten our sorrow and strengthen our hopes of reunion. To the bereaved ones we would extend our sincere sympathy and recommend that a memorial page be set apart in our proceedings in honor of the departed.

GOOD OF THE ORDER.

It is with pleasure I report the Order in this jurisdiction in a flourishing condition. With very few exceptions the officers and members of subordinate Chapters are laboring together with zeal and earnestness, satisfied with nothing short of perfection, both in ritualistic and floor work, and conducting the business affairs of the Chapters with commendable accuracy. It has been the aim of the present Grand officers to establish perfect uniformity of work throughout the jurisdiction, and it has been gratifying to note the readiness with which the officers have striven to accomplish this purpose. I have endeavored to impress upon the minds of our members the importance of being perfectly familiar with the secret work of our Order, that they might always be prepared to pass a creditable examination when visiting Chapters. To this end I have suggested that a proper examination be occasionally exemplified in open Chapter for the benefit of the members.

Three of our Chapters—Azalia, No. 77, Queen Esther, No. 71, and Sincerity, No. 53—realizing their present weakness, with heroic purpose sought to better their condition, and have

changed their place of meeting. We believe the new life and vigor thus gained will assure them a brighter future, and I am sure this Grand Chapter wishes them "God speed" in their new homes.

I have been in communication with nearly all of the Chapters in our jurisdiction and with many Grand and Past Grand Officers of other States, thereby gaining information that has greatly aided me in the discharge of my duties, and given me a knowledge of the conditions and growth of the Order in general. The letters sent out from my office will number over eight hundred. I would urge upon the officers of subordinate Chapters the importance of giving closer attention to the rules and regulations of the Order as found in the Digest; thus would the correspondence of the Grand Officers be materially lessened.

CONCLUSION.

Sisters and Brothers: The trust with which you honored me I shall soon return to you, unsullied by any intentional wrong. The record of the year is before you, and the motive that has prompted every act has been love for our beautiful Order and an earnest desire to exalt and strengthen its conditions and increase its influence for good.

To the members of our Order who with willing hands and loving hearts have co-operated with me in my every endeavor I am sincerely grateful, and the many tokens of love and esteem received at their hands will be dearly cherished. I am especially indebted to Past Grand Matrons for valuable assistance. To our Worthy Grand Patron for counsel and advice, and to our Grand Secretary for her prompt and efficient service.

I have diligently endeavored to perform the duties of the office with credit to myself and honor to this Grand Chapter.

"So do I gather strength and hope anew,
For well I know thy patient love perceives,
Not what I did, but what I strove to do;
And though the full, ripe ears be sadly few
Thou wilt accept my sheaves."

CARRIE L. PEASLEE,
Grand Matron.

The incompetency of the secretaries of the following Chapters has been exhibited to your committee by the following errors:

Reports were not dated of the following Chapters: Lily of the Valley, No. 18; San Jose, No. 31; Ariel, No. 42; Ungava, No. 106; Corona, No. 107; Fidelity, No. 131; South Gate, No. 133; Angels, No. 134; Mt. Shasta, U. D.; Orestimba, U. D.; Valley of the Moon, No. 85; Southern Star, No. 96; Golden Wave, No. 103; Josephine, No. 104; Clear Lake, U. D.

The following reports lacked the day of the month: Acacia, No. 21; Jasmine, U. D.

Secretaries of the following neglected to add their names and addresses: Acacia, No. 21; Ivy, No. 27; Electa, No. 72; Raisina, No. 89; Golden Wave, No. 103.

The Worthy Patrons of the following Chapters show that they are not attentive to their duties, in that they neglected to sign the reports: Vacaville, No. 28; Santa Monica, No. 113; Mt. Shasta, U. D.; Rohnerville, No. 76.

The secretaries of the following Chapters have no seals or do not use them: Corona, No. 107; Bethlehem, No. 95; Ramona, No. 97.

The Matron of Chispa Chapter, U. D., neglected to attach her signature to the report of her Chapter.

The reports of the following Chapters were received at the Grand Secretary's office after October 1st, 1896: Silver Gate, No. 30; Sincerity, No. 53; Tuolumne Star, No. 123; Copa del Oro, U. D.; Madera, No. 92.

In the report of Sotoyome, No. 82, the secretary omitted the town, county, State, the place and time of meeting of the Chapter.

The reports of Electa Chapter, No. 120, and Chrysanthemum Chapter, No. 132, were not received in time to be referred to your committee.

There were fifty-four Chapters, whose secretaries did not return the names of the members of their Chapters in full.

A little care on the part of secretaries and a more careful observance of the instructions received from the Grand Secretary in regard to this matter will obviate all this difficulty, and reports will then correspond with Sec. 17, Art. II, of the Constitution.

It may be considered by some that your committee has been rather severe on the officers of delinquent Chapters, but it is supposed that when a Chapter elects officers that they are competent to discharge the duties incumbent upon them, and, if they are not, they should be requested to resign that competent members may be found to fill the offices.

Your committee is aware that mistakes may be made by the very best officers, but the errors here noted have been found in the reports of this same committee for years past, besides the Grand Secretary has sent out explicit instructions from year to year, and your committee believes that errors of this character should diminish instead of increase, therefore this report is submitted in hopes that this result may be accomplished.

Your committee has received valuable assistance from the Grand Secretary, for which we are thankful.

All of which is respectfully submitted,

JOHN A. GALLUP,
LULU BLANCHARD,
LOUISE SULLIVAN,
Committee on Returns.

Which report was adopted as read.

The following resolution was read and referred to the Committee on Constitution and Laws:

**RESOLUTION PROVIDING FOR MEMBERS TO FAMILIARIZE
THEMSELVES WITH THE SECRET WORK OF THE ORDER.**

Be it Resolved, by this Grand Chapter that it is deemed for the very best interest of this Order that every member thereof should be familiar with all the terms and conditions of our obligation, and that the Worthy Grand Matron to be elected at this session shall by herself and through her District Deputy Grand Worthy Matrons endeavor to have all Worthy Patrons of subordinate Chapters see that all members of the Order are perfectly familiar with this part of the work.

Furthermore, that this Grand Chapter request its Representative at the General Grand Chapter to endeavor to have the work amended so that no one will be allowed to participate in the privileges of our Order until they are able to repeat the obligation from memory in open Chapter.

Respectfully submitted,

J. A. GALLUP.

The Grand Secretary then read the report of the Committee on Distribution, as follows:

REPORT OF COMMITTEE ON DISTRIBUTION.

To the Grand Chapter O. E. S. of California:

The Committee on Distribution, to whom was referred the addresses of the Worthy Grand Patron and Worthy Grand Matron, beg leave to report as follows:

We would respectfully recommend that so much of the address of the Worthy Grand Patron as refers to by-laws and recommendations be referred to the Committee on Constitution and By Laws.

That so much as refers to new Chapters and dispensations be referred to the Committee on Warrants and Dispensations.

That so much as refers to decisions be referred to the Committee on Jurisprudence.

That the first recommendation of the Worthy Grand Matron be referred to the incoming Worthy Grand Matron.

That recommendations second and third be approved, and would suggest that three years be the length of time for the appointment of our Grand Representatives.

That recommendation number four be referred to a special committee, consisting of three Past Worthy Grand Matrons.

That the fifth recommendation be referred to the Committee on Warrants and Dispensations.

That the sixth recommendation be referred to a special committee.

That so much as refers to Memorial pages be referred to a special committee.

We regard these addresses as the embodiment of fraternal wisdom and counsel, and hope that the sentiments they contain may find a deep abiding place in the hearts of the members of the Order of the Eastern Star.

All of which is respectfully submitted,

AUGUSTA D. WILSON,

ELLA T. HALL,

Committee.

Past Grand Matron, Mrs. Mary Josephine Young, Chairman of the Committee on Jurisprudence, presented the following report:

REPORT OF THE COMMITTEE ON JURISPRUDENCE.

To the Grand Chapter O. E. S. of California:

Your Committee on Jurisprudence, to whom was referred that portion of the Grand Patron's address relating to the decisions made by him, respectfully recommend:

That Decision No. 1, be amended as follows, to wit:

It is the duty of every member to sign the By Laws, and willful neglect or actual refusal to do so deprives the member so refusing of all the rights and privileges of membership. But if for any reason, except for such willful neglect or actual refusal, the By-Laws have not been signed, the person initiated or affiliated is nevertheless a member, entitled to all the rights and privileges, and subject to all the duties and responsibilities of membership.

