OF THE

Jurisdiction of California

The Grand Chapter of the Order of the Eastern Star of the State of California convened in the Hotel Huntington, in the City of Pasadena, at two o'clock P. M. on Tuesday, the 21st day of October, 1924, the gavel being sounded by Past Grand Matron Carrie Louisa Peaslee, who introduced the junior Past Grand Matron Stella Morgan Linseott and the junior Past Grand Patron Ernest Eugene Noon.

Vocal Solo--Brother Joseph G. Walker of Ruth Chapter, No. 305, of South San Francisco, sang most beautifully, "Open the Gates of the Temple".

After a pleasing address of welcome Sister Linseott directed the Grand Marshal to escort the Worthy Grand Matron and her corps of Grand Officers into the Grand Chapter room. Forty-five Deputy Grand Matrons entered first, followed by forty-nine Flag Bearers, who formed in line on each side of the Altar; after the singing of the National Anthem, the Worthy Grand Matron Maude Bigelow Sibley and the Worthy Grand Patron Guy Woodhams Brundage, were conducted to their stations and accorded the Grand Honors; the other officers of the Grand Chapter then assumed their respective stations.

ADDRESS OF THE WORTHY GRAND MATRON.

The Worthy Grand Matron, Maude Bigelow Sibley, then read to the Grand Chapter her annual address as follows:

To the Worthy Grand Patron, Officers and Members of the Grand Chapter, State of California, Order of the Eastern Star:

Greetings:

The compliment and remark of confidence which you bestowed upon me at the fifty-first session of the Grand Chapter of California was received with deep appreciation and a sincere desire that I would be able to measure up to the high standards that have characterized the activities of this organization throughout its past history. Who could fail to prize such an expression of good will at the hands of the members of this honored and useful body of men and women, with its splendid traditions and bright prospects for future achievements? While I received this token of your regard with a degree of hesitation which I feared fully to express, I cherish the fact of its bestowal as an incentive and stimulus to my highest effort in your behalf and that of the principles for which we are pledged, and I trust that my conduct as your leader will never cause you to regret your action of one year ago.

I have referred to our traditions, and in them I feel that we have a precious heritage handed down by those who have worked before us as a guide for our action, while at the same time leaving full scope for fresh enterprise and initiative in accordance with the varying requirements of succeeding stages of our growth as an organization. We should never lose sight of the fact that we are members of an

order that stands for high and noble principles and that each one of us should make the entire body at least a little better for our presence.

The shining virtue of the member of an organization such as ours is the ability and the willingness to submerge personal ambitions and personal opinions, yes, even carefully elaborated plans for the good of the Order. This is the quality which distinguishes the great general on the field of battle; he may calmly lose several minor engagements in order that the success of his completed scheme of campaign may not be endangered. It is this clarity of vision that stamps the born leader and makes for all true progress.

The good that can be accomplished by an organization such as ours bears a direct proportion to the degree of co-operation developed among its members. "Where two or three are gathered together," the heart glows and love kindles to fervent heat. There was a small band of three hundred cavalry in the Theban army that proved a terror to any enemy with whom they were called to fight. They were companions, who had bound themselves together with a vow of perpetual friendship, determined to stand together until the last drop of their blood was spilled. They were called "The Sacred Battalion", and they achieved marvels which seem almost incredible. Such is the virtue and power of unity symbolized by the bundle of faggots, which can be broken separately, but bound together, mock a giant's strength. We are banded together by bonds of fraternal union for a common purpose, mutual advancement and mutual benefit, and as the spokes of a wheel become nearer to each other as they approach the hub, the source of motion, so may we find in our union the key to greater power, broader vision, and a nobler and more exalted outlook on life.

NECROLOGY.

It is proper that we, as members of the Order of the Eastern Star, should reflect for a few moments upon the serious side of life, and recognize that the Supreme Architect is not alone mighty, but is all wise. His judgment and His will regulate all nature in its greatness and directs the course and span of life for all men whether their station be mighty or humble.

With the passing of time since last we met, many of our dearly beloved have laid aside their working tools of life. The records of how they worked or played are in the hands of the Supreme Judge, and we, their living friends, pray that His blessing fall upon those left behind whose hearts are heavy with grief and sorrow. We who are enjoying through the grace of God the privilege of another day can reflect in our lives the virtues and principles of those who have

gone before. Their memory should be to us a living force by which we can be guided in our conduct toward our fellow men and thereby rise to a higher and better understanding of the plan of life as ordained by Divine Mind.

Let us pay tribute to those who have answered the final call not only with expressions of tender words or floral tributes, but with a more substantial concern. The wreath only adorns so long as the sunshine lingers, the cold gray of the morning finds it withered.

Death is a part of the inevitable plan of Divine Providence, and while this plan is veiled in the draperies of mystery, it produces that inspiration and hope of immortality which sustains man in his journey through the valley of life. Let the virtues of those who have gone before inspire us with the resolution to make our lives useful and exemplary and so live that when the final summons comes we may justify our lives by having contributed in no small measure to the service and good of humanity.

Our prayers may well be for the living and not for those who have gone before. They are purified and sanctified by their passing. Somewhere beyond the draperies that blind our view they are waiting our coming with the same loving tenderness that we tender them at their farewell. We should have no fear at parting, but rather look forward to death, with an unfaltering hope of reward from God, who loves us without bound, whose mercy has no limits, and whose great love we are all a part of. To those of our loved ones who have gone home Peace be with you.

Sister Catherine Elizabeth Merritt, Associate Grand Matron, 1905-1906. Entered into rest, February 23, 1924.

"A little broadening of the ripple
Upon the Eternal Shore:
A little loosening of the bands that cripple
This and nothing more.
God's mercy, strange, uncomprehended,
The undiscovered goal;
The Land of Promise when the lock is ended,
The Day-Dawn of the soul."

Sister Josephine Ida Clark, Deputy Grand Matron of the 5th District, 1923-1924. Entered into rest April 14, 1924.

"Weep not that her toils are over,
Weep not that her race is run,
God grant that we may rest as calmly
When our work, like hers, is done."

Brother Phineas Fanning Ferguson, Grand Patron, 1908-1909. Entered into rest, May 26, 1924.

"We cannot say that he is dead;
He is just away. He is gone—
But his memory liveth."

And his example leaves a sweetness and fragrance that will linger in our hearts many a day.

Brother Harry Meldrim, husband of Sister Gertrude Meldrim, Past Grand Treasurer. Entered into rest June, 1924.

"When death draws down the curtain of the night
And those we love in his deep darkness hides,
We can but wait the coming of the light
And bless the memory that still abides."

Brother Doctor Pohn Paddock, Associate Grand Patron, 1908-1909. Entered into rest June 23, 1924.

"Beautiful life is that whose span
Is spent in duty to God and man;
Beautiful calm when the course is run,
Beautiful twilight at set of sun,
Beautiful death with a life well done."

Sister Abbie Elvenia Wilkins, Grand Matron, 1885-1886. Entered into rest July 30, 1924.

"Peace and farewell, O toiler,
God grant that some day shall see
This sad old world as happy
As your dream would have it be."

"Thanks for the Twilight—
The Twilight of Rest.
There's never a thorn to the rose on the breast—
There's never an end to the sweep of the dreams,
Where the star-lighted stretch of Eternity gleams,
The Twilight of Rest
And the Twilight of Sleep,
Where the heart-beat is stilled and the silence is deep,
Where the soul has gone home with the sun in the west—
Here's "Thanks for the Twilight—
The Twilight of Rest."

Sister Elizabeth Bettina Wheeler and Sister Maude Noble Haven, Past Grand Matrons of California, Here's to My Somebody.

“Here's to somebody, staunch and true,
Who's always around when there's work to do,
Who keeps a supply of love and cheer
For all the folks for all the year,
Who knows that a gentle, loving smile
Is the best of tonics for all the while,
That there's nothing so bad that it can't be worse—
A case of the blues is a terrible curse;
So here's to somebody, staunch and true,
Of course you don't know it, but
Somebody's YOU.”

MASONIC HOMES.

On September 5, 1924, it was my pleasure to be a guest of the East Bay Matrons' Association on their annual visit to the Decoto Home. It was a beautiful day. The sunshine without seemed but a reflection of the wonderful spirit within. Peace and love radiated from the faces of all we saw and harmony seemed to be the keynote everywhere. The location of the home is ideal and the new buildings (just completed) were a joy. I was interested in the Social Hall, as I was told

that our Grand Chapter furnished it. It is all very lovely with its overstuffed furniture, velvet carpet, curtains and drapes, table and lamp. There are still quite a number of articles, not absolutely necessary, but which would add much to the beauty and comfort of the place which I hope our Grand Chapter will add to make these dear old people realize that we are very much interested in their welfare and happiness. Too much praise cannot be given to Brother Frank B. Hartman and Sister Richardson, together with all the nurses who are giving so much of themselves for the good and service of others.

" 'Tis the human touch in this world that counts,
The touch of your hand and mine,
Which means far more to the fainting heart
Than shelter and bread and wine.
For shelter is gone when the night is o'er,
And bread lasts only a day,
But the touch of the hand and the sound of the voice
Sing on in the soul away."

In the evening after the informal dinner served by the East Bay Matrons' Association was over, we sauntered through the buildings, visited the hospital, and wandered over the grounds. Then came the crowning event: The three Chapters, Orient of Centerville, Hayward of Hayward, and Golden Wave of San Leandro, had their official visit of the Grand Matron in the new Assembly Hall. The place was packed to suffocation for it was the first time that a Chapter had ever had a meeting at the Home. Every resident who had ever been a member of the Order was allowed the privilege of attending. Some of the dear old people hadn't seen the work exemplified for thirty years and it was with enthusiasm that I watched their interest in the work and the notation of changes in it since their day. With the inspiration of this wonderful night still with me I would leave this message:

"Let us be a little kinder; let us be a little blinder
To the faults of those about us; let us praise a little more;
Let us be, when we are weary, just a little bit more cheery;
Let us serve a little better those that we are striving for.
Let us be a little braver, when temptation bids us waiver.
Let us strive a little harder to be all that we should be.
Let us be a little meeker with the sister that is weaker.
Let us think more of our neighbor, and a little less of me."

THE HOME AT COVINA.

As yet I have not been able to visit the home as Worthy Grand Matron, but it was my happy privilege to do so last year in company with our Junior Past Grand Matron, Sister Linscott and her official family. Situated as it is among the orange groves and nestled at the foot of the hills, it makes a wonderful play ground for the dear young people living there. Every thing is done for the comfort, happiness and education of the residents and it is a pleasure to watch their happy faces and interested manner. The conditions governing the Covina Home are as ideal as human hands can make them, and the affection shown for all is very touching. It is with no small degree of pleasure that I report the authorization of a check for \$600.00 to be used for the education of one of those boys. I believe it is the first to be drawn from the Pierce-Marshall fund, established in 1919, and I sincerely hope we may continue to be of some assistance to the children of our Masonic brothers. Let us remember that happiness is a perfume you cannot pour on others without getting a few drops yourself. If you are too weak to journey up the mountain steep and high, you can stand within the valley while the multitude goes by. You can sing a happy measure as they slowly pass along and though they may forget the singer, they will not forget the song.

Finding the work well understood and uniform throughout the jurisdiction, I have no alterations or changes to suggest, as a uniformity is conserved by the fewest innovations. It has, generally, been most excellently rendered, and even in the few cases where conditions were not ideal, it has been satisfactorily presented. The officers of every subordinate chapter are entitled to praise and commendation, none to censure, and I am sure they feel well repaid for their labors by the great joy of accomplishment, which is so justly theirs.

COURTESIES.

Time would not permit me to accept of all the hospitality offered. The numerous courtesies extended have filled my life with happiness and sunshine, the memories of which will linger for many a day. Words are inadequate to express my appreciation and gratitude for all the good that has been mine to share during this wonderful year, and I would like to have each participant know what a well of love these expressions have meant to me. If I could have one wish this year, this only would it be: I'd like to be the sort of friend that you all have been to me.

SOCIAL EVENTS.

My home Chapter, Los Angeles No. 168, has been so wonderful throughout my entire five years of Grand Chapter life that I feel that I must make special mention of their loyalty and support. Nothing has ever been too much trouble for them to do and the best of every thing was none too good for their Maude. My dear members, my work with and for you has always been a pleasure and you are all very dear to me. I especially wish to express my appreciation for the lovely home coming party, the elegant reception you gave in my honor, and the very substantial check presented me on that occasion. *My most earnest prayer will be that I may always remain the woman they think me, these my friends.*

FRIEND OF MINE.

My choicest wish for you is that the years may hold in store half the joy that you have brought to me.

Your friendship has been one of the beautiful things in my life. Your faith in me has helped to hold me at my best. Your charitable forgetfulness of my blunders, your ready commendation of my success, the surety that you are always the same: these are a few of the many beautiful reasons for my own great joy.

Dedicated to,

ELIZABETH BETTINA WHEELER,

Past Grand Matron.

I cannot refrain from placing this dear little poem, dedicated to me by Loraine Seaver Hamilton, Worthy Matron of Berkeley Chapter, where you may all read and enjoy it with me.

I'D GIVE IT ALL TO YOU.

If I could hold the world in my hands,
I would give it all to you;
I'd not give you jewels nor hoards of gold,
But I'd give you Love so true.

I would give the gift of a willing hand
 For the brother whose way is drear,
 To help him along the weary road
 With a smile that is full of cheer.

I would give you the gift of a willing ear
 To hear the orphan's cry,
 To share with the hungry your crust of bread
 For the sake of Him most high.

I would give you the voice of a silver bell
 To speak to those in despair,
 And cheer their hearts with a kindly word
 To make the world seem fair.

I would give you eyes to see the ache
 In the hearts so lonely and blue,
 To guide the footsteps that falter and halt;
 Into the paths that are good and true.

But I'd give you most, a heart of gold,
 Burnished as bright as the Sun;
 To shine on this world with its aches and pains,
 From morn till the day is done.

DECISIONS AND RULINGS.

Many of the officers of our Order have based their lack of knowledge of the law on the fact that they did not receive the decisions and recommendations passed during the Grand Chapter Session, last October, 1923, until a very recent date. That seems exceedingly strange to me, inasmuch as each Worthy Matron or delegate is supposed to read and have placed on file a complete report of Grand Chapter, on the first meeting in November after Grand Chapter closes. What has become of these reports and why they haven't been referred to, is a question that rests with each Chapter. Of the hundreds of questions asked of me, I have been able to find the answers already given, with but few exceptions, in the Constitution, Ritual, Instruction Book or By-Laws.

1. Question. May the flag bearer be installed?

Answer. No. Ritual, page 18, clearly states the number of officers composing a chapter and the duty of each.

2. Ruled, that it was not necessary for a member of the Order of the Eastern Star to memorize the obligation of the Order within 60 days after initiation, such requirement being contrary to the Ritual. Explanation. Ritual (at page 67) states how a member shall become entitled to the privileges of the Order. The Grand Chapter cannot amend, enlarge, revise or control the authority of the Ritual. A distinction must be drawn between the ritualistic and governmental requirements of a member of a subordinate Chapter. (Decision 622 holds that the Ritual comes first.)

3. Question. May the Grand Matron of California grant waiver of jurisdiction to persons living in California, in order that they may join a Chapter in a foreign jurisdiction?

Answer. No. The Grand Matron of California does not have the power to grant waivers of jurisdiction belonging to any subordinate Chapter. That power rests with each subordinate Chapter, within whose jurisdiction the applicant resides.

4. Question. How is a Chapter to know when a Masonic brother has been suspended or expelled from his Blue Lodge?

Answer. The word of a Master Mason belonging to the same lodge as the suspended or expelled brother is sufficient.

5. Ruled that the title of Past Matron or Past Patron shall not be given to a Worthy Matron or Worthy Patron, unless they serve their Chapter for the full term for which they were elected.

6. Question. Is the business of a Chapter illegal if the charter is in the preparation room?

Answer. No. The preparation room is a part of the Chapter room according to the Ritual.

RECOMMENDATIONS.

1. The office of Marshal being provided for in the Ritual, such office should be filled. Therefore I recommend that Decision 26 be repealed and stricken from the Digest of Decisions. (The Ritual provides that when a Grand Officer is invited to act as installing officer the Marshal shall be addressed as Grand Marshal, so there is no reason for the Decision remaining in the Digest.)

2. I recommend the repeal and striking from the Digest of Decisions, Decision 58, for the reason that such decision is not in harmony and conflicts with Decision 94 and Section 13 of Article II of the Constitution. No action should ever be taken upon the petition of any applicant for the degrees of the Order who is ineligible to membership therein.

3. I recommend the repeal and striking from the Digest, Decision 146, upon the ground that the decision is misleading, confusing and against the Ritual. The preparation room is a part of the Chapter room as well as the main hall.

4. That Decision 162 be repealed and stricken from the Digest upon the ground that all applicants for the degrees should be given the utmost freedom in selecting the Chapter they desire to join as members. Few residents of California would desire to join a Chapter in a foreign jurisdiction, however, geographic and climatic conditions in certain parts of California (particularly, near the Nevada line) make it a practical impossibility for certain residents of California to attend an Eastern Star Chapter in California and such residents, in my opinion, should not be denied the privilege of joining an Eastern Star Chapter in a foreign jurisdiction. I have also been reliably informed that it is customary for subordinate Blue Lodges in California to grant waivers of jurisdiction in favor of foreign jurisdictions and believe that the subordinate Eastern Star Chapters should possess the same right.

5. That Decision 244 be repealed and stricken from the Digest for the reason that the law therein declared is fully explained in Decisions numbered 220 and 245 respectively.

6. Inasmuch as Section 6 of the Constitution provides that all meetings of subordinate Chapters must be held on the day and hour fixed by their by-laws and Section 28 clearly provides for the amendment of by-laws, I recommend that Decisions 223, 224, 362 be repealed and stricken from the Digest.

7. I recommend the repeal of Decision 258 and ask that same be stricken from the Digest as Decision 256 covers the situation relative to escort honors for Grand Officers.

8. I recommend that Decision 263 be repealed and stricken from the Digest on the ground that such decision is not now controlling and makes a wrong reference. The new Instruction Book supersedes the one referred to in the Decision.

9. I recommend that Decision 264 be repealed and stricken from the Digest for the reason that such decision conflicts with the Ritual. It has been, for some time past, customary to extend the "Grand Honors" at public receptions without the formality of opening ceremonies.

10. I recommend the repeal and striking from the Digest, Decision 293 for the reason that Decision 292 covers the matter therein decided.

11. I recommend that Decision 308 be repealed and stricken from the Digest as being in conflict with Decision 309.

12. I recommend an amendment to Decision 487 as follows: Change the second sentence thereof so as to read:

"They shall be entitled to such rank only at the expiration of the term for which they were elected, *but must be in office for the time elected.*"

13. I recommend that this Grand Chapter amend Article I, Section 20 of Constitution to allow expenses to the Deputy Grand Matrons of Districts 1, 2, 4, 8, 9 and 14 for three visits a year, instead of just one visit. These little Chapters are away from every one and need the help and inspiration of the Deputy. One visit a year from the Deputy Grand Matron is not sufficient.

14. I recommend that 489-495 be stricken from Digest and Decisions.

15. During my year as your Grand Matron I deemed it neither advisable nor expedient to put into practice the resolution of Grand Chapter revising the Deputy Grand Matron system which was declared adopted at the fifty-first communication held in San Francisco in October, 1923. My reasons for not complying with the directions of that resolution are as follows:

Notwithstanding the report of the Jurisprudence Committee thereon I am firmly of the opinion that the resolution, as declared adopted, is in direct conflict with certain provisions of our Grand Chapter Constitution and the Special Rules of our Grand Chapter and that the illegality of the resolution could be successfully assailed upon the floor of Grand Chapter. This situation should not exist and no controversy should arise over the allowance of expenses to members of the Ritual Committee which would necessarily be incurred by them in good faith should the members thereof enter upon the duties outlined in the resolution.