And that the same so amended be approved.

That in place of Decision No. 2 the following be adopted as a substitute, to wit:

A By-Law of a Chapter adopted previous to the time of the adoption by this Grand Chapter of the Uniform Code of By-Laws, prescribing the meetings on which initiations may be held, is valid. A By-Law of a Chapter adopted subsequent to such adoption of the Uniform Code, is null and void, it not being provided for in the Uniform Code, nor being a provision necessary to "comply with the requirements of the Ritual and the Constitution and laws of the Order."

(See substitute to Decision No. 2, page 62, Proceedings 1895.)

A motion to proceed with or to postpone an initiation is out of order, the "work" of the Chapter being under the control of the Worthy Matron, subject to the laws, rules and regulations of the Order."

A motion to change the order of business is in order, the "business" being under the control of the Chapter.

That Decision No. 3 be amended to read as follows:

"It is not the privilege of the Matron elect to select the installing officer."

The Ritual provides that "the installing officer must be a present or Past Matron or Patron. The first board of officers of a new Chapter must be installed by a Grand Matron or Patron, or a deputy; who also may install the officers of any Chapter when requested to do so by the Chapter."

That Decisions Nos. 4, 5 and 6 be approved.

That Decision No. 7 be amended as follows:

All applications for a dimit shall be construed to include a recommendatory certificate, and must be made in writing, or personally in open Chapter. Should the Chapter refuse to grant such certificate, it is optional with the party applying to retain membership in the Chapter or to take a dimit without recommendation. A member may withdraw an application for a dimit at any time before action thereon by the Chapter.

Upon the *demand* of a member, the Secretary shall forthwith issue a certificate of withdrawal without recommendation, but the Secretary must inform the member of the nature of the certificate to be issued.

And that the same so amended be approved.

That Decision No. 8 be not approved, but in accordance with our usual custom of seating visitors in the East, we recommend that the seat of honor for sisters of the Order be on the right of the Worthy Matron, and for brothers of the Order on the left of the Worthy Patron.

That Decision No. 9 be approved.

All of which is respectfully submitted,

MARY JOSEPHINE YOUNG,
ANNIE E. BRIGGS,
FRED LAWRENCE BUTTON,
Committee.

Which report was adopted.

Past Grand Patron Jacob Franklin Boller, Chairman of the Committee on Constitution and Laws, presented the following reports from his committee:

REPORTS OF THE COMMITTEE ON CONSTITUTION AND LAWS.

To the Grand Chapter O. E. S.:

We, your Committee on Constitution and Laws, to whom was referred that portion of the Grand Patron's address relative to his action in the approval of By-Laws submitted to him from the various Chapters, beg leave to report that we have carefully examined each of the said By-Laws, and find them all in conformity with the requirements of the Constitution, and therefore recommend that his action thereon be approved.

Respectfully submitted,

J. F. BOLLER,
MARY G. DUNN,
FANNY WARD MILLER,
Committee.

To the Grand Chapter O. E. S.:

Your Committee on Constitution and Laws, to whom was referred that portion of the Grand Patron's address relative to a revision of the Constitution and Digest, beg leave to report that after a careful consideration of the suggestions of our Worthy Grand Patron in that behalf, we agree with him that in some matters improvement might and, no doubt, could be made in our Constitution, yet to attempt a revision of the same at this time would imperil the harmony now existing in our affairs of government, and render precedents and decisions, long concurred in, unsettled and of uncertain authority.

To revise a constitution of government of either social or political organization is hazardous in the extreme, and if the progress made by our

Order in this Grand Jurisdiction, during the past twenty-five years, under our present Constitution, as brought up to date, be a fair guide for the future, we should hesitate to tamper with it now.

As to the Digest, we believe our very able and competent Committee on Jurisprudence have each year, since its compilation, supplemented it so as to keep it continually up to date, and made such corrections and amendments as to at all times render it full and complete upon all decisions made, either by the Grand Patron or Grand Chapter.

We, therefore, respectfully recommend that the recommendation of the Grand Patron that a committee of five be appointed upon revision of the Constitution and Digest, be at this time not concurred in.

J. F. BOLLER,
MARY G. DUNN,
FANNY WARD MILLER,
Committee.

To the Grand Chapter O. E. S.:

Your Committee on Constitution and Laws, to whom was referred the resolution of Bro. Past Patron Gallup, relative to requiring members to familiarize themselves with the secret work of the Order, and that this Grand Chapter request its Representative to the General Grand Chapter to endeavor to have the work amended so that no member be permitted to participate in or allowed any of the privileges of the Order unless they be able to repeat the obligation from memory in open Chapter, respectfully beg leave to report that they have given this matter careful thought, and while they heartily approve of the sentiment which prompted the resolution, and believe that every member should be able to repeat from memory the obligation of our beautiful Order, as well as to be thoroughly familiar with all of the esoteric work, yet we are of the opinion that it would be impracticable to require such a test, for experience teaches us that it is a physical or mental impossibility for some to memorize anything, and yet the substance will be remembered and never forgotten; that many of our most devoted and conscientious members could not now and never would be able to stand such a test; then, too, it is indefinite as to when such test should be required—whether in opening or while the Chapter is in session, or immediately before a banquet, as a requirement before being allowed to participate, as one of the privileges of the Order.

Therefore, after mature deliberation, while not desiring to be understood as discountenancing the sentiment, yet believing the duties of the Worthy Patron are fully elaborated in the Constitution and Ritual, we recommend that said resolution be not adopted.

Respectfully submitted,

J. F. BOLLER,
MARY G. DUNN,
FANNY WARD MILLER,
Committee.

To the Grand Chapter O. E. S.:

Your Committee on Constitution and Laws, to whom was referred that portion of the Grand Patron's address suggesting a change of the Constitution relative to the time when Chapters shall make their annual reports, beg leave to report that we have carefully considered the same, and consulted with the Grand Secretary relative to its advisability; that we believe the suggestion to be good and its necessity obvious, when properly considered. We, therefore, approve the same, and offer the following resolution relative thereto, and recommend its adoption:

Resolved, That section 17 of article II of the Constitution of the Grand Chapter be amended by striking out the word "August" wherever the same occurs, and substituting in lieu thereof the word "July," and by striking out the word "October" where the same occurs, and substituting the word "September" in lieu thereof.

Respectfully submitted,

J. F. BOLLER,
MARY-G. DUNN,
FANNY WARD MILLER,
Committee.

Which reports were adopted unanimously.

Past Grand Matron Mrs. Mary Josephine Young, Chairman of the Committee on Jurisprudence, presented the following report, which was adopted:

REPORT OF THE COMMITTEE ON JURISPRUDENCE.

To the Grand Chapter O. E. S. of California:

Your Committee on Jurisprudence, to whom were referred matter relating to the status of Brother Wm. B. Depew, report that Brother Depew is entitled to the rank of Past Patron, having served as Patron of Chrysanthemum Chapter, No. 132, while under Dispensation for a period of more than one year.

(See Digest of Decisions, No. 176, page 61; also Proceedings, 1892, p. 142.)

MARY JOSEPHINE YOUNG,
ANNIE ELIZABETH BRIGGS,
FRED. LAWRENCE BUTTON.

Past Grand Matron Mrs. Mary Ann Flint, Chairman of the Committee on Masonic Widows' and Orphans' Home, presented the following report:

REPORT OF COMMITTEE ON MASONIC WIDOWS' AND ORPHANS' HOME.

To the Grand Chapter O. E. S. of California:

The Masonic Widows' and Orphans' Home Committee beg leave to submit the following report.

Various plans and suggestions relating to "Home" matters have been considered by your committee during the past year, and with this brief statement this report might close, but that a recent event seems to mark an era in the history of the enterprise, for the furtherance of which, this committee was appointed and to call for some action from this Grand Chapter in regard to it. On Wednesday, October 14th, the corner-stone of the Masonic Home was laid by the Grand Lodge, Free and Accepted Masons, with appropriate ceremonies in accordance with the usages of the Craft, in the presence of a multitude of people, many of whom were members of the Order of the Eastern Star, who were there in response to a cordial invitation from the Masonic Home Committee of the Grand Lodge to all members of our Order to be present and share the pleasures of the occasion.