I submit for your careful attention the following points and conclusions, which, after considerable thought and reflection, I feel have a direct bearing upon this most important innovation in the manner of imparting and directing instruction in our ritualistic work:

For over a half century our subordinate Chapters have been accustomed to rendering the ritualistic work of our beautiful Order in conformity with the Ritual and instruction pertaining thereto through the medium of District Deputy Grand Matrons. After a year of careful observation I am not convinced that the old deputy system has fallen into complete disrepute and should therefore be

abandoned. I do not believe that the Grand Matron should lose personal touch with the subordinate Chapters of this State and at the same time it is difficult for me to understand how the Grand Matron could divide her time between the Ritual Committee and visitations. Is it right, fair or just that the office of Deputy Grand Matron should be assumed only by those among us whose financial condition enable them to serve? Should the ambition to render service to the Order be set at naught because "money" is a first consideration? I am not wholly convinced that the ritualistic work would be materially improved by the innovation for the reason that no provision is found in the resolution requiring the Deputy Grand Matron to make more than one visit to each subordinate Chapter at Grand Chapter expense. If isolated Chapters receive only one official visit can it be successfully maintained that greater efficiency in the exemplification of the work will result? It is quite possible that there are districts in this State where certain Past Matrons would not apply for certificates of qualification. From what source would the subordinate Chapters in such district receive competent instruction? We will all concede that perfection in ritualistic work is most desirable but time and experience have demonstrated that it is difficult of attainment irrespective of the methods employed.

Passing now to the manner in which the resolution was presented to the Grand Chapter and declared adopted, I wish to further present my views to you:

The resolution calling for a change in the manner of examination, qualification and appointment of District Deputy Grand Matrons was referred to the Committee on Jurisprudence for consideration for the reason, as then stated, that there was nothing therein calling for a change in our Grand Chapter Constitution.

To this conclusion I cannot give assent.

1. Article I, Section 20 of our Constitution provides that the Grand Matron shall appoint the District Deputy Grand Matrons. No restriction is found in this section upon the manner of selection and any Grand Matron could, notwithstanding the passing of the resolution, lawfully appoint a Deputy Grand Matron without consulting the Ritual Committee and accepting their final judgment as to qualified Deputies. This results from the fact that our Constitution is superior to a resolution passed in the Grand Chapter meeting, providing the resolution is not adopted in the manner required to amend the Constitution.

2. The resolution is also in conflict with Article I, Section 9 of our Constitution in that it directly impairs and sets at naught the unqualified right and power of the Grand Matron to appoint all committees. To illustrate this I desire to call your attention to the fact that five (5) members of the Ritual Committee are not appointed by the Grand Matron—she has no right under the resolution to select them. They become members of the Committee by legislation of Grand Chapter (the resolution itself) in violation of the article and section referred to. This, in my judgment, is a violation of the powers conferred on the Grand Matron by the Constitution. It follows that before the resolution was presented to this Grand Chapter certain amendments should have been made or repeals of portions of our Grand Chapter Constitution should have been first effected. The resolution not being adopted in the manner required to amend the Constitution does not act as an amendment of the Constitution or the abridgment of the rights and duties conferred upon the Grand Matron by the Constitution.

3. The resolution should have been referred to the Committee on Constitution and By-Laws for consideration and report to Grand Chapter as the resolution offered affected certain provisions of our Constitution. It follows, therefore, that there has been no reference to proper committee and the procedure taken on the resolution ignored Rule 7 of the Special Rules of Grand Chapter promulgated for the orderly and systematic presentation of resolutions to our Grand Chapter.

4. It is my recollection that Rule 14 was invoked when the resolution came up for consideration and before the result of the vote was declared by the chair. The demand for a roll call having been made before decision by the presiding officer was declared, it is my opinion, that the call of the roll for recordation of the "yeas" and "nays" should have been allowed. The failure in granting the demand so made violated Rules 14 and 29 of the Grand Chapter. By command and authority of Rule 29 the presiding officer had not the power to abrogate Rule 14 without the unanimous consent of Grand Chapter.

5. The resolution should also have been referred to the Committee on Finance for consideration and report to Grand Chapter as the resolution affects and calls for the expenditure of funds of Grand Chapter in defraying traveling expenses of the members of the Ritual Committee. The failure to follow this procedure of our Grand Chapter violated Rule No. 10 of Grand Chapter Special Rules.

6. As the resolution contained provisions infringing the power of the Grand Matron to appoint all committees a constitutional amendment was necessary and the procedure outlined in Article V of our Constitution should have been strictly followed instead of being entirely ignored.

In view of what I have said concerning this resolution, I consider it my duty to recommend to this Grand Chapter that if the spirit of the resolution of Past Grand Matron Sister Effie Easton meets with the approval of this Grand Chapter then, the correct constitutional procedure for the presentation and adoption of an amendment to the Constitution be followed.

GOOD OF THE ORDER.

The abuse of the cube is one of the evils that we always seem to have with us. Perhaps if we keep on calling your attention to its proper use, by pointing out its real function, we may hope in the near future to obliterate all the heart aches caused by its stigma. The cube is not a tool to be used to besmirch the character of one who may hold a different view than yours, but rather it is a fraternity shield to protect not individuals, but the Order from those who would injure it. It should never be cast with a prejudiced mind or a selfish thought. Remember, it is a serious thing to constitute one's self jury and executioner in one single act without the Order's interests demand it. Consider well, and let he who is without sin cast the first stone.

Chapters should always have their by-laws present. When sisters or brothers receive the degrees, they must sign the by-laws according to the Ritual. The allowance of 60 days is for affiliates only.

A little more care should be taken in purging the Chapter after a recess. Many times visitors are in the room when business is resumed.

GRATITUDE.

So many wonderful courtesies have been extended to me and so many friends have watched over my every comfort, that it is hard to know where to begin or end. To each and all my heart goes out in loving kindness, and the many happy memories will remain with me always.

To the Grand Officers, one and all, may the true friendship and loyalty you have given me, always be yours. Sister Zella Samson, associate of mine, and your next Grand Matron, my most earnest wish for you is the same loyal support, the same loving kindness, that has been mine to share this year.

To my Worthy Grand Patron and his good wife, Pauline, I wish to express my appreciation of your splendid friendship and to assure you both of the pleasure I have had during my close association with you both.

To my Grand Secretary, Sister Kate J. Willats; your life is truly exemplified by the teachings of our Order. One of the two remaining charter members of our Grand Chapter, you have spent over fifty years of service to this Grand Body and if we as individuals do not appreciate your loving worth and kindly advice, we had better look within ourselves to find the cause. Always kind, true, loyal to each Grand Matron in turn, you are indeed an example worthy of emulation. I sincerely appreciate the many courteous acts, thoughtful attentions, and rare bits of advice you have so graciously and willingly given. God grant you may be spared to us many more years, my dear.

To Brother Henry F. Pernau, I must express my appreciation for his splendid help in getting out the new Instruction Books. A man of sterling worth, clever mind, and ability; a true friend and companion, one I am proud to call my friend. Thank you.

To my husband who has made this wonderful year possible by the many sacrifices endured in the home and business, I feel I owe my inspiration to ever look forward and upward.

"To one other who has been my loyal companion . . .
There is one sacred name which means all that is fairest,
All that is good and all that is pure;
All that is sweetest and fondest and rarest,
All that is patient and constant and sure;
All that is beautiful, all that is dear,
All that is best in this world or the other,
A name that the proudest and noblest revere;
The name that you bear and make glorious—Mother."

CONCLUSION.

My personal message to each member of this great Order is to put into the activities in which you may be called to take part the best effort, the wisest and calmest thought, the most enthusiastic and untiring devotion which may be yours to give.

"There are loyal hearts, there are spirits brave,
There are souls that are pure and true;
Then give to the world the best you have,
And the best will come back to you.

Give love, and love to your heart will flow,
 A strength in you utmost need;
 Have faith, and a score of hearts will show
 Their faith in your word and deed.

For life is the mirror of king and slave,
 'Tis just what you are and do;
 Then give to the world the best you have,
 And the best will come back to you."

Sincerely and fraternally,

Maude Bigelow Sibley,

Worthy Grand Matron.

ADDRESS OF THE WORTHY GRAND PATRON.

14. San Francisco to the New Home Club, Oakland.
15. San Francisco to Santa Cruz. Mrs. Bigelow, mother of the Worthy Grand Matron, and Dr. Sibley, her husband, also accompanied us on this latter trip.

RECOMMENDATIONS.

1. There seems to be a feeling that Grand Chapter should be opened when new Chapters are instituted. I believe that it adds to the impressiveness of the ceremony and I therefore recommend:

"That Article 1, Section 5 of the Constitution be amended with the following addition: 'and provided further that the Worthy Grand Patron may declare the Grand Chapter open in short form for the sole purpose of instituting a new Chapter and without the notice required above'."

2. The form of institution as now used does not make the necessary impression that an institution should make on the members of a new Chapter. I therefore recommend that:

"The Worthy Grand Matron appoint a special committee of three to draft a new form of institution of Chapters, which form is to be submitted to this Grand Body at the next convocation for adoption."

3. At the last Grand Chapter the allowance of the Worthy Grand Patron was to be made on a monthly expense account being rendered. I recommend that:

"The allowance of the Worthy Grand Patron be paid quarterly in such sum as this Grand Chapter may approve, without the necessity of submitting an itemized bill for his expenses."

4. In the event that recommendation No. 1 is adopted, I recommend the repeal of decision No. 522 A of Amendments and Decisions and Recommendations of 1923, which reads as follows:

"The Worthy Grand Patron shall not proclaim a special session of the Grand Chapter open at the time of institution of a new Chapter. It is not necessary and not within his power."

5. It has been my experience that a hardship is worked on those desiring to form new Chapters by Decision No. 534 A. It compels those not members of the Order and wishing to form a new Chapter to join some other Chapter with the sole purpose of dimitting, which is contrary to the tenants of our Order. Some of these are very desirable members and the method mentioned loses the entrance fee to the new Chapter. Further I consider that it is better to have new members in a new chapter than disgruntled ones or disappointed office seekers who are already members, as frequently happens. I therefore recommend that decision No. 534 A of the Amendments, Decisions and Recommendations of 1923 be repealed. It reads as follows:

"The degrees at sight shall not be conferred in any place, city or town, when an established Chapter is available to the applicant."

5A. The institution of Smartville Chapter was not strictly in accordance with the law of this Grand Body, due particularly to the fact that it was difficult of access. I recommend:

"That the conferring of degrees at sight on the new members of Smartville Chapter and the institution which took place on the same evening be approved."

6. It has been called to my attention that many of the dimits of the members of Patterson Chapter, Under Dispensation, were signed by a Matron who herself had dimitted and was therefore no longer Matron. I recommend:

"That in this instance the action of the former Matron be approved and that the dimits be accepted on behalf of Patterson Chapter."

7. Some Chapters like to have a vacation in the summer months and I have approved by-laws with one meeting in the months of July and August where the by-laws call for a meeting twice each month. I therefore recommend:

"That it be permissible for Chapters to have one meeting during the months of July and August, if they amend their by-laws to that effect, provided that the said by-laws call for two meetings each month."

8. Although it is my understanding that officers of a Chapter Under Dispensation hold office only at the pleasure of the Worthy Grand Patron whose appointee they are, I find nothing in the Constitution backing up this opinion. I therefore recommend:

"That officers in Chapters Under Dispensation hold office only at the pleasure of the Worthy Grand Patron."

DECISIONS.

1. That a dimit without recommendation must be issued by the Secretary of a Chapter upon request of a sister or brother when clear upon the books and such request for a dimit does not have to be presented to nor voted upon by the Chapter. A dimit, however, with a recommendatory certificate may be given, but only upon a majority vote of those members present at a regular meeting of the Chapter. All requests for a dimit will be considered to call for a recommendatory certificate unless otherwise specified.

2. A petition for affiliation is not necessary where dimitted members sign a petition for a dispensation for a new Chapter. The petition for a dispensation taking the place of a petition for affiliation.

GRATITUDE.

I wish to take this opportunity to thank the many friends for the courtesies shown during the year and for the many invitations to functions which it was not possible for me to attend. I particularly want to thank the Worthy Grand Matron and her good husband for the many favors which they have shown. My wife and I were their guests on several occasions while in Los Angeles. Their house was always open to us whenever we were there. I want to thank Past Grand Matron, Sister Maude Noble Haven, for the many times that she has taken care of both myself and wife and for the many favors she has shown. She has always been ready to do anything that has

been asked of her in connection with my official duties this year. Sister Brasch, Past Grand Treasurer, has also been kind in many helpful ways and has entertained us many times. We were the house guest of Past Grand Matron, Sister Emma Reihl Leach for a week at Enreka. Past Grand Matron, Sister Elizabeth B. Wheeler, has also entertained us and shown her willingness to work for the good of the Order. Many times Sister Beth Noon, wife of the Past Worthy Grand Patron, E. E. Noon, has acted as any officer at Chapter institutions, but her name does not appear in the list for the reason that the Grand Officer whose place she was filling came late. It has been my pleasure this year for the first time in the history of this Grand Chapter to make the office of Associate Grand Patron an office in fact and not in name only. Many times have I called on our Associate Grand Patron, Russell B. LaFontaine, to assist me in obtaining information and in the institution of new Chapters. He has always been willing and eager to do whatever he could for me, no matter how far the journey nor how hard the task. For his ready willingness and favors shown I am deeply appreciative.

I want to also thank Sister Jennie Dickson of Dunsmuir for courtesies shown while in the vicinity of Dunsmuir. Those hot biscuits and strawberries will be long remembered. Our Grand Ruth, Helen M. Waltz, has also shown more favors than I shall ever be able to repay. As has also Acton Haven. Our Grand Secretary, Kate Josephine Willats, has shown many favors and always been ready with her store of knowledge to give accurate and good advice.

Last but not least I want to publicly thank my wife for the patience which she has had this year and for the many times that she has been of assistance to me. It has been my good fortune to have her accompany me on all of the long trips that it has been necessary to take. Her good fellowship and encouragement have been a great stimulant on long and tiresome trips. Twice this year have we driven from Los Angeles to Auburn, a distance of five hundred miles and over in one day.

It is not possible in this report to make personal mention of all those to whom I am indebted, but to those I am as grateful and wish to express my appreciation at this time. Chapters have showered us with remembrances of their meetings, all of which will be cherished by us till time shall be no more.

Naomi Chapter No. 36 has favored me with Honorary Membership in their Chapter.

The North Bay Counties Past Matrons and Past Patrons Association have also honored me with membership.

IN CONCLUSION.

The work of our Order is certainly worthy of our earnest labors. It has ever been my aim to do my duty as I saw the right and whatever of decisions I have made have been made in accordance with that aim. That there have been mistakes goes almost without saying, for there are a million ways to do anything wrong and only one way to do it right. Errors have all been of the head and not of the heart. In the only two cases that I know of where there might have been any doubt as to my judgment in matters, subsequent events have proven that my judgment was correct. It has been my aim during my journey throughout the state to impress upon the membership the importance of the members taking an interest in the civic affairs of our country and becoming more active in the political affairs in the communities in which they live. I believe that this is a matter of very vital importance not only to our country but to ourselves. Whatever we do for our country's good we are doing for our own. The elements that seek to destroy our institutions are always active and aggressive. It behooves us who stand for good government to be just as active and aggressive. Let us who are members show the World that the Eastern Star stands for those things in this glorious country of ours which stand for good government.

In closing I want to sincerely thank the members of the Grand Chapter of California for the honor which they have conferred upon me and hope that the trust that has been reposed in me has not been betrayed. I hope that I have been instrumental in adding just a little bit to the upbuilding of this Order of which we are all so justly proud.

Respectfully submitted,

Guy Woodhams Brundage,
Worthy Grand Patron.

Which address was referred to the Committee on Distribution.

REPORT OF THE GRAND SECRETARY.

The Grand Secretary then read to the Grand Chapter her annual report as follows:

To the Grand Chapter of California, Order of the Eastern Star:

Dear Sisters and Brothers:

Again are we come to meet in this beautiful section of our loved California.

Thirteen years ago, in October, 1911, the Grand Chapter was opened in the Shrine Auditorium in the City of Los Angeles with Sister Lena Walker Stannard from the Southland and Brother John Liddle McNab from the North, presiding. At that session our Grand Matron of sweet memory, Sister Martha Gould Dinsmore, coming from the beautiful redwood section of our State and Brother William Kirtley Chambers coming from Los Angeles Chapter No. 168, of the City of the Angels, were elected to serve over the destinies of this Grand Chapter for the year 1912, and today we have as presiding officer another loved member from Los Angeles Chapter No. 168, Sister Maude Bigelow Sibley, who, together with Brother Guy Woodhams Brundage from Crystal Chapter No. 57, has carried on the work of our Order during the past year, not for any one Chapter nor for any particular section of the State, but for the good of our Order throughout this beautiful and glorious Land of California; so why may we not, my Sisters and Brothers, work together unitedly as one great family working for the good of humanity and the best interests of this Order, so kind in thought and action that every community where a Chapter of the Eastern Star exists may be made better and happier for our existence near them.

Naturally in so large a family we will have different thoughts and ideas on many subjects, but may we not reason together for the greatest good to all concerned; we all have our failings and frailties, but life is all too short and we are here for such a little while.

"We're here but such a little while,
We scarcely greet the dawn
Before the noonday sun shines down—
Before the night comes on.
No matter whether fortune frown
Or with her gifts beguile,
We're here but such a little while,
Just such a little while."

All but eighty-three Chapters returned their full complement of books; of the eighty-three all but twenty have since, either found the books thought to be lost or paid the fine and bought new copies.

CARD REGISTRY OF MEMBERSHIP.

Again we are calling attention to the need of a card registry of membership in the office of the Grand Secretary, which was presented last year but the matter was overlooked in the stress of other business.

Many inquiries are made as to some sister's or brother's membership in this or that Chapter, or a query is made as to dates upon

which degrees were conferred, limits granted or death occurred. With a perfect system of registry such questions might be readily answered.

The installation of this system would do away with the present tedious and cumbersome method of annually copying, checking and filing the entire membership of the Order on each annual return, as the report of all work increase and decrease, for the fiscal calendar year will only be necessary. This will make a total of some few thousand names to be entered and audited each year instead of some 73,000 as at present, and in the end will be a saving of much time and expense.

This work has been taken up and adopted by several Grand Chapters and has proved most successful.

COURTESIES.

Invitations to attend annual sessions of other Grand Chapters have been received by the officers of the Grand Chapter of California.

Invitations to attend this fifty-first annual session of California, were mailed to the elective officers of the General Grand Chapter, and to the Grand Matron, Grand Patron, Grand Secretary and Grand Representatives of sister Grand Jurisdictions. These have been acknowledged with accompanying expressions of regret at their inability for various reasons to be present.

GENERAL GRAND CHAPTER.

Announcement has been received from the General Grand Chapter that the date fixed for the eighteenth triennial assembly of the General Grand Chapter is for August 9-15, 1925, at Toronto, Ontario, Canada.

A circular letter relative to the building of an International Eastern Star Temple at Washington, D. C., requesting co-operation and assistance from the several Grand Chapters, has been received and will probably come before the Grand Chapter at this session.

SCHOLARSHIP FUND.

It is gratifying to be able to report that we have been called upon to share in the privilege of assisting one of the boys at the Home at Covina in the pursuit of a higher education.

In June the following communication was received from the Secretary of the Masonic Homes:

"San Francisco, June 5, 1924.

Mrs. Kate J. Willats,
Grand Secretary of the
Order of the Eastern Star,
Phelan Building,
San Francisco, California.
Dear Mrs. Willats:

I am directed by the Board of Trustees of the Masonic Homes of California to state that a ward at the Home at Covina, will graduate at the high school this month and desires to take up an architectural course, beginning next semester at the Southern branch of the University of California at Los Angeles. The cost of said course will be six hundred dollars a year, and it is proposed by the Board to keep him at that school for two years, after which time, if his instructors advise that further schooling will be profitable to him, further arrangements will be made for a continuation of his studies.

If agreeable to you, you may remit at your convenience the funds for the first year's schooling.

Very sincerely yours,

John Whicher,

Secretary of the Homes."

On receipt of this letter the matter was referred to our Grand Matron and to Past Grand Patron Darwin Willson Pierce and Past Grand Matron Elizabeth Mary Marshall, who are in charge of the Scholarship Fund of this Grand Chapter.

They authorized me to send the amount asked for to the board of trustees of the Masonic Homes with the further assurance that our Grand Chapter would take care of the fund next year, or until the lad had completed the course in the University.

A card of grateful appreciation was received in acknowledgement of the check.

GIFTS TO HOSPITALS AND MASONIC CLUB HOUSE.

As directed by the Grand Chapter at its fiftieth annual session checks were forwarded to the Shriners' Hospital for Crippled Children in San Francisco, the Los Angeles Orthopaedic Foundation and the Masonic Club House at the University of California, for the several amounts appropriated at that session.

Responses in acknowledgement of the appreciation of these beneficiaries have been received and are herewith appended:

"San Francisco, November 12th, 1923.

Mrs. Kate J. Willats,
Grand Secretary, O. E. S.

My dear Mrs. Willats:

On behalf of the Board of Governors of the Shriners' Hospital for Crippled Children, San Francisco, I wish to express to you our deep appreciation for the \$1000.00 you have so generously presented to us.

Such thoughtfulness on the part of the Grand Chapter of the Order of the Eastern Star is a factor in increasing our funds and efficiency, enabling us to do just as much more for the little unfortunates we Shriners have pledged ourselves to treat and care for.

While we are grateful for the financial aid, we value most greatly the spirit and interest that prompted the giving. It is help of this nature, particularly from those of Masonic affiliation, that encourages and adds zest to the great work we are undertaking.

I wish that every member of the Eastern Star could visit our hospital and witness the work that is being done. I am sure they would have no regret in their hearts for having helped.

Very sincerely yours,

John D. McGilvray,
Chairman, Board of Governors."

"Los Angeles, November 27, 1923.

Mrs. Kate J. Willats,
Grand Secretary, O. E. S.

My dear Mrs. Willats:

It gives me great pleasure to comply with the resolution of our Board of Directors, adopted at their meeting last Thursday, and thank you in their behalf and in that of our Organization for the most generous donation of \$1000.00 which we received from the Grand Chapter, Order Eastern Star. The members of our Board unanimously requested me to ask you to convey to the Officers and Directors of the Grand Chapter an expression of our most sincere appreciation of the interest that the Order of the Eastern Star is taking in our Institution.

It will interest you to know that three or four of the Local Chapters of the Order in Los Angeles and vicinity have made contributions recently of amounts ranging from \$25.00 to \$100.00

to assist in the maintenance and care of specific cases in our Hospital and we, of the Management, have entertained earnest hopes that in the future we might have the financial assistance from the members of the Eastern Star not only through the several local Chapters but through the affiliated groups of the Organization.

Yours sincerely,

Preston T. Slayback,
Business Executive."

"Berkeley, September 2, 1924.

Mrs. Kate J. Willats,
Grand Secretary, O. E. S.

My dear Sister Willats:

We acknowledge with thanks the receipt of \$2500.00 forwarded in your letter of August 16th and representing the contribution of the Grand Chapter of California, Order of the Eastern Star, toward the erection of our Masonic Club House at the University of California made at the last session of that body. This is indeed evidence of whole-hearted and generous support and has the sincere appreciation of those sponsoring the undertaking. We trust that you will convey to the officers of the Grand Chapter our sincere thanks for what they have done.

You will be interested to know that the Club House is now practically completed and that dedication ceremonies will take place on Saturday, September 27th, at 3:00 P. M. You and the other officers of the Grand Chapter, as well as all members of the Order of Eastern Star throughout the state of California, are cordially invited to attend this event. An impressive yet thoroughly enjoyable program has been arranged and we sincerely hope that many of those members of the Order whose generosity has made possible the erection of this structure will endeavor to be present and thus have an opportunity to observe for themselves the result of their efforts.

With fraternal greetings,

Sincerely and fraternally yours,

Edw. A. Martin,
Executive Secretary, the Masonic
Club Board of Trustees."

RELATIVE TO FURNITURE FOR ROOMS AT MASONIC HOME.

The books of the Grand Chapter closed on the first day of September, 1924, but since then, the living rooms in the new wing of the Masonic Home at Decoto have been furnished by the Grand Chapter and bills amounting to \$2607.38 in payment of same have been presented, while appropriations made at previous sessions of the Grand Chapter were only for \$2500.00; bills up to this amount have been paid, leaving a deficit of \$107.38 unpaid, which is now referred to the Grand Chapter for action.

LOVED AND LOST.

"They have gone from Life's Battleground into the Royal Presence, the hidden guests of God."

During the year seven hundred and nineteen Sisters and Brothers of this jurisdiction have responded to the last roll-call from the Master and while we have reason for thanks that our circle of Grand Officers has remained unbroken, three of our Past Grand Officers have been called to their long rest.

Sister Abbie Elvenia Krebs Wilkins, who departed this life July 30, 1924, served as Grand Secretary for seven years, from 1875 to 1882, and in 1885-1886 served as Grand Matron. Until the last year or so, she always took an active interest in the affairs of the Grand Chapter,

having served as Chairman of the Ritual Committee for many years and in conjunction with Past Grand Matrons Mary Ann Flint and Annie E. Briggs compiled the first Instruction Book adopted by this Grand Chapter, and from which the Book of today has evolved. For the past two years she has been interested in writing a History of the Eastern Star in California, which, when first undertaken, she had hoped would be finished in time for the Golden Jubilee, but failing health prevented and she was unable to even be with us at that session of the Grand Chapter.

Brother Phineas Fanning Ferguson, who left us on May 26, 1924, served as Grand Patron of this Grand Chapter during the year 1909-1910, with Sister Rosa Josephine Burns as his Grand Matron. As Chairman of the Finance Committee he had served this Grand Chapter faithfully and well for many years and was generally loved and esteemed as one whose influence was ever in the cause of kindness and forbearance. His absence from our midst is keenly felt and this Grand Chapter mourns with deep sorrow that he will meet with us no more.

The death on June 3, 1924, of Brother Doctor John Paddock, Associate Grand Patron in the year 1909-1910, severs another link in the chain of Grand Officers for that year. His labors are ended and his presence will be missed from this Grand Chapter.

On February 24, 1924, Past Associate Grand Matron Catharine Elizabeth Merritt, who served during the year 1905-1906, was called home to be again with him by whose side she had walked for more than fifty years, Past Grand Patron James Bestor Merritt, and we can but feel "that all is well with them".

In the home of one of our Past Grand Officers, sorrow has entered, and to Past Grand Treasurer Sister Gertrude M. Meldrim our hearts go out in tender sympathy in the loss of her husband, and our brother, Herold John Meldrim, a man who was loved and honored in the community where he lived for his fineness of character and who will be remembered by members of this Grand Chapter for the many acts of kindness and attention shown to them.

"There is no bourne beyond the reach
Of sorrow; no soul lives and bides
So far but she will visit each;
Through every fortress wall she glides,
In every creature's life she hides.
There is not need that art should teach,
For sorrow knoweth sorrow's speech."

Now my dear Grand Chapter, what shall I say about the delay in sending out the annual Proceedings for 1923: there are so many excuses I could make but perhaps it were better not to attempt to make any; it will not happen again while I am Grand Secretary, as hereafter everything else will have to wait, until the book is in the hands of the Printer.

The Poet has written "Love scarce is love that has not learned the sweetness of forgiving," and so I can only ask you to forgive me for I know by your many kindnesses shown, you love me.

Fraternally submitted,

Kate J. Willats,

Grand Secretary.

Which report was ordered to be referred to the Committee on Finance.

I take great pleasure in submitting for your consideration and approval, the foregoing tabulated report of my duties during the past year.

To the Grand Chapter, I extend my cordial thanks for the privilege and honor of serving you in the office of Grand Treasurer, and I am truly grateful for the many delightful courtesies extended to me by the officers and members of all Chapters throughout the state.

I cannot praise too highly the untiring efforts and efficient work of our dearly beloved Grand Secretary, Sister Kate J. Willats, and her valued assistant, Sister Susan M. Willats.

The year has been fruitful in knowledge gained, it has given me a broader vision and greater understanding of the true ideals, noble precepts and unlimited possibilities of prestige and power that can be obtained by the untiring co-operation and the definite constructive work of every member throughout this Grand Jurisdiction.

Let us visualize our tremendous factor for good, socially, spiritually and politically, then boldly face our mountain of possibilities and journey steadily onward and upward for

There's a beautiful view at the top of the hill,
If the strength be yours to climb.
There is always a lift and a rift of the clouds,
To disclose the peaks sublime.
The road may be rough,
You may blow and puff,
But never you mind, soon you're scaling the bluff.
Then yours is the view at the top of the hill,
If you've but the strength to climb.

Respectfully submitted,

Georgia Esther Hunt,
Grand Treasurer.

REPORT OF COMMITTEE ON WARRANTS AND DISPENSATIONS.

Past Patron Charles Lafayette Snyder, chairman of the Committee on Warrants and Dispensations, presented the following report from his committee:

To the Grand Chapter of California, O. E. S.:

Your Committee on Warrants and Dispensations have carefully examined and audited the books of the following Chapters now serving under dispensation, and find the requirements of the Grand Chapter have been carefully observed and therefore recommend charters be granted to-wit:

Chapter.	Location.
Patterson	Patterson
Arlington	Los Angeles
Park	San Francisco

Fort Sutter	Sacramento
Radiant	Los Angeles
Glendale	Glendale
Plymouth	Oakland
Nimshi	Los Angeles
Playa Linda	Hermosa Beach
Security	Bakersfield
Seaport	San Francisco
El Camino	North Sacramento
El Cajon	El Cajon
El Sereno	El Sereno
Smartville	Smartville
Forest	San Francisco
Foothill	Oakland
Trinity	San Francisco
Searchlight	Long Beach

Section 10, Article I of the Constitution of the Grand Chapter reads as follows:

It shall be the duty of the Worthy Grand Patron to counsel and advise the Worthy Grand Matron upon all matters pertaining to the good of the Order; to grant dispensations for new Chapters on proper application of nine or more members of the Order in good standing, provided such Chapters shall first have procured the written consent of the Chapter nearest to, or most affected by, the proposed new organization; provided further that no charter or dispensation for the formation of a new Chapter in any city, or city and county, *having at the time three or more Chapters therein*, shall be granted without the consent of two-thirds of said Chapters; and provided further that in case consent is refused to form such new Chapter the Worthy Grand Patron may ascertain the reason therefor and, if after carefully investigating the same, he shall be of the opinion that it would be for the best interests of the Order that such new Chapter be formed he may grant a dispensation notwithstanding such refusal, and to delegate authority to confer the degrees at sight upon a sufficient number of worthy persons for the purpose of organizing a new Chapter. He shall have power to organize new Chapters under dispensations; to approve the by-laws thereof, and to render such *decisions and make such appointments in relation thereto* as may be essential or required. He shall have power to delegate his authority to any Past Grand Patron of California for the institution of a new

Chapter. He shall possess exclusive power to revoke all dispensations for new Chapters until same shall have been approved by the Grand Chapter and charters issued. He shall make a written report to the Grand Chapter reviewing the work of his term of office and shall recommend such needed legislation as may be deemed necessary.

Some parts of this have not been followed this year in every case, owing to the interpretation by the Grand Patron, that the wording was conflicting, in that it gave the Grand Patron power to grant dispensations, in face of the refusal of the Chapters, and therefore was unnecessary.

We therefore recommend this section be referred to the Committee on Constitution and By-Laws for revision or decision.

Your Committee further finds several dimits accompanying dispensations, signed after date of petition for dispensation but prior to date of institution. This seems to be contrary to Decision 539 of the Digest reading as follows:

"It is not essential that intending petitioners for a dispensation to form a new Chapter dimit from the Chapter or Chapters of which they are members before asking the consent of the nearest Chapter to the formation of such new Chapter, but they must take their dimits before petitioning the Grand Patron for a dispensation."

We therefore recommend an opinion and decision from the Committee on Jurisprudence.

Respectfully submitted,

Charles L. Snyder,
James I. McGiffin,
Annie L. Chubb,
Committee.

The report was adopted as read, and on motion of Brother Snyder, the Representatives of the newly chartered Chapters were given voice and vote in the Grand Chapter.

In Grand Chapter

Evening Session.

Wednesday, October 22, 1924.

The Grand Chapter was called to order at eight-thirty o'clock by Past Matron Pauline Brundage of Crystal Chapter, No. 57, who requested the Grand Marshal and Grand Conductress to escort the Worthy Grand Matron and the Worthy Grand Patron to the East. On assuming her station the Grand Matron declared the Grand Chapter opened for the exemplification of the work in a subordinate Chapter and for such other business as might properly be brought before it and directed the Grand Marshal to make proclamation.

REPORT OF THE COMMITTEE ON ELECTIONS.

The Grand Matron then called for the report of the Election Committee, which was presented by the chairman, Past Grand Matron Elizabeth B. Wheeler, who read the names of the several candidates for each office, the total number of votes that had been cast and the final result of the ballot. After the reading of the report the Grand Matron announced that as the following members had received a majority of the votes cast she would declare

them elected to serve as Grand Officers for the ensuing year:

Zella Whitford Samson, elected Worthy Grand Matron;
Russell Bresce La Fontaine, elected Worthy Grand Patron;
Cora Spring Holland, elected Associate Grand Matron;
Waldo Francis Postel, elected Associate Grand Patron;
Kate Josephine Willats, elected Grand Secretary;

The Worthy Grand Patron-elect, Russell B. La Fontaine, escorted to the East the Worthy Grand Matron-elect, Zella W. Samson, who stated that the work would be exemplified as she desired it to be done during the coming year; she especially desired that the Flag of our Country should have a place in the program of the Chapter work in testimony of our loyalty to our country and she hoped that during the opening ceremonies the Flag would be given prominence in the manner in which it was to be presented during the exemplification.

The work of a subordinate Chapter was then exemplified by the Grand Officers, Past Matron Pauline Brundage acting as Associate Matron and Past Grand Treasurer Annie S. Brasch as Secretary. Sisters Millicent Cullen, Stella Jensen, Grace Sufton, Annie Wishaar and Brothers Emil Sass and Grant Wishaar acted as candidates during the initiatory ceremonies.

At the close of the exemplification the Grand Chapter was called off until nine-thirty Thursday morning.

REPORT OF THE BENEVOLENT FUND COMMITTEE.

Past Matron Helen Margia Knight, chairman of the Benevolent Fund Committee, presented the report of that committee for the year ending October 1, 1924:

To the Grand Chapter of California, O. E. S.:

Dispensing trust funds is always a grave responsibility. Appeals for assistance from the benevolent fund of Grand Chapter grow more numerous each year and require much investigation and careful judgment.

In many cases the appeals have been so carefully investigated by local Chapters that the recommendations could be endorsed at once and referred to our Grand Secretary for the desired action.

In other cases the local Chapters have referred the case in question without information or investigation and much delay has been caused through added correspondence. This is always regrettable, especially where the need is pressing. Often the case has proven to be one which should be and can be relieved by the local Chapter. Sometimes we find that the appeal is not justified because of property interests or family backing.

During the past year the following disbursements have been made, showing the disbursements of the different districts to September 1, 1924:

District No. 4—Mrs. Della B. Clute, Chairman		
Lucerne Chapter No. 127.....	\$200.00	
District No. 5—Mrs. Helen M. Knight, Chairman		
Olive Branch Chapter No. 169..	\$ 90.00	
Ivy Chapter No. 27.....	230.00	320.00
District No. 6—Mrs. Augusta Caldwell, Chairman		
Oak Leaf Chapter No. 8.....	100.00	
Oakland Chapter No. 140.....	50.00	150.00
District No. 8—Mrs. Elizabeth B. Wheeler, Chairman		
West Lake Chapter No. 268....		315.00
District No. 9—Mrs. Edna B. Woolman, Chairman		
Southern Star Chapter No. 96...		64.00
Total		\$1049.00

Since September 1, 1924, the following amounts have been paid out on account:

District No. 4—Lucerne Chapter No. 127.....	\$40.00
District No. 5—Ivy Chapter No. 27.....	10.00
District No. 6—Oakland Chapter No. 140.....	10.00
District No. 8—West Lake Chapter No. 268.....	35.00

Each case has an interesting history. We should like to share them all with you did time permit.

I will touch upon just one or two. The following letter speaks of great appreciation:

Dear Sister:

Through Sister I received yesterday a check for \$10.00 sent me by the Grand Chapter.

It was indeed welcome, not only because I am in trying circumstances now, but because of the Divine principle which it expresses.

It is in this same spirit that I feel no hesitancy in accepting it, for I am truly in God's hands these days—as always before of course—but in health and prosperity we don't always stop to consider matters as we do in feebleness and the helplessness that sometimes comes upon us.

I cannot tell you in mere words what it means to a "Shut-in" to know what kindly, loving friends are thinking of us—and helping with their thoughts as well as in this more practical way.

My hands and wrists are very stiff and writing is difficult, but please thank our Worthy Grand Matron and the bodies before whom this matter had to pass.

I will be glad to see you or any of the Sisters at their convenience.

Cordially and fraternally,

Sister

We have many letters of this character. We receive others which cause us some anxiety.

Some cases have given us much concern and they have brought up questions which I believe should be submitted to this grand body in such a report as this—

One case has given us particular concern for many months past and is cited as a test case.

It was first brought to our attention last October, and about nine months ago a definite appeal was made to us through a local Chapter.

Financial aid was wanted for a woman who has been suffering for some time with an incurable disease.

The report showed that she is possessed of certain properties heavily encumbered and not convertible into cash at the present time.

She has been the victim of many operations which had depleted her ready funds to such an extent that she was forced to appeal for assistance. She is a woman of intelligence, a trained nurse by profession, and has made a brave fight for health.

Her local Chapter, of which she has been a member in good standing for twenty-eight years, had aided her to the fullest extent possible. On the recommendation of our district representative the Benevolent Fund Committee voted to give her forty dollars per month

for an indefinite time until she could get her business affairs in shape.

As her condition became worse and immediate permanent hospital care seemed necessary, on further recommendation from her local district, it was decided to place her in a hospital in San Francisco. She expressed a preference for a certain cancer institute which is widely advertised.

Investigation proved that this institution has been discredited and is at present under control of a man whose physician's license was revoked a year ago, according to the report of the State Board of Medical Examiners.

The Sister was told that we could not be a party to patronizing such an institution. Much correspondence and patient explaining followed. Your chairman personally took up the case with three different physicians in San Francisco after lengthy correspondence with her local physician who had the particulars of the case and the Sister was offered the choice of three different first class hospitals with the attention of skilled physicians (all of whom volunteered their services) at each one.

(Several letters read showing variable temperament and unreasonable attitude.)

As previously stated, she has property and according to her own story no relatives whom she wishes to inherit it. We felt that in the event of death, the Grand Chapter should at least be reimbursed for its outlay. Investigation of her property interests showed that she owns two valuable pieces of farm property in the San Joaquin Valley, one of which was appraised by a local bank at \$6500.00.

As the case promised to be a great financial burden to the Grand Chapter, and in an effort to protect the Grand Chapter while aiding the needy Sister, the following proposition was made:

"If you care to deed the piece of property to the Order Eastern Star when we guarantee to assume full financial responsibility *for your care at Stanford-Lane Hospital*, we will give you in return a letter which will be in effect a contract to redeed to you this property as soon as the Order Eastern Star is reimbursed for its outlay in your behalf."

This offer was refused.

This case involved over forty letters, numerous visits to physicians, hospitals, and communication with business men, and covered a period of nearly a year's time.

The Sister proved most variable, unreasonable and difficult.

Because of this experience and foreseeing other appeals of similar character, your Benevolent Fund Committee submits the following recommendations:

First, that the benevolent fund of the Grand Chapter shall be used to relieve cases of distress that are beyond the power of the local Chapter, providing the history of such cases show that the Sister is without funds or resources of any kind.

Second, if the applicant is possessed of property which cannot be converted into money or used as security for a loan and if after thorough investigation the appeal to the Benevolent Fund Committee seems justified, provision must be made for a transfer of property rights in legal form for the protection of the Grand Chapter.

It is the hope of your committee that the Worthy Matrons and Worthy Patrons of our Order will grasp the spirit behind this benevolent fund work, that spirit which sees over the "good of the whole", and urge the local Chapters to do their part before appealing to the Grand Chapter.

We never know when the large need will come in our midst. For instance, at the present time, Mission Chapter No. 155 has two cases in a home at an expense of \$105.00 per month to the Grand Chapter. One is that of a Sister in her eighties with a broken hip—no means of support; the other a paralytic—altogether helpless. I am happy to state that the family of the latter have come to her rescue and will reimburse us for our outlay.

A Chapter of 600 members pays \$60.00 per year to this fund. It would take ten years' contribution to pay for one case of this kind for ten months.

Sisters and Brothers, we have this fund for the extreme emergencies. Let us conserve it in the spirit of thankfulness that we can have a part in helping the unfortunate among us.