The connection of our Order with the project for a Widows' and Orphans' Home is a matter of record and need not be recapitulated at this time. The sum of five hundred dollars has been paid to the Masonic Committee, as an earnest of our desire to share with them in this beneficent undertaking from its beginning. Now that the foundations are laid and the erection of the superstructure commenced, the building will be carried to completion by the Masonic Fraternity, but when it is finished much will remain to be done before it will be ready for those who are to occupy it. It seems to your committee that this is the time when the Order of the Eastern Star can most effectually co-operate with the Masonic brethren and fulfill the pledge so enthusiastically made in the session of '91, of a cordial, earnest and hearty support," by furnishing the house with what will be needed to make it in truth, as in name, a "Home." There is nearly two thousand dollars in the "Home" fund. If the Chapters in this jurisdiction will contribute a sum equal to one dollar per capita for each member borne upon the rolls of the 131 Chapters nearly nine thousand dollars will be added to the fund. Sisters, this is woman's work! Shall we pledge ourselves to it and thereby prove ourselves worthy "co-laborers with the Great Brotherhood in the service of humanity."

MARY A. FLINT,
M. JOSEPHINE YOUNG,
MARY E. PARTRIDGE,
MARY B. MOORE.

Committee.

Which report was ordered to be placed on file.

The following preamble and resolution, offered by Past Grand Matron Mrs. Mary A. Flint, was adopted:

WHEREAS, The time has arrived for active participation in the building and furnishing of the Widows' and Orphans' Home at Decoto, therefore, be it

Resolved, That this Grand Chapter, O. E. S., by its Masonic Widows' and Orphans' Home Committee, tender to the Trustees of the Masonic Widows' and Orphans' Home our assistance in fitting up and furnishing the building, when completed, and that said committee be and is hereby authorized and empowered to solicit subscriptions in aid of this beneficent enterprise, and to receive, receipt for and disburse, at its discretion, all moneys now in the Home fund, or which may hereafter be paid in aid of the Home, and it shall be their duty to file with the Finance Committee of this Grand Chapter bills and vouchers for all moneys expended. To confer and act with any organization which is, or may be formed for the same purpose.

Worthy Patron Maurice Pritchard, M. D., of Sierra Star Chapter, No. 123, was excused for non-attendance at first day's session, having been detained by a patient.

The Grand Secretary then read the report of the Committee on Printing, as follows:

*To the Worthy Grand Patron, Grand Matron, Sisters and Brothers
 of the Grand Chapter of the Order of the Eastern Star of California:*

WHEREAS, The increase of our beloved Order in this State, during fourteen years last past, has been marvelous, both in numbers and efficiency of work; and,

WHEREAS, This increase, as many of us know, has been in no small degree due to the eminent labor and faithfulness of the Worthy Grand Secretary of our Order; and,

WHEREAS, The rapid increase has been multiplying labors more than the members of this Grand Chapter are willing to see made the burden of any one individual; therefore, be it the sense of this Grand Chapter O. E. S. that the worthy and most efficient Secretary of our Grand Chapter be encouraged to provide in her labors, now becoming more and more arduous, an assistant, not only for occasional work, but for the whole year, and be it

Resolved, That it be referred to the Committee on Finance to inform this Chapter what they judge would be a suitable compensation for this annual assistant to the Worthy Grand Secretary of our Grand Chapter O. E. S.

Past Patron Benj. A. Plant, of Idlewild Chapter, No. 19, chairman of the Committee on Warrants and Dispensations, presented the following report, which report was adopted:

To the Grand Chapter O. E. S. of California:

Your Committee on Warrants and Dispensations have considered the work assigned to them and beg leave to report as follows:

Your committee have carefully examined such books and records of the eighteen Chapters U. D., as were submitted to it, and discover that in many instances widely divergent systems of bookkeeping are employed by Secretaries and Treasurers; that in several cases it was impossible to determine the financial condition of Chapters, notwithstanding the reports of District Deputy Grand Matrons that the books were neatly and correctly kept and in the hands of efficient officers. Eight Chapters failed to submit their by-laws books for inspection. In one instance the by-laws were signed in pencil, and in two others full names were not always given. Several Secretaries keep no account of disbursements except as scattered through their minute books, and Treasurers seem to have almost universal objection to balancing their accounts. In some Chapters the Worthy Matrons have signed the minutes of meetings as approved, while in others this has been neglected; hence your committee would recommend that in future more particular attention be paid by instituting officers and District Deputy Grand Matrons to the books and accounts of subordinate Chapters, and especially to those of Chapters U. D. We find the books and records of but one Chapter (Oakland) to be models of correctness and neatness.

Your committee have consulted the Worthy Grand Matron and Worthy Grand Patron, have examined the reports of District Deputy Grand Matrons, have listened to personal reports from representatives of fifteen Chapters U. D., and have endeavored by searching inquiry to ascertain the exact condition of each Chapter as to membership, finances, harmony, prospects for growth, Masonic support, etc., and we would recommend that charters be granted to the following Chapters, viz.: Clear Lake Chapter, Lakeport; Miramonte Chapter, Mountain View; Del Norte Chapter, Crescent City; Lyra Chapter, Whittier; Orestimba Chapter, Newman; Lodi Chapter, Lodi; Copa del Oro Chapter, Redlands; Summit Chapter, Knight's Ferry; Delano Chapter, Delano; Norwalk Chapter, Norwalk; Jasmine Chapter, Azusa; Chispa Chapter, Anaheim; Pearl Chapter, Compton. We would also recommend that the name of Lady Emma Chapter be

changed to Martha of Nevada, that being the wish of said Chapter, and that a charter be granted to it.

As to *Oakland* Chapter, we find it to be in a prosperous and flourishing condition, and we recommend that a charter be granted to it.

As to *Mt. Shasta* Chapter, the conditions spoken of in the report of the District Deputy Grand Matron of District No. 3 still continuing, we would recommend that it continue U. D. for another year.

As to *Escondido* Chapter, from all we can learn, sufficient earnestness and interest on the part of the members does not exist to warrant us in recommending a charter; hence we believe it should continue U. D., hoping that another year may show evidence of prosperity and zeal.

We were pained to find that *Silver State* Chapter had conferred the degrees upon twenty-five charter members for a sum less than that required by the constitution; hence we are obliged to recommend that no charter be granted them until such error be corrected, and that the incoming Worthy Grand Patron be authorized to issue a charter upon satisfactory evidence that the delinquent sums have been paid into the treasury.

We have considered the special dispensations granted by our Worthy Grand Matron, as shown in her address, and recommend that her action be approved.

Respectfully submitted.

BENJ. A. PLANT,
ETTA HEUER,
JULIA C. PYBURN,

Committee.

On motion of Past Patron Benj. A. Plant, which was duly seconded and carried unanimously, the Representatives of Chapters to whom Charters have been granted were then given voice and vote in the Grand Chapter and were accorded recognition as Delegates thereto.

The following resolution was read and adopted:

Resolved, That it is the sense of this Grand Chapter that it is not conducive to the upbuilding of our Order and opposed to the well established rules, regulations and usages of this fraternity, that any of the so-called side degrees, or any degrees not prescribed by the Ritual of our Order, be conferred by our Chapters as such at any time, or in our Chapter rooms during the evenings of our meetings, or under the auspices or countenance of our fraternity, but that it is the sense of this Chapter that all entertainments of an exclusively social nature be reserved for a time subsequent to the close of the Chapters to the end that matters of a fraternal nature be not rendered secondary to social festivities.

H. D. ROWE,
JAS. R. TAPSCOTT.

Past Grand Matron Mrs. Augusta Dunn Wilson, Chairman of the Committee on Foreign Correspondence, presented the report of that committee, which was adopted without reading, members having been furnished with printed copies thereof, and the same was ordered printed with annual proceedings.

The Grand Chapter was then called off until 2 o'clock P. M.

In Grand Chapter.