No worthy appeal ever falls upon deaf ears. Your Benevolent Fund Committee is ready for your call. Help us through your

understanding so that our charities may indeed be the kind that "Soothe and heal and bless".

The thanks of the committee are tendered to our worthy and able Grand Secretary, Sister Willats, whose counsel and sympathetic help are invaluable in the work.

Respectfully submitted,

Benevolent Fund Committee,
Helen M. Knight, Chairman,
Mabel Boyd Scymour,
Emma Riehl Leach,
Sue Estelle Tuck,
Elizabeth B. Wheeler.

On motion of Past Grand Patron Delos Albert Mace, that portion of the report involving legal questions was referred to the Committee on Jurisprudence with instructions to report back to this Grand Body, and the remainder of the report was adopted as read.

RESOLUTIONS PRESENTED.

The following resolutions were presented at this time:

CREATING W. C. HAYDEN A PAST PATRON.

To the Grand Chapter of California, O. E. S.:

Whereas, Riverdale Chapter No. 400 was instituted November 29, 1922, with W. C. Hayden as its Patron and one of the energetic workers in its organization; and

Whereas, Brother Hayden was obliged to resign his office and move his residence from Fresno County after having served nine months as Worthy Patron of the Chapter under dispensation;

PROCEEDINGS OF THE GRAND CHAPTER

INCREASING ALLOWANCE GRAND PATRON.

To the Grand Chapter of California, O. E. S.:

Whereas, it is now provided that the Worthy Grand Patron is allowed all of his necessary expenses, payable monthly following a statement of the amount expended, provided such expenses do not exceed the amount of the appropriation; and

Whereas, it appears that the several Grand Patrons last past have each expended a considerable sum in excess of the appropriation heretofore prevailing;

Therefore, Be it resolved that the sum of one thousand (\$1000.00) dollars be appropriated at this session for the purposes aforesaid, during the ensuing year.

Respectfully submitted,

Ernest E. Noon,

Junior Past Grand Patron.

Referred to the Committee on Finance.

RELATIVE TO CHAPTER DOORS.

To the Grand Chapter of California, O. E. S.:

Whereas, many Chapters are conducted in rooms provided only with doors that open in, thereby subjecting the members there assembled to the unnecessary hazard of fire and personal injury;

Now, Therefore, Be it resolved that no Chapter may lawfully hold its meetings in a room or hall provided with main exit doors which do not swing outward; provided, further, that this resolution shall become effective from and after January 1st, 1925.

Respectfully submitted,

E. E. Noon,

Junior Past Grand Patron.

Referred to the Committee on Jurisprudence.

RELATIVE TO STUDENTS LOAN FUND.

To the Grand Chapter of California, O. E. S.:

Whereas, the action of this Grand Chapter in establishing a Committee on Education evinced our interest in education, and

Whereas, there is no fund which can be used by the committee for the education of the sons or daughters of Eastern Star members,

deceased Eastern Star members, Master Masons or deceased Master Masons of this jurisdiction except the Eastern Star Scholarship Fund; therefore,

Resolved, that the Grand Chapter of California, Order of the *Eastern Star*, does accept the sum of one thousand dollars (a bond bearing 5½% interest), a gift of a friend of the Order to be used as the nucleus of a Student Loan Fund.

Resolved, that this Grand Chapter appropriate the sum of four thousand dollars to the Student Loan Fund thus established.

Resolved, that the *Student Loan Fund* be placed at the disposal of the Committee on Education to be used in assisting, when deemed advisable, sons or daughters of Eastern Star members, deceased Eastern Star members, Master Masons or deceased Master Masons of the jurisdiction of California, to secure such an education in college or in such technical or trades schools as will enable such boys or girls the better to undertake the active duties of citizenship and of life.

Stella Morgan Linseott,
Past Grand Matron.

Referred to the Committee on Finance.

RELATIVE TO ORDERS FOR GIRLS.

Jeanne d'Arc.

To the Grand Chapter of California, O. E. S.:

Whereas, it is today recognized that our most important civic duty in perpetuating the blessings of our government, is the Spiritual, Moral, Mental and Physical development of the youth of our country; they who are to be the future parents of our people, and

Whereas, we believe that young girls and boys between the ages of 14 and 21 years especially require support and direction along such desirable lines, and

Whereas, any instrument or organization that devotes itself solely to such purposes ought to be encouraged, and

Whereas, the Order of Jeanne d'Arc (for girls) is now firmly established under the direction of Master Masons, their wives, daughters, sisters, mothers and widows, and

Whereas, it is the deliberate judgment of this body that the Order of Jeanne d'Arc (for girls) is a distinct aid to the cause of Educa-

tion, of Morality, of Patriotism and Good Citizenship, and will be of real service in the communities of this State, therefore

Afternoon Session.

Thursday, October 23, 1924.

The Grand Chapter was called on at two 'o'clock, the Worthy Grand Matron presiding.

The Grand Matron of Nevada, Mrs. Hattie A. Downey, was conducted to the East, where she received a cordial welcome from our Grand Matron, who joined with the members of the Grand Chapter in extending the Grand Honors to our distinguished guest.

Past Patron Huron Y. Gibson of Hollenbeck Chapter No. 248 presented the following report of the Eastern Star Home Association of Southern California:

To the Grand Chapter of California:

As President of the Board of Directors of the Eastern Star Home Association of Southern California, I hereby present to you a report of our purposes, trials and tribulations, and hopes of future service, together with a financial statement of our assets.

The Eastern Star Home Association of Southern California had its inception in 1898 in the hearts and minds of a number of our members who were charitably inclined. It looked toward the establishment in Southern California of a Masonic Home.

These hopes resulted in no little success. The Home fund was started and maintained through donations, the returns from bazaars and bequests until a home was bought. In 1909 it was decided that this home should be under the jurisdiction of the Grand Lodge of Masons of California, and in April of that year a transfer was made.

The following year the Grand Lodge of California placed in escrow the sum of \$3,832.67, being the amount which had been received from all Eastern Star sources, said amount to be held in trust until such time as the members of the Eastern Star Home Association should form a corporation for home purposes. Later a check for \$650.00 was given to cover balance due for expenses, loss of income, thus making a total of \$4,391.75.

In 1910 the Eastern Star Home Association of California was regularly incorporated and \$4,480.17 was turned over to said Association. The Association is governed by eleven directors, as called for in the by-laws of said Association. The first Board of Directors consisted of Rosamond Rankin, Alice M. Pierce, Myrtle C. Northrup, Rosa J. Burns, James A. Reid, J. H. Coolman, Clara Stevens, Josephine Cross, Frances H. Taft, John C. Crow and Edith Swigart, and that Board of Directors, three of whom are members of the present Board of Directors, are to be commended upon the splendid manner in which they have handled the funds of said Association.

These funds have been invested, and at the present time this Association owns property consisting of six-acre lots lying between the City of Los Angeles and the City of Santa Monica, about one mile north of the Soldiers' Home at Sawtelle, in a site called "West Gate Heights."

This property at present is rented and is bringing in a small income which a little more than takes care of our expenses. It is planted and used for the purpose of a nursery for avocado stock, thus proving that the climate and soil of this property is second to none in the beautiful State of California, being in the frostless belt fanned by the gentle sea breezes of the Pacific at an elevation of some two hundred feet or more overlooking the valley of Las Cienegas.

The property at the present time is of the value of approximately \$6,000.00 per acre, and the organization has about \$2,000.00 cash in the treasury.

This property is situated on Beverly Boulevard, which will be the main artery from Whittier to the sea in the near future. The people in the district in which our property is located recently voted a million dollars for the opening, widening and improving of this boulevard to a width of one hundred feet.

This improvement, it is safe to say, will be the direct cause of an increase in our property of at least 50% of its present value within the next few years, as this property is, without doubt, the best located property for residences in the southern part of the State.

Since the purchase of this property by the Board of Directors and during the World War the activities of our corporation have been somewhat dormant. We, however, have been profiting by the natural increment of our property, and it is the hope of the Board of Directors and members of this Association that in the very near future they may erect a building on this property, or sell this property and erect one on other property desirable for a home for the caring for such of our members as are in need of aid and assistance.

This Home Association is founded on the purely charitable purpose of aiding and assisting needy members of the Order and that suitable provision for their maintenance be available in conformity with the precepts of our beloved order.

The members of this incorporation believe that a home can be established and maintained upon a basis of economy and at the same time dispense that charity for which our order is noted and it is the hope and desire of your Board of Directors that upon presentation of this report to the Grand Chapter of our stewardship of this fund (though not directly within the control and jurisdiction of the Grand Chapter), we may present to the members of the Order of Eastern Star the opportunity of joining with us in assisting with this noble work, and that we may with such assistance be able to erect a home and provide means for its maintenance in such a manner that in future years the vast majority of the members of the Grand Chapter of Eastern Star of California will realize that we can not only maintain such a home, but that it is our duty as a Grand Chapter to provide such a home for the care and maintenance of our needy members.

Membership in this corporation is open to all members of the Eastern Star and to all Chapters of the State.

With best wishes for the continuance of the benevolent fund of the Grand Chapter and with the hope that we may progress in our work and thereby be of assistance to our needy members we respectfully present this report in the spirit of benevolence and charity.

Your committee believes it is for the best interest of the Order that no special mention be given to the largest Chapters or those taking in the greatest number of candidates.

We have 373 chartered Chapters and 14 under dispensation. Five new Chapters have been added since June 1st, making a total of 392 Chapters.

REPORT OF THE COMMITTEE ON FINANCE.

Past Grand Matron Maud Noble Haven, chairman of the Committee on Finance, presented a report from that committee, which embodied the report of the auditor on the books of the Grand Secretary and Grand Treasurer:

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance to whom was referred the report of the Grand Treasurer and Grand Secretary, submit the following report of Ruckstell & Land, Public Accountants and Auditors:

In view of the fact that U. S. Treasury notes, Series B-1924 would be due Sept. 15, 1924,—On Sept. 12, 1924, the Chairman of your Finance Committee together with your Worthy Grand Patron and Grand Treasurer, and after careful investigation of various investments, authorized the exchange of these notes as recorded.

In paragraph 8 of the preface to detailed report, note is made that appropriations for furnishing the Women's Social Hall and the Men's Club Room of Masonic Home at Decoto, also for Shriner's Hospital, Los Angeles Orthopaedic Foundation and the Masonic Club House, University of California, have been charged against the Benevolent Fund. It is the opinion of your Finance Committee that same should be paid out of the General Fund.

We therefore recommend that the appropriations, charged by the Auditors against the Benevolent Fund, be adjusted by transferring the charge to the General Fund, and recrediting the amount to the Benevolent Fund.

The Auditor's report shows in detail the financial transactions of the *Grand Chapter* for the year, and we recommend the adoption of the report as amended and its publication in our *Proceedings*.

Maud Noble Haven,

Roy R. Musser,

Mabel B. Seymour,

Committee.

Report was adopted and the report of the auditor follows:

Audit Report on Grand Chapter of the State of California, Order of the Eastern Star, for the fiscal year August 31, 1924.

October 6, 1924.

The Chairman of the Finance Committee,
Grand Chapter of the State of California,
Order of the Eastern Star,
633 Phelan Building,
San Francisco, California:

Dear Sir:

(1) We have examined the accounts of the Grand Chapter of the State of California, Order of the Eastern Star, for the fiscal year ended August 31, 1924, and have prepared the following financial statements which are submitted herewith:

Exhibit "A" Statement of income and expense September 1, 1923, to August 31, 1924.

" "B" Balance sheet, August 31, 1924.

" "C" Statement of capital accounts, September 1, 1923 to August 31, 1924.

Schedule 1 Statement of gross profit on sales of supplies.

" 2 Statement of securities, August 31, 1924.

(2) The correctness of the accounting for cash received and disbursed was verified by a detailed examination of the cash books, checks and vouchers. The balances in the various banks were confirmed by correspondence.

(3) The securities, which are listed in detail in Schedule 2, were inspected.

(4) The Grand Chapter has continued its commendable policy of increasing its surplus funds. The balances in the various funds, consisting chiefly of cash and securities, as detailed in Exhibit B, on August 31, 1924, were as follows:

General Fund	\$ 80,222.84
Representative Fund	21,418.73
Benevolent Fund	46,940.24
Scholarship Fund	4,788.30
Total	<u>\$153,370.11</u>

(5) The excess of income over expense during the year for each fund was:

General Fund	\$ 10,448.76
Representative Fund	3,954.34
Benevolent Fund	3,005.83
Scholarship Fund	576.79
Total	<u>\$ 17,985.72</u>

(6) The printing of the proceedings for 1923 had not been completed at the close of the fiscal year, consequently their cost and the expense of shipping them will fall as an expense in the fiscal year 1924-25. It is suggested that provision be made accordingly in the budget for the new year.

(7) The appropriations for furnishing the women's social hall and the men's club room at the Masonic Home at Decoto have not been entirely expended, there being a balance of \$1,804.50 in the two appropriations. As the furnishings have been ordered, the *balances* have been carried forward on the balance sheet as unexpended appropriations.

(8) In making the appropriations mentioned in the preceding paragraph, also for the Shriners Hospital, L. A. Orthopaedic Foundation and the Masonic Club, University of California, it was not specified what fund they were to be charged against. In this report they are shown as charges against the Benevolent Fund, as it is considered that expenses of this character would naturally be paid from this fund. If this was not the intention of the Grand Chapter, however, and the Grand Chapter so expresses its desire, adjustment can be made on the books accordingly.

(9) It will be observed that the gross sales of supplies increased from \$4,094.61 for the eleven months ended August 31, 1923, to \$5,066.89 for the year just closed. While the total amount is *not* large, the items composing it are small and so numerous that the increase in amount means a considerable increase in the work of handling and accounting for them. Likewise the growth in membership and chapters has meant a considerable increase of work in the Grand Secretary's office. In our opinion this has been handled with economy of personnel.

(10) Congratulating the Grand Chapter on the excellent financial condition as revealed by the attached statements, we are

Very respectfully,

Ruckstell & Land,

Public Accountants & Auditors.

By Hayes Hall,

Certified Public Accountant.

REPORTS OF THE COMMITTEE ON FINANCE.

Past Grand Matron Maude Noble Haven, chairman of the Committee on Finance, presented the following reports from her committee:

To the Grand Chapter of California, O. E. S.:

The expense of furnishings for the women's social hall and the men's club room of the Masonic Home at Decoto has exceeded the amount appropriated in the sum of \$107.25.

Your Finance Committee therefore recommends that a further appropriation be made from the General Fund in the sum of \$107.25.

Maude Noble Haven,
Mabel B. Seymour,
Roy R. Musser,

Adopted.

Committee.

To the Grand Chapter of California, O. E. S.:

Whereas, in the Grand Secretary's report attention is called to the need of a card registry of membership, your Finance Committee recommends that an appropriation of \$2000.00 be made to install such a system.

Maude Noble Haven,
Roy R. Musser,
Mabel B. Seymour,

Adopted.

Committee.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance recommend that \$500.00 be appropriated as allowance of Worthy Grand Patron.

Maude Noble Haven,
Roy R. Musser,
Mabel B. Seymour,

Committee

Past Grand Patron Ernest E. Noon moved to amend the report by increasing the allowance to \$1000.00; Past Grand Patron Darwin W. Pierce moved as an amendment to the amendment that the matter be referred back to the committee with instructions to provide for the actual expenses of the Grand Matron and the Grand Patron, such expenses to be paid on their call every three months. On motion of Past Grand Patron William J. Mossholder, the whole

subject matter was finally referred back to the committee for reconsideration.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance to whom was referred Recommendation No. 3 of the Worthy Grand Patron have considered same and recommend its adoption.

Maude Noble Haven,
Roy R. Musser,
Mabel B. Seymour,
Committee.

Adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance, to whom was referred Recommendation No. 13 of the Worthy Grand Matron reading as follows:

I recommend that this Grand Chapter allow expenses to the Deputy Grand Matrons of Districts 1, 3, 4, 8, 9 and 14 for three visits a year, instead of just one visit. These little Chapters are away from every one and need the help and inspiration of the Deputy. One visit a year from the Deputy Grand Matron is not sufficient.

is heartily in sympathy with the desire of our Worthy Grand Matron to aid the Chapters specified--but hesitate to recommend legislation that is of a discriminative nature.

Your Committee therefore recommend that it be not approved.

Maude Noble Haven,
Mabel B. Seymour,
Roy R. Musser,
Committee.

Which report was not concurred in.

Recommendation No. 13 of the Worthy Grand Matron was then taken up and adopted.

The following resolution presented by Past Grand Patron William John Mossholder was adopted.

To the Grand Chapter of California, O. E. S.:

Be it resolved, that no motion or resolution affecting the laws of the Order be received after the close of the Grand Chapter session to-night.

We recommend the approval of the Worthy Grand Matron's refusal to comply with the resolution referred to in her Recommendation No. 15 on the ground that said resolution is unconstitutional and therefore of no effect.

Respectfully submitted,

Alfred E. Dennis,
Henry F. Pernau,
Committee.

The Worthy Grand Matron requested the Grand Patron to preside during the discussion of the report. On motion the recommendations of the Grand Matron were considered seriatim and all were approved, the report of the committee then being adopted as a whole as read.

REPORT OF THE COMMITTEE ON NECROLOGY.

Past Matron Pauline Elise Freiermuth, chairman of the Committee on Necrology, presented the following report from that committee, which was adopted by a rising vote:

To the Grand Chapter of California, O. E. S.:

Sometime, when all life's lessons have been learned,
And sun and stars forevermore have set,
The things which our weak judgments here have spurned,
The things o'er which we grieved with lashes wet,
Will flash before us out of life's dark night,
As stars shine most in deeper tints of blue,
And we shall see how all God's plans were right;
And how, what seemed reproof, was love most true.

The records of our subordinate Chapters show that during the past year seven hundred and nineteen members of our beloved Order have heard the voice of Him who said, "Come unto me all ye that labor and are heavy laden and I will give you rest." Again we have been brought to realize that in the midst of life we are in death; that life is a glorious privilege and death only the gateway to a better and a higher life. To those who mourn we extend sincere sympathy, and may that peace which passeth all understanding be your comfort and refuge.

Among those who have passed on, we record the names of one present and four past grand officers. Sister Josephine I. Clarke, Deputy Grand Matron of the fifth district, who was called home in the midst of her activities, was a member of Wild Rose Chapter No. 326 of Princeton. She served as Worthy Matron of 1922 and her appointment in Grand Chapter brought much happiness to Wild Rose Chapter, in which she was much beloved, not only for her sweet personality but also for her faithful services. She died April 4, 1924, her official visits all completed, and her work finished.

"She has solved it—life's wonderful problem,
The deepest, the strongest, the last;
And unto the school of the angels
With the answer forever has passed."

Sister Catherine Elizabeth Merritt, Past Associate Grand Matron, was born in Springfield, Pa., in October, 1846. She was initiated in Oak Leaf Chapter No. 8, June 28, 1883, and served as Worthy Matron of the Chapter in 1895. She was elected Associate Grand Matron in 1905. Sister Merritt was greatly beloved in Oak Leaf

Chapter and many years of her life were spent working in and for her beloved chapter. Her influence was always for the best, and it has been said that the wonderful spirit of harmony which has always dominated Oak Leaf was due to this wonderful sister's influence.

And so to-day we breathe her name
With praise, not fulsome, but sincere,
We know love is more than fame;
She lived for those who loved her here.

The services of Brother Phineas Fanning Ferguson, Past Grand Patron, will never be forgotten by this Grand Chapter. He was a man true to his word, a kind and loyal friend and the influence of his life and character will live on in the hearts of those who knew him. Brother Ferguson joined the Order August 4, 1900, being a charter member of California Chapter No. 183. He served as Worthy Patron in 1901 and served the Grand Chapter as Worthy Grand Patron in 1909-1910. For many years and up to the time of his death, he was Chairman of the Finance Committee, rendering valuable services to the Grand Chapter in this very important capacity. He entered into rest May 26, 1924. "To live in the hearts of those we leave behind is not to die."

On June 23, 1924, just one month after the passing of Brother Ferguson, Brother Doctor John Paddock was "called home." He served with Brother Ferguson as Associate Grand Patron, 1909 to 1910. Brother Paddock was initiated in Rose Valley Chapter No. 33 at Santa Rosa in 1902, and served as Worthy Patron, 1903-1904. He was keenly interested in the Masonic teachings and work, and made an effort to live up to these teachings in his every-day life. He was a member of the various Masonic bodies and always took an active part in the work of these organizations. His passing has left a vacancy which will be hard to fill, and his death is deeply regretted by all.