AFTERNOON SESSION.

THURSDAY, October 22, A. D. 1896.

The Grand Chapter was called on at two o'clock, the Worthy Grand Patron presiding.

Past Grand Patron Jacob Franklin Boller, Chairman of the Committee on Constitution and Laws, presented the following report:

REPORT OF COMMITTEE ON CONSTITUTION AND LAWS.

To the Grand Chapter O. E. S. of California:

Your Committee on Constitution and Laws, to whom was referred the communication from the publishers of a Masonic work soon to be published, beg leave to report:

That in our opinion it is not in keeping with the dignity of this Grand Body to pass upon the merits or demerits of any work or production, nor to approve or disapprove the same. It might lead to complications to be avoided and establish a precedent which other publishers and promoters in the future would have equal right to take advantage of; we thereupon recommend that this Grand Chapter as a body take no action whatever in the premises.

Respectfully submitted,

J. F. BOLLER,
MARY G. DUNN,
FANNY WARD MILLER,
Committee.

Which report was adopted as read.

Worthy Grand Patron, Worthy Grand Matron, Sisters and Brothers:

Your Committee on Memoriam beg leave to submit the following:

Seventy-one links have dropped from our golden chain—our beloved Sisters and Brothers, who have, by the wisdom of our heavenly Father, been called to the Grand Chapter above, not formulated by mortal minds but by Him who doeth all things well. Bro. and Sister Hudepohl, who

participated in the privilege of our previous Grand session, have passed to their eternal home—gone but not forgotten.

Semper Fidelis Chapter, No. 135, deeply mourns the loss of their venerable Chaplain, Bro. William Watkins Wynans, who had endeared himself to the hearts of all by his cheerful fidelity to his trust.

Vernon Chapter, No. 35, still grieves for the loss of Bro. E. B. Morgan, who faithfully served as their Worthy Patron for several years.

Resolved, That a page be set apart to their memory.

Friend after friend departs,
Who hath not lost a friend?
There is no union here of hearts
That finds not here an end.
Were this frail world our final rest,
Living or dying, none were blest.

Total amount of dues paid to the Representative Fund.....\$1,308 45

Total amount allowed to Representatives, Chairmen of Committees and appointed Grand Officers..... 1,131 95

Balance to the credit of Representative Fund \$176 50

Had there been a full attendance of Representatives the 15 cents *per capita* levy would not have been sufficient. However, as there was not, and as there is a balance in said fund, your committee is of the opinion that there is no need of an increase of the levy for the ensuing year. Your committee, therefore, offer the following resolution and ask its adoption:

Resolved, That there be levied upon the Chapters of this jurisdiction, for the current fiscal year, the sum of fifteen cents for each member carried upon the rolls at the date of their annual reports, for account of the Representative Fund, which levy shall be paid at the same time as the annual dues.

All of which is respectfully submitted,

H. D. ROWE,
EMMA HAPGOOD,
MARGARET B. SEARLES,
Committee.

Which report was adopted.

The Worthy Grand Patron announced that he would appoint as a member of the Committee on Masonic Widows' and Orphans' Home Past Grand Matron Mrs. Mary Elizabeth Partridge, vice herself, term expired.

Past Patron Robt. Potter Hill, Chairman of the Committee on Finance, presented the following report:

REPORT OF FINANCE COMMITTEE.'

To the Grand Chapter O. E. S.:

Your Committee, to whom was referred the resolution introduced by Bro. Past Associate Grand Patron Sheppard, have carefully examined the same, and in view of the fact that the Order is rapidly increasing in numbers, and that the duties and responsibilities of the Grand Secretary's office increase in proportion, we consider that the best interests of the Order demand that the Grand Secretary should be provided with an assistant. We therefore present the following resolution, and recommend its adoption:

Resolved, That the Grand Secretary, O. E. S., is hereby empowered to employ an assistant, to bear the title of "Assistant Grand Secretary," at the fixed salary of twenty-five dollars per month; the same to be paid from the general fund in the usual manner.

ROBT. P. HILL,
CARRIE M. DEVEREAUX,
CARRIE A. KINGSLEY,

Finance Committee.

Which report was adopted as read.

Past Grand Patron Jacob F. Boller, Chairman of the Committee on Constitution and Laws, presented the following report:

REPORT OF COMMITTEE ON CONSTITUTION AND LAWS.

To the Grand Chapter O. E. S.:

Your Committee on Constitution and Laws, to whom was referred the resolution of Bro. P. P. Rowe, relative to the Book of Instructions issued during the past year for the guidance of the subordinate Chapters, in all matters pertaining to the work of the Order, beg leave to report as follows:

That we have given such time as we have had at our disposal to an examination of the said book, and from our knowledge of the same, previously obtained, we are of the opinion that although we cannot recommend its endorsement by this Grand Chapter as authoritative upon the matter therein contained, yet the principle and idea is commendable. We have found several inaccuracies, errors and innovations in the instructions, which it is unnecessary to point out in detail, but we will say that in our opinion it is better to have a unanimity of the work throughout this jurisdiction, even if erroneous, than that each Chapter should have a different method of rendering the same.

Unanimity is the great aim we strive for, and we realize that it was this idea which prompted our very efficient Worthy Grand Patron Merritt in having this work compiled and disseminated among the various Chap-

ters, at his own expense, and his zeal for the good of the Order, and his desire that all should work under the same source of information, was only exceeded by his generosity in providing the expense of this entire undertaking from his own private purse, we feel that this Grand Chapter is under obligations to him for the principle involved and the step thus taken; and from it great results will follow which otherwise might have been retarded for years. The committee have been personally requested by our worthy Grand Patron, to recommend that the book be destroyed, for the reason that through haste in its compilation, in the desire that it might the sooner be furnished to the several Chapters, errors and omissions were made, and instructions given without due reflection and examination of the ritual and decisions of the Grand Chapter. The committee are therefore of the opinion that this course should be pursued, except in so far as the diagram is concerned, which we find to be entirely correct. That if not returned to the Grand Secretary, that they be kept only as mementoes of the zeal and fidelity for the Order of our very efficient and worthy Grand Patron, James B. Merritt, and not as authoritative in reference to the matters therein contained.

SYSTEM.

To the Grand Chapter of the O. E. S. of Cal.:

Your committee, to whom was referred the fourth recommendation of our Worthy Grand Matron in regard to the increasing objections to the District Deputy System as now existing, find after due consideration that the time allowed this committee is inadequate to formulate any plan that might be acceptable to this Grand Chapter: We therefore recommend that a committee of five Past Worthy Grand Matrons be appointed by the Worthy Grand Patron to continue through the year that they may devise some satisfactory method for the inspection of the Chapters in this Grand Jurisdiction, and presenting the same for consideration at the next Annual Convocation of the Grand Chapter of California.

Respectfully submitted,

On motion of the Grand Marshal, Mrs. Fannie McCowen, the thanks of the Grand Chapter were given to Golden Gate Chapter, No. 1, for the very delightful manner in which that Chapter entertained the Grand Chapter and visiting members in the Banquet Hall, in Masonic Temple, Thursday evening.

The Grand Secretary moved that the work as exemplified by the Grand Officers on Thursday evening be (with the exception of the few errors noted) adopted as the work of the Grand Chapter. Past Grand Patron Young moved to amend by inserting these words: "It is not obligatory for the Worthy Matron to ask the Associate Conductress "have all voted," nor compulsory for the latter to reply "they have." Past Matron Mrs. Emma Malgren of Beulah Chapter, No. 99, presented the following query:

By what authority does a member invited to a seat in the East, who happens to be seated near the Worthy Matron, pass to Esther's chair and give the sign of salutation, when the Ritual says the sign is to be given on entering or leaving the hall, and the Digest says the sign is to be given when crossing the hall from the left to the right?

Which was referred to the Committee on Jurisprudence.

Resolved, That the resolution of this Grand Chapter adopted at the session of 1893 (p. 92) and providing for the exemplification of the work by the Grand Chapter during such session be, and the same is hereby rescinded.

Past Patron James R. Tapscott, from the Committee on Appeals and Grievances, presented the following report:

REPORT OF COMMITTEE ON APPEALS AND GRIEVANCES.

To the Grand Chapter O. E. S. of California:

Your Committee on Appeals and Grievances respectfully report that no matters have been referred to it for attention, thus indicating that harmony prevails throughout this Grand Jurisdiction and that the beautiful lessons contained in our Ritual are not only being taught in the 131 subordinate bodies composing this Grand Chapter, but that the 8,723 individuals of which the membership is composed are striving to exemplify such teachings, and we congratulate this noble Order upon the tangible evidences of fraternity thus afforded.

We are not unmindful of the minor differences of opinion that may exist among the members of the Order, but this fact so far from detracting from the Order but demonstrates that we are human and therefore liable to err, nevertheless that the teachings and influences of our beloved Order when properly understood and encouraged will in the end redound not only to the glory of our own Order, but will be a potent factor in the uplifting of the entire human race.

JAS. R. TAPSCOTT,

WHEREAS, Such zeal and ardor are truly commendable and this Grand Chapter appreciates the great good thus derived by the Order through his efforts, and that its effects will be lasting and permanent; now, therefore, be it

Resolved, That, both as a Grand Chapter and individually as members thereof, we express to our retiring Worthy Grand Patron, Bro. James Bestor Merritt, our hearty admiration and appreciation of his constant zeal, as displayed during the past year in devoting so much of his time, means and pre-eminent ability toward the advancement of the interests of our beautiful Order, and that he will always have in our hearts that respect, regard and esteem which his eminent standing and services have here inspired in us.

ize that to a large extent this result has been achieved through the untiring zeal and indefatigable efforts of our retiring Worthy Grand Matron; that to her unceasing endeavor and admirable judgment in the selection of her corps of officers is the flourishing condition of the Order mainly attributable; therefore, be it

ARKANSAS.

The Grand Chapter of the Order of the Eastern Star of Arkansas convened in Odd Fellows' Hall in the city of Little Rock, November 18, 1895.

There were present many Grand and Past Grand Officers, with representatives from eighty-two Chapters. The Worthy Grand Matron had served this jurisdiction two terms, and her address was well written, showing her to be an earnest, faithful worker. She lovingly remembered those who had been called beyond this "vale of tears," and has endeared herself to the membership throughout the State. She appointed fifteen deputies to assist her during her last term; issued five dispensations for new Chapters, in addition to several special dispensations.

The Worthy Grand Patron regretted that more had not been accomplished in his term; the lack of interest on the part of the people and the financial depression had rendered it impossible for him to do what he had hoped to do.

The Grand Secretary is an efficient officer and her report reflects much credit upon her. The membership is 3,523; total cash receipts, \$541.07. Foreign Correspondence reviewed the proceedings of fourteen Grand Chapters, California ranking first on the list.

OFFICERS ELECTED:

Jennie B. Hopkins, Worthy Grand Matron, Mabelvale.
R. R. Lewis, Worthy Grand Patron, Mansfield.
Hattie Penn, Grand Secretary, Harrison.

COLORADO.

The Grand Chapter of Colorado met for the third annual session in Masonic Hall, Denver, June 4, 1895.

Eighteen Chapters out of twenty-one were represented. The outlook for 1895-96 is very bright—twenty-one chartered Chapters and five U. D., with a membership of 1,702.

The report of the Worthy Grand Matron contains much information and shows she has been an active worker, making twelve official visits and promptly attending to all the duties of her office.

The Worthy Grand Patron has the honor of being the youngest Grand Patron in the United States. Fully appreciating the honor, he was faithful to every trust and accomplished much for the Order in the Centennial State.

Reports of Grand Secretary and Treasurer are full and complete. Membership, 1,702.

Report of Foreign Correspondence is excellent, California being kindly mentioned.

OFFICERS ELECTED:

Mary Potter, Worthy Grand Matron, Colorado City.
J. C. Sanford, Worthy Grand Patron, Durango.
Eliza S. Cohen, Grand Secretary, Colorado Springs.

CONNECTICUT.

The Grand Chapter of Connecticut met in its twenty-second annual session at Hartford, October 9, 1895.

All the Grand Officers, except three, were present, and representatives from thirty-four Chapters.

The Worthy Grand Matron made twelve official visits, installed

the officers of five Chapters and assisted in the instituting of three Chapters, and issued eighteen dispensations. She reports the work as nearly uniform as possible and the Order in a prosperous condition; also gives an account of the furnishing of the assembly room in the Masonic Home by Eastern Stars of that jurisdiction.

Brevity is the cardinal virtue of the Worthy Grand Patron's report, in which he expresses himself as devoted to the Order and anxious for its success.

The Grand Secretary reports thirty-nine Chapters, with a membership of 2,610. Receipts, \$351.95.

OFFICERS ELECTED:

Annie L. Wolcott, Worthy Grand Matron, New Haven.

M. C. Cowels, Worthy Grand Patron, Bridgeport.

Amelia Leeds, Grand Secretary, New Haven.

ILLINOIS.

The twenty-first session of the Grand Chapter of Illinois convened in the Asylum of Apollo Commandery, Chicago, October 2, 1895.

"It was a magnificent gathering," so Sister Pitkin said in her address of welcome, and noted the fact that they were honored by having the first Worthy Grand Matron and Patron present.

All Grand Officers responded to roll-call, except Grand Ruth; the Worthy Grand Matron, Mate Chester, presiding. Her report is an evidence of what an energetic woman can accomplish. She made ninety-two visits, wrote two thousand, five hundred and fifty-six letters, in addition to attending to all varied duties pertaining to that position. Her decisions and recommendations are excellent, and her record has never been excelled.

The Worthy Grand Patron reports harmony throughout the State and much interest manifested. He issued thirty-two dispensations for the organization of Chapters and the same number were instituted.

The Grand Secretary reports 314 regular Chapters and two U. D. They claim a gain of 945 in membership for the year.

From the report of the Grand Treasurer we are sure prosperity has overshadowed this branch of our Order.

Sister Heath, chairman on Foreign Correspondence, gave a very voluminous and entertaining report, kindly remembering the Golden State and claiming it as her native land.

OFFICERS ELECTED:

May Brown, Worthy Grand Matron, Pana.

C. L. Hovey, Worthy Grand Patron, Decatur.

Sophia C. Scott, Grand Secretary, Mattoon.

INDIANA.

The twenty-first session of the Grand Chapter of Indiana was held in the Grand Lodge room in Indianapolis, April 24, 1895.

There were present twelve Past Grand Officers, many present Grand Officers, and representatives from 120 Chapters.

In October the Worthy Grand Patron, Bro. Manning, died, and the Associate Grand Patron filled the vacancy. Bro. Hempleman found it quite difficult to make an accurate report under the circumstances; however, we learned that the Eastern Stars are on the increase and the Order is prospering in Indiana. He issued twenty-nine dispensations for new Chapters and thirteen were constituted.

The report of the Worthy Grand Matron was concise, and shows sixteen dispensations granted, fifteen official visits made, installed the officers in ten Chapters, wrote many letters and traveled nearly two thousand miles in the interest of the Order.

From the report of the Grand Secretary we find there are 147 chartered Chapters and 26 U. D., with a membership of 7,675.

The report of the Grand Treasurer shows a splendid balance of \$4,153.48.

Helen Macomber, Committee on Foreign Correspondence, reviews twenty-three proceedings of Grand Chapters, and favorably mentions California.

OFFICERS ELECTED:

Olive E. McGrew, Worthy Grand Matron, W. Indianapolis.

A. W. Hempleman, Worthy Grand Patron, Richmond.

Nettie Ransford, Grand Secretary, Indianapolis.

INDIAN TERRITORY.

The sixth annual session of the Grand Chapter of Indian Territory was opened in Masonic Hall, in the city of Atoka, August 15, 1895.

Ten Grand Officers and representatives from sixteen chartered and one from a U. D. Chapter were present.

The reports from the Worthy Grand Matron and Patron indicate they have labored under difficulties in the Twin Territories. The reports of the five Deputy Grand Matrons show a lack of interest on the part of the membership and a need of money to prosecute the work properly. We would urge these faithful ones to not "grow weary in well-doing, for in due season they shall reap if they faint not."

The Grand Secretary reports twenty-four chartered and three U. D. Chapters, with a membership of 692.