Sister Abbie Elvenia Krebs Wilkins was initiated in California Chapter No. 4 and served as Worthy Matron in 1874. The following year she was Grand Lectress and in October, 1875, was elected Grand Secretary, which office she held until 1882. She was elected Worthy Grand Matron in 1885. Thereafter, with few exceptions, she attended each session of the Grand Chapter serving on

various important committees until 1921 at which time she presented her final resolution in Grand Chapter, which was adopted "That the Fiftieth Annual Session of the Grand Chapter which will occur in October, 1923, be held in the city of San Francisco."

Sister Wilkins was born in Providence, R. I., in 1842 and when eight years of age made the voyage round "The Horn" to the then small mining town of San Francisco, in which city her largest interests centered, throughout her long, useful and exceptionally distinguished life.

In business, political, club, fraternal, social and educational activities she maintained close connections until failing health demanded her retirement. Long may she be remembered as an intellectual, generous, square and altogether chivalrous woman who played an important part in the history of California and in the history of the Eastern Star. Her passing on July 30, 1924, at her home in San Mateo was peaceful and without fear, believing that "He shall give His angels charge over thee to keep thee in all thy ways."

Before concluding this report, we wish to extend, on behalf of this Grand Chapter, our heartfelt sympathy to our beloved Past Grand Treasurer Sister Gertrude M. Meldrim, whose husband, Brother Herold J. Meldrim, on May 12, 1924, passed to the Eternal Beyond. We cannot always understand God's ways, but our Heavenly Father knoweth best and our faith in Him should give us the assurance that "He doeth all things well;" and as the shadows lengthen in life's declining day, may we rest from labor and care in the consciousness of a well spent life and with the blessed assurance that when the night falls, the coming dawn will break upon the splendors of an eternal morn.

Respectfully submitted,

Pauline E. Freiermuth,
Lilian Davies Boorman,
Ethelmae Madson.

Past Matron Elisabeth S. Turner, chairman of the Committee on Foreign Correspondence, presented the report from that committee. The report was accepted and ordered printed in full as an appendix to the Proceedings.

GENERAL GRAND CHAPTER.

The following communications from the General Grand Chapter were presented:

General Grand Chapter,
Order of the Eastern Star.
Established November 1876.

My dear Grand Matron and Members of the Eastern Star:

You have no doubt been wondering why no direct communication has been sent you by the International Eastern Star Temple Committee.

The importance of "starting right" has been in our minds and time has been consumed by reason of the great distance which separates us. Many plans have been discussed, many suggestions considered, all weighed carefully, and we now come to you with a request for co-operation and assistance. We feel certain that the vision of a Temple which has been so thoroughly discussed and the plan for which was adopted at the last General Grand Assembly requires no words of ours to make it seem not only an ideal but a necessity.

We are the families of Master Masons who have many temples to which we point with pride. Grand Jurisdictions have Eastern Star Temples, but as a National or International Organization we have no tangible evidence of being the largest and foremost, composed mostly of women, in all the world. The principles of our Order are of such a character that we should build our Temple and take our rightful place in every world-wide movement for good. Over two hundred organizations have national headquarters; many have beautiful buildings and several others are in process of erection.

It is the opinion of your committee that with the assistance of each Grand Matron and the committee which she will appoint, a Temple can be erected from which Service may be promoted, Service that will bring rich results to the Order and to the individual members.

Such a Temple, with the Emblem of our beautiful Star shining as a Beacon Light, would be more than a monument of cold marble. It would be a testimonial and each member who contributed for

its construction would become a "Living Stone" in the Temple of Humanity.

We have for our inspiration the Masons who have laid the corner stone of the National George Washington Memorial and are bringing that great project to completion.

Realizing that different conditions exist in the Grand Jurisdictions, it seems best for each to make its own plans to carry on the Temple Building Program as far as possible. And so, Grand Matrons and Members of the Eastern Star, we ask your interested co-operation and help in carrying to a successful and happy completion this great International Eastern Star Temple. Several Grand Jurisdictions have already started the work, appointed committees and appropriated money. The first contribution came from International Chapter No. 1, Peking, China, it being an amount equal to \$1.00 per capita for its membership. Florida appropriated \$10,000 and Georgia voted to raise its \$1.00 per capita. Illinois has already sent \$6,000, Indiana \$1,000, Missouri has made an appropriation and other jurisdictions have asked for plans.

Several suggestions have been made in different Grand Jurisdictions as to a plan for committees to act upon, for instance, it has been thought that a committee consisting of the Worthy Grand Matron, Associate Grand Matron, Grand Conductress and Associate Grand Conductress from each Grand Chapter would make for a continuous interest in the plan and each succeeding Grand Matron could appoint her sub-committee and plan for raising funds from year to year. It is believed that with the present officers in line we could by earnest and consistent effort raise in the next four years from one to two dollars per capita. Many members have already signified a willingness to contribute from five to one hundred dollars each.

The International Temple Committee will stand ready at all times to act in an advisory capacity or to assist in any possible manner. It will send a representative to your Grand Chapter Session, if desired, to answer any questions and to aid in any plan which the Grand Chapter may deem wise in promoting the building of this Temple. The committee will appreciate an early reply giving your ideas of how the plan can best be carried on and your consent to its promotion, under your own supervision, in your Grand Jurisdiction.

Your committee is unanimous in the selection of a most wonderful site for the Temple and must have funds soon to acquire and hold the options. We have already \$40,000 in the Temple Fund. Our Most Worthy Grand Matron has just returned from Alaska and sends her greetings with the hope of your co-operation.

Any suggestions will be welcomed by the committee. All communications should be addressed to the Secretary, Mrs. Minnie E. Keyes, Masonic Temple, Washington, D. C.

Fraternally,

Minnie E. Keyes,
Secretary.

We recommend:

That there be levied upon the subordinate Chapters of the State of California, for the current year, in addition to the dues prescribed by the Constitution, the sum of fifteen cents for each member borne upon the roll at the close of the fiscal year, June 1st, 1925, for the account of the Representative Fund, which amount shall be paid at the same time, and in the same manner prescribed for the payment of the annual dues to this Grand Chapter.

We recommend:

That it be a Special Rule of this Grand Chapter that 6 o'clock P. M. on Wednesday, the second day of the session of the Grand Chapter, be adopted as the time limit for delegates entitled to draw mileage, to register with the Pay Members Committee—and that the following notice be printed on the Identification Cards: "All delegates entitled to mileage must register with the Pay of Members Committee before 6 o'clock P. M. Wednesday."

Also that a copy of this rule, or the contents thereof be included in the notice to subordinate Chapters advising them of the session of the Grand Chapter.

This is to be known as Special Rule No. 31.

James R. Best,
Wm. J. Turner,
Committee on Pay of Members.

REPORT OF THE COMMITTEE ON APPEALS AND GRIEVANCES.

Past Patron Robert A. Odell, chairman of the Committee on Appeals and Grievances, presented the following report:

To the Grand Chapter of California, O. E. S.:

Your Committee on Appeals and Grievances respectfully represents as follows:

Your Committee has had under consideration the case of Sister, Past Matron of Coronado Chapter Number 332, in which an appeal was submitted at the last session of the

Grand Chapter, which was referred to the incoming Committee on Appeals and Grievances as it was received too late for any action to be taken at that session.

It appears from the transcript of the proceedings had in the subordinate Chapter that Sister was adjudged guilty by the Trial Commission on all the accusations against her and the penalty fixed at suspension, which suspension was ordered accordingly and is now in effect. We see no error in the record and respectfully recommend that the proceedings be affirmed.

There has also been referred to your Committee in connection therewith a communication from Sister in which she makes apology for her conduct and asks that she be restored to all the rights of membership and a demit granted to her.

Section 34 of Article 3 of the Constitution provides as follows:

"All sentences of suspension shall be for an indefinite period and a Chapter may at any stated meeting by a vote of two-thirds of the members present annul any such sentence pronounced by itself, notice having been given at a stated meeting next preceding."

Section 35 of the same Article provides that the Grand Chapter may restore to membership expelled members when good cause therefor be shown.

Your Committee is of the opinion that since the subordinate Chapter has full power by proper vote to terminate the sentence of suspension and there is nothing before your Committee other than the record of the trial, the verdict of which and penalty imposed are sustained by the evidence, there is nothing before the Grand Chapter to justify it in annulling the sentence of suspension and that the matter of termination of suspension should be left with the subordinate Chapter.

Your Committee therefore further recommends that the request be denied for the foregoing reasons and without prejudice to the application being presented to the subordinate Chapter.

Respectfully submitted,

Robert A. Odell,
Annie S. Wiser,
Reuben O. Bourne,
Committee.

Which report was adopted.

REPORT OF THE COMMITTEE ON PRINTING.

Past Associate Grand Patron Arthur Theodore Biddle, chairman of the Committee on Printing, presented the following report:

To the Grand Chapter of California, O. E. S.:

Your Committee on Printing received bids for printing the Proceedings from the following printing firms: Knight-Counihan Co., Shannon-Conmy Printing Co., Pernau-Walsh Printing Co. and Walter N. Brunt for fifteen hundred copies including advance reports.

The bid of the Pernau-Walsh Printing Company being the lowest bid the contract was awarded to them for printing the annual Proceedings of the Grand Chapter of 1924.

Respectfully submitted,

A. T. Biddle,

Kate J. Willats,

Committee.

Which report was adopted.

REPORTS OF COMMITTEE ON CONSTITUTION AND BY-LAWS.

Past Patron Edward B. Spencer, from the Committee on Constitution and By-laws, presented the following reports from that committee:

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-Laws to whom was referred Recommendation No. 12 of the Grand Matron's address have had the same under careful consideration and recommend its adoption as consistent in practice and sound in principle.

Your committee recommends that to make the Grand Matron's recommendation operative, that Decision No. 487 be revised to read as follows:

"The title of Past Matron or Past Patron shall be given to those who serve to the end of the term for which they have been elected in chartered Chapters or by selection or appointment in Chapters under dispensation, or to Matrons and Patrons elected to fill unexpired terms."

and the repeal of Decision No. 489.

Respectfully submitted,

Delos A. Mace,

E. B. Spencer,

Committee.

Which report was adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws, to whom was referred Recommendation No. 14 of the Grand Matron's address so far as affects Decision No. 489, beg to approve the same, as the adoption of the amendment to Recommendation No. 12 makes this repeal necessary to clear the digest of conflicting decisions.

Respectfully submitted,

Delos A. Mace,

E. B. Spencer,

Committee.

Which report was adopted.

To the Grand Chapter of California, O. E. S.:

Your committee has most carefully considered Recommendation No. 14 of the Grand Matron's address in regard to Decision No. 495, and recommend that the same can be repealed if this Grand Chapter so desires, as it does not in any way amend present legislation. We feel it should be explained, however, that repealing the decision that a Deputy Grand Matron cannot call a meeting of a subordinate Chapter does not confer upon her the right to do so. Section 6 of Article II of our Constitution provides that the subordinate Chapters through their By-laws control the calling of meetings of the Chapters.

Respectfully submitted,

Delos A. Mace,

E. B. Spencer,

Committee.

Report adopted and Decision No. 495 was ordered stricken from the Digest.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws have had under consideration Recommendation No. 8 in the address of the Grand Patron. This recommendation confers upon the Grand Patron a power not now authorized by the Grand Chapter and refers to officers of Chapters under dispensation. As this Grand Chapter has throughout its Constitution and decisions placed the issuance and control of all matters of dispensations for new Chapters in the hands of the Grand Patron we believe his duties should be so modified that point may be fully covered. We therefore recommend that Section 10 of Article I be amended as follows: The phrase which

now reads "He shall have the exclusive power to revoke all dispensations for new Chapters until the same shall have been approved by the Grand Chapter and charters issued" be amended to read, "He shall have the exclusive power to revoke all dispensations for new Chapters, or to remove any officer of a Chapter under dispensation, until said dispensations have been approved by the Grand Chapter and charters issued".

Respectfully submitted,

Delos A. Mace,
E. B. Spencer,
Committee.

The report of the committee was adopted and Section 10 of Article I unanimously amended as recommended.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws have had under consideration Recommendation No. 7 of the Worthy Grand Patron and recommend its approval and we find that he is fully sustained in his recommendation by Section 8 of Article II of our Constitution, which provides only eight meetings as a constitutional requirement. Other meetings are authorized by the By-laws of the respective subordinate Chapters, which can be amended by proper action of the Chapter. We find no legislation in conflict with this recommendation except Decision No. 223, adopted in 1888.

To make the Grand Patron's recommendation operative we therefore recommend that Decision No. 223 be repealed and Decision No. 362 be amended to read as follows:

"A Chapter cannot omit any meetings provided for by its By-laws except by the adoption of an amendment to its By-laws to meet the conditions desired."

Respectfully submitted,

Delos A. Mace,
E. B. Spencer,
Committee.

After some discussion the report was re-referred to the committee, as Decisions Nos. 223 and 362 had been repealed by the Grand Chapter earlier in the session.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws, to whom was referred resolution endorsed by Brother L. B. La Fontaine in regard to an amendment of Section 20, Article I of the Constitution, beg to recommend that said article be amended to read as follows:

Districts--District Deputies.

Section 20. It shall be the duty of the Grand Chapter to divide the jurisdiction into inspection districts containing not more than fifteen Chapters in each district. Immediately after the close of the annual session of the Grand Chapter, the Grand Matron shall appoint in each district a sister who shall be a Past Matron, well versed in the ritualistic work of the Order, who shall be known as the Deputy Grand Matron of such district. It shall be the duty of each Deputy Grand Matron to visit the several Chapters in her district at least once in each year, and oftener if requested by any Chapter in her district; to inspect the work, and, if necessary, correct the same in accordance with the work as adopted by the General Grand Chapter; to examine the books and records of the Chapters in her district, with reference to the manner of transacting its business, and whether the same is conducted in conformity with the Constitution and regulations of the Grand Chapter; and report the result of such visit of inspection to the Grand Matron on or before the first day of September in each year. The necessary expenses of the District Deputy Grand Matrons for one yearly visit to each Chapter within their respective districts shall be paid by the Grand Chapter, except when otherwise ordered by the Grand Chapter. Whenever a Chapter shall request the visit of the District Deputy Grand Matron, it shall pay such necessary expenses as may be incurred in performing such visit.

Respectfully submitted,

Delos A. Mace,

E. B. Spencer,

Committee.

Adopted, and Section 20 of Article I amended by unanimous vote.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws, to whom was referred the report of Committee on Warrants and Dispensations for revision of the Duties of the Grand Patron to avoid ambiguity of interpretation beg to submit the following revision of Section 10 of Article I, and recommend its adoption:

Grand Patron.

Section 10. It shall be the duty of the Worthy Grand Patron to counsel and advise the Worthy Grand Matron upon all matters pertaining to the good of the Order. *He shall grant dispensations for all new Chapters upon proper application of nine or more members of the Order in good standing, provided such proposed Chapters shall first give thirty days' notice in writing to the nearest Chapter thereto or, if in concurrent jurisdiction with other Chapters to each of said Chapters, prior to making such application. Notices sent to Chapters must be accompanied by copies of the petition to the Grand Patron. He may delegate authority to confer degrees at sight upon a sufficient number of worthy persons for the purpose of organizing a new Chapter. He shall have power to organize new Chapters under dispensation; to approve the By-laws thereof and to render such decisions and make such appointments in relation thereto as may be essential or required. He shall possess exclusive power to revoke all dispensations for new Chapters, or to remove any officer of a Chapter under dispensation until said dispensations have been approved by the Grand Chapter and charters issued. He shall make a written report to the Grand Chapter reviewing the work of his term of office, and recommend such needed legislation as may be deemed necessary.*

Respectfully submitted,

Delos A. Mace,
E. B. Spencer,
Committee.

Adopted, and Section 10 of Article I amended as above by unanimous vote.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws, to whom was referred resolutions endorsing the Order of Job's Daughters, Order of the Rainbow, and Order of Jeanne d'Arc, have had same under consideration and find that there is nothing in these resolutions that would in any way affect our Constitution or By-laws, and that it being a matter of policy of the Grand Chapter and involving a matter not in the jurisdiction of any of the standing committees, we beg to submit the resolutions to the body of the Grand Chapter for its consideration without recommendation.

Respectfully submitted,

Delos A. Mace,

E. B. Spencer,

Committee.

Report adopted.

REPORT OF BOARD OF TRUSTEES OF THE MASONIC CLUB OF THE UNIVERSITY OF CALIFORNIA.

Past Patron Walter W. Bradley of Berkeley Chapter No. 178 presented the report of the Board of Trustees of the Masonic Club House at Berkeley:

To the Grand Chapter of California, O. E. S.:

By request of Brother Wm. H. Waste, chairman of the Board of Trustees of the Masonic Club of the University of California, I present to you their report made last week to the Grand Lodge of Masons, as this Grand Chapter one year ago showed its interest in the project by appropriating \$2500.00 toward it.

I move that this report be received and incorporated in the proceedings of this session; and that that portion of the report relating to additional funds for furniture be referred to the Finance Committee with instructions to recommend to this Grand Chapter such action as they deem advisable.

Walter W. Bradley,

Past Patron, Berkeley Chapter No. 178.

Berkeley, California, October 1, 1924.

To the M. W. Arthur S. Crites, Grand Master of Masons, and to
Grand Lodge, F. & A. M., of the State of California:

M. W. Sir and Brethren:

The Board of Trustees of the Masonic Club of the University of California, Inc., submit herewith a report of the affairs and condition of that institution.

The Masonic Club House at the University of California is an accomplished fact. The building was completed on or about July first. Although it was not then formally dedicated, it was available for the use of the students and faculty of Masonic persuasion during the summer session of the University.

A picture of the completed structure accompanies this report, on an inspection of which it is at once apparent that the exterior of the building has followed closely the accepted plans and specifications. Located as it is just south of the University, and on one of the most used entrances to the grounds, the building has assumed a more than usual importance as one of the notable structures adjacent to the campus. Designed in Georgian-Colonial style, surrounded by a lawn and shrubbery, the club house presents a most charming aspect. On entering the building, one is at once impressed with the dignity, elegance, and beauty of the interior. The office of the secretary affords adequate control over the entrance to, and use of the building. The large lounging-room, library, and billiard-room occupy the greater portion of the main floor. The large social hall, equipped with a commodious stage, occupies the rear portion of the structure. At the front, and opposite the secretary's office, are the parlor and rest-rooms for the women, while the smoking-room and hat-room for the men adjoin the billiard-room. In the rear, and adjoining the social hall, is a completely equipped modern kitchen. The basement contains the heating plant and large banquet hall. Several study-rooms and quarters for the resident hostess occupy the mezzanine floor, which extends across the front of the building. The furniture throughout was specially designed to harmonize with the architectural features, and in keeping with the interior finish of the building.

All doubt about the use of the club house by the students at the University has been dispelled by what has actually taken place since the completion of the building. It is daily used by large numbers of men and women who find occasion to avail themselves of its privileges, and, in a larger sense, the need of such a structure has been demonstrated by the meetings and social gatherings which are regularly held by the various Masonic activities at the University. The initial "smoker" by the Masonic Club, the afternoon tea and reception to new students by the Women's Masonic Club, and the De Molay rally during the opening days of the fall semester were largely attended, and served to acquaint the students of Masonic affiliation with the advantages of the club house. More than two

hundred young men and women, and several members of the faculty and their wives attended the first Sunday evening "fireside meeting."

The Board of Trustees believes that it was exceedingly fortunate in securing Mrs. Sallie M. Pease to be the resident hostess for the club house. The controlling factors which led to her selection for this important post are that, although herself the mother of a student at the University, she is but a recent graduate of that institution, and has for several years last past been intimately associated with various student activities on the campus. She was the unanimous selection of the students for the place. The club house is at all times under direct personal supervision by Mrs. Pease, or someone in her place if she be absent, and all the activities of a social nature which function there are guided and counseled by her. The Masonic Council is very largely responsible for the conduct of all events of public and social nature. This body is composed of representatives from the Masonic Club, the Women's Masonic Club, De Molay, and Henry Morse Stephens Lodge. The fact that this Lodge, composed as it is of members of the faculty and older students at the University, is a member of the Masonic Council insures at all times the restraining influence of mature judgment and advice in the conduct of the club house affairs. It will be the policy of the Board of Trustees, in so far as is consistent with that absolute control and management of the club house which, in the last analysis, rests with your Board, to permit this self-constituted body of control to conduct and regulate the activities for which the club house has been erected.

The M. W. Grand Master, Brother Arthur S. Crites, was present at the formal dedication of the club house on Saturday, September twenty-seventh. He was accompanied by Brother David J. Reese, Deputy Grand Master; Brother Albert E. Boynton, Grand Senior Warden; Brother George L. Jones, Grand Junior Warden; Brother John Whicher, Grand Secretary, and other Grand Officers, members of various committees of the Grand Lodge, a number of Inspectors, and visiting brethren from many parts of the State. The remarks of the Grand Master, the words of greeting from Miss Stella Linscott, Past Grand Matron, on behalf of the Grand Chapter, Order of the Eastern Star, and the dedicatory address of Brother Past Grand Master Charles A. Adams will long be remembered by the large number of persons who were so fortunate as to hear them. Another outstanding feature of the day was the official greeting on behalf of

the University. Dr. Paul Cadman, speaking on behalf of President Campbell, declared that the influence of the Masonic activities on the campus, materially represented by the erection of the club house, had come to be recognized as one of the pronounced factors for good at the University of California.

In the evening, following the dedicatory exercises which were held in the afternoon, the Masonic Council tendered the M. W. Grand Master and Mrs. Crites a dinner and reception in the banquet hall. More than three hundred men and women of the student body and a large number of invited guests sat down to a fine dinner entirely planned and served by the students themselves. It was a typical student affair, and was thoroughly enjoyed by the Grand Master, his good wife, and all others present. It would be hard to find a finer body of young men and women than those members of the student body who were present on that occasion.

It was necessary, in order to make final payments on contracts for the construction of the building and to provide necessary funds for the purchase of furniture and equipment, for the Trustees to borrow \$15,000 from one of the local banks. In addition to this amount, about \$1,500 will be required for additional furniture and equipment, as will appear from a footnote to the budget for operating and maintaining the institution, which shortly follows in this report.

We submit herewith a statement of all receipts and disbursements from the time the Grand Lodge authorized the campaign for funds to erect the club house to the first day of the present month:

The question of the maintenance of the club house at the University has been an ever-present problem since the inception of the enterprise. It must be admitted that it was first contemplated that a very small and inexpensive venture should be undertaken. Later it was thought that the club house might be made very nearly self-sustaining through the erection of a much larger structure, costing perhaps twice as much as the present building, and devoted largely to the housing of students on the dormitory plan. While that plan seems to have worked in other jurisdictions, it did not appeal to your Board of Trustees as answering the conditions at the University of California, where there are more than ten thousand students, many hundreds of them being equally entitled to recognition as having more or less intimate Masonic affiliations. Neither was it possible to carry out any intelligent plan whereby such a large number of students with such affiliation, as there are at Berkeley, could receive any material benefit unless the project was enlarged to its present dimensions. The records of the young men and the young women at the University whom this club house is to serve show that a surprisingly large number of them are actually paying all, or the major part, of their expenses while attending college. Many of them are denied even the simplest of privileges and social activities which add anything to the burden of their expense. It is utterly impossible to think that our students at the University can do more than carry on the

various Masonic activities with which they are particularly connected. About all that they can be expected to contribute to the maintenance of the club house will be the actual overhead expenses of the various functions which they hold there. It therefore becomes simply a matter of maintenance by Grand Lodge, or in some way that shall be devised and approved by this Body. Your Trustees submit herewith a budget showing the estimated operating and maintenance expense of the club house for one year.

NOTE. Items marked * can only be estimated as the Club House has been in use such a short time it is impossible to get an average monthly consumption.

These estimates are submitted only after a most careful investigation of the actual needs of the institution, and a comparison with other institutions. The item of \$900 for interest charges will be decreased as the various Lodges and individual Masons continue their voluntary contributions. Grand Lodge could well afford, out of its funds not appropriated, to absorb the amount required to pay the outstanding note and the amount necessary to complete the furnishing of the club house, the advance thus made to be reimbursed as unpaid quotas from Lodges are received.

So far as the operating and maintenance expenses for one year are concerned, it will require only an amount of eight cents per member for the more than one hundred thousand Masons borne on the rolls of Grand Lodge. No better use of the funds of this Grand Body can be made than to invest that amount in the welfare of the several hundred students of Masonic affiliation at the University.

Your Board of Trustees recommends that both courses be pursued.

The report was received and ordered to be printed with the Proceedings and that portion referring to further furnishing of the club rooms was referred to the Finance Committee for such action as they deemed necessary at this session.

LETTER OF APPRECIATION.

The following communication was received and ordered spread on the minutes:

On motion of Past Patron Alfred E. Dennis, chairman of the Committee on Jurisprudence, which was duly seconded and carried, it was ordered that Decisions Nos. 487-a, 487-b and 625 be stricken from the Digest of Decisions.

To the Grand Chapter of California, O. E. S.:

Your Committee on Jurisprudence to whom was referred the resolution of Sister Helen M. Knight, reading as follows:

"Because of this experience and foreseeing other appeals of similar character, your Benevolent Fund Committee submits the following Recommendations:

First, that the benevolent fund of the Grand Chapter shall be used to relieve cases of distress that are beyond the power of the local Chapter providing the history of such cases show that the Sister is without sufficient funds or resources.

Second, if the applicant is possessed of property which she cannot convert into money or use as security for a loan and if after thorough investigation the appeal to the Benevolent Fund Committee seems justified, and said Committee advances funds on behalf of said applicant provision must be made for the transfer of property rights in proper legal form for the protection of the Grand Chapter."

After consulting fully with Sister Knight, we recommend that this resolution be not adopted and that Sister Helen Knight be created a committee of one to present, at the next meeting of this Grand Chapter, such resolutions and necessary amendments to the Constitution as will fully cover the subject she desires to have covered.

Respectfully submitted,

Alfred E. Dennis,
Henry F. Periau,
Committee.

Report was adopted as read.

To the Grand Chapter of California, O. E. S.:

Your Committee on Jurisprudence to whom was referred the resolution of Past Grand Matron M. Josephine Young reading as follows:

"Resolved, that the action of this Grand Chapter, at the Session of 1923 in adopting Robert's Rules of Order as our parliamentary

guide, be rescinded, and that our deliberations be conducted in the future according to the procedure heretofore in practice by this Grand Body."

Recommend the adoption of the resolution.

Respectfully submitted,

Alfred E. Dennis,

Henry F. Pernau,

Committee.

After some discussion a vote was taken on the adoption of the report, which vote was so close that the Worthy Grand Matron was unable to determine the result, whereupon Past Grand Patron Ernest E. Noon moved that the whole subject matter be laid upon the table. Motion was seconded and carried.

The Grand Chapter was then called off until two o'clock P. M.

In Grand Chapter

Afternoon Session.

Friday, October 24, 1924.

The Grand Chapter was called on at two o'clock, by the Worthy Grand Matron, who requested the Worthy Grand Patron to preside.

REPORTS OF COMMITTEE ON JURISPRUDENCE.

Past Patron Alfred E. Dennis, chairman of the Committee on Jurisprudence, presented the following reports:

To the Grand Chapter of California, O. E. S.:

Your Committee on Jurisprudence to whom was referred the resolution of Past Matron Mary E. Brown, reading as follows:

"Whereas, Riverdale Chapter, No. 400, was instituted November 29, 1922, with W. C. Hayden as its Patron and one of the energetic workers in its organization; and,

Whereas, Brother Hayden was obliged to resign his office and move his residence from Fresno County after having served nine months as Worthy Patron of the Chapter under dispensation;

Therefore, be it resolved that the honor and title of 'Past Patron of Riverdale Chapter, No. 400' be, and it is hereby conferred upon Brother W. C. Hayden, a member of Riverdale Chapter, No. 400."

Recommend that the resolution be not adopted. As the decisions Nos. 486 and 487, in force at the time covered by this resolution give Brother W. C. Hayden the title of Past Patron his status cannot now be altered by action of the body.

Respectfully submitted,

Alfred E. Dennis,

Henry F. Pernau,

Committee.

Which report was adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Jurisprudence to whom was referred the resolution of Past Grand Matron M. Josephine Young reading as follows:

"Whereas, the rapidly increasing number of delegates to this Grand Chapter, and the difficulty of securing halls of sufficient size to accommodate all who are entitled to be present,

Be it resolved, that in the future cards of admission to all of its sessions be issued only to Officers and Members of this Grand Chapter as set forth in Section 2, Article I of the Constitution."

Recommend that the resolution be not adopted.

Respectfully submitted,

Alfred E. Dennis,

Henry F. Pernau,

Committee.

Adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Jurisprudence to whom was referred the resolution of Past Grand Patron Brother Ernest E. Noon reading as follows:

"Whereas many Chapters are conducted in rooms provided only with doors that open in, thereby subjecting the members there assembled to the unnecessary hazard of fire and personal injury;

Now, therefore, be it resolved that no Chapter may lawfully hold its meetings in a room or hall provided with main exit doors which do not swing outward; provided, further, that this resolution shall become effective from and after January 1, 1925."

Recommend that the resolution be not adopted. We believe the police power of the various municipalities, wherein meetings of Chap-

ters may from time to time be held, to guard the welfare and safety of our citizens meeting within such municipalities, has always in the past and will undoubtedly in the future fully protect our lives and rights regardless of any resolution this Grand Chapter may pass.

Respectfully submitted,
Alfred E. Dennis,
Henry F. Pernan,
Committee.

The report of the committee was not concurred in. The original resolution as presented by Past Grand Patron Ernest E. Noon was adopted.

The Grand Patron then returned the gavel to the Grand Matron, who called for the Report of the Committee on Constitution and By-Laws.

REPORTS OF THE COMMITTEE ON CONSTITUTION AND BY-LAWS.

Past Grand Patron Delos Albert Mace, chairman of the Committee on Constitution and By-laws, presented the following reports:

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-Laws to whom was referred Recommendation No. 2 in the Worthy Grand Patron's address beg leave to report thereon as follows:

With the permission of the Worthy Grand Patron we have eliminated the following words contained in his recommendation, to-wit: "of which the incoming Worthy Grand Patron shall be the Chairman".

The recommendation as now presented reads as follows:

"The Worthy Grand Matron shall appoint a special committee of three to draft a new form of Institution of Chapters, which form is to be submitted to this Grand Body at the next convocation for adoption."

We move adoption of Recommendation No. 2 as revised.

Respectfully submitted,
Delos A. Mace,
E. B. Spencer,
Committee.

Adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-Laws to whom were referred the following Recommendations contained in the Worthy Grand Matron's address to Grand Chapter, report thereon as follows:

We recommend that Recommendation No. 2 be adopted for the reasons assigned by the Grand Matron.

We approve Recommendation No. 6 and ask that the same be adopted. Section 6 of Article 2 of the Constitution provides in mandatory language that stated meetings must be held on the day and at the hour fixed by the By-Laws.

Your Committee recommends the adoption of Recommendation No. 10 for the reason given by the Grand Matron in the recommendation itself.

Respectfully submitted,
Delos A. Mace,
E. B. Spencer,
Committee.

Adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-Laws, to whom was referred Recommendation No. 1 of the Worthy Grand Patron, report as follows:

We recommend the adoption of said Recommendation No. 1 and that Article I, Section 5 of the Grand Chapter Constitution shall thereby be amended so as to read as follows:

Meetings.

Section 5. There shall be one stated meeting of this Grand Chapter in each year, which shall be held on the third Tuesday in October, in the City of San Francisco (unless otherwise ordered by a majority vote of the Grand Chapter), beginning at such time as the Grand Matron may direct. Special meetings may be ordered by the Grand Matron at such time and place as in her opinion the interests of the Order require, and in her absence or disability to act, the Associate Grand Matron, with the concurrence of the Grand Patron, may exercise said power; provided, that every Chapter in the jurisdiction shall be notified in writing at least twenty days

previous to such meeting (except in case of funeral), and no business save that specified in the summons can be transacted at the meeting;

And provided further that the Worthy Grand Patron may declare the Grand Chapter open in short form for the sole purpose of instituting a new Chapter without the notice required above.

We recommend the adoption of Recommendation No. 4 of the Worthy Grand Patron.

We recommend the adoption of Recommendation No. 5 of the Worthy Grand Patron, thereby striking from the decisions and digest of the Grand Chapter Decision No. 534-a for the reasons stated by the Worthy Grand Patron upon submission of his recommendation.

Respectfully submitted,

Delos A. Mace,
E. B. Spencer,
Committee.

Adopted, and Section 5 of Article II of the Constitution was amended as recommended by unanimous vote.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and Laws to whom was referred the proposed Amendment to Article I, Section 18, of the Constitution of the Grand Chapter, presented by Past Grand Patron Pierce:

Recommend that the same is in proper form as an Amendment to the Constitution and suggest reference to the Finance Committee to determine if the funds of Grand Chapter will justify the change in amount of proposed Amendment and report back at this session.

Respectfully submitted,

Delos A. Mace,
E. B. Spencer,
Committee.

Past Grand Patron Ernest E. Noon moved that the report be received and referred to the Finance Committee to report back to this session of the Grand Chapter. Said motion was seconded by Past Grand Patron William J. Mossholder and adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-Laws to whom was referred the By-Laws of Chapters under dispensation approved by the Worthy Grand Patron, beg leave to report that a careful examination of the By-Laws of the various Chapters referred to in the Grand Patron's address has been made and we conclude, determine and recommend all of said By-Laws be approved by this Grand Chapter as we find the same to be in strict conformity with the Uniform Code of By-Laws of the Grand Chapter.

Respectfully submitted,

Delos A. Mace,

E. B. Spencer,

Committee.

Report adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-Laws to whom was referred the Amendments to By-Laws of Chartered Chapters approved by the Worthy Grand Matron during her term of office, beg leave to report as follows:

We recommend the adoption of all amendments approved by the Grand Matron and referred to in her address to this Grand Chapter except the following:

1. We are unable to approve Article I, Section 1, of the revised By-laws of Richmond Chapter, No. 255, in, that said section would permit the members of the Chapter to create new officers of the Chapter in violation of Article II, Section 3 of the Grand Chapter Constitution which declares who shall be the officers of a subordinate Chapter. We suggest to the incoming Grand Matron that Richmond Chapter offer an additional amendment to said Section and Article referred to, by eliminating the following phrase: "and such other officers as the Chapter may deem proper to elect or appoint."

2. We are unable to approve Article II, Section 1 of the revised By-laws of Scepter Chapter, No. 163, for the reason that no specific date is fixed for the regular meeting of the Chapter in the months of July, August and September and recommend that said section be properly amended so as to clearly designate the meeting date in said months.

3. We are unable to approve the Amendment to Article VIII, Section 2 of the By-laws of Corona Chapter, No. 107, for the reason that the affiliation fee must accompany the petition as provided in Article II, Section 15, of the Grand Chapter Constitution. We recommend that Corona Chapter No. 107 amend further said section of its By-laws by striking *therefrom* the word, "invariably". A subordinate Chapter has not the power to amend the standard form of petition adopted by the Grand Chapter.

Respectfully submitted,

Delos A. Mace,

E. B. Spencer,

Committee.

Adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws, to whom was referred Decision No. 1 of the Worthy Grand Patron's Report, finds that Decisions of this Grand Chapter now in effect applying to this situation have been interpreted in different ways, but that our Constitution does not provide for the issuance of dimitts except by vote of the Chapter. We therefore recommend as follows:

(a) That any act of the Grand Patron this year based on present decisions be ratified by the Grand Chapter.

(b) That Decisions 417 and 422 be repealed.

(c) That Section 31 of Article II of the Constitution be amended by changing the phrase "All applications for dimit shall be construed to include a recommendatory certificate" to read as stated in the Grand Patron's decision, "All requests for dimit shall be considered to call for a recommendatory certificate unless otherwise specified."

Respectfully submitted,

Delos A. Mace,

E. B. Spencer,

Committee.

Report adopted, and Section 31 of Article II of the Constitution was unanimously amended.

At this time the Worthy Grand Patron requested permission to withdraw from the Committee on Constitution, Recommendation No. 7 of his report, inasmuch as the sub-

ject matter had been fully covered in other legislation. No objection appearing, the requested permission was given.

To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws finds that Decision No. 2 of the Grand Patron's Report is not covered by previous legislation and ably determines a point confronting all Chapters applying for dispensations.

The Grand Patron has amended his decision as printed in copies of his address to read as follows:

"A petition for affiliation is not necessary where dimitted members sign a petition for dispensation for a new Chapter. The petition for a dispensation taking the place of a petition for affiliation."

We therefore recommend its adoption as amended.

Respectfully submitted,

Delos A. Mace,
E. B. Spencer,
Committee.

Adopted.

REPORT OF COMMITTEE ON EDUCATION.

Past Grand Matron Effie Easton, chairman of the Committee on Education presented the following report:

To the Grand Chapter of California, O. E. S.:

The service from the Committee on Education has not been as extensive as the opportunity permits, largely because the Eastern Star has been living under the requirements of fifty years ago, of "for social purposes only", therefore we have not met the growth of the century, nor have we as an organization been carrying on along advanced lines. We meet too often the famous stunting sentence, "we have always done it that way" or "we have never done that in our chapter". If we do not awaken, these sentences will do more to thrust this great organization into the rear yards of the yesterdays than any other one thing.

The Eastern Star is composed of worth while men and women in every state. Let us awaken to the demands of tomorrow, and make our organization a power for good in our separate communities. Our

non-partisan organization should stand for policies and principles for the betterment of the several home communities. We play more than we operate as a force.

The period of incubation of this committee has been most fruitful, the correspondence with the interested chapters has been constructive, and has been a labor of keen interest to your chairman. The committee desires to urge chapters to make use of this opportunity. Our great organization is ready, but sleeping. A new morning awaits our Order. Educate and train your own members to handle this work under the Good of the Order. Be a force, always non-partisan so far as your organization is concerned, and strive to parallel any group or groups in your community. Wake up my fellows members; cease to be satisfied with the "we have always done it" philosophy of life. This is a CALL, the time is here and now and compelling for education along all activities for a better mutual understanding.

A letter has been received from the National Chairman of Education of the General Grand Chapter, Sister Helen M. B. Anderson, Grand Chapter State of Missouri, from which the following quotation is made: "Are we in any danger of breaking under the strain of great numbers unless we definitely direct this tremendous force into active work for the benefit of others? The committee desires to enable our members to become better citizens and a greater force for good in the community in which they live."

A letter from Grace H. Bagley, vice chairman, National Committee, Department Education, calling attention to AMERICAN EDUCATION WEEK, November 16th to 23d.

From an educational standpoint there is a serious problem affecting all rural communities in California, which depend upon rotating crops, namely, the "Migratory family". There is one big piece of work for rural chapters, and you are mentally and numerically equipped to do it. This committee is ready to show you the first step. Make use of the indifferent members; give them something to do. It is well to remember that the indifferent one exists because he or she finds no special force at a meeting to induce a member to attend every meeting. The individual need has not been met, in many instances.

Recommended activities, encouraged study half hours in Better Citizenship by education along Inter-National, National, State and Community lines. Such half hours will stimulate our membership

to the vital need of each one toward his respective civic responsibility.

Requests for speakers on CURRENT TOPICS have been more frequent than any one other demand. One member by a systematic reading could supply this need, which requires only a bringing together of salient points of the world's interests and presenting them in an interesting manner to a chapter. Splendid work for Past Matrons and Past Patrons to specialize. Vacation hours, if spent in unusual places. Train yourself to speak on two, three and five minute schedules. The University Extension courses permit this training, not only upon this subject, but public speaking and many others thru its correspondence courses.

There have been returned to date 185 questionnaires.

REQUESTS from 27 Past Matrons desiring information as to Schools of Instruction for opportunity for education in the Ritual. Many for WELCOME SONGS, new opening and closing ODES. Many for plays, sketches, play catalogues, plays for brothers. Many for plays with six and seven characters. Many for articles on the Educational Committee from several Masonic publications. For Novelty Drills. For outline for a district contest in knowledge of the work. For California composers in both instrumental and song for a California evening, for the names of popular authors of short plays, for information as to where to purchase flags and many other commodities. For survey Blue Lodges in towns in which there is no chapter. For list of words most frequently mispronounced in our lectures. These, with many other minor requests, have been cheerfully granted, covering fifty-one chapters who have made use of this service.

At the request of our Grand Matron, it gave me much pleasure to co-operate with Brother Carrington of Sequoia Chapter, Redwood City, for a Welcome Song to be sung during a prescribed portion of the Initiatory Service. Brother Carrington's knowledge of our requirements has been the means of giving to the chapters music of his composition of high standard.

There are two outstanding things in our chapter work which should have attention. These two mistakes are made 99 times out of every one hundred, namely, *the manner of carrying OUR FLAG*. Governmental instructions, that the flag should be carried upright, never in salute, for the flag is saluted, therefore it *should* be carried upright, as outlined by Army and Navy experts, who together with 45 organizations, in conference adopted the code now in use. The Flag leaflet should be in the possession of every chapter of the Eastern Star.

May be obtained by request of the *National American Commission*, American Legion, Washington, D. C. Leaflet also includes the revised wording of the Pledge to the Flag.

2nd—In our ritualistic work in Adah's lecture there occurs a beautiful biblical name, if correctly pronounced, namely the word ISRAEL, we hear it as though spelled ISREAL.

I will close with the words of the great President Abraham Lincoln: "Laws are to govern all alike—those opposed as well as those in favor of them. I know of no method to secure the repeal of obnoxious laws so effectual as their strict execution."

Respectfully submitted,

Effie Easton,
Past Grand Matron.
Chairman.

Adopted, and it was ordered that a copy of the report be sent to every subordinate Chapter in the jurisdiction.

REPORT OF COMMITTEE ON FINANCE.

Past Grand Matron Maude Noble Haven, chairman of the Committee on Finance, presented a report from her committee, which was submitted, considered and adopted in sections, as follows:

To the Grand Chapter of California, O. E. S.:

Your Finance Committee to which was referred back the Recommendation regarding allowance for Worthy Grand Patron with instructions to consider also appropriation for allowance of Worthy Grand Matron, and also the Resolution of Brother Noon regarding allowance of Worthy Grand Patron—submit the following as consideration of both matters:

It is the opinion of your Committee on Finance that the allowance of Worthy Grand Matron and Worthy Grand Patron be the same for the ensuing year as for the year just past, namely,

\$500.00 for Worthy Grand Patron and

\$1,500.00 for Worthy Grand Matron together with

\$30.00 monthly allowance for secretary to Worthy Grand Matron.

Committee.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance to which was referred Resolution of Sisters Waterman, Marks and Borden, regarding an appropriation of \$500.00 for Palo Alto Base Hospital for ex-service men, recommends the allowance of such appropriation to be expended as set forth in said Resolution for the benefit of U. S. ex-service men, for the reason that this Grand Chapter should thus continue with its World War record to its logical conclusion.

Committee.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance, to which was referred the Amendment to Article I, Section 18 of our Constitution, providing for a reduction in the per capita tax from 25c to 15c, have considered same and recommend that it be not adopted.

Maude Noble Haven,
Mabel B. Seymour,
Roy Musser,

Committee.

Adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance, to which was referred resolution of Brother Bjorklund and Sisters Effie Easton and Couchman, regarding an appropriation for Shrine Hospital for Crippled Children, begs leave to report as follows:

Your committee appreciates the spirit actuating the proponents of the resolution for an appropriation of \$1000.00 to the Shrine Hospital for Crippled Children, and last year this Grand Body did appropriate \$1000.00 for this worthy institution. Your committee now considers that whereas this splendid institution can well be further financed by the Shrine, and whereas there are so many other

institutions making requests for Grand Chapter funds who are unable to secure aid elsewhere, therefore we recommend that this appropriation be not made at this time.

Maude Noble Haven,
Mabel B. Seymour,
Roy Musser,
Committee.

The report of the committee was not concurred in. On motion, which was duly seconded and carried, the original resolution calling for an appropriation of one thousand dollars was adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance, to which was referred communication from General Grand Chapter regarding International Temple Building Fund, recommends that our Worthy Grand Matron 1924-25 appoint a committee of four members to formulate a plan for contributing towards this purpose, which committee shall report such plan at our next session.

Maude Noble Haven,
Mabel B. Seymour,
Roy R. Musser,
Committee.

Adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance, to which was referred resolution of Sister Linseott regarding Student Loan Fund, approve of same for sons or daughters of Eastern Star members or deceased Eastern Star members, provided that there are no restrictions to the \$1000.00 gift other than its limitation to use for educational purposes. The resolution as amended to read as follows:

Whereas, The action of this Grand Chapter in establishing a Committee on Education evinced our interest in education, and

Whereas, There is no fund which can be used by the committee for the education of the sons or daughters of Eastern Star members, or deceased Eastern Star members, of this

jurisdiction, except the Eastern Star Scholarship Fund; therefore,

Resolved, That the Grand Chapter of California, Order of the Eastern Star, does accept the sum of one thousand dollars (a bond bearing $5\frac{1}{2}\%$ interest) a gift of a friend of the Order, to be used as the nucleus of a Student Loan Fund; provided, there are no restrictions to the \$1000.00 gift, other than its limitation to use for educational purposes.

Resolved, That this Grand Chapter appropriate the sum of four thousand dollars to the Student Loan Fund thus established.

Resolved, That the Student Loan Fund be placed at the disposal of the Committee on Education to be used in assisting, when deemed advisable, sons or daughters of Eastern Star members, or deceased Eastern Star members of the jurisdiction of California, to secure such an education in college or in such technical or trades schools as will enable such boys or girls the better to undertake the active duties of citizenship and of life.

Maude Noble Haven,
Mabel B. Seymour,
Roy Musser,
Committee.

Adopted.

To the Grand Chapter of California, O. E. S.:

Your Committee on Finance, to whom was referred that portion of Brother Bradley's report on Masonic Club of University of California relating to need of additional funds for furniture, recommend that a sum, not to exceed \$1000.00, be appropriated from our General Fund, which sum is to be expended for certain specific article or articles of furniture, for the Masonic Club House, to be determined by a committee of three to be appointed by our Worthy Grand Master.

Maude Noble Haven,
Roy Musser,
Mabel B. Seymour,
Committee.

Submitted by

W. J. Mossholder,

Past Grand Patron.

Invitations were received inviting the Grand Chapter to hold the annual communication of 1925 in the cities of San Francisco, Oakland and Santa Cruz. The Grand Matron-elect having expressed a wish to meet in Santa Cruz, the invitation from that city was accepted.

The Grand Matron handed the gavel to the Grand Patron and moved that her decision, refusing to accord to Sister Edna L. Campbell of Oakdale Chapter No. 226 the title of Past Matron be corrected, as the Sister was lawfully entitled to the honors of a Past Matron. Carried unanimously.

The Grand Matron also moved that Brother Jacob Gold of Sunbeam Chapter No. 376 of Los Angeles be accorded the honors of a Past Patron, he having served for twelve meetings before his resignation was presented and for the balance of the year after his resignation. To the Grand Chapter of California, O. E. S.:

Your Committee on Constitution and By-laws, to which was referred two resolutions by Past Grand Matron Effie Easton, on behalf of the Educational Committee of this Grand Chapter, beg leave to report thereon as follows:

We approve and encourage the spirit and high moral tone contained in these resolutions and recommend that all members of Grand Chapter inform themselves upon the conditions therein contained and endorse all efforts by legislation and otherwise to correct the same.

We do not, however, concur in that part of the resolution which provides for the forwarding of outside opinions designed to influence the officers of our Federal Courts or others chosen to render decisions in the enforcement of the laws of our country.

Which report was adopted as read.

Past Grand Matron Effie Easton moved that letters of appreciation and thanks be sent to the management of the Hotel Huntington, to the Chapters in Pasadena and vicinity and to all others who had made this session a pleasure. Motion seconded and carried.

Past Grand Patron Ernest E. Noon moved that if any one of the accredited Representatives to the General Grand Chapter be unable to attend, they be permitted to assign his or her authorized appropriation of \$400.00 to his or her proxy, provided the one to whom proxy is assigned, is not already entitled to one appropriation. Past Grand Matron Maude Noble Haven moved to amend that the proxy may

only be given and the money assigned to a voting member of the General Grand Chapter. The motion as amended was adopted.

The Grand Chapter was then called off until eight-thirty o'clock.

In Grand Chapter

Evening Session

Friday, October 24, 1925.

The Worthy Grand Patron Guy Woodhams Brundage sounded the gavel at eight-thirty o'clock, when 74 Worthy Matrons of southern California, dressed in white and carrying large bouquets of red carnations entered the room in double file and formed a frame in front of the dais in the East; the lights were lowered and the Worthy Grand Matron was led by an escort of five Worthy Matrons, bearing electrically lighted Star torches, through a labyrinth to an opening in the frame, which she entered, and as the spot light was turned on, the pretty picture was shown of the Worthy Grand Matron Maude Bigelow Sibley, in this wonderful frame of red, symbolical of Electa's admonition, that "We love one another."

"I Love You" was sung by Aida Spolidora, accompanied by Alma T. Kiefer, both members of Loyalty Chapter No. 217 of Los Angeles.

The Grand Chapter was then called on by the Worthy Grand Matron who requested Past Matron Pauline F. Pernau to act as Conductress, and after the usual opening ceremonies, the Grand Marshal, by direction of the Worthy Grand Matron, proclaimed the Grand Chapter opened for the installation of Officers and such other business as might lawfully be brought before it.

The Grand Secretary announced that the Chapters to which charters had been granted earlier in the session were now numbered as follows:

Patterson Chapter No. 417, located at Patterson, Stanislaus County.

Arlington Chapter No. 418, located at Arlington, Los Angeles County.

Park Chapter No. 419, located at San Francisco.
Fort Sutter Chapter No. 420, located at Sacramento.
Radiant Chapter No. 421, located at Los Angeles.
Glendale Chapter No. 422, located at Glendale, Los Angeles County.
Plymouth Chapter No. 423, located at Oakland.
Nimshi Chapter No. 424, located at Los Angeles.
Playa Linda Chapter No. 425, located at Hermosa Beach, Los Angeles County.
Security Chapter No. 426, located at Bakersfield, Kern County.
Seaport Chapter No. 427, located at San Francisco.
El Camino Chapter No. 428, located at North Sacramento.
El Cajon Chapter No. 429, located at El Cajon, San Diego County.
El Sereno Chapter No. 430, located at Los Angeles.
Smartville Chapter No. 431, located at Smartville, Yuba County.
Forest Chapter No. 432, located at San Francisco.
Foothill Chapter No. 433, located at Oakland.
Trinity Chapter No. 434, located at San Francisco.
Searchlight Chapter No. 435, located at Long Beach, Los Angeles County.

The Worthy Grand Patron Guy Woodhams Brundage then presented the charters to the Representatives of these Chapters:

"As Worthy Grand Patron of the Grand Chapter of California, it gives me pleasure to present to these representatives of Chapters instituted during our term of office, their charters. The total number of Chapters instituted this year is eighteen. Years ago when our good Sister Peaslee was Worthy Grand Matron, eighteen Chapters were instituted; that record was equaled last year by the Grand Officers of 1922 and 1923. It has again been equaled this year by the Grand Officers that are still Grand Officers, but soon won't be. I would like to say to these representatives, that in giving you these charters to take back to your respective Chapters, we hope that you will also take back with you the earnest desire to instill into these Chapters the true teachings that we find in the work of our Order. In addition, get your members as far as possible, to take an interest in civil life, and let the influence of these 80,000 members of the Eastern Star be a factor for good to offset other influences that we always have with us; so that when any proposition for the good of our City, County, State or Nation comes before us, the world will know that the Order of the Eastern Star is a practical unit in backing that proposition."

INSTALLATION OF OFFICERS.

The Worthy Grand Matron appointed Past Grand Matron Maude Noble Haven, as Installing Officer, Past Grand Matron Elizabeth Bettina Wheeler, as Grand Marshal and the retiring Grand Chaplain Anna Grace Hughes as Grand Chaplain.

The installation was preceded by the entrance of 120 Associate Matrons who formed an archway of greens from the chair of the Associate Matron, back to the entrance of the room and beyond, each one carrying an old-fashioned bouquet; through this archway the Grand Officers-elect were led by the Associate Matron of Arlington Chapter, Dorothy E. Benson, quaintly dressed as an old-fashioned girl carrying a large old-fashioned bouquet, which, after singing "Old Fashioned Flowers", she presented to the incoming Worthy Grand Matron Zella Whitford Samson as she stood at the entrance of the beautiful archway.

The Grand Officers of California for the ensuing year were then duly installed into their respective stations in an impressive manner:

Past Grand Matron Maude Noble Haven.

Sister Zella Samson, my dearly beloved friend. *It is my privilege* and joy to be the first to call you Worthy Grand Matron. It is a privilege and joy that I would regret to have anyone else perform, and I wish for you every happiness the office can bring. To every life there comes a joy supreme, one night, one day, one morning or one noon; one hour, one moment. To our sweet Zella has come this one supreme moment she has looked forward to for several years; her friends and beloved members of her family have also looked forward with the same anticipation; and tonight is the fulfillment of this anticipation. Our installation ceremony and the ritual do not provide for the presentation of the gavel, but *it is my great happiness* to have the privilege of presenting you the gavel, the emblem of your authority, and I do so with much happiness and with every confidence that you will never use it in an arbitrary manner, but always with good judgment and moderation.

Grand Matron Zella Whitford Samson.

Worthy Grand Patron, Junior Past Grand Matron and Officers,
Sisters and Brothers:

Once more Junior Past Grand Matron, I first wish to thank you for this little happy surprise in inviting my dear friend Maude Noble Haven to install me to my exalted position. Words cannot express my appreciation.

Sisters and Brothers, the privilege you have bestowed upon me, to serve you as Worthy Grand Matron for the ensuing year is an honor greatly appreciated, and I extend to you my sincere thanks. Only service of the most devoted kind can even partially cancel my obligation to you, and that I pledge myself to give. When I recall the high standard set for my guidance, when I realize the excellence of my predecessors, and when I reflect upon the duties of this office, then do I realize that I shall need your hearty cooperation Worthy Grand Patron, and my Sisters and Brothers, that I may not prove unworthy of the confidence you have reposed in me. I shall not try to excel any past records for the love of excelling nor strive to make this a banner year for any honor or glory it may bring to me; but realizing we cannot stand still and must not go back, we must exert every effort for progress, and whatever may be accomplished through your efforts and mine, my one and only ambition arises from an ambition to do my best, not afraid to look at tomorrow, toiling on, giving service and expecting no reward except

the result of my toil. Many things of importance will take place this year as they have since the beginning of time, but if we look forward with courage and with the determination to overcome whatever difficulties may arise, we shall enjoy the fruit of our labors.

To those dear sisters who are to be my Matrons, the beautiful tribute received from you tonight fills my heart so full I cannot express all that is in it; I cannot express my appreciation, but I sincerely accept it as an evidence of your love and co-operation, trusting that the New Year will be filled with fraternal love for each other, filled with that purity of purpose which will reflect only to the glory of our Order.

Grand Patron, Russell Bresee La Fontaine.

Worthy Grand Matron, Junior Past Grand Matron, Present and Past Grand Officers, members of this great fraternity which we have the pleasure of being a part of,—I cannot allow this opportunity to pass without first expressing my appreciation to those Past Matrons and Past Patrons of West Lake Chapter who first honored Mrs. LaFontaine by stepping aside that she might go forward and afterwards asking me to step into that line to try to fulfill the work which she started. And whether or not I will be able to fulfill the obligation that is imposed upon me is yet to be told, but I have the confidence, I have the feeling that I am going to give to you, the members of this great organization the best that I know how. It is hard for me to follow after the remarks made by our Grand Matron because she has so ably given to you the program to a certain extent, of what her activities are to be this coming year, so I am going to step aside from the regulation and try to bring to this Organization at this time a matter I think should be given deep consideration by every member, and by those with whom they come in contact.

We are about to enter upon the election of an Executive to fill the office of President of the United States. We, as a fraternal organization composed mainly of women to whom the franchise has been given, should see to it that the women participants of this great republic do their duty on November 4th. I am not suggesting to you your party politics, but I am saying that the records which show, particularly in reference to national returns, are a crime and a crying shame to us and the people who do not respond to the responsibility that is theirs, and I trust when we leave this assem-

bly hall tonight and go to our respective homes and respective Chapters that we will perform that duty, which is our duty towards this great country and this great Flag that we love and honor.

The retiring Worthy Grand Matron Maude Bigelow Sibley and the retiring Worthy Grand Patron Guy Woodhams Brundage were presented with the appropriate jewels of Past Grand Officers, many other beautiful and useful gifts coming from their associate Grand Officers and friends; the newly installed Grand Officers were also remembered, by the presentation of beautiful flowers and gifts from Chapters and friends.

The bright and witty remarks of the donors and the happy responses of the recipients, filled the room with a feeling of good fellowship and it was in this true spirit of love and friendship that our Worthy Grand Matron Zella Whitford Samson sounded the gavel on the close of the Fifty-first annual session of the Grand Chapter of the State of California, Order of the Eastern Star, to meet in Fifty-second Annual Session in the City of Santa Cruz on the third Tuesday in October, 1925.

Zella Whitford Samson,
Worthy Grand Matron.

Kate Josephine Willats,
Grand Secretary.

The applicant may withdraw the application for a dimit at any time before action thereon by the Chapter, by request in writing signed by the applicant, or personally in open Chapter. No Grand Chapter dimit shall be granted to a member of a Chapter under suspension until the next session of the Grand Chapter has acted upon such suspension.

REPORT

OF

Committee on Fraternal Correspondence

REPORT OF COMMITTEE ON FRATERNAL CORRESPONDENCE.

To the Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter of the State of California, Order of the Eastern Star:

Your committee on Fraternal Correspondence presents this report and review of the proceedings and activities of the Order of the Eastern Star in fifty three jurisdictions, covering every country on the face of the globe where the English language is spoken.

We believe in the Fatherhood of God and the Brotherhood of Man. This belief is the foundation of our Order. We dream of a time when all people shall dwell together as brothers and sisters. In ever increasing numbers the men and women of this and other lands are joining the almost innumerable throng that is marching under the flag of the Eastern Star, pledged to the task of making our dreams come true and bringing about universal fraternity, peace and goodwill.

Four sovereign bodies, consisting of the General Grand Chapter of the United States, the Supreme Grand Chapter of Scotland and the two independent Grand Jurisdictions of New York and New Jersey constitute our Order. All Grand Chapters in the United States except New York and New Jersey, are under the jurisdiction of the General Grand Chapter, as are also the Canadian Grand Chapters, the Grand Chapter of Porto Rico and the subordinate chapters in far away Alaska, Yukon, Canal Zone, Hawaiian Islands, Prince Edward Island, Cuba, Philippine Islands, Nova Scotia and New Brunswick.

The Supreme Grand Chapter of Scotland is independent of the General Grand Chapter and has jurisdiction over Ireland, India, Australia, New Zealand, South Africa and all other British Possessions, except those under the General Grand Chapter.

There are now fifty five Grand Jurisdictions under the General Grand Chapter. Michigan, organized in 1867, is the oldest, Delaware, Quebec and Manitoba, organized in 1922, are the youngest; Illinois with one hundred and sixty nine thousand four hundred and ten members in seven hundred and eighty three Chapters is the largest and Manitoba with one thousand one hundred and ninety one members in sixteen Chapters is the smallest. Des Moines Chapter No. 89 of Des Moines, Iowa, with sixteen hundred and eighteen members is the largest Chapter in the world.

There is not a Grand Jurisdiction but reports a gain in membership for the year. In some, though very few of the Grand Jurisdictions, we sense a feeling of elation over the number and size of large

Chapters in the Grand Jurisdiction. In most of the Grand Jurisdictions large Chapters are apparently not considered to be a cause for self-congratulation.

The Order of the Eastern Star is not primarily a social organization. It is founded upon our belief in God and the immortality of the soul; it teaches loyalty to the flag and obedience to the laws under whose protection we live; we are imbued with the spirit of unselfish service to our fellowmen and upon these principles, we walk hand in hand with the great Masonic Brotherhood. In every Grand Jurisdiction, with a single exception, there exists a spirit of warm friendship and cordial and hearty co-operation between the Masonic Fraternity and the Order of the Eastern Star. In several jurisdictions, the annual communication of the Grand Lodge and the annual session of the Grand Chapter are held at the same time and in the same city and the Grand Master and other distinguished Masons are frequently honored guests at the opening of the Grand Chapter and at receptions given in honor of the Worthy Grand Matron. We observe also that there is coming to be more and more co-operation between the two in the erection, maintenance and direction of hospitals and homes for the care of the aged and the orphans of both Orders.

In every Grand Jurisdiction, at the opening of Grand Chapter, the National Colors are escorted to the East and given a place of honor. The ceremony of escorting and saluting the flag is uniformly impressive, inspiring and beautiful to the last degree. In some jurisdictions, the State flag, and in one or two jurisdictions the Eastern Star flag also is given like place of honor.

The world has come to realize what the Order of the Eastern Star has long taught, and as long practiced, that there is no substitute for service. He lives longest who serves best, and there is more and more evident a tendency on the part of the Order to increase the quantity, as well as to improve the quality of its service to the community and to become an active and vital influence in the community life. The desire to serve has found expression in various forms of activity in different Grand Jurisdictions. Christmas Funds, Charity Funds, Near East Relief and funds for the care of disabled and needy soldiers are some of the concrete expressions of the will to serve, which fills the heart of the Eastern Star. Several of the Grand Chapters have established an Educational Fund which is used to assist daughters of members of the Order to obtain a college education. In New York, the Grand Chapter has undertaken to raise a fund of a quarter of a million dollars to be devoted to social

service and to be known as the Eastern Star Social Service Foundation Fund. In many Grand Jurisdictions, we find the Worthy Grand Matron urging upon her Chapters the importance of co-operating with the churches, the schools and all other agencies devoted to the up-building of their community.

It is impossible to review the proceedings of fifty three Grand Jurisdictions without observing that while each Grand Jurisdiction has its own peculiar problems, there are certain problems which are, in varying degrees, common to most of the Grand Jurisdictions. Almost without exception, the burden of the Worthy Grand Matron is made unnecessarily heavy by having to answer innumerable questions which could easily be answered by reference to the Jurisprudence of the Order which is accessible to all Worthy Matrons and Worthy Patrons. While this adds no small amount of labor to the already overworked Worthy Grand Matrons, yet we find them bearing the added burden with patience and good humor for they know that these questions are inspired by a desire to be perfect and further, that they are a tribute to her superior intelligence and good judgment.

In Grand Jurisdiction after Grand Jurisdiction, we find the Worthy Grand Matron emphasizing the importance of the investigating committee and urging upon subordinate Chapters the necessity of a careful scrutiny of all who seek admission into our Order. The quality of our membership, rather than the number of our members will ultimately determine the continued usefulness of the Order.

There is practical unanimity among the Worthy Grand Matrons of all the Grand Jurisdictions in deploring the misuse of the black ball. Whenever the proceedings of a Grand Chapter have recorded serious lack of harmony in a subordinate Chapter, making necessary the suspension or arrest of its Charter, the trouble has usually been due to the misuse of the black ball.

Like the misuse of the black ball, the evil of discussing outside of the Chapter room and in the presence of those who are not members of the Order, events that take place in the Chapter room is common to many Grand Jurisdictions.

To the fraternal correspondents of Sister Jurisdictions we send fraternal greetings and appreciation of their uniformly kind and generous reviews of our own beloved California.

To you, our own Worthy Grand Matron, we are indeed grateful for your expression of confidence in us, for the opportunity to serve you as Fraternal Correspondents, for the privilege and the pleasure of

journeying far and wide through the realms of Eastern Star and for the deeper, truer insight that we have gained into things worth while.

The Order is to be congratulated upon the high quality of its leadership. In every Grand Jurisdiction men and women of the highest type of intelligence have been drafted as heads of the Order. They have approached their tasks with courage, yet with humility. If the Order of the Eastern Star has grown to be the largest, as well as the most useful women's organization in the world today, this is due to the unselfish devotion of those who have been drafted to lead us.

The Joy of Life is living it and doing things of worth,
In making bright and fruitful, all the barren spots of Earth,
In facing odds and mastering them and rising from defeat,
And making true what once was false, what was bitter, sweet.
For only he knows perfect joy whose little bit of soil
Is richer ground than what it was when he began to toil.

Fraternally submitted,

MRS. ELISABETH S. TURNER,

MRS. MYRA C. MOYSE,

MRS. BERNICE VENABLE,

Committee.

She asked members to give to sisters and brothers in distress comfort at the close of day, expresses her appreciation of loyal support given the Masonic Home and concluded by saying—

Brother Wallace, a member of Baltimore Chapter No. 4, was escorted to the East and introduced and in his very earnest address of welcome we learn four of the great principles that will help us build the kind of character that will stand the test of God: Simplicity, sincerity, sympathy and sensibility or open mindedness.

The Grand Chapter was opened in full form with all Grand Officers present.

Twelve Grand Officers from other Grand Jurisdictions were escorted to the Grand Chapter room, welcomed by the Worthy Grand Matron and, after receiving the Grand Honors, were escorted to the East.

There were present eighteen Past Grand Matrons and fifteen Past Grand Patrons. Among the Past Grand Matrons present was the Senior Past Grand Matron, Sister Mellissa E. Home Fund, had not been completed but that very satisfactory progress in this work was being made through voluntary contributions from the members of the Order. The report shows a generous response to appeals for Near East Relief and other benevolences.

In view of the carelessness of many investigating committees in ascertaining the Masonic affiliations of applicants, both the Worthy Grand Matron and the Worthy Grand Patron recommended that some steps be taken to insure more thorough investigation, possibly by

adopting some sort of questionnaire, and that a committee be appointed to consider the matter. The Grand Chapter voted that a committee be appointed to prepare a questionnaire suitable to be used in subordinate Chapters and to be submitted to the next session of the Grand Chapter for approval.

Brother George A. Mosher, Worthy Grand Patron, instituted twelve Chapters, constituted seven Chapters and assisted the Worthy Grand Matron in installing the officers of thirteen Chapters. He approved a full code of by-laws for twenty two Chapters and amendments to by-laws in thirty three Chapters.

During the year the Grand Secretary, Sister Annie A. Cushing, conducted schools for Secretaries in four different parts of the state. She reported that in some instances these schools were not as well attended as might be wished. During the year the dispensations were granted for ten new Chapters.

The state now has one hundred eighty four Chapters, including six under dispensation, with a total membership of forty eight thousand three hundred and six, a net increase of forty one hundred and forty nine over the previous year. The Worthy Grand Matron reports that the Michigan Chapters are doing excellent work and are imbued with a fraternal spirit. Through the generosity of the Grand Lodge, F. and A. M., several of the subordinate Chapters, various clubs and associations and two private contributions she was enabled to fit up a playroom for the boys at the Eastern Star Villa. The Worthy Grand Matron officially visited ninety eight Chapters in person and many others through assistants deputized for the purpose.

The Worthy Grand Patron instituted two Chapters and assisted in the constitution of three others. His recommendation was approved.

During the year four Chapters initiated more than seventy members each. Twenty four Chapters had no initiations whatsoever and one had no work of any kind. Let us, therefore, more truly exemplify in our daily lives the virtues of the heroines of our Order, so that ours will indeed be—

The Worthy Grand Matron reports the constitution of three chapters. She granted many dispensations, approved complete by-laws for one chapter and amendments for thirty four chapters; installed the officers of eleven chapters and paid an official visit to each chartered chapter and each chapter *under dispensation*, one hundred and thirty two in all, in its own chapter room.

The following is taken verbatim from the Worthy Grand Matron's report:

"With all official notices of visitation went an offer to hold an afternoon school of instruction if desired, with the result that seventy seven schools were held in as many different chapters. While this added to the work of the year, and consumed much energy, yet I am convinced that this service to the average chapter is well worth while and from the results, I am convinced that through this medium, I have rendered my greatest service to the chapters of the Grand Jurisdiction. The eager manner with which most chapters received the offer and the interest shown, made the work a real pleasure and gave me a better opportunity of becoming acquainted with the members of each chapter and of giving my instructions and suggestions in an informal manner, thus eliminating the dread that I find chapters seem to have of the criticisms of the Worthy Grand Matron."

The Worthy Grand Matron found most of the chapters flourishing, peaceful, harmonious and actively interested in the work.

The Worthy Grand Matron recommended that the Grand Chapter establish a Student's Loan Fund of four thousand dollars to be used in assisting daughters of members in procuring an education at any of the state colleges. This recommendation was approved and adopted.

Past Grand Matrons and Past Grand Patrons and twenty five Grand Representatives were welcomed, escorted and accorded the Grand Honors.

Sister Appleton, Worthy Matron of Saskatoon Chapter No. 4, in her address of welcome on behalf of the local chapters, reminded the Grand Assemblage that seven years ago they were organized in this city and hoped that the "Star of Bethlehem" which had guided them during the interim would watch over them this session that they might be loyal "To God and to Right."

In this Grand Jurisdiction there are thirty eight chapters with two thousand two hundred and sixty three members, showing a gain of four hundred and eight.

The Worthy Grand Matron hoped that all members would try to have a better understanding of our obligation and keep the solemn promises made or our Order will fail of its mission.

She recommended that all members study the by-laws of their chapter and the constitution and thus be able to take an intelligent interest in business meetings.

The by-laws of thirteen chapters were approved. Amendments to five others made, twenty two dispensations were granted and three refused, seven chapters were constituted and many visits made.

The Worthy Grand Patron made many valuable recommendations which were approved by the Grand Chapter. He instituted four new chapters and sent petitions to eight interested groups.

After the installation of Grand Officers, a social hour was held with refreshments and dancing.

The members of the Grand Chapter stood to receive the Worthy Grand Matron and other Grand Officers who entered Grand Chapter room to the strains of a march played by the Grand Organist. There being a constitutional number of chapters represented, the Grand Chapter opened in due form for the transaction of business.

The Stars and Stripes was borne to the East by the Grand Conductress, Mrs. Carolyn N. Wayne, and the South Carolina flag by Mrs. Leonora L. Briggs, Grand Marshal. The members stood at attention while the National Anthem was sung, repeated the pledge to the flag and saluted. Tribute was paid to the Stars and Stripes and also to the flag of South Carolina. A resolution was adopted that an Eastern Star flag be purchased by the Grand Chapter and placed in the East between the National Colors and the South Carolina flag at each Grand Chapter session.

The City of Florence and the local Masonic bodies welcomed the Grand Chapter through Brother H. K. Gilbert, ex-Mayor and Past Patron of Leonora Chapter No. 30.

Distinguished visitors from Sister Grand Jurisdictions, Past Grand Matrons and Past Grand Patrons of South Carolina, Grand Representatives and District Deputy Grand Matrons and Patrons were introduced and made welcome.

The Worthy Grand Matron personally attended seven schools of instruction, approved by-laws and amendments to by-laws for a number of chapters, granted many dispensations and refused requests for others. She made official visits to forty four chapters and emphasizes the necessity of being careful to use the black ball only when necessary to protect the Order.

The Worthy Grand Patron instituted four chapters and voices the hope that very soon there will be an Eastern Star Chapter in connection with each Masonic Lodge in the state.

The Grand Secretary reports a membership of four thousand one hundred and sixty five in the jurisdiction, a net gain of three hundred and thirty three. Columbia Chapter No. 59 of Columbia with a membership of two hundred and sixty one is the largest chapter in the state. All of the Grand Officers being present and a constitutional number of chapters represented, the meeting was called to order. The Worthy Grand Matron and the Worthy Grand Patron and other Grand Officers were invited to enter the Grand Chapter room. The Grand Conductress and the Associate Grand Conductress entered and escorted into the Grand Chapter room Brother J. I. Soderstrom in soldier's uniform and Miss Edgington in Red Cross nurse's uniform, bearing the National Colors. While the assembly sang a verse of "America, the Beautiful" the flag was escorted to the East and the oath of allegiance was given.

The Worthy Grand Matron and the Worthy Grand Patron were escorted to the East and given the Grand Honors and the other Grand Officers assumed their stations. The Grand Chapter was then opened in due form by the Worthy Grand Matron, Sister Agnes M. Holdridge.

The Grand Chapter was welcomed to Mitchell by Mayor E. V. Bobb on behalf of the city and on behalf of Starlight Chapter No. 41 of Mitchell by Sister Faye Wyth, Worthy Matron. These cordial welcomes were accepted on behalf of the Grand Chapter by Sister Jessie H. Wendall, Associate Grand Matron.

The Masonic Bodies of Mitchell, through a delegation admitted at this time, expressed their good will and presented baskets of flowers to the presiding officers. Fourteen Past Grand Matrons and fifteen Past Grand Patrons were escorted to the East, given the Grand Honors and bidden welcome. Fitting response was made by Sister Angie L. Williamson, Past Grand Matron.

Sister Anna B. Smalley, Worthy Grand Matron of Montana, was escorted to the East and received with Grand Honors.

The Worthy Grand Matron officially visited ninety three chapters and was prevented from visiting the others in some cases by an unusually severe winter, which made them inaccessible, and in some cases by the inability of the chapters to arrange a date for her. She speaks

most tenderly of the kindness, thoughtfulness and consideration which she received at the hands of the subordinate chapters. She cautions her chapters to feel under obligation to respond to appeals for foreign relief only when the appeal comes through the Grand Secretary.

The following is taken from the Worthy Grand Matron's report:

"Every chapter should take an active interest in community projects that work for the welfare of our young people. Stand with the churches, the schools and the public health workers to make better conditions for folks in general."

The Worthy Grand Matron granted numerous dispensations, approved by-laws for five chapters and amendments to by-laws for four chapters and represented the Grand Chapter on several occasions before various organizations. Charters of two chapters were surrendered due to difficulties arising from the misuse of the black ball.

The Worthy Grand Patron reports that much preparatory work has been done, looking to the institution of an Eastern Star chapter in every community where there is a Masonic Lodge. Eight chapters were constituted during the year and a like number of chapters instituted. He visited sixteen chapters and notes the occasional absence of the flag from the chapter room and the infinite variety of the salutation sign as given by chapter members.

The Grand Secretary reports one hundred fifty three chapters with a membership of eighteen thousand three hundred and fifty three, a net gain for the year of one thousand and twenty seven.

The Grand Treasurer reports

In the General Fund, \$15,972.86;

In the Home Fund, \$25,589.47.

In this Grand Jurisdiction the Associate Grand Matron is required to make the official visit to at least one third of the subordinate chapters. In her capacity as Associate Grand Matron, Sister Jessie H. Wendall, officially visited fifty three chapters and found the chapters as a whole doing fine work.

Sister Hollridge invited Major Otto B. Linstad, Past Grand Patron, to install the Grand Officers. He was assisted by Sister Faye Wyth as Grand Marshal.

The Worthy Grand Matron, Sister Ida A. Scheibler, made one hundred and five official visits and wrote two thousand two hundred and seventy two letters. A letter of greetings sent to her Chapters early in the year urged that Chapters open on time, work towards greater attendance, obey the laws, rules and regulations of the Order and have the Bible open at each meeting. Her project for this year,

with the co-operation of her Grand Jurisdiction, was the raising of funds for an auditorium at the Home and the handsome sum of fifty three hundred and eighty eight dollars was received for that purpose during the year from the subordinate Chapters and interested friends.

The Worthy Grand Matron concluded her story of a year in which great good has been accomplished. Peace on Earth, Good Will to Man, and may the obligation we take help us attain this.

The Associate Grand Conductress visited thirty Chapters in West Tennessee, either for instillation of officers or inspection.

In each Chapter the Worthy Grand Matron witnessed the initiation ceremonies in full and afterwards gave a lecture on the work and such instructions as she deemed necessary. The Worthy Grand Matron, Sister Viola L. Hayter, installed the officers of nine Chapters, visited seventy two Chapters officially, was given honorary membership in five Chapters and three clubs, constituted three Chapters and visited twenty two Chapters socially.

The Worthy Grand Patron instituted three Chapters and made many official and social visits with his Worthy Grand Matron. His recommendation that not more than eight candidates be installed at one time was disapproved.

This Grand Jurisdiction has two hundred and forty one chartered Chapters and three under dispensation with forty thousand seven hundred and eighty one members, being a gain of two thousand nine hundred and six.

The Grand Treasurer's report shows a cash balance on hand of thirteen thousand eight hundred fifty seven and 56/100 dollars. The report of Sister Nellie M. Towner, Past Grand Matron and president of the O. E. S. Masonic Home Association, deserves mention as a well prepared report and we congratulate the association on the very worthy project of providing an O. E. S. hospital for the Masonic Home.

On Wednesday evening the officers of Bethany Chapter No. 105 exemplified the opening ceremony, after which the officers of Racine Chapter No. 45 exemplified the ritualistic work.

The retiring Worthy Grand Matron, Sister Viola L. Hayter installed the new corps of Grand Officers, after which many beautiful flowers and gifts were exchanged.

The next annual session will be held the first Tuesday in October, 1924.

GRAND OFFICERS.

Worthy Grand Matron—Miss Ethel Chellis.

Worthy Grand Patron—Ray E. Gile.

Grand Secretary—Mrs. Helen M. Laflin.

WYOMING.

Twenty-sixth Annual Session, August 20 and 21, 1923.

The Grand Chapter of Wyoming met in its twenty-sixth annual session August 20, 1923, at ten o'clock A. M. in the Masonic Temple, Cheyenne. Past Grand Matron Gertrude L. Dickinson called the Grand Chapter to order. The Grand Officers present were invited to enter the Grand Chapter room. The Worthy Grand Matron, Sister Marie King, and the Worthy Grand Patron, Brother William Pugh, were escorted to the East. The flag was borne to the East by the **Grand Marshal**; *the pledge to the flag* was given; and all present joined in singing "America".

There being a constitutional number of Chapters represented, the Grand Chapter was opened in due form.

Sister Mary Alverson, Past Grand Matron and Grand Secretary of Oklahoma, with thirteen Past Grand Matrons and six Past Grand Patrons of Wyoming, were introduced and accorded Grand Honors.

A cordial welcome was extended to the Past Grands by the Worthy Grand Patron, Brother William Pugh, and a happy response was made by Sister Viola Mechling on behalf of the Past Grands.

Messages of greeting were read from the Most Worthy Grand Matron, Sister Cora R. Franz, and from the Most Worthy Grand Patron, Brother L. W. Grow, and from the Associate Grand Conductress, Sister Media Danielson.

The Grand Representatives present were introduced, escorted to the East, accorded the Grand Honors and welcomed on behalf of the Grand Chapter by Brother John Stausbury, Associate Grand Patron.

Sister Estelle Keyes, Grand Representative of Kentucky, responded on behalf of the Grand Representatives.

Brother John L. Havice, Worthy Patron of Mizpah Chapter No. 36 of Cheyenne, welcomed the Grand Chapter on behalf of the Cheyenne Chapters.

Sister Bertha M. Rousseau, Associate Grand Matron, responded to this welcome.

The Worthy Grand Matron approved during the year a code of by-laws for Newcastle Chapter and approved amendments to the by-laws of nine Chapters. She officially visited every subordinate Chapter in the state. She recommends that subordinate Chapters adhere strictly to the law in regard to visitors. No new Chapters were instituted during the year.

The Grand Secretary reports a total membership in the Grand Jurisdiction of five thousand three hundred and fifty five in the thirty six Chapters, a gain of two hundred and sixty three. The largest Chapter is Oak Leaf Chapter No. 6, with a membership of four hundred and seventy six.

The honor of sustaining the active interest of the greatest proportion of its resident members goes to Gentian Chapter No. 23, fifty eight per cent of whose resident members attend each meeting. The largest percentage of gain was made by Mizpah Chapter No. 36, which shows a gain during the year of fifty seven per cent.

The report of the Grand Treasurer shows a balance of two thousand eight hundred fifty one and 43/100 (\$2851.43) dollars in the Masonic Home Fund.

A beautiful and impressive memorial service was held for members of this and sister Grand Jurisdictions who had passed during the year.

The Past Matrons' Club of Cheyenne entertained the visitors at a reception and a musical program and the Cheyenne Chapters and Blue lodges entertained at a dance.

Sister Inez Robinson, who has served the Grand Chapter as Grand Secretary for twenty three years, retired at this session of the Grand Chapter. "Robin", as she has come to be affectionately called, received many expressions of the high regard in which she is held by the members of the Grand Chapter.

GRAND OFFICERS.

Worthy Grand Matron—Mrs. Bertha M. Rousseau.

Worthy Grand Patron—John Stansbury.

Grand Secretary—Mrs. Vera G. Jones.