Owing to hard times, it was impossible to review the proceedings of sister jurisdictions.

OFFICERS ELECTED:

Mary M. Rogers, Worthy Grand Matron, Atoka.

Leo E. Bennett, Worthy Grand Patron, Muskogee.

Carrie M. Perkins, Grand Secretary, Oklahoma.

IOWA.

The eighteenth session of the Grand Chapter of Iowa was held in Hildreth's Opera House, Charles City, October 23, 1895.

Representatives from 111 chartered and from sixteen U. D. Chapters were present, also the Grand Officers, Right Worthy Grand Secretary Lorraine J. Pitkin, and several Past Worthy Grand Matrons and Patrons.

The report of the Worthy Grand Patron was first on the tapis, and gave evidence of his interest in the Order. He was not favorably impressed with the session of the General Grand Chapter nor with the methods of electioneering in the Grand Chapter of Iowa.

The address of the Worthy Grand Matron was excellent, and gives proof of her zeal and loyalty to the work and shows the Order to be in a flourishing condition.

The Grand Secretary reports a membership of 7,510, while the handsome sum of \$3,075.84 is in the hands of the Grand Treasurer.

California receives due respect from the Committee on Foreign Correspondence.

OFFICERS ELECTED:

Jennie A. Rule, Worthy Grand Matron, Mason City.
E. B. Dyke, Worthy Grand Patron, Charles City.
Maria Jackson, Grand Secretary, Council Bluffs.

KANSAS.

This Grand Chapter held its nineteenth annual session in Garfield Hall, in Wichita, May 15, 1895.

The hall had been beautifully decorated and the guests were cordially welcomed by Sister M. M. Cossett. They were honored by the presence of many distinguished members of the Order, among whom were Most Worthy Grand Matron Mary C. Snedden and representatives from ninety-seven chartered Chapters.

The report of the Worthy Grand Matron was full of beautiful thoughts and words of encouragement. She accomplished a large amount of work.

The Worthy Grand Patron reports the constituting of eleven Chapters during his term, also that much interest had been manifested by the Order in the Masonic Home. In conclusion, he says that he never realized so forcibly the beauty and power of the Eastern Star as during this year's experience.

The Grand Secretary reports 171 Chapters with a membership of 7,776, and \$3,450.92 in the treasury.

Report on Foreign Correspondence very full; California kindly reviewed.

OFFICERS ELECTED:

Helen B. Farnsworth, Worthy Grand Matron, Topeka.
John A. Regnell, Worthy Grand Patron, McPhearson.
Myra Mottram, Grand Secretary, Ottawa.

MAINE.

The third annual session of the Grand Chapter of Maine met in Odd Fellows' Hall, in Biddeford, September 12, 1895.

All the Grand Officers and representatives from seventeen Chapters were present; also the Most Worthy Grand Matron Mary E. Partridge, and the Right Worthy Grand Secretary Lorraine J. Pitkin, who were received with the honors due them.

From the reports of the Grand Worthy Matron and Patron we learn that the Order is in a progressive condition; that they

have been faithful to their trusts, thus promoting the interest of the Eastern Star; and the future is full of promise.

The Grand Secretary reports thirty Chapters, twelve of which were instituted during the last year, with a membership of 2,075. This is most encouraging, considering the age of the Order in the "Pine Tree State."

For the first time since their organization they had a report on Foreign Correspondence, and, although it had been hurriedly prepared, it was very clever, and we are pleased to see that the good points in Past Worthy Grand Patron Lemmon's address found favor with them.

OFFICERS ELECTED:

Jennie Steward, Worthy Grand Matron, Rockland.

R. H. Burnham, Worthy Grand Patron, Rockland.

Annette H. Hooper, Grand Secretary, Biddeford.

MASSACHUSETTS.

This the nineteenth session of the Grand Chapter of Massachusetts was one of unusual importance, as they were looking forward to the entertainment of the General Grand Chapter. The attendance was good and much work accomplished.

The Worthy Grand Patron, Bro. Blossom, visited every Chapter in the State except one, and found them all doing excellent work, and united, harmonious and happy. His efforts in preparing for the entertainment of the General Grand Chapter were crowned with success, and many visitors will hold him in grateful remembrance for his acts of kindness and courtesy.

The Worthy Grand Matron experienced a busy year. She made twenty-three official visits, issued twenty-three dispensations, installed the officers in eight Chapters, and assisted in instituting six new Chapters. She was assisted by five deputies, and thus she kept in touch with the Order, and she made a strong plea for the literature of the Eastern Star.

The Grand Secretary's report shows forty-two Chapters, all having made returns; and, notwithstanding the general depression in the business world, the Order has steadily increased—membership, 4,537.

Sister Ewing, chairman on Foreign Correspondence, favorably mentions California.

OFFICERS ELECTED:

Carrie S. Fairbairn, Worthy Grand Matron, E. Cambridge.
Warren M. King, Worthy Grand Patron, Orange.
Daniel Seagrave, Grand Secretary, Worcester.

MICHIGAN.

This Grand Chapter held its twenty-ninth annual session in Masonic Hall, Saginaw, October 9, 1895.

The full complement of Grand Officers, representatives from sixty Chapters, Most Worthy Grand Patron Bro. Hinds and Right Worthy Grand Secretary Lorraine J. Pitkin were present.

Sister Louise Turck has most successfully served this jurisdiction two years as Worthy Grand Matron. She has worked early and late in behalf of the Order. She has issued seventy-three dispensations, made sixty-three official visits, written 1,165 letters and traveled 7,569 miles.

The Worthy Grand Patron Bro. Wright was elected the second term. This noble pair have accomplished much for the Order and demonstrated to the Masons that we are indeed "co-workers with them in the service of humanity." Bro. Wright issued dispensations for thirty-four Chapters during his last year, all of which received charters. He wrote 1,071 letters in the interest of the Order, made excellent decisions and recommendations.

The report of the Grand Secretary shows 109 active Chapters, with a membership of 10,351.

The Grand Treasurer has on hand \$1,370.78.

California receives the notice due.

OFFICERS ELECTED:

Lida A. Pratt, Worthy Grand Matron, Jackson.
Charles Conover, Worthy Grand Patron, Coldwater.
Mrs. A. A. Matterson, Grand Secretary, Middleville.

MINNESOTA.

The seventeenth annual session of this Grand Chapter convened in Masonic Temple, Minneapolis, May 8, 1895.

All the Grand Officers, many Past Grand Officers, together with a large representation of chartered Chapters, were present. The Grand Body was cordially welcomed by Sister Louise L.

Johnson; Sister Calhoun, in behalf of the Grand Chapter, responded.

Sister Taylor, Worthy Grand Matron, has most successfully served this jurisdiction for three years as its chief officer, giving satisfaction in every department. She made ninety official visits and installed the officers in eighteen Chapters during the last year of her term. She very wisely says, "The teachings of the Order are not to be to us mere sentiment, but a living truth, illustrated in our daily lives."

Bro. Markham, the Worthy Grand Patron, was indeed the right person in the right place, and proved to be an able co-worker with Sister Taylor, and from their reports we are sure they have accomplished the work given them to do, for peace, harmony and prosperity dwell within their borders.

From the report of the Grand Secretary we find there are ninety chartered Chapters, with a membership of 4,300. Coin in the treasury, \$1,699.29.

Sister Hodges, chairman on Correspondence, gives California a lengthy notice in her report.

OFFICERS ELECTED:

Louise L. Johnson, Worthy Grand Matron, Minneapolis.

Charles D. Boyce, Worthy Grand Patron, Minneapolis.

Ida M. Wing, Grand Secretary, Minneapolis.

MISSOURI.

This Grand Chapter met in its twenty-first annual session in Masonic Hall, West Plains, October 22, 1895.

Sue Tuttle, Worthy Grand Matron, called the Grand Body to order, and a most eloquent address of welcome was given by Rev. J. J. Martin, which was appropriately responded to by Sister G. Wyatt. Judging from the report of the Worthy Grand Matron, she was an active worker. She issued seventeen dispensations, arrested the charters of sixteen Chapters, and made numerous visits. The brethren serve as District Deputies and take an interest in all that pertains to the advancement of the Order.

The Worthy Grand Patron reports the organization of twenty-two Chapters, the largest number ever instituted in one year in that State.

The Grand Secretary reports a busy year. There are 108 Chapters, 90 of which made returns; membership, 5,105. A fine balance in the treasury of \$3,201.

OFFICERS ELECTED:

Genevieve Wyatt, Worthy Grand Matron, Springfield.
Thomas Kelly, Worthy Grand Patron, Moberly.
Sallie E. Dillion, Grand Secretary, St. Louis.

MONTANA.

The Grand Chapter convened in its sixth annual session in Helena, October 11, 1895.

There were twelve Grand Officers present, also Worthy Grand Conductress Sister Edna Hedges, and representatives from fifteen Chapters.

The report of the Worthy Grand Matron is up to the usual standard of excellence.

The Worthy Grand Patron informs us that a strong tie exists between the Masonic Fraternity and the Eastern Star, and he advocates some means of recognition between Masons and those entitled to their consideration.

The Grand Secretary reports sixteen Chapters, with a membership of 1,154.

Sister Hedges' report on Foreign Correspondence is delightfully interesting. She most graciously reviewed California.

OFFICERS ELECTED:

Sarah J. Tracy, Worthy Grand Matron, Bozeman.
George T. Slack, Worthy Grand Patron, Missoula.
Elva Boardman, Grand Secretary, Butte.

NEBRASKA.

The twentieth session of the Grand Chapter of Nebraska met in the hall of Electa Chapter in Lincoln, June 4, 1895.

Twelve Grand Officers and the representatives from forty-nine Chapters were in attendance. The address of welcome from Mrs. Dr. Lane was ably responded to by Mrs. Whitmarsh.

The report of the Worthy Grand Matron gives evidence of what can be accomplished under adverse conditions, when the heart is filled with devotion and loyalty to the Order. Sister

Musselman acceptably served two years, retiring with the love and best wishes of the Order.

The Worthy Grand Patron was chosen for a second term, and assured the Grand Chapter in his address that, notwithstanding the serious calamities that had visited the State and the general depression in business, the golden chain was stronger and the links that form it brighter than ever before in the history of the Grand Chapter. Twelve Chapters received their charters and seven dispensations were issued for the formation of new ones. He suggested greater restriction in sale of rituals and greater care in the instituting of Chapters. Two of his recommendations are worthy of notice: first, instead of granting dimitts, to issue certificates of membership, as evidence of good standing, in case the sister or brother holding such a certificate desires to unite with another Chapter, that they may be permitted to do so on the strength of the said certificate, and if elected to notify the Chapter issuing the said certificate and have the membership transferred, but if rejected, the membership to remain unmolested in the original Chapter; second, that the names of rejected candidates be not published.

The Grand Secretary reports ninety-nine Chapters, with a membership of 3,910.

OFFICERS ELECTED:

Angeline Whitmarsh, Worthy Grand Matron, Omaha.
Rev. A. G. Pinkham, Worthy Grand Patron, Grand Island.
Rev. H. A. Guild, Grand Secretary, Lincoln.

NEW HAMPSHIRE.

The fifth annual session of the Grand Chapter of this State was held in Masonic Hall, Laconia, September 10, 1895.

The attendance of Grand Officers and representatives was encouraging. Most Worthy Grand Matron Mary E. Partridge, and the Right Worthy Grand Secretary Lorraine J. Pitkin were present and received with Grand Honors.

The report of the Worthy Grand Matron was brief. Her field of labor had been limited. She made seven official visits and attended to the usual routine of work.

The Worthy Grand Patron regretted that so little had been accomplished for the Order, and attributed it to the attitude of

the Masons to the Eastern Stars; however, the prejudice is breaking away, and he hopefully looks forward to better times.

The chairman on Foreign Correspondence, Bro. Barker, died in April, but prior to his death he had reviewed and written up the proceedings of twenty-four Grand Chapters. The review was a critical one. Arkansas and Pennsylvania were pleasantly reviewed by Sister Mary B. Drew.

OFFICERS ELECTED:

Sadie A. Pike, Worthy Grand Matron, Epping.

Wm. R. Bartlett, Worthy Grand Patron, Manchester.

J. Sullivan Chase, Grand Secretary, Colebrook.

NEW JERSEY.

The twenty-sixth annual session of this Grand Chapter met at Paterson, September 27, 1895.

All the Grand Officers, many Past Grand Matrons, a large number of representatives and visitors were present.

The Worthy Grand Matron closes her second term under favorable circumstances, and reports the Order in a very prosperous condition. Five Chapters had been instituted during the last year of her administration, all of which she is very proud of. She recommended that no Chapter shall be named after a living person, and it was adopted.

The Worthy Grand Patron officially visited all the Chapters in the State, except two, and found them doing excellent work. Membership, 816.

OFFICERS ELECTED:

Miss Kate M. Esch, Worthy Grand Matron, Newark.

Dr. Fred Selmon, Worthy Grand Patron, Jersey City.

Mary J. Martin, Grand Secretary, Paterson.

NEW YORK.

This Grand Chapter held its twenty-sixth annual session in the city of New York, June 4, 1895.

All Grand Officers, representatives from fifty-five Chapters and many visitors were present.

The report of the Worthy Grand Matron, including those of four deputies, shows that the Eastern Stars in the Empire State are brightly shining, while some of the brightest had set. Many

valued members of the Order had been removed by death, among whom was Robert Macoy. He had been highly esteemed by the fraternity, and a short time before his death the Grand Chapter tendered him a magnificent reception and banquet on the anniversary of his seventy-ninth birthday. His funeral was largely attended by Masonic bodies and the Order of the Eastern Star. Very recently this Grand Chapter has been called upon to mourn the death of their present Grand Patron, Bro. Green.

The Sisterhood Degrees, prepared by Bro. A. J. Burton, were exemplified during the last session of the Grand Chapter and found favor with many.

The Worthy Grand Patron had been away from home in distant lands during his term, and his report was brief and business-like, containing some excellent thoughts and facts.

Number of Chapters, 64; membership, 4,770; cash on hand, \$1,384.

The report on Foreign Correspondence is complete and entertaining.

OFFICERS ELECTED:

Jessie Ray, Worthy Grand Matron, Rochester.
J. V. B. Green, Worthy Grand Patron, New York City.
Christian Butterick, Grand Secretary, New York City.

NORTH DAKOTA.

This Grand Chapter convened in first annual session in Masonic Hall, Fargo, June 20, 1895.

There were present the representatives from the thirteen chartered Chapters and seven U. D.

From the reports of the Worthy Grand Matron and Patron we find this new Grand Chapter full of activity and prospering. Surely the good work begun under such auspicious circumstances is full of promise.

Bro. Frank Thompson, chairman of Foreign Correspondence presented a spicy and enjoyable report.

OFFICERS ELECTED:

Sarah E. Topping, Worthy Grand Matron, Grand Forks.
Leonard A. Rose, Worthy Grand Patron, Fargo.
Nannie R. Briggs, Grand Secretary, Bismarck.

OHIO.

The Grand Chapter assembled for the sixth annual session in Masonic Hall, in the city of Norwalk, October 9, 1895.

Roll-call showed all Grand Officers present.

The address of the Worthy Grand Matron is full of interest and reports much earnest work for the Order. She says: "The clouds that have hung over us since our organization are gradually breaking away and the rays of fraternal sunshine are lighting our pathway and encouraging us to hopefully look forward to greater success." She reports the completion of the Masonic Home and the willingness of the Eastern Stars to assist in its furnishing and support.

The Worthy Grand Patron issued dispensations for sixteen new Chapters and recommends that a charter should not be granted a Chapter until their officers are proficient in the work, also that there should be a regular form adopted for the instituting of Chapters.

The Grand Secretary reports fifty-four Chapters, with a membership of 2,909, and predicts a brilliant future for the Order.

An excellent report on Foreign Correspondence is submitted, California being kindly remembered.

OFFICERS ELECTED:

Gertrude B. Williams, Worthy Grand Matron, Norwalk.

O. B. Clark, Worthy Grand Patron, Ashtabula.

Ella B. Shearer, Grand Secretary, Marysville.

OREGON.

The sixth annual communication of the Grand Chapter of Oregon was held in Masonic Temple, at Portland, June 10, 1895.

From the carefully prepared report of the Worthy Grand Matron we glean the following: "Our history has been one of progress, our joys have outweighed our sorrows, our hopes have been realized, and our beloved Order is stronger and greater than we had dared to hope for." Her hobby is the exchanging of fraternal visits. She issued a call for the secret work to be returned and destroyed.

The Worthy Grand Patron thinks that it is not in numbers alone that our greatness lies, but in the widespread influence we

exert in the fraternal world. He issued dispensations for ten new Chapters and made many official visits.

The Grand Secretary reports thirty-four Chapters, with a membership of 1,925.

The report on Foreign Correspondence is concise and business-like.

OFFICERS ELECTED:

Margaret Kellogg, Worthy Grand Matron, Portland.

J. H. Bridgeford, Worthy Grand Patron, Bay City.

Madeline Conkling, Grand Secretary, Roseburg.

PENNSYLVANIA.

The second annual session of this Grand Chapter was held in Odd Fellows' Temple, Philadelphia, November 19, 1895.

Sixteen Grand Officers and the representatives from five Chapters were present. The Grand Chapter was warmly welcomed by Bro. John Ballard. He said he believed a Divine Providence guided the Grand Chapter in selecting the City of Brotherly Love as a place to hold this the first annual session. It was in Philadelphia that Freemasonry found its first resting place on this continent. He said many pleasant things, and Bro. Holmes made a happy response.

The Worthy Grand Matron reminded the members that the pioneers in any work had many obstacles to overcome that cannot be realized by those who labor in cultivated fields, and especially so in this undertaking here in Pennsylvania, where a strong prejudice exists against the Order.

The Worthy Grand Patron regrets that more has not been accomplished during his administration for the advancement of the Order; however, he believes the prospects are favorable and that in time the prejudice will give way.

The Grand Secretary reports five Chapters, with a membership of 476.

A brief review of the proceedings of twenty Grand Chapters were given by the Foreign Correspondent.

OFFICERS ELECTED:

Rata A. Mills, Worthy Grand Matron, Duke Centre.

A. B. Holmes, Worthy Grand Patron, Scranton.

Geo. W. Gleason, Grand Secretary, Susquehanna.

SOUTH DAKOTA.

This Grand Chapter convened in the seventh annual session at De Smet, May 28, 1895.

From the report of the Worthy Grand Patron we would conclude that he was an active worker, seeking to increase our Order. He issued dispensations for seven Chapters, which were instituted, and made nine official visits.

The report of the Worthy Grand Matron is an excellent one, giving evidence that she appreciated the privileges of the Order and was worthy of the high honor conferred upon her. She made several official visits, and recommends that provision be made for the traveling expenses of the Grand Matron, so that she can visit all the Chapters in the State.

The Grand Secretary reports twenty-six chartered Chapters and seven U. D., with a good membership. Total receipts, \$1,300.45; disbursements, \$576.90—\$723.85.

OFFICERS ELECTED:

Hettie Dounie, Worthy Grand Matron, Milbank.

John Banks, Worthy Grand Patron, Huron.

A. M. McCallister, Grand Secretary, Madison.

TEXAS.

This Grand Chapter convened in thirteenth annual session in Masonic Hall, Dallas, October 8, 1895.

Twelve Grand Officers, several Past Grand Officers, and representatives from twenty-eight Chapters were present.

This was the first year that the Worthy Grand Matron had assumed the duties of being the presiding officer, and from her report would infer that she is a thorough business woman. She appointed twenty-seven deputies to assist in the work, and while they labored faithfully they encountered many difficulties. There seems to be a lack of interest on the part of the members in some localities, and limited facilities for transportation make it hard to visit and encourage the Chapters. She called in the secret work.

The duties of the Worthy Grand Patron were very light, and he enjoyed all the honors of the position.

The report of the Grand Secretary was neat and concise. Number of Chapters, 75; membership, 4,054.

The report on Foreign Correspondence is condensed, yet gives all that is necessary.

OFFICERS ELECTED:

Sadie A. Haskins, Worthy Grand Matron, Houston.
L. S. Garrison, Worthy Grand Patron, Dallas.
Laura Hart, Grand Secretary, Big Springs.

VERMONT.

The twenty-third annual communication of this Grand Chapter was held in Masonic Hall, Danville, June 5, 1895.

The address of the Worthy Grand Patron appears first. He reports peace and prosperity in that jurisdiction and the instituting of four Chapters during the year.

The Worthy Grand Matron finished her fifth year of service. This is something remarkable, and we conclude that Sister Parson was a universal favorite or that the sisters of the Green Mountain State are not anxious for office.

This State has a Grand Lecturess.

The Grand Secretary reports twenty-nine Chapters, with a membership of 1,856, and cash on hand to the amount of \$718.

OFFICERS ELECTED:

Geo. W. Wing, Worthy Grand Patron, Montpelier.
Eugenia M. Pettie, Worthy Grand Matron, Brattleboro.
H. L. Stillson, Grand Secretary, Bennington.

WASHINGTON.

This Grand Chapter convened in seventh annual session in Odd Fellows' Hall, Olympia, June 14, 1895.

If these sisters and brothers are as fervent in spirit as the color of the covering of the proceedings would indicate they are a zealous people.

All the Grand Officers, many Past Grand Officers, and representatives from twenty-seven Chapters were present.

The address of the Worthy Grand Matron shows that she was wide awake and that the year had been a busy one. She was ably assisted by several deputies. She urges the importance of each Chapter being officially visited during the year by a Grand Officer.

The Worthy Grand Patron issued dispensations for five new Chapters, and reports the Order in an excellent condition.

The Grand Secretary is an active worker, not only attending to the duties of her office but accomplishing much for the Order in other lines. Her report is very complete. Number of Chapters, 91; membership, 1,991.

The entire Committee on Foreign Correspondence assisted in reviewing the proceedings of the different Grand Chapters, and they presented a report abounding in variety of expression and beauty of thought. I hope that in the future California will consider the experience of others and profit thereby.

OFFICERS ELECTED:

Mrs. Alice Taylor, Worthy Grand Matron, Seattle.

G. D. Shaver, Worthy Grand Patron, Tacoma.

Libbie J. Demorest, Grand Secretary, Tacoma.

WISCONSIN.

The Grand Chapter assembled in fifth annual session in Egyptian Hall, Milwaukee, February 20, 1895.

All the Grand Officers and many Past Grand Officers, with the representatives of forty-eight Chapters, answered to roll-call.

Sister Kenny cordially welcomed the Grand Body, and Sister Ross, Acting Grand Matron, responded.

The able addresses of the Worthy Grand Matron and Patron show the Order to be in a most flourishing condition, and that it has obtained a high standing among the Masons of the jurisdiction. The Worthy Grand Patron issued dispensations for eleven Chapters.

The report of the Grand Secretary shows sixty-six Chapters, with a membership of 3,850.

The report on Foreign Correspondence was a most excellent article and reflects much credit on Sister Annie McGregor, who kindly remembered her sister jurisdiction, California.

OFFICERS ELECTED:

Martha D. Ross, Worthy Grand Matron, Columbus.

J. H. Evans, Worthy Grand Patron, Plattville.

Helen M. Laflin, Grand Secretary, Milwaukee.

CONCLUSION.

With some pleasure and great profit, and with an increased interest for the Order of the Eastern Star, we have reviewed the proceedings of twenty-seven Grand Chapters. With very few exceptions, all are enjoying a high degree of prosperity. It is a very difficult matter to select from each proceedings just what is needed for a report, but we have done the best we knew how, and whatever is lacking we trust the sisters and brothers will kindly excuse.

We have been impressed with the tender sympathy that has been extended by the Grand Officers to those whose households have been invaded by the "death angel," and realize that in the bond of fraternity there is strength and comfort in our hours of trial. We appreciate the favorable mention of our own jurisdiction, and hope that the present prosperity and refining influence of the Order may touch every land beneath the sun.

Fraternally yours,

AUGUSTA D. WILSON,

Chairman Foreign Correspondence,

GEORGIA A. MATFIELD,

JOSEPHINE MONTGOMERY:
