"MISSIONS OF LOVE" SESSION

WEDNESDAY, OCTOBER 28, 1992

FORMAL OPENING OF GRAND CHAPTER

The Golden Hall of the Community Concourse of the San Diego Convention and Performing Arts Center became the court yard of the Mission San Diego de Alcala. The backdrop was the mission and the stained glass windows of the mission had the emblems of our Worthy Grand Matron and Worthy Grand Patron. Bougainvillea vines decorated the Grand Chapter room. In the East was a sparkling fountain and a cart filled with colorful Mexican flowers. Bright gold music notes adorned the ramps which led to the stage.

At 8:30 a.m., all present enjoyed a Musical Prelude by Harriet Ditchey, Past Matron (106), accompanied by Grand Organist Beatrice O'Rear. The California Singing Stars followed, directed by Janet Scinto, Past Matron (346), and pianist Freda Wheeler, Past Matron (367).

Sister June, may we have your address before our Formal Opening this morning.

WELCOME BY HOSTESS

(By June Lucretia Barnum, General Grand Chapter Committee Member and Junior Past Grand Matron)

One day a very tiny seed emerged from a conifer and with the soft wings that were attached, it was wafted downward on the gentle breeze to a spot of rich California earth where the sun warmed it and the rains gave it nourishment to break through its shell. Time passed and that tiny seed sprouted and grew and as the years quickly sped by it developed into a graceful sapling and then into a towering tree of great beauty to be admired by all who beheld it.

One day into the mind of a dedicated Mason there emerged a small idea of a way in which the wives, widows, daughters, mothers, and sisters of Master Masons could join in the purposes of Freemasonry. Brother Rob Morris gently whispered that small thought to some of his Brethren where it fell upon the fertile field of their minds. Warmed by the light of their imagination, fed by the enthusiasm of their ladies, and nourished by the desire of all to promote benevolence, truth and brotherly love, an Order was

developed. As the years rapidly rolled by, this Order grew into a world wide association of great beauty and honor to be admired by all who knew of the Order of the Eastern Star.

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

This is the 119th time that we who have kept the faith in that organization in California have come together to transact our business in an atmosphere of social enjoyment and pageantry. I am grateful to our Worthy Grand Matron for continuing the tradition of permitting the Junior Past Grand Matron to open this formal session and to welcome all of you. As we have thought about, planned for, and traveled to, this "Missions of Love" Session, we have been reminded of the scope and diversity of this state of California to which we owe our allegiance. We love our California and take pride in welcoming our many out-of-state visitors to our fertile valleys, our purple mountains, our grand old ocean and her rugged shore. To everyone present the Grand Chapter of California bids you welcome to San Diego. May all that is done here promote the welfare of our Order.

WELCOME BY HOST

(By Donald A. Hull, Junior Past Grand Patron)

Most Worthy Grand Matron, Most Worthy Grand Patron, Worthy Grand Matron, Worthy Grand Patron, Sister June Lucretia Barnum, our Junior Past Grand Matron and General Grand Chapter Parliamentarian, Distinguished and Honored Members, Sisters and Brothers:

How proud I am to again have the honor of being with my Worthy Grand Matron of 1991, in the Grand East. For this privilege, I would like to express my sincere thanks to our Worthy Grand Matron, Sister Paula Remington.

I would also like to thank our Worthy Grand Matron and Worthy Grand Patron for giving me the privilege of greeting our Fraternal Sisters and Brothers in attendance at this the Formal

"Missions of Love" Session of the Grand Chapter of California, Order of the Eastern Star.

Welcome to San Diego, a major business and tourist attraction area within the southern section of the state. I know that your Grand Chapter Week General Chairmen, Robert and Barbara Svendsen, together with the leadership of Past Grand Matron, Jean Powers, have planned a most delightful experience in beautiful San Diego for you, our Sisters and Brothers, who are our most prized asset within the Order of the Eastern Star.

During this "Missions of Love" Session, I hope that your memories will help generate a new enthusiasm that will be carried back into your local Chapters. Be proud of your prestigious membership within the largest Fraternal Organization in the World. In order that this high plateau may continue, the future of the Order of the Eastern Star in California is placed within your hands. In all that we do and accomplish during this the Session, may it always be for the "Good of the Order."

Always remain positive with an enthusiastic teamwork approach and strive to accomplish those goals that we all want to achieve in life! We can do it! All we need is to continue to be proud of our individual accomplishments and seek new challenges to make our "Way of Life" within the Order of the Eastern Star even better for our future generations to enjoy.

Thank you for inviting me to be your welcoming host. God bless you, and it's wonderful to be back up here again. Thank you.

Paula Remington, Worthy Grand Matron: Sister June Lucretia Barnum, during the years that we have been together in the Grand Line, especially as we traveled as Grand Conductresses, we spent many hours discussing our goals and sharing our dreams for this beautiful Order of ours.

You have always been open with me in discussing the difficult problems that do arise. When I needed research, you found the answer for me. When I needed an opinion, you gave it to me. In

spite of your busy schedule as a lawyer, when I needed a friend, you listened.

We have always agreed in principle, but we have always left our discussions with respect to each other's opinion. I am grateful that I had you as my big Sister, and thank you so much for your welcome this morning.

Brother Don, you and your Evelyn were new players on the block. "Getting to know you" has been a joy. Your work on the pamphlet *"The Eastern Star, a Way of Life"* has been a great asset to our Membership Committee.

Thank you for your greeting to our guests this morning.

Brother Vernon Gordon, my Worthy Grand Patron, may we hear from you.

Vernon L. Gordon, Worthy Grand Patron: Worthy Grand Matron, thank you.

Sister June and Brother Don, I need not reiterate the depth of friendship that has developed between us over the years. That is a fact that is well known to each of us, and it is a force that no outside influence can ever break.

I do appreciate and am most grateful to each of you for your assisting us this morning and getting this Grand Session of the Grand Chapter of the Order of the Eastern Star off to a great and wonderful and traditional beginning.

Thank you so much, both of you, for your participation.

Paula Remington, Worthy Grand Matron: My Sisters and Brothers, it is a joy for me to welcome you to my adopted home of San Diego for our 119th Annual Session of the Grand Chapter of California.

We greet our guests from other Grand Jurisdictions with love and friendship and hope that your time with us is enjoyable for you, because we know it will be for us.

To my members from far and near, thank you for your presence. Faith in our Order brought you here to deliberate in harmony and to return in Love.

Let our light so shine before men that they will see your good works and glorify our Father, which is in heaven.

Sister Grand Secretary, you will read the preliminary report of the Credentials Committee.

REPORT OF THE COMMITTEE ON CREDENTIALS

(Read by the Grand Secretary)

Worthy Grand Matron, at this time a constitutional number of Chapters is represented. For general information the constitutional number is 100 Chapters, which makes a quorum.

Respectfully submitted,
Peg Nelson, Chairman

Paula Remington, Worthy Grand Matron: As there are more than the constitutional number of Chapters represented, we will proceed to open the Grand Chapter.

FORMAL OPENING OF GRAND CHAPTER

Prayer: Francis You, Grand Chaplain: Eternal Father, Ruler of Heaven and earth, and maker of our destiny.

We thank Thee for the many blessings which Thou hast given us this past year. And, for Your helping hand when we needed it. Our travels have been long and arduous, But our accomplishments have been many. This is because You were with us to bring forth to our Sisters and Brothers, the fundamental teachings of our beautiful Order. We pray that we never lose sight of Thy commandments.

As we commence our meditations of our "Missions of Love" Session, we ask a special blessing and prayer for our Worthy Grand Matron, Sister Paula, and our Worthy Grand Patron, Brother Vernon, that You give them the courage, wisdom and

strength, to meet the challenges that will confront them. And in the end, we pray our watchwords, "Faith, Love and Harmony" will forever prevail.

Bless the escorts of our Grand Family. For they, too, share in all our endeavors, our trials, and our tribulations. They are, indeed, our inspirational guidance.

This we ask in Your Holy Name. Amen.

Opening Ode

Your friends are my friends,
My friends are your friends,
From Crescent City
To the Baja border -
From San Francisco
To the Owens Valley
Sisters and Brothers all are we.

This year is my year
This year is your year
We'll serve our Order
Border to border
We'll walk beside them
Counsel and guide them
They'll look to you in '92.

Paula Remington, Worthy Grand Matron: By virtue of the power and authority in me vested as Worthy Grand Matron, I now declare the Grand Chapter of California, Order of the Eastern Star, to be duly opened.

(The Grand Marshal made the proper proclamation at 9:48 a.m.)

Paula Remington, Worthy Grand Matron: Worthy Grand Patron, it is my desire that you preside.

Flag Escort: Sherie Gustafson, Grand Marshal

Flag Bearer: Warren Gustafson (502)

Vernon L. Gordon, Worthy Grand Patron: Sister Grand Marshal, the Guardian Symbol of our heritage, the flag of the United States of America, has remained steadfast as a valiant Sentinel over our precious liberties.

As we view and pay tribute to this priceless emblem, we are reminded of all the treasure that is America.

The vision of our forefathers, the valor of our patriots, the beauty of our land, the freedom to enjoy, and the brotherhood of our people.

These national treasures cause our emotions to swell with pride and should raise a song in the hearts of all Americans.

You will present this cherished banner as a timeless symbol of America, after which you will assist the flag bearer in the escort of the flag to its proper place in the East.

Pledge of Allegiance and National Anthem

"God Bless the USA" sung by Vicki Tam, Past Matron (221)

Paula Remington, Worthy Grand Matron: I want to thank our Past Grand Matrons and Past Grand Patrons who served so beautifully in our opening ceremony. Your love and support over these many years has been most appreciated.

Thank you for the beautiful picture for my memory book that you gave me this morning. It is a beautiful sight to stand here and see all the wonderful faces of our Sisters and Brothers. I hope this time of deliberation will be interesting and inspiring to each of you.

Please remember to come to our Legislative Session this afternoon and take back information you gained back to your Chapters.

At this time it is my pleasure to present Sister Lila Hummel, Parliamentarian during this session.

Sister Lila, we would be pleased if you would present the standing rules for this session.

PRESENTATION OF STANDING RULES FOR SESSION

(By Parliamentarian Lila Hummel, Past Matron (587))

Worthy Grand Matron, Worthy Grand Patron, Honored East, Delegates, and Members of this 119th Grand Chapter:

The following are the Standing Rules of Grand Chapter as outlined in Section II-24, Constitution and Laws, and Robert's Rules of Order, Newly Revised.

1. Addressing Grand Chapter: Every member addressing Grand Chapter shall go to the nearest microphone. When recognized by the presiding officer, the member shall give her or his name and the name, number, and location of her or his Chapter. If speaking to a question properly on the floor, the speaker shall state whether she or he is for or against the question.

2. Limitation on debate: Each speaker shall be limited to two minutes in debate and no member shall speak more than twice on the same question, except members of committees in relation to their reports, without permission of the presiding officer or the Grand Chapter.

3. Motions: All motions shall be seconded and stated by the presiding officer before they be open for discussion or action.

4. Vote required: A majority vote shall determine all questions except as specifically provided.

5. Requesting a ballot vote: Unless a ballot vote has been called, the vote shall be taken by the voting sign of the Grand Chapter, which is the raising of the colored card given out at the time of registration. A ballot vote may be ordered at the discretion of the presiding officer or at the request of five members at the time such question is under discussion, and before the results of the vote has been declared by the presiding officer.

6. Moving previous question: If a member wishes to stop debate, she or he should move the previous question. The motion for the previous question is to stop debate and to call for a vote on the pending question. It shall not be in order unless at least three members have been heard in debate on each side of the question, if they desire to be heard.

7. Call for a division: Any member may call for a division of the question, if the sense of the motion will permit.

8. Moving to lay on the table: A motion to lay on the table is not debatable and when used to lay aside a question temporarily for more urgent business, it requires only a majority vote. If it is used as a means to suppress a question, it may at the discretion of the presiding officer, require a two-third vote.

9. Requests for information: When a member needs additional information on a subject, she or he may rise to a point of information.

10. Parliamentary inquiry: When a member is unsure about the proper parliamentary procedure, she or he may rise to a parliamentary inquiry.

11. Requests for order: If a member feels there has been a rule violated, she or he may rise to a point of order.

12. Appealing the chair's decision: If a member does not agree with the decision of the presiding officer, she or he may appeal the decision of the chair.

Vernon L. Gordon, Worthy Grand Patron: MOTION: Worthy Grand Matron, I move that the report of our Parliamentarian be adopted as the Standing Rules of this 119th Session. *(The motion was seconded.)*
Adopted:

Paula Remington, Worthy Grand Matron: These are the rules that are going to be governing us as we move through our deliberations.

As it is time for the Worthy Grand Matron's Report, Worthy Grand Patron, I would like you to preside.

Vernon L. Gordon, Worthy Grand Patron: Thank you, Worthy Grand Matron.

As we believe that we have had a very exciting and productive year, and it is most difficult to reduce the activities of the entire year to print, it is our duty, however, at this time to present our reports; and I call on you, Worthy Grand Matron, for your annual report.

ANNUAL REPORT OF THE WORTHY GRAND MATRON

(By Paula Remington)

A little over a year ago in the beautiful "Old Mission" setting that we see here today, amid a "Fiesta De Musica" with the Associate Matrons and Associate Patrons, began the year of the Huggin' Crew of '92. We began to feel the excitement ripple through the room as eighteen Grand Officers and seventy-one Deputy Grand Matrons were excited to be on the launching pad for this event. Approximately 380 Worthy Matrons and Worthy Patrons would soon be joining us as their Installations arrived. We were on the verge of a year that would be packed with activities and travel. A year that we would dedicate ourselves to uniting the Family of Masonry by spreading Faith, Love, and Harmony through every Chapter in this long state of ours. We would strive to bring the community to us, as well as taking ourselves out into their activities to make them be aware of the good that our Order does.

When the gavel was placed in my hands by our Distinguished Junior Past Grand Matron, Sister June Lucretia Barnum, I was overwhelmed by the great honor and great responsibility you had placed in my hands; because, with honor of any kind does go responsibility. I have tried to work for the Good of our Order in every instance. It is an erroneous view by our membership that the Worthy Grand Matron is all powerful. This is not so. The Worthy Grand Matron is bound, just as you are by the Constitution and Laws of the Grand Chapter of California. The Worthy Grand Matron is free to make a judgement on the

interpretation of our laws, but she is not free to change our laws. Therefore, if you have been subject to a decision by me or my committees that has seemed to go against what you wanted me to do, please understand that I was bound by one of our laws that required me to do otherwise. As I accepted this emblem of authority, I prayed that by His guidance would I be led to serve our Grand Chapter in this year. My daily prayer has been:

Thy Kingdom come, Lord.
Let The reign of Divine Truth, Life, and Love
Be established in me and
Rule out of me all sin;
And may Thy word enrich the affections of
All mankind and govern them.

I have clung to the fact that Divine love guides us and works in and through everyone of us.

Every Worthy Grand Matron seeks to do for the Order those things that the membership has been requesting - less escort, shorter speeches, meaningful speeches, shorter meetings, instructionals and initiations.

The Worthy Matrons were given the freedom to format their Official Visits in whatever manner was best for the members of their districts. Many chose to have a reception type Official Visit. Many included musical programs which delighted me and our membership.

To the extent that this year has been a joyful one within each of our Chapters, is due to the leadership of the Worthy Matrons and Worthy Patrons under the guidance of our Deputy Grand Matrons. When the leaders are happy and try to bring about harmony and joy within their Chapters, then so it is; and the Chapter does prosper. By the same token, when the leadership is cross or in any way abusive, even a strong Chapter is weakened. We are the result of our own thoughts and actions. We cannot put the blame anywhere else.

DEDICATION: We dedicate this "Missions of Love" Session to the strengthening of Love throughout our Masonic Family. May we function as a unified body - always aiming toward the same goal. Let us be continually reminded that our lives should be lived as "Missions of Love".

Let us love Our Father God so completely - let us love our Eastern Star with such commitment - that truly love guides our every action toward each other in this Grand Session and throughout our lives.

OFFICIAL ACTS: The appointment of ten Grand Officers was a challenge and a joy. These ten people were to be outstanding in their service - not only to their Chapters, but also to the Grand Chapter. They were to be those who lived by their obligation to Love One Another, and to be kind and forebearing one toward another. They had to be people who would not mind extensive travel and tight schedules, and who would roll with the punches when the going got stressful. They had to be happy individuals with a positive outlook on life, who would spread love and fellowship throughout this Grand Jurisdiction, because on top of the installations they would attend and participate in (153 to be exact), 71 Official Visits, 16 Instructionals, 3 Schools of Instruction for the Deputy Grand Matrons and several 75th and 100th Birthday Celebrations. They would be asked to do three special initiations and do their level best to visit some 30 or more Chapters during the year of 1992. These wonderful people never let me down. We always had at least 8 - 10 Grand Officers at every Official Visit and Birthday Celebration and 100% at most of the other functions. This did not include the many social obligations that they fulfilled during the year.

You may believe that they received mileage or a daily subsistence from Grand Chapter. Not so. Their expenses came out of their own pocketbooks. The pay that they received was the love they received from the membership and the joy of fulfilling their commitment to me and to Grand Chapter.

DEPUTY GRAND MATRONS: As I set about appointing Deputy Grand Matrons, I elected to follow, to the best of my ability, the rotation system. I took into account the many recommendations from the Chapters and the Associations. I relied heavily on the Deputy Grand Matron reports from previous years. Because many times I was left wanting an address or a telephone number, we changed the format of that report somewhat. These Deputy Grand Matrons had to be good teachers and be willing and able to work well with our members. They, themselves, should be exemplary examples, well qualified to instruct - properly. She must lead by example. Her personality should be one of caring and understanding so that the members will want to work with her. My Deputies would walk in Faith and Teach in Love. I am extremely proud of all that you have accomplished this year. I know that you like each other and I am so pleased that the members like you, too. Your friendship will always be a treasured gift to me.

To help facilitate my communication with my Deputy Grand Matrons, I appointed Sister Marie Cox as my Chairman of Deputy Grand Matrons. She is also one of my personal pages.

There are not words to express my deep appreciation for all that you have done for me. Thank you, dear friend, for having given so much and for having asked for nothing in return. You have let me be in the limelight as you quietly helped me to do my work. You and your Bud are very special and dear friends to Tom and to me. We love you dearly.

It was by vote of the Deputy Grand Matrons to continue the four associations that had been used in 1991. To split the state

into two or even three groups - still excludes the far North and the far South. I have been delighted with these four Presidents, how well they have worked together, how much they like each other, and the cooperation they have received from the membership. Thank you, Deputy Grand Matrons, for all your hard work, and for all you do for the good of the Order.

It has been a delight to recommend for appointment 23 Grand Representatives to other Grand Jurisdictions. By trying a new format this year, a Grand Representative has been present to give a greeting and to tell something of their Grand Jurisdiction. We have had many interesting talks from those Grand Representatives who were asked to participate in the Official Visits. May each of you continue to find that small world of Fraternal Friendship and spread it near and far. Yours will be the benefit for having made the effort.

SCHOOLS OF INSTRUCTION: The weekend immediately prior to Grand Chapter at the Las Palmas Temple in Fresno was our Deputy Grand Matron's School. In spite of the shortage of housing, in a town packed for five other events, we had a delightful two and one-half days. We were served breakfast and luncheon for two days by Areme Social Club. Tom and I opted to stay with those people who were housed in Oakhurst. We enjoyed the mountain air, and did not mind our 40-minute drive. The consensus of opinion was that everyone was more relaxed and able to concentrate before rather than after Grand Chapter.

I was pleased to have Sister Maybelle Edgar of my own Signal Alamitos-Crown Chapter and my 1962 Deputy Grand Matron to serve as the presiding Worthy Matron. In her efficient way, she handled our schools beautifully. Without the help of my Mother, Maybelle, Tom, and Bud and Marie Cox, we would have come up short for the many details to be covered.

ALL OFFICER INSTRUCTIONALS: Because it was the overwhelming preference of my Worthy Matrons, we scheduled 16 instructionals for the officers and members from 23 of the associations statewide. All of the Grand Officers participated in virtually all of these sessions. They provided not only direct

instruction to all areas of the state, but also an early contact for the Chapter members with the 1992 Grand Family.

INSTALLATIONS: During the month of November and early December, all the Grand Officers were busily assisting in installing their counterparts and others throughout the state. All in all, out of the 380 Chapters in the state, the Grand Officers took part in 153 installations. It was exciting and rewarding for each of us to see the joy in the faces of the membership that we had been able to accept their invitations.

OFFICIAL VISITS: One of the most awesome tasks for an Associate Grand Matron is to plan the itinerary for her year. My special thanks to those members who assisted me in this task. A special thank you to Brother Phil McHale who came to our rescue with his *Word Perfect* to complete my calendar. It was my intent to try to plan the Official Visits in an area of a specific Chapter meeting night to try to cut down on the costs for the districts. It is extremely important for Deputy Grand Matrons to be very accurate on their reports as to size of the temples. When you sit at one end of the state, and try to remember where you were these past five years, you rely heavily on those reports for information and recommendations. Weather conditions, temple sizes, and special requests from the districts all went into trying to work this jigsaw puzzle. We tried to work an area for a certain length of time, and then give our Grand Officers a chance to go home. However, many times this was not possible. My heartfelt thanks to those members and Grand Officers who helped to house their Sisters and Brothers from the far north or the far south, when we could not get home. We attempted to be in an area more than once during the year. In most cases this was possible. When I could not go, Grand Officers were urged to get into that area again to help spread the good word of fellowship. As has been the case in many years, the scheduling did not go as smoothly as I had hoped. I did not give us time to rest, nor myself time to catch up with Grand Chapter business.

Our special thanks for the many courtesies extended to us throughout the state, and for the special concern that each district took to "put their best foot forward."

At the request of the Aims and Objectives Committee and the Grand Conductresses, we arranged for two "pilot" Official Visits. One in the North at District 3, and one in the South at District 52. The results from the questionnaires have been assimilated and are being considered by the Grand Conductresses during the years of 1994 and 1995. The general consensus was that the "New Format" was pleasing to the membership.

I requested that the members be introduced at Official Visits. They are the ones who had worked so hard for the Official Visit. Why could I not meet them?

I asked that none or a very modest carrying piece be provided and that the money usually spent for this be donated to the music department of a local school. Many of the Worthy Matrons presented me a carrying piece similar to those used in their own installation. This custom was very special for me. Others did something relating to the theme of the evening. Almost all of the districts complied with this project. $5,000 were given in the name of the Order of the Eastern Star to various schools throughout our state. They ranged from band projects, choral groups, community concert programs, to handicapped schools and others. I could not have been more pleased with the success of this program and certainly by the generosity of our members. Here was something on a happy and positive note that the Order of the Eastern Star was being connected with. Our children are worthy of our every support.

For those of you that extended Honorary Memberships to me and my Tom, my heartfelt thanks for this magnanimous gesture. We know that this takes the unanimous vote of your Chapter to do this. It is so very meaningful for me to have you want me to be a part of what is so dear to you - your Chapter.

Our projects this year have been Scholarship and Heart Research. Thank you, each one, for your efforts in this behalf. I know that there have been many fund raisers implemented within your Chapters for us to have made the notable mark that has been made. My thanks for your efforts and my compliments on your successes.

September 26	Homecoming	Imperial Valley College Aten Road & Highway 111, Imperial

We were pleased by the presence of many Past Grand Matrons and Past Grand Patrons at our Official Visits. Their continued support is certainly heartwarming to our membership, to the Worthy Matrons, Worthy Patrons, my Deputy Grand Matrons and to the Worthy Grand Patron and to me. These fine people have set a high standard for me to follow. I will do my best to deserve their support.

ANNIVERSARIES: Anniversaries are important events in the history of every Chapter. Because of the very busy schedule that the Worthy Grand Matron sets for herself, she is able to attend few of the 25th or 50th Birthday Celebrations. For these occasions I asked the Grand Officers of the Association Areas to attend on my behalf.

75th Anniversaries: During this Grand Chapter year of 1991-92 the Grand Officers and I attended three Seventy-Fifth Anniversary Celebrations:

Upland Chapter No. 346	October 26, 1991
Yorba Linda Chapter No. 347	February 23, 1992
Joaquin Chapter No. 348	April 18, 1992

100th Anniversaries: We had the pleasure of attending five One-Hundredth Anniversary Celebrations:

Santa Monica Chapter No. 113	January 12, 1992
Carita Chapter No. 115	March 15, 1992
Palm Leaf Chapter No. 114	April 26, 1992
Columbus Chapter No. 117	August 23, 1992
Woodbridge Chapter No. 118	September 13, 1992

To each of these fine Chapters, how very proud we are of you. The theme and the format of each were a little different as well they should be. We enjoyed each one.

VISITATIONS TO OUR EASTERN STAR HOME AND THE MASONIC HOME AT UNION CITY: On December 7, 1991, the Grand Officers together with the membership, visited our Eastern Star Home for the Annual Christmas Party. The Rose Room was decorated with a Christmas tree and everything

was in a festive mood. Gifts were presented, carols were sung and a festive mood prevailed. I continue to urge the Chapters near enough to be involved, to make the effort to spend time with these ladies.

The Official Visit to the Home that was scheduled for May 1st, became little more than a visitation of the Worthy Grand Matron, Worthy Grand Patron and members of the Home Board. This was in the middle of the riots in Los Angeles. I am grateful to the Home Board and Finance Committee members who faithfully arrived at the scheduled time for their combined meetings. This visitation was probably one of the most meaningful to me. The ladies felt that they had been abandoned. Some knew what was going on. They were so glad to see us and to join us in a brief prayer meeting. We left in love and friendship with hearts very full.

In June, we returned to the Home on the first weekend for a Mexican Fiesta. Two delightful days of festivities were had. We tried some new ideas - some worked well - some not so well. We opened the church service to everyone and felt well rewarded for this. Many thanks to our Grand Chaplain for planning this for us. Our Sister Bea O'Rear had carefully arranged a variety of music for our entertainment and enjoyment throughout the two days. Our efforts were well worth the time spent, as we raised $25,600 which will be used to carefully preserve the stained-glass windows and to pay for their safe passage to our new home. Any left-over balance, will go to the refurbishing fund. Much appreciation goes to Sister Selma Harris, Worthy Matron (438) and her hard-working committees for making all this possible.

On August 15 we journeyed to the Masonic Home at Union City. Here under the direction of the East Bay Past Matrons and Past Patrons Association, we met with residents of the Decoto Home. We were entertained with a delightful program by members of the Home. We were pleased that the Most Worshipful Stanley M. Cazneaux and some of his Grand Lodge Officers were present. We later enjoyed the traditional picnic potluck and tours through the Home. At 1:30 we arrived at the beautiful new chapel building where Sisters Pat Quibell and

Dolores Cashion had planned a dedication of the Gerald Cashion windows in this magnificent edifice.

YOUTH GROUPS: We are fortunate to have three very active and worthwhile youth groups. These fine young people are our hope for tomorrow. It is our privilege to work in these organizations and to guide and mold their young lives with the principles of their Orders and our Masonic code of living. I was please to attend both the Northern Conference for DeMolay in Santa Clara on November 29, 1991, and the Southern Conclave in Riverside, August 26, 1992. The week before Easter, on April 12th, the Grand Assembly of the International Order of Rainbow for Girls met in Anaheim. And, on June 26th the Grand Bethel Session was held in Fresno for the International Order of Job's Daughters. Each of these Youth Conferences was charged with enthusiasm for their organizations and for life itself. Such excitement is contagious, and we all came away feeling a bit more exuberant. Let us never underestimate these young people. They understand far more than we give them credit for.

SPECIAL EVENTS: During 1992, our Associations and Chapters throughout the state planned and executed many beautiful, exciting, and certainly delicious events.

I think this shows that this Grand Family went from meal to meal to meal.

We started in February with a J. Clifford Lee Breakfast by Bell Chapter.

March brought the Scholarship Breakfast by Canoga Chapter, the San Diego Country Cancer Dressing Breakfast, which earned $6,000 for this project, East Bay Appointive Officers Breakfast, the Central San Joaquin Event, J. Clifford Lee State Breakfast, the Aebleskiver Breakfast, and the Central Coastal BBQ.

In April, we enjoyed brunch with the Central San Joaquin Past Matrons' and Past Patrons' Association, Kern County Dinner, Orange Belt Spring Luncheon, and the Northern San Joaquin Appointive Officers' Brunch.

In May we enjoyed the uniqueness of the Southern Event at Antelope Valley sponsored by the five Southern California Associations. And, the Northern San Joaquin Elective Officer Brunch, J. Clifford Lee Breakfast, Oakland, the San Francisco Tea, by the San Francisco Association, the Peninsula Event and the San Diego County Old Fashioned Event.

June saw us at our Fiesta where we earned $25,400 for our Home. We also experienced the country style first Northern Event by those several Northern Districts.

July brought forth the Cancer Dressing Silver Tea by the Peninsula Association.

August saw us at the J. Clifford Lee Fish Fry in Gardena, Jam and Jelly Day at the Masonic Home with the East Bay Reception/Dinner Dance in the evening. We supported the Cancer Dressing Stations by a breakfast at Richmond in the morning and the Silver Tea in the afternoon.

Our sincere thanks to all of these dear Sisters and Brothers who work so hard for our Eastern Star projects and who strive to do creative things to bring about enjoyment for our members.

MASONIC FAMILY FORUM: On March 11th, on invitation from Most Worshipful Stanley M. Cazneaux, the Grand Master of Masons in California, I had the opportunity to attend my first Masonic Family Forum meeting held in the Long Beach Scottish Rite Temple. Those present were leaders of most of the appendant and concordant bodies of Masonry in California. The concept of these meetings was to work as a Masonic Family - all toward the goal of increasing our membership and reaching out to the community. I found this idea very exciting. Here, at last, we would try to work together on problems that beset all of us. Here, at last, we would strive to make each side of our "Triangle" strong so that it would stand straight and erect.

VISITATIONS: When the Grand Officers visited in almost all of the 380 Chapters throughout the state, I asked that the Worthy

Matrons invite them to take part in the opening of the Chapter. Many were asked to take part in initiations.

This more intimate approach to our ritual work within the Chapter gave both the Grand Officer and the membership a deeper feeling of fraternal friendship. I have received many letters thanking me for bringing our Grand Officers into their areas. I am so proud of the accomplishments of all the Grand Officers this year. God Bless you each one for being just who you are and for being my friends.

CONSOLIDATIONS: The consolidation of Chapters is much like the marriage of two people. Each bring something to the marriage to add and enhance it. However, as each man and woman in a marriage must have their own individuality and be allowed to work together as well as apart, so is it within our Chapters. The Chapters must want the consolidation enough to be determined to make it work. There must be a melding of the officers and customs of both Chapters - as well the creating of new customs for this new Chapter. I stressed to our Consolidation Committee early on that it is quality and not quantity that is important. Care should be taken to not rush into consolidation. It is a tool, but not necessarily the answer.

If consolidation is entered into with reservation on either side, then the consolidation may likely fail in its purpose of making a strong consolidated Chapter with an expectation of greater longevity. This year there has been a decrease in the number of completed consolidations by about 80%. In addition to those three that are completed, we have three more simmering on the back burner, which would bring our decrease to approximately 60%. To me this indicates careful counseling and thoughtful consideration of all aspects before rushing into something that may be just a stop-gap. My sincere thanks to those members on the committee that have worked so hard.

INITIATIONS: One of our aims this year was to have three initiation classes throughout our state - one in the South, one in the North, and one in the central part of our state. We initiated a total of 28 people into our beautiful Order, 16 from 11 Chapters in the South, 7 from three Chapters in the North, and five from

three Chapters in the Central area of our state. We, the Grand Officers, hope that this was a desirable experience for our membership. We know that for each of us it was a most rewarding experience.

SPECIAL DISPENSATIONS: Throughout this year, there have been many requests for the issuance of Special Dispensations by me. These Dispensations were granted after the verification of the law by the proper committee, or other appropriate authority. In general, these requests were of a routine nature. The one area in which I have felt much concern is those dispensations requesting permission to ballot and initiate on the same night. No Worthy Matron can possibly know the concerns of all of her members regarding a candidate's qualifications to membership. Therefore, it is extremely risky to have your candidate waiting in the anti-room while balloting. On the one hand, pressure may influence the freedom of choice on the ballot; and on the other hand, in the case of rejection, a negative ballot would result in public embarrassment to the petitioner. No doubt it is for these reasons that our constitution specifies that this type of dispensation should be requested only in extreme circumstances. I "recommend" that all Chapters do more advance planning and be more ready to request a Special Dispensation for an additional Special Meeting for the purpose of initiation rather than to seek to ballot and initiate at the same meeting.

TO RECEIVE, AFTER WAIVER OF JURISDICTION, ON ACCOUNT OF RESIDENCE IN ANOTHER JURISDICTION

1992
March
12 Needles No. 242 (6)

BLACK CUBE: The "misuse" of the feared black cube is perhaps the greatest detriment to harmony in our Chapters. I have stressed that knowledge of "immorality" is the only valid reason for casting a black cube. Still, our Chapters are plagued with vendetta or spiteful use of this black cube, which very often causes inharmony and sometimes destruction of the Chapter. It is my earnest hope, that sometime the General Grand Chapter will amend its "landmarks" where it would take three black cubes to discredit a petitioner, thus eliminating the casting of a black cube for petty or unworthy reasons.

DECISIONS: There have been several requests for decisions by me during this year. Since much of what I have done has been submitted as part of our legislation, those "Decisions" should be handled as a separate order of business after such legislation has been accepted or rejected by the membership.

1. There were four requests to receive the petition of a prospective member under the age of 18. Petitions for membership may be received prior to petitioner's 18th birthday, provided however, petitioner must have attained the age of 18 years prior to initiation into the Order.

With the concurrence of the Jurisprudence Committee, I allowed this to happen. My reasoning was that as a mother and Past Matron, I realize that it is often difficult to coordinate student schedules and Chapter schedules and to come out with a workable resolution. I also believe that it is vitally important to get our young people into our Order as soon as they are eligible. True, they may not be an active member at this time, or even eventually in this place; but if they have that membership in the Order of the Eastern Star now, they will eventually honor that tie and become active at a later date. If we do not do this before

they "leave the nest," we run the risk of their not belonging at all. There is pending legislation on this act.

2. Regarding Suspension of Plural Member for non-payment of dues. A plural member suspended in one Chapter for non-payment of dues must be suspended in the member's second Chapter also, even though the membership in the second Chapter is a life membership.

Reason: I am in agreement with the Jurisprudence Committee and their references to our Constitution and Laws. We hope that the Chapter will not allow this member's membership to deteriorate so far as to imperil her Life Membership in her first Chapter.

3. There was a request for a Waiver of Jurisdiction for Affiliation within and without the State of California.

A. Within the State: This was deemed a "housekeeping" matter, because the mileage requirement for those affiliating with Chapters in California was removed in 1986. Legislation pending.

B. Between California and other Grand Jurisdictions: with the concurrence of all members of the Jurisprudence Committee -I allowed members beyond the 25-mile boundary in a neighboring state to become affiliated members of a California Chapter. My reasoning for this is that many of our small Chapters in remote areas near our bordering states are struggling to keep their Chapters alive. If there are members living in another state who frequently attend these California Chapters and would like to become an active member in this California Chapter, so long as there is no prohibition in the state of their residence, I believe they should be accepted as a strengthening factor for that Chapter. There is pending legislation on this item.

4. Membership eligibility of a divorced wife. The status as a widow of a Master Mason is terminated by marriage to a non-Mason and a subsequent divorce from the non-Mason does not restore her to the status of a widow of a Master Mason.

5. Propriety of establishing a Chapter Memorial Fund. A Chapter may not transfer control of its funds and property at any time by establishing a fund for a special purpose or by "ear-marking" the funds for a specific purpose.

6. Requirements to change place of stated meeting. Notice must be given to the members of a proposed change of place of the stated meeting. It must be voted upon by the Chapter and a Special Dispensation obtained from the Worthy Grand Matron.

7. Eligibility of Dual Member for Plural Membership. A dual member in California may not properly petition for membership in another California Chapter without first demitting from one of her/his present Chapters.

8. Use of Star within the Pentagon Emblem. Only present officers of the Grand Chapter and Past Grand Matrons and Past Grand Patrons are eligible to use the Star within the Pentagon emblem.

9. Reviewing Committee. If the Reviewing Committee returns the charges to the members who filed them as insufficient, the members who filed them may within ten (10) days of receipt of said charges, notwithstanding the action of the Reviewing Committee, deposit with the Grand Secretary or the Secretary of the subordinate Chapter, as the case may be, a sum, or post a surety bond, in such amount as may, in the opinion of the Reviewing Committee, be sufficient to defray all expenses necessary or incidental to such trial, whereupon a trial shall be held as herein provided, and all expenses incurred in connection therewith shall be reimbursed by the members filing the charges, either from the money or the bond deposited, or otherwise, except if such charges at the trial be found to be a violation of Sections 901 or 902 and be found to be true, such trial expense shall be paid as provided for in Section 931. Expenses incurred by the Appeals and Grievances Committee pursuant to this Section shall be paid as provided for in Section 931.

Reason: There has been no deadline for the accusers to re-file their charges. This can cause the accused undue concerns

they are kept in the uncertainty of whether the charges will again be pursued.

This act was taken as a decision until such time as now when it would come before the Grand Chapter as legislation.

RECOMMENDATIONS: 1. That a copy of all correspondence referred to the Jurisprudence Committee for a judgement be sent to the Worthy Grand Matron at the same time. In this way, the Worthy Grand Matron is made aware of the problem at its inception. Then, she too has a chance to review it and form an opinion before the decision has been finally given by the Jurisprudence Committee and she is informed after the fact.

APPEALS AND GRIEVANCES: It had been my hope that this year I could say to the members of this committee, that we gratefully did not need you. However, this is not the case. The ink was hardly dry on my Installation as Worthy Grand Matron 'til charges began to fly. In several cases, there was not sufficient evidence, or the charges were in poor form and had to be refiled. This exercise in paperwork, several times proved to be the deterrent to filing charges all over again. This action enabled us to release four people out from under the umbrella of fear and uncertainty. That's the good news. The bad news is that we did have two very destructive trials. Destructive to the character of two women. Destructive to the image of an Order that professes it beliefs in loving one another. Destructive to four Chapters that must live with these decisions or must try to rebuild from within. I would wish that it had not happened, but wishing did not make it go away. Only by the methodical process of the due process of law and order did the ordeal come to completion.

RECOMMENDATION: 1. It is my very strong recommendation, that in this coming year, the Worthy Grand Matron be instructed to appoint, (before the first of the year if possible) a Special Committee to study the possibility of adding a section on Arbitration or Mediation to our Disciplinary Code. At the present, when charges are brought about and the proper course followed, there is little place to go except to trial. There needs to be an intermediate ground where the arbitrator has the power to bring people together and to attempt a compromise between the

accuser and the accused. I sincerely hope that this committee will be active enough to prepare legislation to be brought back and enacted upon at our 1993 Grand Chapter session.

If there is one regret that I have of my actions in 1992, it is that I failed to bring that kind of legislation to this Grand Chapter. If you or your Chapter have never been involved in any small or large way in the trial process, you cannot imagine the emotion upheaval that it brings about on everyone. This cannot be good for our Order.

2. To the members of this great Order: Act to bring peace to your Chapters. Do not react to pettiness and anger. It is far easier to Smile, to Hug, to Forgive in an atmosphere of Harmony and Love, than it is to try to mend the damage you have done when you lash out in anger, in vicious gossip, or cruel acts.

If we would follow the Golden Rule as our Ritual instructs to do - If we would live that obligation we have all taken - as our Ritual instructs us to do - If we would believe in God and His infinite goodness and guidance, then this Order could not help but grow. This is our challenge, my Sisters and Brothers. This we must do.

WORTHY GRAND MATRON'S
CARRYING PIECE PROJECTS: Since 1987, the Worthy Grand Matrons have had a special project in leu of an elaborate carrying piece. We have had toys for children in hospitals, books for school libraries, monetary gifts to our Scholarship Fund, and trees to rebuild our forests and lands. This year, since music was a part of my emblem and a very important part of my life, I asked our Districts to find a needy music department or entity in their area that they could contribute to in the name of the Order of the Eastern Star. The budget for any kind of music in schools is usually the lowest one to be had, and therefore, anything we might give them would be appreciated. I have been intrigued and overwhelmed at the variety of things you have done. You have contributed to band trips, buying instruments, given substantial assistance to a college choral group, contributed to a community concert music program, donated to a school for the blind and aided the handicapped children along with many, many more

within the public school music programs. Some of you have had special fund raisers to raise these monies, and other have used what was in their budget. Regardless of how much or little you did contribute, we have donated approximately $5,000 to music projects in 1992. I think that is fantastic. I am so very proud of you.

HANDS ACROSS THE BORDER: During this year we have extended our Fraternal Friendships by joining our neighboring states in several hands Across the Border events. The first of these was April 9th and 10th with our Nevada Grand Officers as we combined the Official Visit in Needles with a journey to Las Vegas for the Official Visit of Jean Love, Worthy Grand Matron, and William Farraw, Worthy Grand Patron. On May 22nd and 23rd, we shared the Official Visit of District 71, El Centro, with the Grand Officers of Arizona, and then journeyed to Yuma, Arizona, for the Official Visit of Yuma Chapter No. 14 by Betty McAuley, Worthy Grand Matron, and Don McCormick, Worthy Grand Patron. On July 25th in Laughlin, we greeted these two states - Nevada and Arizona - in a delightful evening of fun and fellowship. All this has brought us very close to good friends. (Travel does make for a "Small World" when one discovers that the Nevada Grand Organist is a Past Matron of my home Chapter, and the Grand Chaplain of Arizona is the mother-in-law of our nephew.)

CONCLUSION: It is important for me, at this time, to recognize and to thank the members of my Chapter, Signal Alamitos-Crown in El Centro. Their tireless efforts, their support, their love, and their countless hours of work have been a blessing to me. They have hosted receptions for me in my Grand Marshal year, in my Grand Conductress year, and my Homecoming Weekend just last month. But beyond these public, activities, these wonderful Sisters and Brothers have completed many individual tasks to help me accomplish all that needed to be done. Thank you, Signal Alamitos-Crown Chapter. These have been your years also.

A special thank you, also, to the members of my District and to the members in San Diego County. You have adopted me and worked unselfishly. Thank you also.

A very special and individual thank you to Sister Maybelle Edgar. She is not only one of the constant and continuing movers in our Chapter, but she has been my personal secretary these past two years. Thank you, Maybelle. Your service and your commitment have been a blessing and my constant help. Thank you.

Finally, thank you, the Grand Chapter of California for the opportunity to serve as your Worthy Grand Matron. This year has been a joy to me. As I have extended my efforts, my friendship and my love, you have responded in kind with your love and with renewed efforts to display the goodness of our Order to each other and to your communities. Your loving efforts have strengthened our Order and enhances it's image. Thank you.

Vernon L. Gordon, Worthy Grand Patron: Thank you, Worthy Grand Matron, for your very comprehensive report of our activities for the last year.

I would invite all of the members to peruse the proceedings once they have been printed and review the part of our Worthy Grand Matron's message that was not presented here today.

Worthy Grand Matron, it is my desire that you resume your authority.

Paula Remington, Worthy Grand Matron: Thank you, Worthy Grand Patron. May we have your report, your annual report, at this time.

ANNUAL REPORT OF THE WORTHY GRAND PATRON

(By Vernon Gordon)

Before I begin my report, I would like to make an announcement; and I give this announcement for the benefit of our Grand Secretary.

Sisters and Brothers, as many of you know, the gavel that the Worthy Grand Matron used this morning in opening this 119th Session of our Grand Chapter was presented to her by me at our Installation just last October.

The gavel that I presented to her was used by me when I presided over the legislative portion of the Grand Lodge of California as I served as their Grand Master of Masons in California and Hawaii.

This morning, with special consent from our Worthy Grand Matron, she permitted me to use another gavel. This gavel was used by me during the opening of the Grand Lodge of California in October of 1980.

Sister Grand Secretary, it is my desire that this information be included in and made a part of the proceedings of this Grand Chapter.

Thank you, Worthy Grand Matron, for that privilege.

Worthy Grand Matron, Most Worthy Grand Matron, Most Worthy Grand Patron, Distinguished and Honored Members, my Sisters and Brothers:

The Eastern Star Year of 1992, in California, has reached its terminal growth, and whether or not it has made even the smallest contribution to the welfare of humanity can only be judged by He who created the world and all things therein. All others can only speculate.

Each of you, my Sisters and Brothers of this Jurisdiction, made it possible for me to occupy the high office of Worthy Grand Patron in California, and to each of you I tender my heartfelt thanks. It is not possible for me, in the short span of this report, to express to Sister Paula Remington the full measure of my appreciation for the confidence she placed in me by permitting me to serve with her during this year of "Let Divine Love Guide Us." Sister Paula you have been the perfect lesson in the practice of faith, and the unerring example that it is our inescapable duty to try in every way to be worthy of our immortal

and eternal heritage. The lives of Sister Mae and I have been richly blessed by the spirit of "Family" that has developed through our association with you and Brother Tom, and it is our prayer that it will continue until time shall be no more.

To the officers and members of the constituent Chapters, as surely as man proposes and God disposes, the ultimate success of our efforts rest with each of you. Your action or non-action, will determine the future course of this great Order. In the end, it will be as it should have been in the beginning, that each of us will have to do our own thinking and come to the realization that as members of this Fraternal Family we stand as leaders of a renewed trend toward the restoration of individual responsibility.

It is my belief that there is a God-given reservoir of idealism available to each member of this Order, and it is heartening to reflect upon the interest and enthusiasm that has been put forth from the members during this past year.

MEMBERSHIP: In spite of all of the positive signals we have received this year we have still heard the never ending cry of declining membership, and with some justification if you are content to deal with numbers. It should be pointed out, however, that every Chapter that has a declining membership had exactly the same number of members on its rolls at another point in time. That it was on a course of growth at that time is incidental. The fact is, it had enough members to accomplish its Fraternal purpose then, and given the same numbers it should be able to do the same today. It is a matter of attitude.

On the subject of membership, the voting members of the 1990 Grand Chapter Session, by an overwhelming majority, adopted a Resolution to petition the General Grand Chapter to modify the general regulations that pertain to membership eligibility. It is my duty to report to you as to the disposition of that Resolution.

On April 29, 1991, I received a letter from Sister June Lucretia Barnum, then Worthy Grand Matron, appointing me to a five member committee charged with the responsibility of implementing the action taken by the 1990 Grand Chapter

Session. The Committee met, and subsequently drafted two separate Resolutions to be presented to the General Grand Chapter Session of 1991. One dealt with expanding the scope of recognition of the family of a Master Mason, and the other dealt with recognition of majority members of Job's Daughters and Rainbow for Girls as eligible petitioners to the Order of the Eastern Star. Each was directed specifically to the Membership portion of the General Regulations contained in the Ritual Book, on page 161.

Sister Paula Remington, a member of the Committee, in a most timely manner contacted the Right Worthy Grand Secretary of the General Grand Chapter to verify the deadlines for submitting such legislation. She was assured that due to the nature of the proposed amendment, it not dealing with Ritual, needed to be presented to the General Grand Chapter Office not later than thirty days prior to the Triennial Assembly. These instructions were followed by your Committee.

We were, however, confronted with a different set of rules at the Triennial Assembly, in November, 1991, at St. Louis. The Chair, to its convenience, deferred all legislation on the above subject to the "eleventh hour" of the Assembly for its consideration. As each of the proposals were presented, on the advice of the Jurisprudence Committee, the Chair systematically ruled them to be out of order based on the language contained in Chapter XI of the Bylaws of the General Grand Chapter. The thrust of this Chapter is that all proposed amendments, alterations or additions to the Ritual may only be considered every nine years, and further that such proposed amendments must be presented to the several voting entities at least three months prior to the date of opening the General Assembly.

It was the contention of the majority of our Committee then, and still is today, that the application by the presiding officer, of Chapter XI to our proposals to modify the General Regulations was to misconstrue the intent of our legislation, and an expansion of Chapter XI beyond the scope of its authority.

It is true that the General Regulations referred to are contained in the Ritual Book, however, any effort to construe that language

to be a part of the Ritual is, in my view, erroneous. To reach such a conclusion one must further concede that the history of Dr. Rob Morris, on page 7 of the Ritual Book, is also a part of the Ritual. Such, however, is not the case. Each of us who were involved in this issue are professional enough and mature enough to accept defeat on a "level playing field," however, to be defeated without benefit of playing the game is a stunning and bitter Fraternal experience.

INSTRUCTIONALS: Some of the most gratifying moments of this year were those in which we dealt with instruction. My Masonic history was built around, and evolved from, the system of Fraternal Ritual.

The Deputy Grand Matrons' School of Instruction and the two brush up schools in the North and South, afforded me a new insight into the Ritual of the Order of the Eastern Star. These Instructionals prompted me to become involved in and give attention to all phases of the floor work, as well as the spoken word. I am convinced that I now have a more complete understanding of our Ritual, and thus, I have become a better member.

At the beginning of the year I reviewed our 1992 Calendar in order to prepare my mind as to the schedule confronting us. At once the sixteen All Officer Instructionals seemed to jump out at me from the pages of the calendar, causing me to comment, both publicly and privately, that such a schedule could neither be beneficial nor cost effective in an already crowded calendar. How wrong I was. The standing room only attendance, the enthusiasm, the participation of the members and their grateful comments completely overwhelmed me. I commend the Worthy Grand Matron for her wisdom and foresight in including this activity on our 1992 schedule. I am not certain that it would be equally successful if held every year, however, I would certainly recommend that it be considered for alternate years.

OFFICIAL VISITS: The Official Visits to the several Districts can certainly be a positive influence on ones ego. The manner in which we were received, the many courtesies extended to us, the reaffirmation of old friendships and creating the new, the gifts

that were presented and the genius of some of the presentations caused us to feel far more important than we really are, but we loved it. Due to the nature of my business I was not able to attend all Official Visits. I did, however, attend an overwhelming majority. In all, I visited sixty-one Districts as well as an exchange Official Visit in Yuma, Arizona, with the Worthy Grand Matron and Worthy Grand Patron of Arizona, and an Official Visit to our Eastern Star Home. To the Deputy Grand Matrons, the Officers of the Chapters, and most importantly to the members, I extend my sincerest expression of gratitude for all of the work, preparation and planning in order to make each Official Visit unique from the other.

HONORARY MEMBERSHIPS: Many of our Chapters honored Sister Mae and I with Honorary Memberships, which were very highly regarded and most gratefully received. It is our earnest hope to return to many, if not all, of the Chapters during the months and years ahead. We treasure each of those courtesy memberships, however, we feel no less a part of the Chapters who do not elect to present Honorary Memberships. We believe that we have established roots in every Chapter in this Jurisdiction, and that our membership in the Order will grow in relation to the growth of each of your Chapters.

CHAPTER ANNIVERSARIES: Our 1992 Grand Chapter calendar was highlighted by eight Chapter Anniversaries, some for more than a century of service to their respective community. To each of these Chapters we extend our sincere congratulations for promoting and preserving our beautiful Order, through countless political and economic storms, and we express our earnest hope that future societies will be blessed by your presence.

Due to business conflicts, and my responsibilities previously pledged to DeMolay, I was only able to attend four of these historic events. I do beg the understanding of the others and hope that my presence was felt in spirit.

FUND RAISING EVENTS: There were eight separate fund raising events sponsored by Chapters or Associations throughout our Jurisdiction, and it was most gratifying to witness the dedication, devotion and caring hands of the many members of

our Order who work tirelessly, often without recognition, on behalf of our charitable projects. To each of you, let it be not supposed that you have labored for naught, nor spent your strength in vain, for your work must surely receive the most cordial approbation of your Creator, and your recompense is with Him.

EASTERN STAR HOME FIESTA: The Fiesta at the Eastern Star Home, on June 6th and 7th of this year, produced a tremendous outpouring of talent and commitment to purpose, and as a result it deserves to be rated as one of the most successful of a series of successes. To the Minutemen of California, under the Chairmanship of Brother Gus Wade, I am deeply indebted to each of you, on behalf of myself and all the Worthy Patrons of 1992, for the professional and efficient manner in which you operated the "Mexican Food booth." Having observed and informally calculated the expense of preparation, the cost of lodging and travel, the value of personal time and the incidental expenses involved, I am convinced that we expend two dollars individually in order to raise one dollar collectively. I suppose, however, that this may be the nature of all charitable endeavors.

MINUTEMEN: At the beginning of the 1991 Grand Chapter year it fell upon me to create an emblem of office representative of the goals I had laid out for my two years of duty. After much deliberation, I came up with a design that embodied several symbols of our Fraternal Family. In it we find the star, the square and compass and the all-seeing eye. At the three angles of the triangle, however, you will find the hour glass, the plow and the liberty bell. In addition to other things, each of these emblems relate to the importance of time in our lives.

I stated to each of the Worthy Patrons that if we were to fulfill our assignment in the coming months we should utilize the brief time allotted to us to the height of our ability. It was further requested that each should pledge an average of at least one minute of every hour of each day to a Masonic thought, purpose or deed. The collection of these minutes would represent a minimum of 146 hours of dedication to our Fraternity, over the course of the year. A combined total of all members of our Association would produce 61,320 hours or 2,555 days. Thus, we

could accomplish during our term, by the judicious use of one little minute, that which the most dedicated Mason would require 28 years to do. Each of the Worthy Patrons accepted this challenge and, behold, we became the **Minutemen**. Each of these great Masons have respected the **Values** established for us throughout the history of our Masonic Family. Each have maintained a **Vigilant** watch to preserve and protect it. And each have displayed a **Vision** for a great future that will bring glory to the past and the present.

RECOMMENDATIONS: For years I have been suggesting that our entire Fraternal Family should examine itself from within in an effort to determine the source of our attendance and membership problems. I have also suggested that it may not be necessary to change what we are doing, but, it is possible that we need to change the way we are doing some things. It is my recommendation that each of you engage yourself in an exchange of dialogue with the general membership, listen to their thoughts, and then inundate our Aims and Objectives Committee with your creative ideas as to ways to find a new course of action for our Order, consistent with its purpose.

At the 1991 Annual Communication Brother Don Hull, then Worthy Grand Patron, recommended that consideration be given to the creation of an "Executive Committee" composed of the Elective Grand Line Officers and the Chairman of the Aims and Objectives Committee. This concept could have several benefits for our Grand Chapter. It could provide an advisory council for the Worthy Grand Matron to use as a sounding board when considering those issues that have a long and lasting impact on our Jurisdiction. It could also provide a panel to which the Worthy Grand Matron might confide on matters of utmost confidence, and receive input as to the best resolution, in the highest and most beneficial interest of the members in particular, and the Good of the Order in general. Lastly, it is also a means by which the succeeding Line Officers may be kept informed, in a timely manner, of those issues that may continue from one term to the next. The formation of such an "Executive Council" does not require action by this Grand Chapter, rather, it can be created by a memorandum of understanding by each succeeding Worthy Grand Matron. It may be said that the calendar of events does not provide time for such an activity. If this is true and if the social activities of this Grand Chapter take precedence over proper administration, then that is a whole other subject that should be addressed by the delegates of a subsequent Annual Communication. It is my recommendation that the incoming Grand Line Officers review that portion of Don Hull's report, on page 136 of the 1991 Proceedings, and make it a high priority agenda item for discussion and possible consideration.

At the beginning of this report I advised you as to the disposition of your 1990 Resolution to General Grand Chapter, regarding the expansion of the eligibility requirements for membership into our Order. It is my judgment that having failed in our efforts at the Triennial Session of General Grand Chapter, in 1991, your 1990 Resolution, by its own language, has run its course and, thus, there is not now an instrument in force by which any member, or group of members, can purpose to represent our Grand Chapter on this subject at the next Triennial Session of the General Grand Chapter. Therefore, it is my recommendation that some member of this Grand Chapter must prepare and present a Resolution to our 1993 Grand Chapter delegates, with specific language as to what should be presented and who should present it at the next Triennial Session of General Grand Chapter, on behalf of the Jurisdiction of California. All of the above is moot, however, if it is not the desire of California to pursue the matter further.

During the course of 1991-92, I became aware of what appears to be a glaring deficiency in our priorities of recognition member achievements. I speak of the manner in which we present the 75 Year Bar to our 75-Year members. The current practice is that the Grand Secretary mails the emblem to the Secretary of the Chapter, or to the Worthy Matron at her request, after which it is presented to the member, sometimes with little or no ceremony.

The disparity I spoke of a moment ago is the high priority we place on the recognition of, and the attendance of Grand Chapter Officers at, individual Chapter Anniversaries. Yet, no special effort is put forth to recognize members who have served the Order for three-quarters of a century.

We offer a special ceremony, which involves nine Chapter Officers and consumes three pages of our Instruction Book, for members who affiliate with another Chapter. Yet, we have no ceremony for members who have served this Order for more years than the total life span of many others.

I will admit that we do not attempt to pattern our activities after the Grand Lodge of California. However, by contrast, the

Grand Master schedules each 75-Year Presentation of his itinerary and presents a diamond studded pin, using a special ceremony for the purpose. A noble effort of recognition for a noble record of achievement. Are their 75-Year members more deserving than ours? I think not.

It is my recommendation that the incoming Worthy Grand Matron give special assignment to the Aims and Objectives Committee to study and develop a meaningful system for honoring these, our most devoted members. It is hoped that the Committee wound report its findings to the Grand Chapter in 1993, supported by legislation if necessary.

ACKNOWLEDGEMENTS: To the Members of La Sierra Venus Chapter Number 555, it is not within my power of expression to adequately convey to each of you the full measure of my gratitude for the kindness, love and support you have extended to me. It is no small degree of responsibility for a Chapter to have a Worthy Grand Patron, or any other Grand Officer, from its ranks, but, you have responded to the call in a most demonstrative and Fraternal manner.

To the Grand Chapter Officers of 1991-92, God has given me life, the ability to love, the power to think, the desire to achieve and He has also blessed me with the spirit of family. Each of you in your own unique way have become a part of my family and I shall always be grateful for the many times, by your presence, you have caused my internal awareness of God's love to overcome my external weaknesses.

To the Deputy Grand Matrons, Grand Representatives, Grand Chapter Committee People, Worthy Matrons and Worthy Patrons, Grand Escorts and Officers and Members of our constituent Chapters, when I say "I give thanks to the Order of the Eastern Star" it is to you my words are directed, because individually and collectively you are the Order of the Eastern Star.

CONCLUSION: It is fitting that I should dedicate a separate portion of this report to my loving wife and companion, Sister Mae. It was by her love, understanding and influence that I was converted from a vagrant youth who had run away from home, to

a person of family values, love of country, respect for society and a keen desire to be accepted in each of these prerequisites to a happy and successful life. I cannot adequately express my appreciation to her nor my love for her. Let me just say very simply, she is truly the "Wind Beneath My Wings."

I wish I were gifted with the foresight and wisdom to look ahead on the road we shall follow in the years immediately before us and tell you now how we can avoid those pitfalls and the by-paths which we are destined to endure as we progress into the new century. However, I can say to you with the utmost confidence that if we use the following examples as "Lamps to guide our feet," and as "Landmarks to point the way" we shall not stray too far or fall too hard. Hear these words:

> To believe that if we fail to consider innovations in the manner in which we do things, is to turn our backs on the wisdom of the past and a violation of our trust for the future.
>
> To believe in and submit to the patiently and carefully taken decisions of the majority.
>
> To believe that we are our Brother's keeper - not only because moral law and fraternal precept say so, but because it is the dictate of our own conscience.
>
> To believe that there is a higher law which governs our lives, and that the way to understand it is to ask for and receive the guidance of Almighty God.
>
> To believe that our beautiful Order has the resolve to move calmly and successfully on to an unending future, and then my Sisters and Brothers ... and then to support those beliefs by putting them into our daily practice and cause them to happen.

This week will bring to close a glorious year for me. I am now "passing by." If, in passing by during the course of this year, I have helped in some small measure to brighten the mirror of our Order in California, then I am satisfied. It is my belief that

our great Fraternal Family does brighten the mirror of the Holy Writings, wherein we are told:

"And what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God."

My Sisters and Brothers, this Order is in your hands, and your hands are guided by a power that surpasses all understanding. Look well to the future as you follow the Star.
Accepted:

Paula Remington, Worthy Grand Matron: Thank you so very much, Worthy Grand Patron, for that outstanding report.

Sisters and Brothers, we thank you for your endurance.

Each year we look forward to the Annual Report of our Grand Secretary.

Sister Diane Silva, I'm grateful to you for all the assistance you have given me this year. You pushed me when I needed to be pushed, and you were always ready to help me. I could not have had a more cooperative person in your particular position. Thank you, dear friend, for all your help. I do appreciate it.

May we have your report at this time.

ANNUAL REPORT OF THE GRAND SECRETARY

(By Diane Silva)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Delegates, Sisters and Brothers:

Another year has passed and I am again presenting my annual report for the 13th time to the Grand Chapter of California. This has been a year of Faith, Love and Harmony led by our Worthy Grand Matron, Sister Paula, and Worthy Grand Patron, Brother Vernon, their Mae and Tom and the 1992 corps of Grand Officers. I look back upon reflection and remember the many happy hours we have spent together.

I shall look forward to the new year with Mary and Ed and Gene and Barbara and their corps of enthusiastic Grand Officers and will expect to continue the happy relationships that I have had in the past.

The office of Grand Secretary has many responsibilities and they are listed in the Constitution and Laws. That book does not include the many phone calls, the questions, the letters I receive from concerned members regarding the operations of our Chapters, from the Line Officers and the Secretaries of the Chapters. We are pleased that the Grand Chapter office is available to answer and help with their questions.

It has been our pleasure and duty to work with the various committees of this Grand Chapter and each has extended the office the utmost courtesy in the performance of their duties. Each fund or committee of Grand Chapter is dependent upon the Grand Chapter office for assistance. It may be in the form of checks written, questions answered, reports filed or, the monthly closing of the accounts of that particular fund. Each of these activities take a percentage of the time of the employees of the Grand Chapter office and I hope the delegates will appreciate the time required when considering the legislation.

Alot of legislation is devoted to the per capita that maintains the Grand Chapter office, the budget and the sources of revenues available to the Grand Chapter office. Stop and think of how many Scholarship applications are sent from the office and acknowledgement of donations and memorials and the entering of money into each of our funds. We have kept track of our time and one half of the employees of the Grand Chapter office spend their time on taking care of the activities and balancing the accounts of the Eastern Star Homes, the Benevolent Fund, the Endowment Fund Committee, the J. Clifford Lee Memorial Cancer Fund, the Memorial Cancer Dressings Stations Fund, the Mileage Fund, the Scholarship Fund, the Convention and Mileage Fund, the Marguerite Rennie Cancer Fund. If this fee is not charged to these funds, it will have to come from an increase in the per capita or from an increase in the items which we now supply free of charge, such as a roster, a proceedings, a 50-year or 75-year pin. The items that are now purchased at an amount

just above cost, will have to be increased to an amount that will cover the deficiency. The services that the Grand Chapter office now offers to these Committees will have to be done by the various committees, such as acknowledgment of donations and memorials to the funds, requests for services from the funds and information available to the Chairman of each of these funds. If you do not vote for the increase in the per capita, the Chapters will be burdened by paying for the difference in the budget. The 1% or $5,000 from each fund, will not take care of the problem.

From the reports of the 368 Chapters, I wish to submit the following membership report:

Of these members 6,055 are Life members due to 50 years of membership, 365 are residents of charitable Homes, 1,255 are remitted for inability to pay.

Which leaves 74,557 members on whom dues and fees are paid to Grand Chapter.

This is a lost in membership of 4,252. More important, it is a loss of revenue at $1.50 per member of $6,378.00 to the Grand Chapter office.

The Grand Chapter office was happy to issue 592 50-year pins and certificates; 9 75-year guards and certificates which our Worthy Grand Matron presented, 178 Rob Morris Awards and 480 Service Award Certificates to 186 Chapters.

No Grand Secretary can do all the work that is required by herself and I am appreciative of the fine members of our Order that assist me in the performance of my duties. It is a joy to work and travel with our Grand Treasurer, Sister Sheri Weisser. I appreciate the loyalty and support of Lorraine Bode, Ruth Huelse, Helen Kirkpatrick, Mary Kay Bowser, Shirley Orth and our newest employee, John Vanderby and thank them for all their efforts on behalf of the Order of the Eastern Star. Lorraine Bode and Helen Kirkpatrick will be leaving the positions as of December 31st and we are looking for able assistants to fill their positions.

I am always appreciative of the love and respect I receive from my husband, Albert. He has allowed me to perform my duties to the best of my abilities and with his continued support and encouragement, I look forward to serving our Order. His love and friendship is the fuel that keeps me going.

We cannot listen to the TV or radio without being reminded of the up coming political event. They tell us about trickledown economics, the need for trust and the growing need for change. Let us take a good look at our Order. We have trickeldown economics, the need for trust and the growing need for change. Whether we are Democratic, Republican or Independent, we have to take a good look at our Order. We have a need to raise taxes, in the form of per capita. We must increase the aid to our members, by making available the resources of our various funds and we must be there when our members need our help.

Each of you at this convention, will be required to vote for the Good of our Order, for the Good of our Chapters and most importantly for the Good of our Members. It might cost us some

money, but we cannot get what we want without paying for it. No one likes new taxes, new per capita, but we must be realistic and realize that we have to support our Order and our Chapters. In service and in devotion, we have an obligation in support to this Grand Chapter in its endeavors to succeed.

Dr. Rob Morris said "If this Order is worth anything, it will live." And I have faith in each of the members of the Order in California, that they will support this Order and it will live and continue to be an Order we can be proud of belonging to and proud to invite our friends to be a part of this Order of the Eastern Star.

Yes, my Sisters and Brothers, it is time for a change and the only one that can make that change is you. Now let's go out and do it.

Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Sister Diane.

You really have been busy, and we appreciate all that you do; we really do.

We will have the report of our Grand Treasurer, Sister Sheri.

Sister Sheri, you have always answered my questions, complicated as many of them were, in trying to explain many of your duties to me. We appreciate all of the work that you give to our Grand Chapter and this jurisdiction, and could we hear your report at this time.

ANNUAL REPORT OF THE GRAND TREASURER

(By Sheri Weisser)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Delegates to this 119th session of the Grand Chapter of California, Sisters and Brothers:

Thank you for the honor of serving as your Grand Treasurer this past year. I have enjoyed attending many of the Official

Visits of the Worthy Grand Matron and Worthy Grand Patron, the receptions for the Grand Officers and Deputy Grand Matrons, the schools and instructionals and many of the social events on the Worthy Grand Matron's calendar. These "extracurricular activities" are often the only contact I have with the Treasurers of the subordinate Chapters and I enjoy meeting with them. I appreciate all that they do for me. Thank you, Treasurers, for your service to your Chapter and to our Order.

Since 1979 the office of Grand Treasurer has been a working position. The Grand Chapter office is open Monday through Friday from 9 AM to 4 PM. I work in that office, along with the Grand Secretary and six staff members. Three members of this staff work part time. This past year the accounting department, which consists of the Grand Treasurer and the bookkeeper, received and processed over 9000 receipts and processed and paid nearly 4000 invoices. We also issued over 1000 mileage and compensation checks for the annual session. I also attended the meetings of the Home Board of Trustees and the Finance Committee.

In March we hired John Vanderby as the Data Processing Supervisor, relieving me of those responsibilities. John is the Worthy Patron of Crystal Springs Chapter and has been an asset to our staff. What a relief it was this year to not have to worry about the annual reports and to know that John and Mary Kay "had it under control." Thank you both for a job well done and for getting the annual reports processed in time for the auditors.

My thanks to Lorraine Bode, our bookkeeper, for her work and continued support this year. Lorraine has worked in the Grand Chapter office since 1974 and we will miss her when she retires at the end of this year. Lorraine, our best wishes on your retirement. We appreciate the love and devotion you have given to the Grand Chapter and to the Order of the Eastern Star. Thank you (and Brother Wayne) for all of your service.

Sister Diane Silva, our Grand Secretary, we have enjoyed another year of traveling and rooming together. Thank you for your friendship.

I, with the other employees, really work for two companies - the Grand Chapter of California and the Eastern Star Homes of California. The combined assets of these two companies exceed $25 million. We truly are a "big business." To many of you working in the Grand Chapter office may appear to be a glamorous, easy job. While we all enjoy working for you, we really do operate as a business office in performing the work of the Grand Chapter. If any of you have questions about what we do or how we do it, I hope you will feel free to ask me, the Grand Secretary or our Finance Committee. We are here to serve you.

During the month of August, the firm of Lindquist, von Husen and Joyce audited the books of the Grand Chapter and the Eastern Star Homes. Each of you were given a copy of those reports at the time you registered.

A special thank you to Mary Kay Bowser - an employee of our office, a Past Matron of my Chapter, my Page, and best of all, my friend. Thank you for all that you do for me. It is truly appreciated and I'm glad I have a friend like you.

Worthy Grand Matron, Sister Paula, and Worthy Grand Patron, Brother Vernon - Thank you for this special year of Faith, Love and Harmony. It has been my pleasure to travel and serve with your "Huggin' Crew of 92". They truly epitomize the lesson of Electa, "That We Love One Another." May our friendships continue to grow as the years pass.
Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Sister Sheri. You are a very dedicated person and very knowledgeable in many areas, not only of our finances but of our Constitution; and we appreciate all that you do for our Grand Chapter.

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statements of assets, liabilities and fund balances of the Grand Chapter of California, Order of Eastern Star and the various funds of the Grand Chapter as of June 30, 1992 and 1991 and statements of operations and changes in fund balances for the years then ended. These financial statements are the responsibility of the Grand Chapter's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of the various funds of the Grand Chapter of California, Order of Eastern Star as of June 30, 1992 and 1991 and the results of their operations and changes in fund balances for the years then ended in conformity with generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying data contained on pages 2, 3, 6, 7 and 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

GRAND CHAPTER OF CALIFORNIA
ORDER OF EASTERN STAR
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 1992 AND 1991

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Organization:

The Grand Chapter of California, Order of Eastern Star is a California nonprofit unincorporated association which promotes and practices Charity and Fraternalism.

Method of Accounting:

The financial statements are maintained on the accrual basis of accounting under which revenue is recognized when earned and expenses are recorded when incurred.

Revenue Recognition:

Contribution and per-capita revenue from chapters are recognized as income on their assessment date, June 30. Donations and memorials are recognized as revenue when received. Bequests are generally contingent on the occurrence of future events and are recorded as income when received.

Grants and Scholarships:

Grants and scholarships are recognized as a liability and expense when awarded.

Investment Valuation:

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the fiscal year and securities traded in the over-the-counter market are valued at the bid price (see Note 2).

Inventory of Supplies:

The inventory is stated at cost and is valued on first-in, first-out (FIFO) basis.

Furniture and Equipment:

Furniture and equipment are stated at cost and are being depreciated on the straight line method over the following estimated useful lives:

Furniture	10 years
Equipment	5 years

When furniture or equipment is sold or otherwise disposed of, the cost and related depreciation are removed from the account and any gain or loss is recognized in income.

Services:

Services donated by a large number of people are important to the activities of the Grand Chapter of California. The financial statements do not reflect the value of these donated services.

Income Taxes:

There is no provision for Federal or California taxes on income as the Grand Chapter of California has been granted exemption from Federal income tax under Section 501(c)(8) of the Internal Revenue Code and has no unrelated taxable business income.

The Grand Chapter of California investment policy conforms to Section 73(7), Constitution and Laws, Grand Chapter of California, Order of the Eastern Star.

NOTE 2 - INVESTMENTS: (Continued)

During 1989, the Scholarship Fund, Insurance Fund, Heart Fund, Future Home Site Fund of the Home, Benevolent Fund and the General Fund pooled monies and collectively purchased investments. This investment pool is carried on the statement of assets, liabilities and fund balance of the Benevolent Fund. In 1991, Membership Fund monies were pooled with General Fund monies. This investment pool is carried on the statement of assets, liabilities and fund balance of the General Fund.

The net investment earnings of the pools are allocated to the various funds, based on inter-fund balances due to or from the funds. Only realized investment gains or losses are allocated. Unrealized gains or losses, attributable to market value fluctuations, are carried as a part of the Benevolent Fund and General Fund balances and are allocated upon realization.

NOTE 3 - DUE TO/FROM OTHER FUNDS:

For the most part, inter-fund receivables and payables arise from the General Fund's receipt of income and payment of expenses on behalf of other funds. The inter-fund receivables and payables are temporary balances and change upon actual transfers of cash.

NOTE 4 - LEASES:

The Grand Chapter leases office space under a long-term noncancellable operating lease agreement expiring in 1996. Rent expenses for years ended June 30, 1992 and 1991 were $37,990 and $30,324, respectively. Future minimum payments under the remaining term of the lease are as follows:

1993	$ 40,680
1994	43,110
1995	45,600
1996	47,400
	$ 176,790

NOTE 5 - INVENTORY:

The Endowment Fund receives personal property from residents entering the Eastern Star Home. The property is recorded at fair market value upon receipt. The Fund held no property for sale at June 30, 1992. At June 30, 1991, a home, valued at $145,756, was held for resale.

NOTE 6 - RESIDENT LIABILITY:

At times, certain residents of the Eastern Star Homes are entitled to a refund, should they elect to leave the Homes. A resident of Eastern Star Homes since December 1990 is scheduled to leave the Homes in July 1992. The total assets the resident assigned to Eastern Star Homes plus subsequent receipts of social security and pensions less per diem and expenses associated with the sale of the resident's home amount to $82,304. This amount will be paid to the resident during the next fiscal year.

NOTE 7 - RESTRICTED AND UNRESTRICTED ENDOWMENT FUNDS:

The Endowment Fund was established to provide funds for the support of Eastern Star Homes of California. Section 460 of the Grand Chapter Constitution requires transfer to the unrestricted Endowment Fund an amount by which the Homes Operating Fund exceeds $250,000. There were no required transfers as of June 30, 1992 and 1991.

Principal and income of the unrestricted fund balance are to be used for the benefit of the Homes. The income but not the principal of the restricted fund balance is also to be used for the benefit of the Homes. During 1992 and 1991, the Grand Chapter transferred bequests totaling $149,102 and $278,707, respectively, and unrestricted fund balance of $379,945 and $91,344, respectively, to the Eastern Star Homes of California to supplement operations of the Homes.

Endowment Fund net investment income transferred to the Homes in 1992 amounted to $660,609, as compared to $686,757 in 1991.

Details to the changes in the restricted and unrestricted fund balances during 1992 and 1991, follow:

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statements of assets, liabilities and fund balances of the Operating, Future Home Site, Home Sale Project and Property Funds of the Eastern Star Homes of California as of June 30, 1992 and 1991 and the related statements of revenues and expenses and changes in fund balances for the years then ended. These financial statements are the responsibility of the Eastern Star Home's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Eastern Star Homes of California as of June 30, 1992 and 1991 and the results of its operations for the years then ended, in conformity with generally accepted accounting principles.

As discussed in Note 10 to the financial statements, the Operating Fund of Eastern Star Homes of California changed its method of accounting to recognize the obligation to provide future services and the use of facilities to current residents effective June 30, 1991.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying data contained on pages 5 to 9 and 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The land on which the buildings of the Eastern Star Home are located was received as a gift. The book value of the land was established by the Board of Trustees of the Home in 1956. The buildings and other property recorded on the books prior to July 1, 1977 are stated at values determined by the Board of Trustees of the Home. All additions of property acquired after June 30, 1977 have been recorded at cost and transferred from the Operating Fund to the Property Fund. The property is being depreciated on the straight line method over the following estimated useful lives:

Land improvements	10 years
Building improvements	5 and 10 years
Furniture, fixtures and equipment	5 and 10 years
Automobiles	5 years

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Property: (Continued)

When property is sold or otherwise disposed of, the cost and related depreciation are removed from the accounts and any gain or loss is recognized in income and any cash is transferred to the Operating Fund.

Services:

Services donated by a large number of people are important to the activities of the Eastern Star Home of California. The financial statements do not reflect the value of these donated services.

Income Taxes:

There is no provision for Federal or California taxes on income as the Eastern Star Homes of California is an exempt nonprofit corporation under IRS Code Section 501(c)(3) and has no unrelated taxable business income.

Refund Policy:

Certain residents of the home are entitled to a refund of the unexpended portion of their contribution to the Endowment Fund of the Grand Chapter of California, Order of Eastern Star should they elect to leave the home. No liability for any refund obligation under existing life care contracts is recorded herein since such refunds would be paid by the Endowment Fund.

Endowment Fund Subsidy:

The assets of the unrestricted Endowment Fund are available to subsidize the operating deficits of Eastern Star Homes. Transfers of funds from the Endowment Fund are recorded to the extent they are required to subsidize the cash operating deficit of Eastern Star Homes. At June 30, 1992 and 1991 the statement of revenues and expenses reflects transfers of $379,944 and $91,344, respectively.

NOTE 2 - INVESTMENTS:

Future Home Site Fund records include a Market Valuation Account which represents the differences between the original carrying basis of the securities and their respective market values. The change in the valuation balance results from dispositions of securities as well as changes in market values. Gains and losses on securities sold during the year are computed from the carrying value basis.

Following is a schedule showing the Eastern Star Homes of California Future Home Site Fund's carrying basis, market values, market valuation accounts and the changes in the market valuation accounts:

	Carrying Basis		Market Value		Increase (Decrease) in Market Value
	6/30/92	6/30/91	6/30/92	6/30/91	
Future Home Site Fund:					
Cash equivalents	$ 55,198	$ 45,318	$ 55,198	$ 45,318	$ -
Bonds	100,125	98,719	106,344	100,125	6,219
Total	$ 155,323	$ 144,037	$ 161,542	$ 145,443	$ 6,219

The Eastern Star Homes of California investment policy conforms to Section 73(7), Constitution and Laws, Grand Chapter of California, Order of the Eastern Star.

NOTE 3 - OBLIGATION TO PROVIDE FUTURE SERVICES:

Applicants for admission to the home are required to make a contribution (advance fee) to the Endowment Fund of the Grand Chapter of California, Order of Eastern Star. In exchange for this contribution, Eastern Star Homes agrees to care for the residents for the remainder of their lives. The Endowment Fund recognizes its contribution income in the period that the contribution is made since that fund has no obligation to provide future services.

Eastern Star Homes has recorded a liability for its obligation to provide care for the residents for the remainder of their lives. The obligation is calculated by estimating the cost of providing care and the use of the facilities over the remaining lives of the residents less estimated cash revenues before any subsidy transfers from the Endowment Fund. The liability has been discounted by five percent to reflect net present values. This liability amounted to $3,385,696 and $3,454,775 as June 30, 1992 and 1991, respectively. The change in the obligation from year to year is shown on the statement of revenue and expenses.

NOTE 9 - RESTRICTED FUNDS:

As of June 30, 1992 and 1991 restricted funds consisted of:

	1992	1991
Residents' accounts	$ 11,478	$ 13,573

Worthy Grand Matrons' Project Fund	60,054	61,017

Total restricted funds	$ 98,768	$ 83,414

NOTE 10 - RESTATEMENT OF 1991:

The 1991 financial statements have been restated to reflect a change in accounting principle regarding the obligation to provide future services (See Note 3). Previously the cost of providing services to the residents was recognized as incurred. The effects of this restatement follow:

	As originally stated	As restated
Unappropriated fund balances (deficit), June 30, 1990	$ 399,327	$(2,991,056)
Excess (deficiency) of revenue over expense for the year ended June 30, 1991	(69,837)	(134,229)
Transfer - net	57,591	57,591
Unappropriated fund balance (deficit), June 30, 1991	$ 387,081	$(3,067,694)

NOTE 11 - OPERATING FUND DEFICIT:

The unappropriated fund balance of the Operating Fund has a deficit balance in excess of $3,000,000 at June 30, 1992 and 1991. This deficit was created by recording the obligation to provide services under life care contracts. As described in Note 3, the operating Fund does not receive the advance fees paid by incoming residents which go instead to the Endowment Fund. Management of Eastern Star Homes believes that any sale of the home will generate a gain sufficient to eliminate this deficit.

Paula Remington, Worthy Grand Matron: We had to sort of get our act together, and those delegates that are leaving, we hope you will remain for a little bit longer, because we need to listen to our Board of Trustees and Brother Wildman's report.

REPORT OF THE BOARD OF TRUSTEES OF THE EASTERN STAR HOMES OF CALIFORNIA

(By Warren W. Wildman, Past Grand Patron, President)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, the Delegates to this Grand Chapter Session, Sisters and Brothers:

I am honored and deem it a great pleasure to be able to present the members of the Board of Trustees of our Eastern Star Home, who have served our Home through a very busy and changing and challenging year.

Sister Paula Remington, Worthy Grand Matron, Brother Vernon Gordon, Worthy Grand Patron, Sisters Lila Hummel, Vice President, Barbara Campbell, Past Grand Matron, and Brothers Elston McGinty, Pat DeTomaso, Phillip Brooks, and Thomas McKinney. Sister Diane Silva, Grand Secretary, and Sister Sheri Weisser, Grand Treasurer, ex-officio members serve the Board as the corporate Secretary and Treasurer. We all were deeply saddened in the early part of the year when Brother Melvin Aldershof suddenly passed away with a heart attack. At the time of his death, he was serving as Vice President of the Board, as well as Chairman of the Budget Committee and also a member of the new site and new Home Committee. Our Worthy Grand Matron appointed Brother Thomas McKinney, a most qualified Brother to serve the remainder of the year. Brother McKinney must stand for election at this Grand Chapter Session.

The Board has moved forward following the direction of you, the delegates for the past four years, to sell our present Home and build a new Home on twenty acres of land in a central location of California. It was to be close to good transportation facilities and in an area in which necessary staffing would be readily available.

A site has been purchased on Herndon Avenue in Clovis, which is adjacent to the City of Fresno. It is a flat parcel of land just under 20 acres. All utilities are readily available and it is located just across the street from the Clovis General Hospital. All clearances have been obtained from the Clovis City Council, Planning Commission and the licensing agency and all will be in readiness when and if the sale of our present home closes escrow in December. The Architects conceptual drawings which were submitted to the City of Clovis for preliminary approval are on display in the outer area for your viewing. Do stop by and see them. Board Members will be in attendance to answer your questions.

In accordance with Section 469 of our Constitution and Laws, we are happy to report to you that during the past year we have maintained the physical plant of our present Home in good repair and to the best of our knowledge, no code violations exist at the present time. Due diligence will be maintained to see that the Home is free of defects at all times. During this year the nurse's call system failed and all new wiring was required at a total cost of some $55,000.00.

During this fiscal year only 12 applications for residency were sent to requesting Chapters of which nine were withdrawn and three were investigated and approved for residency bringing our total number of residents to 57.

It is the recommendation of the Board that potential residents visit the Home prior to seeking admission and many feel that the rooms are too small and they don't like to share bathing facilities. With a new facility these objectional concerns should not be a problem for potential residents.

At this point in time, we are in a holding pattern to rebuild waiting for the buyer who has until December 20, 1992, to exercise their purchase option or forfeit their deposit. With the economy being so bad at this time and availability of money to build being almost non-existent, we are faced with the fact that should the buyer not proceed with the purchase of the Home property we will be required to proceed to solicitation of back up offers. Real estate values have dropped and we must face the

reality and be prepared to accept a reduced sale price if we are to proceed with building a new facility.

Perhaps each of us should stop and ask ourselves whether or not we really should be in the "Home" business. With rising labor costs, availability of employees, rising utilities, food and other essentials costs, we find ourselves in the fifth straight year when expenses have exceeded revenue and by an ever increasing amount. To close the deficit, we must look to increased revenue, therefore, we will be asking the delegates to approve increased assessments for this fiscal year. All of this at a time when our membership rolls are decreasing. Your Board has a committee, chaired by Sister Barbara Campbell looking into the possibility of granting non-residential assistance to our needy members rather than admission to our Home. The cost would be far less than Life Care in the Home.

Increasing governmental regulations continue to add to our cost of operations. For example: change in reserve funds, change in auditing and accounting methods and immunization of all the employees for hepatitis, just to name a few.

The items set forth in the 1991 Auditor's Management Letter have been corrected by the necessary changes in procedure and assignment of duties.

Increasing difficulties have been experienced by the Administrator in hiring licensed and qualified employees to fill vacancy in staffing. Costly ads are placed in newspapers and other media for recruiting purposes.

The minutes of the Home Board Trustee's meetings are accurately recorded and the financial transactions have been audited and we are appreciative for the services rendered by Sisters Diane Silva, Grand Secretary and Sheri Weisser, Grand Treasurer. They have been most helpful to the Board and we thank them sincerely for all their efforts.

To Mary Lou McElroy, our Home Administrator, who in spite of all the many problems which come her way, rises to the occasion and takes care of it. This could entail filling in as cook

in the kitchen, duties of head nurse, payroll, or whatever. We are so fortunate to have the services of Mary Lou and our thanks to her will never be big enough. If each of us would but for one day walk in this Sisters shoes, we would soon realize the service she gives to our Order.

Our sincere appreciation to our Worthy Grand Matron, Sister Paula A. Remington and Brother Vernon Gordon, Worthy Grand Patron, we express our gracious thanks for all the personal dedication and love you have shown for our Home through your regular attendance at the Board Meetings and your counsel at other times. Each of you have truly assisted and blessed our efforts for a truly and friendly Home in which our guests can feel secure and never know a want.

Each of us thank you, the delegates for affording us the opportunity to serve our Order in this most important Corporate Office.

Accepted:

Paula Remington, Worthy Grand Matron: Sisters and Brothers, if you will be patient for just another minute, we do have to consider our budget for the Eastern Star Home.

Warren Wildman, Past Grand Patron, President, Board of Trustees, Eastern Star Home: Sisters and Brothers, in developing the proposed budget for the fiscal year ending June 30, 1993, inquiry, investigation and various analyses of historical data were used. The principal tool was historical analysis.

The proposed budget provision is for a deficit of $219,842. Adding back depreciation, which would be a non-tax expense, reduces the deficit to $150,000.

It should be noted that the expenses of the Home for the five years ending June 30, 1991, have been fairly stated. The only areas of greater than average change are general and administrative expenses and insurance. Payroll and payroll-related expenses represent 54.5% of budget cost. The investment income from the Endowment Fund is in the area of $1,080,000 budgeted for net investment income.

Various tools were used to guess what investment income might be. In these volatile times, however, of interest rates being the primary tool of the Federal Reserve Bank to stimulate the economy, banks' more stringent lending, and a depressed real estate market, the possibility of error is high.

Based on a trendline analysis of reduction in membership over the past six years, it is estimated that membership will be 83,504 for the budget period, with an estimated 7,543 members of life membership, members in the Home, and others, resulting in a net per capita assessment income of $179,542.

The amount used for the budget is $180,000.

The first step in returning the amount of investment income is to estimate the balance in the Endowment Fund; and because of transfer balances between the funds, the analysis based on the combined fund balances is based on the weighted average change in the balance over six years, ending February 1992. It was estimated that the fund balance would increase at the rate of 7.32%.

MOTION: I move the adoption of the proposed budget of the Eastern Star Home for the fiscal year July 1, 1992 to June 30, 1993. *(The motion was seconded.)*

Warren Wildman, Past Grand Patron, President, Board of Trustees, Eastern Star Home: My Sisters and Brothers, by the adoption of the budget that you just adopted, you heard me indicate that there is a deficit in this budget. We thank our visitors, our General Grand Chapter people. We appreciate their presence, and we will look forward to escorting and honoring them in the great California manner this evening.

Closing: The Grand Conductress attended at the Altar, and the Worthy Grand Matron declared the Wednesday Morning Session of the Grand Chapter of California called from Labor to Refreshment, to reconvene at 7:30 p.m.

"MISSIONS OF LOVE" SESSION

WEDNESDAY, OCTOBER 28, 1992

INFORMAL OPENING OF GRAND CHAPTER

At 7:00 p.m. all present enjoyed a Musical Prelude by Dorothelle Fites, Past Matron (178), followed by California Singing Stars, directed by Janet Scinto, Past Matron (346), and accompanied by Freda Wheeler, Past Matron (367), pianist.

FORMATION

The Deputy Grand Matrons, Grand Representatives, Grand Pages, Grand Officers and Guards formed a guitar surrounded by a heart.

(Written by Kathryn Lauppe (48))

In the courtyard the fountain's shimmering light beckons, as the preparation for the Spanish gala fiesta reigns. Let us enjoy this moment, the minutes and the seconds. Let us join our Worthy Grand Matron and Worthy Grand Patron who anxiously await, as our triumphant "Missions of Love" Session begins.

Marichis . . . . Dancing
Worthy Matrons and Worthy Patrons of California

The beauty of the courtyard, and the happy dancers engender thoughts of the historical Spanish influences we possess:

The faith Queen Isabella of Spain demonstrated five centuries ago, as she funded an unknown explorer, who unintentionally found our New World!

No vision, and you perish;
No Ideal, and you're lost
Your heart must ever cherish
Some faith at any cost.

As Father Junipero Serra journeyed by foot into Upper California from Mexico, he founded the missions that represent the colorful beginnings of our golden state of California. These missions were a stable foundation for the turbulent settling of a wilderness, and have become a reminder that peace and dignity were sought by men and women in California from its inception. The founders let Divine Love Guide Them.

His gift was Love - His mission, Release
His promise, Life - His legacy, Peace

From harmony flows music and as Mazzini said, "Music is the harmonious voice of creation: An echo of the invisible world: One note of the divine concord which the entire universe is destined one day to sound."

Spain has gifted the world with its national musical instrument, the Spanish Guitar, and the world renowned guitarist, Andres Segovia.

We appreciate the graceful lines of the Spanish guitar, as our Deputy Grand Matrons come forth to form this lovely instrument. The essential strings are formed by the Grand Representatives, as they flow into place. The frets producing the proper pitch, and the sound hole reinforcing the sound vibration, are made by the Grand Pages, completing our guitar.

Soon, the music notes the musician creates, will be in place, as our 1992 Grand Officers enter.

Our Worthy Grand Matron and Worthy Grand Patron have found that Music Is Always In Their Hearts, as it is in ours. Faith, Love and Harmony, our Missions of Love Session.

On behalf of our Worthy Grand Matron, Sister Paula Remington, and our Worthy Grand Patron, Brother Vernon Gordon, it is my privilege and honor to welcome our delegates and members to this 1992 "Missions of Love" Session.

Brother Bob, few can really understand or know the tremendous responsibility that is involved in chairing a Grand Chapter session such as this, unless, they too, have walked the path you have trod these many months in preparation for this time.

The amount of hours and effort given has been endless, as you coordinate all the plans of the Grand Chapter Week Committees, and the many people participating to produce a successful Grand Chapter.

You have given of yourself unselfishly, willingly, and patiently, to make this "Missions of Love" session a reality.

Paula Remington, Worthy Grand Matron: Sister Jean Powers, our Past Grand Matron, could we have your welcome at this time.

ADDRESS OF WELCOME

(By Jean Powers, Past Grand Matron)

Worthy Grand Matron, Sister Paula W. Remington, Worthy Grand Patron, Brother Vernon L. Gordon, Most Worthy Grand Matron, Sister Virginia M. Painter, Most Worthy Grand Patron, Brother Ray G. Osborne, Past Most Worthy Grand Matron, Sister Thelma Bailey, Distinguished and Honored Members, Sisters, Brothers, and Friends:

It is indeed an honor to have been selected to extend a loving welcome from the members of the State of California. To our many visiting dignitaries, and honored members, and to all who

have chosen to attend this 119th Session of the Grand Chapter of California, Order of the Eastern Star.

Sister Paula, thank you for this honor.

The theme, "Missions of Love" chosen by our Worthy Grand Matron for this session, is an extension of her ideals of Faith, Love, and Harmony, that have prevailed throughout this past year.

It was a special honor, and joy when Sister Paula and Brother Vernon learned that our Most Worthy Grand Matron had included California in her first year's itinerary.

We are most honored, by your presence, Sister Virginia and Brother Ray, along with your wife, Louise, and husband, Robert, that you have given of your time to spend several days with us, and want you to know, this greeting of love and welcome is from all the members of California.

Many of our Past Grand Matrons, and Past Grand Patrons who are assuming various General Grand positions, from throughout the world are with us, and you each one are most welcome. We are justly proud of our own Sister Ferne Hammond, Worthy Grand Organist, and Sisters Patricia Quibell, and June Lucretia Barnum, along with Brother A. Leroy Covey are serving as General Grand Committee Members.

We welcome also, the Distinguished Officers and Committee Members of other Grand Jurisdictions, and rejoice that you are here, and part of our "Missions of Love" session.

When Worthy Grand Matrons and Worthy Grand Patrons of other jurisdictions come to visit, we greet them with open arms. Your attendance here makes this session for Sister Paula and Brother Vernon a gala occasion.

Most of our visiting Past Grand Matrons and Past Grand Patrons have experienced the exaltation of their Grand Chapters and are appreciative, when we say, we are delighted you are here. Welcome.

"Mission of Love" the chosen theme of this session, brings to mind, days of long ago, when the Spanish influence was more prominent relating to the hospitality heritage of California.

In pastoral days, with ranches and rancheros, separated at great distances, from one another, the padronos loved to have visitors.

He greeted them with a welcoming smile in his eyes, a firm friendly handshake, and love in his heart. He loved to have guests to join his bounty. The key to the gates were given to the visitor. parties and fiestas were organized.

The guests may stay one day, or as long as they pleased, and, when the guest left, he was offered a new mount for their safe journey.

True, we have lost some of the material gifts, but have not lost the spiritual. The welcoming smile in the eyes, the firm handclasp, and the love in our hearts.

And so it is today, our Distinguished Guests, we greet you, and hope that you return again to this land by the blue Pacific.

To our Most Worthy Grand Matron, Sister Virginia Painter, and our Most Worthy Grand Patron, Brother Ray Osborne, as you continue on with your three-year adventure, the love and best wishes of your California members goes with yo.

It is hoped that you will also take with you, our Faith in the future of this order, our Love for all of our Sisters and Brothers and our Hope of Harmony throughout the world of Eastern Star.

On behalf of our California Grand Chapter, and our Worthy Grand Matron, and Worthy Grand Patron, i again extend to each one present this evening, a warm and loving welcome.

Brother Bernard Seamans, Host for the evening, we would be pleased to have your greeting.

GREETING BY HOST

(By Bernard R. Seamans, Past Grand Patron)

Worthy Grand Matron, Worthy Grand Patron, Sister Thelma Bailey, Past Most Worthy Grand Matron, General Grand Chapter Officers, Distinguished and Honored Members and Guests, Delegates to this 119th Grand Chapter Session, Sisters and Brothers;

Worthy Grand Matron, thank you for permitting me to bring greetings to all of our guests and our Sisters and Brothers to this Informal Opening of our 119th Grand Chapter "Missions of Love" Session.

Sisters and Brothers, I wish to pay tribute to our Worthy Grand Matron, Sister Paula Remington, and our Worthy Grand Patron, Brother Vernon L. Gordon. Only those who have served in these capacities can fully appreciate the demands made by these high offices upon the time, energy and patience of their incumbents. Our fine leaders have fulfilled all obligations with great ability, dignity and consideration for all.

The time spent here by all in attendance is to rededicate ourselves to the principles of our Order as well as to conduct the business of Grand Chapter and enjoy the Pageantry and Social Affairs.

I extend a sincere welcome to our many Distinguished and Honored Members and Guests. We are pleased to share in honoring you who have distinguished yourselves by service, whether it be to our Order through other Masonic activities or by Civic endeavors.

To all of our delegates, I would urge you to attend all of the sessions and exercise your vote for the good of our Order. Do listen to the pros and cons as the legislation is being presented and considered. May this session be one of much Love and Harmony.

Thank you and keep smiling.

Paula Remington, Worthy Grand Matron: Thank you, dear ones, for your kind and inspiring words. We're so privileged to have you with us to begin this Informal Session. I well remember the "It's a Beautiful World" Session in 1988, when I was your Grand Marshal. We had all traveled this beautiful world of California from one end to the other.

You have been my friends and mentors from the very first. Never have I felt alone. You have known what needed to be done and seen that it was carried through. The success of that beautiful session is due much to the fine guiding of your hand. Thank you for your presence here today.

Vernon L. Gordon, Worthy Grand Patron: Sister Jean and Brother Bernie, we are so pleased that you would take this time to come and help us share in the joys of this Annual Session of the Grand Chapter of California. Both of you, with your calm demeanor, tend to be what everyone needs; and thus I believe that each one of us will relax at this moment and just thoroughly enjoy this evening. We do thank you once again, and God Bless both of you.

INVOCATION

Thomas Remington, Past Patron (276)): Great God, our Heavenly Father, we pray to Thee in a spirit of fulfillment and gratitude this evening. Our lives are fulfilled because we are able to assemble once again at this Grand Chapter Session in outreach and friendship.

Tonight we pay tribute to receive and to greet our friends with whom we have met on so many diverse occasions; and since we know Thee as our Father, we must know each other as Sisters and Brothers.

Join in the commitment of our bond of fraternity and love for each other. We ask for little more as we meet to express our gratitude for the good of our community, which has led us into the Order of the Eastern Star and the Masonic way of life.

We are grateful for having knelt at the common altar and for the awareness of the need for love and for goodness one for another.

We are grateful for the loving and inspired leadership of our Worthy Grand Matron and Worthy Grand Patron and our Most Worthy Grand Matron and Most Worthy Grand Patron.

We ask only Your wise counsel for the direction of our lives in every act of our lives. Amen.

FLAG TRIBUTE

(By A. Leroy Covey, General Grand Chapter Committee Member and Past Grand Patron)

The emblem of our nation's glory, conceived in freedom most Holy. It waves for freedom and for right, that men are equal in God's sight. Fostered in spirit by freedom's call, our fathers' gave their lives their all and consecrated this to you the Flag of Red, of White and Blue.

Paula Remington, Worthy Grand Matron: By virtue of the power vested in me as Worthy Grand Matron, I declare this Grand Chapter of California, Order of the Eastern Star, called from Refreshment to Labor for Informal Opening.

(At 8:50 p.m. the Grand Marshal made the proper proclamation.)

Paula Remington, Worthy Grand Matron: We have many Canadians with us this evening, and we would like to present their flag along with the Mexican flag.

PRESENTATION OF FLAGS

Flag Bearers:	**Canadian:**	Olive B. Wilson, Grand Representative of the Grand Chapter of California in British Columbia
	Mexican:	Eloise Celaya, Deputy of the Most Worthy Grand Matron to Mexico

Paula Remington, Worthy Grand Matron: The Canadian flag is a symbol of peace to our northern border. It is presented by a member of our Canadian delegation. Let us sing "Oh, Canada" as the flag comes forward.

(Singing of "Oh, Canada")

Our Mexican flag, with its red, white and green, is a symbol of the peaceful Brothers at our other border. It is presented by

Sister Eloise Celaya, Deputy of our Most Worthy Grand Matron to Mexico.

Thank you, my Sisters, for doing this for us this evening.

The bill in Congress will tie our nations even closer together, and we are on the one border, and we reach to the other. We thought it was appropriate to honor you this evening. Thank you.

Brother Bob Svendsen, you and your Barbara have done a fantastic job in planning for our enjoyment here in San Diego. Ever since you told me "yes," you have pulled out all the stops to do everything and more than I ever hoped for.

When we first talked of housing people here and in the Valley and of trying to do some shuttle service, you did not know how it would all come together.

I congratulate you and your Barbara for being willing to work with our team and bring this to fruition. I am tremendously pleased with everything thus far, and I'm sure it will continue.

My thanks for all you have done, and good luck for the rest of the Session.

Brother Leroy Covey, as member of our 1979 Family, our hearts are deeply moved by your tribute to the flag, which was written by Lloyd Ellis Griffin, who was a Past Grand Patron from San Diego. It was only fitting with the Session here that this would be our tribute at this time and place. Thank you most sincerely for doing this for us.

Sister Earlynn Albright, the Director of our Informal Opening, thank you so very much for your dedication and love in doing this. You have been a true friend and a loyal supporter all year, and I thank you, wherever you are, Sister Earlynn, for the floor work and for all you have done.

RESPONSE TO WELCOME

(By Elizabeth "Betty" McAuley, Worthy Grand Matron, Arizona)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worthy Grand Patron, General Grand Chapter Officers and Committee Members, Distinguished Guests, Sisters and Brothers;

Thank you, Sister Paula, for the invitation to respond to the gracious welcome that has been extended to your Distinguished Guests.

We hope this has been a year of rewarding and wonderful experiences filled with many happy memories. You and Brother Vernon have served our Order with gracious dignity as Worthy Grand Matron and Worthy Grand Patron.

We thank you for the hospitality and friendship being shown to us and wish for you a very successful and harmonious "Missions of Love" Session.

Sister Paula, I have enjoyed the friendship we have been privileged to share these past few years and thank you again for the honor you have extended to Arizona and me.

Now, on behalf of the Distinguished Guests present this evening, I have the pleasure of presenting our love gifts to you and Brother Vernon as a token of our affection.

Paula Remington, Worthy Grand Matron: Thank you so much, Sister Betty McAuley, our Worthy Grand Matron of Arizona, for giving this response for our Distinguished Guests.

We have been good friends for about three years or more. We have shared many plans and a few tears along the way. It was only fitting that it should be you that made these remarks this evening. Thank you so very, very much.

It is the wish of our Most Worthy Grand Matron to be allowed to greet the membership on the night of our Informal Opening.

It is my very great honor to present to you Sister Virginia M. Painter, Most Worthy Grand Matron of the General Grand Chapter, Order of the Eastern Star. Sister Virginia, could we have your greetings at this time.

ADDRESS

(By Virginia Painter, Most Worthy Grand Matron)

Worthy Grand Matron, Sister Paula; Worthy Grand Patron, Brother Vernon; Most Worthy Grand Patron; Past Most Worthy Grand Matron, Sister Thelma; General Grand Chapter Officers, and especially Sister Ferne; General Grand Chapter Committee Members; Past Grand Matrons and Past Grand Patrons; Members and Sisters and Brothers of the Grand Jurisdiction of California:

It is a delight to be here once again in the beautiful State of California. I have a very special place in my heart for California, for I was privileged to live here for two years just prior to my retirement, and at that time had the opportunity to visit many of

the Chapters and attend many of the functions of the Grand Chapter.

So it is especially pleasing to me to be able to be here today to renew those acquaintances and to see those I have missed seeing in the past few years.

This opportunity to visit so many of your Chapters was really through the graciousness of your very own Past Grand Matron, Past Most Worthy Grand Matron, Sister Thelma. Sisters and Brothers, it was a wonderful opportunity for me to be able to spend extra time with you, as we had a chance to visit together and to travel together.

I knew you were a great lady long before that, as I served on the Trustees when you were Most Worthy Grand Matron, and the love that your membership here in California has for you certainly extends far beyond the borders of the State of California, for you are loved throughout the Eastern Star world, and I wish to thank you personally for what you have meant to me and what you mean to the members of the Order of the Eastern Star.

It is a delight to see you again and to be with you here in your own dear California and see the members' love for you, which we also share.

I was especially pleased this evening to be able to have you see the General Grand Chapter family. We are here in a very good number, most of the electives and all of the appointives, except one. I'm very proud of each one of them; and we especially are here to honor Sister Ferne.

Sister Ferne, I was so pleased when you were able to accept the invitation to serve as Worthy Grand Organist. You are a delight to know, and we enjoy whenever you can be with us, and that is very often, for which we are thankful.

I am certain I speak for each of the girls who are here tonight -- they are so happy to be here in your home -- and to the members of the Grand Jurisdiction of California, I know I need not tell you how pleased we are to have Sister Ferne as one of us.

She probably will not travel as much in California in these three years, but she's having an opportunity of meeting many more Sisters and Brothers throughout the Eastern Star world and to share her friendship and fellowship with each of them.

So thank you for your loan to us, and we are certainly enjoying her while she's representing your state in a wonderful manner.

A few years back, when Sister Thelma was Most Worthy Grand Matron, before Sister June Lucretia Barnum was a Worthy Grand Matron, I was quite impressed with her service to General Grand Chapter as Parliamentarian for Sister Thelma. So it was a special pleasure to be able to appoint Sister June as Parliamentarian for this Triennium.

Sister June, thank you very much for the manner in which you are assisting us. I know you have had duties already, for legislation is beginning to come in, as we have requested that the membership send their information through the proper channels early so that our Parliamentarian and our Jurisprudence Committee will take a look at it and return it for any corrections necessary.

I know that you are already very busy with your duties. Thank you very much for the manner in which you are fulfilling your duties. You are most gracious and very easy to talk to, and we do appreciate what you're doing for us. Thank you.

We're also very happy to appoint two of your Past Grand Officers to serve as General Grand Chapter Committee Members, Brother A. Leroy Covey on the Public Relations Committee and Sister Patricia Quibell on the ESTARL Committee.

Brother Leroy, thank you very much for serving on this important committee. We certainly do need public relations, and I hope that through the instrument of the Eastern Star Journal and some other projects your committee is undertaking that we will be successful in letting our membership know more about the Order of the Eastern Star.

Sister Patricia, ESTARL Committee, of course, is one of our very own projects and has a very special emphasis during this Triennium. I know you have enjoyed your appointment and are enjoying serving on your committee. We have seen you many times in our travels.

It is a pleasure to be with both of you in your home Jurisdiction; and to your membership, thank you for loaning two more members to us. We are putting them to good service, and I feel certain that what they accomplish will be a credit to our Order.

Worthy Grand Matron and Worthy Grand Patron, this has been a most beautiful setting. California certainly knows how to do things, and I thank you for the instructions that your committees have received in seeing that all the courtesies were extended to your guests. I speak for each one of them when I say that we have certainly been treated royally.

Your members have been very gracious in welcoming us and greeting us and seeing that we have things that we didn't think we needed.

It has been a pleasure to share time with you, and I especially enjoyed sharing time with you this evening. This is a very large Jurisdiction, and I need not tell you, you have done things in a most gracious manner, and we are happy that our travels have brought us to California at this time.

Thank you very much for all the courtesies extended to each of your guests, and we are happy to be able to spend some time with you.

To the Associate Grand Matron and the Associate Grand Patron and to the two Grand Conductresses, our very best wishes as you continue your journey toward the East in the Grand Chapter of California.

I finally will have the opportunity of bringing my message to the membership tomorrow evening, and I do urge you to be present, because we do have important things to give to the

membership, and there will be more time to do that tomorrow evening than there is tonight.

So now I will just say thank you for everything that has been done for our pleasure, and we do look forward to spending the next few days with you. Thank you, Worthy Grand Matron.

Paula Remington, Worthy Grand Matron: Thank you so much, Most Worthy Grand Matron, for those kind words. We are bound together by a powerful word, and that word is "love." We appreciate your greeting this evening and shall look forward to your formal address to us tomorrow evening.

Vernon L. Gordon, Worthy Grand Patron: Thank you, Worthy Grand Matron. I have had a very delightful evening visiting with our Most Worthy Grand Patron, and I was just about to turn to him and ask him if he would like to go with me tomorrow and find some good place to go fishing. It is a pleasant experience for me to introduce to you and bring to the microphone our Most Worthy Grand Patron. We would love to hear your welcoming remarks, whatever remarks you want to bring to us.

I did want to make on admonition to you. I would hope that you would not use one of Sister Ferne Hammond's two stories, because she has to have them for the next two years.

Would you welcome our Most Worthy Grand Patron, Brother Ray Osborne. He is also a Past Grand Patron on the Grand Chapter of Tennessee.

ADDRESS

(By Ray G. Osborne, Most Worthy Grand Patron)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Past Most Worthy Grand Matron, Distinguished Members of the Order of the Eastern Star, Honored Guests to the platform, and all of you seated in this room:

It is my pleasure to bring greetings to you tonight. I share with all the sentiments that were expressed to you by our Most Worthy Grand Matron. She and I and Louise and Robert are a

team of four who are working on behalf of the General Grand Chapter.

We are traveling together throughout the Eastern Star world, and what one has to say, the other agrees with. At least that is the way it has been so far, I think, I hope -- no, it's true.

I am pleased to second every sentiment she has expressed to you tonight and add one or two of my own.

I, too, will have an opportunity to address some real issues that are confronting the General Grand Chapter in my message to you tomorrow. Your Worthy Grand Patron has presented to us today some very important things that we need to look to in the General Grand Chapter, and I hope to be able to address some of those for you tomorrow night.

It is a pleasure to be with Sisters Thelma, Ferne, Pat, June, and Brother Leroy, members of the General Grand Chapter, the official family; and we respect them in every respect, are proud of their service to the Order and their contributions to our 41st Triennial Assembly.

I want to say that I'm also impressed, Worthy Grand Matron and Worthy Grand Patron, by these beautiful and I am sure very talented, distinguished Past Grand Matrons, who are seated in this Grand Chapter Room. I know they are an inspiration to you. I know they have been of great service to you and appreciate the fact of their service in numbers and are an integral part of this Grand Jurisdiction. And backing them up are the luckiest people in the world, those people who have the designation of Grand Representatives. They have a lot of privileges and very few responsibilities.

I have stated at lunch today with the Grand Representatives that they certainly were good visitors, and I would repeat it tonight for the benefit of all of you -- some of you were not at the luncheon today.

I have been traveling extensively through each Grand Jurisdiction throughout the United States and Canada the last 13

years, and I can truthfully say that I have never been in a Grand Jurisdiction for a Grand Chapter Session where there was not a Grand Representative from California present at a meeting.

I can't say that about every Grand Jurisdiction, but I can say that truthfully about California. Your Grand Representatives represent you well, and they are truly Ambassadors of Good Will, and I salute your Grand Representatives of the grand State of California.

I have two other sentiments I would like to express tonight:

The first is my appreciation to this Grand Chapter for the reverence that you displayed for our Holy Bible. At no time did you have to be reminded to stand in reverence when the Bible entered this Grand Chapter Room. This does not happen everywhere we go. It is something that the Most Worthy Grand Matron and I appreciate, that we do show this very simple form of reverence to God's Holy Word.

I think you had a beautiful sermon tonight, which presented the Bible on the Altar and which reminds all of us that this is the center, the heart, the very soul of the Order of the Eastern Star, the truth found in God's Holy Word. I thank you for the reverence to this Holy Word.

The second sentiment I want to express to you is my thanks for the presentation of the flags of three nations tonight -- our own National flag, the Stars and Stripes, Old Glory; the flag of Canada; and the flag of Mexico, our neighbors to the north and south.

Thank you for considering them an important part of our Eastern Star world, because they are; and thank you for presenting those flags.

Worthy Grand Matron, I thank you for presenting the flags of Connecticut and Tennessee, along with your own state banner and the other flags that are here in the East, to my left. We appreciate your consideration of our state flags. They mean a lot to us. We are not home a great deal of the time. It is always

nice to see our flag present in meetings with us. I think you may have the same feeling if you go elsewhere and see your flag.

I thank you for your kind attention tonight to my remarks, and I thank you for caring enough for the Order of the Eastern Star to be present and to remain.

Worthy Grand Matron, Worthy Grand Patron, you are truly dedicated leaders of the Eastern Star; and your love for our Order has been shown to us in your reports today and this magnificent group of people who are present tonight for this opening ceremony.

We thank you and look forward to being present with you tomorrow night. Thank you.

Vernon L. Gordon, Worthy Grand Patron: Thank you, Brother Ray, for sharing your very kind remarks with us.

As you and the other Master Masons know, somewhere along the assigned trail, we promised, to the utmost of our ability, to rejoice in each other's prosperity. I can say that I represent every Master Mason and that I rejoice with you for the achievements you have made in the worldwide community for the Order of the Eastern Star. Thank you so much for being here.

Paula Remington, Worthy Grand Matron: Sisters and Brothers, we have one other Distinguished Trustee that was not here with us earlier, Sister Barbara Benton, a Right Worthy Grand Trustee for our General Grand Chapter and a Past Grand Matron of Oklahoma. *(Grand Honors extended.)*

Thank you, Most Worthy Grand Matron and Most Worthy Grand Patron, for your beautiful messages; and we look forward to hearing from you tomorrow. We're most appreciative of your service to the Grand Jurisdiction.

Escort: Past Grand Matrons and Past Grand Patrons of California

Paula Remington, Worthy Grand Matron: Sisters and Brothers, I am so very proud of this wonderful group of Past Grand Matrons and Past Grand Patrons. They are the backbone of our Order of the Eastern Star in California, and we love each and every one of you. I have the honor of presenting:

(By Mary Meixner, Associate Grand Matron)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worthy Grand Patron, Distinguished Members of the General Grand Chapter, Distinguished and Honored Members, the Grand Representatives, Sisters and Brothers;

Sister Virginia Painter and Brother Ray Osborne, we hope you are enjoying your visit to California. To the Grand Representatives of California, we hope each of you are enjoying your appointment and we thank you for the service you

are giving to our Grand Chapter. We know wherever you have traveled you have strengthened the bond of friendship and understanding for our beautiful Order. Your travels to other Grand Jurisdictions will remain as happy memories and the friendships you have made will always remain.

To those Grand Representatives who are visiting our Grand Session, we thank you for traveling the many miles to be with us and extend to you a very warm welcome. We appreciate your presence and may you enjoy your stay with us and return home with pleasant memories of California and especially San Diego.

To all of our Ambassadors of Goodwill, may your lives be enriched by the friendships that you make as you travel our Eastern Star World.

We wish for you, safe travels, and much happiness.

Paula Remington, Worthy Grand Matron: Thank you, Sister Mary. We appreciate your friendship and love. All that you do is always done so well. We look forward to your year of 1993.

Sister Virginia Young, Grand Representative of North Carolina, President of the Southern Grand Representatives. May we have your response?

RESPONSE TO WELCOME

(By Virginia Young, President,
Grand Representative Association of Southern California)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers;

On behalf of all Grand Representatives, may I thank you, Sister Mary Meixner, for your warm welcome to those attending this beautiful "Missions of Love" Session. This special opportunity as Grand Representatives has made it possible for each of us to make many lasting friendships. It is a privilege to serve and represent our Grand Chapters and to act as Ambassadors of Goodwill, and to be given the chance to travel throughout our

America and other lands. May this opportunity strengthen the ties that bind us, that we may continue to live in the light of that Star in the East. Gathered here as we are, at the "Missions of Love" Session. The sweetest word I can say, is welcome.

Again, thank you, Worthy Grand Matron, for the honor given to me to respond for the Grand Representatives, and our wish for you is Love, Harmony and Happiness, and a most successful session.

Paula Remington, Worthy Grand Matron: Our sincere appreciation to you for your very fine remarks on behalf of the Grand Representatives. You are all our Ambassadors of Good will, and we depend on the impressions that you leave on others to give a good name for the California Eastern Star.

Escort: Grand Secretary Emeritus

Paula Remington, Worthy Grand Matron: Sisters and Brothers, it is a very great honor for me to present Sister Gladys Johnson, Grand Secretary Emeritus. She has been in the Grand Chapter Office for over 25 years and our Grand Secretary for 9 years. We love you and thank you so much.

Escort: Trustees of the Eastern Star Home of California

Paula Remington, Worthy Grand Matron: Sisters and Brothers, it is a very great honor for me to present these hardworking members of our Eastern Star Home Board. They have really been working overtime, and they have spent many, many hours in our behalf:

Sisters Barbara Campbell, Past Grand Matron; Brothers Warren Wildman, Past Grand Patron and President of the Board; Lila Hummel; Pat De Tomaso; Elston McGinty; and Tom McKinney. Thank you so much for being present this evening. These are very special people who spend many hours on our behalf for our members in the Eastern Star Home, and we thank them for their concern for our ladies.

Escort: Past Grand Treasurers of California

Paula Remington, Worthy Grand Matron: Sisters and Brothers, it is an honor to present these Past Grand Treasurers:

Sisters Ruth Burnside; Dale Ellsworth; Ruth Chase; Grace Gould; and Lois Johnson.

Each of you has contributed generously to the work of our Order, in your own area, and throughout this great State of California. May God Bless you as you continue to serve with love and loyalty.

Escort: Wife of the Worthy Grand Patron and
Husband of the Worthy Grand Matron

Paula Remington, Worthy Grand Matron: Sisters and Brothers, it is with a great deal of honor that we present to you two very important people in our lives, Sister Mae Gordon, a member of La Sierra Venus Chapter, and the recipient of the Rob Morris Award, and the wife of our Worthy Grand Patron; and Brother Tom Remington, a Past Patron of Signal Alamitos-Crown Chapter and the husband of the Worthy Grand Matron.

Sister Mae and Brother Tom, there are no people that ever worked harder for us all year long than the two of you. You have eaten in fast food restaurants and done all of kinds of things, iron, whatever; and as you can tell from their escort, our Grand Chapter really loves you.

You know, I was thinking that Brother Vernon and I would sing to you tonight, that "I Love You Truly"; but I did not tell him anything about it; so we will just say we love you truly, each one of you; and thank you from the bottom of our hearts.

Sisters and Brothers, my tribute for this Session has been to our families. No Grand Officer can possibly go this route without the whole love and support of their family. Each family member has been the wind in our sails. They have led us toward the heights; they have allowed us to shine; they have encouraged; and they have given us smiles. We appreciate these wonderful people, and we salute them with our heart and love.

Since the hour is late and we must close soon, because our General Chairman told us if we're not out of the building by eleven o'clock, it would cost a great deal more money, so the Welcome to the New Members of Grand Chapter will be done first thing tomorrow morning, when our delegates are all present for our Session.

Vernon L. Gordon, Worthy Grand Patron: I want to remind all of you that, in the Exhibit Hall, one of the booths out there, they're selling flowers; and all proceeds will go to our Youth Orders, as well as the collection for the Divine Service on Sunday morning. Here is your opportunity to support the youth and feel good about it while you're doing it. Thank you, Worthy Grand Matron.

"It's a Grand Night for Singing" . . . . California Singing Stars

Paula Remington, Worthy Grand Matron: Thank you for your help, California Singing Stars, for all the Sessions.

Closing Ode: "Let There Be Peace On Earth."

Let there be Peace on Earth,
and let it begin with me.
Let there be Peace on Earth,
the Peace that was meant to be.
With God as our Father, Brothers all are we.
Let me walk with my Brother, In Perfect Harmony!

Let there be Peace on Earth,
let this be the moment now.
With every step I take,
let this be my solemn vow:
To take each moment
and live each moment in peace eternally!
Let there be Peace on Earth,
and let it begin with me.

BENEDICTION

(By Francis You, Grand Chaplain)

Gracious God, listen as we pray. We do thank You for all the gifts that make our lives full. Show us Your path for a better tomorrow and help us to nourish our ability to do good. Keep us close within Your reach and know that our thoughts are with Thee. And now, as we are about to set our labors aside, we ask for Your blessings, to prepare us for the coming days. Hear our prayer, O God, for You are our Divine Guidance. Amen.

Closing: The Worthy Grand Matron declared this Informal Session of the Grand Chapter of California closed, to convene at 9:00 a.m. tomorrow.

(At 10:25 p.m., the Grand Marshal made the proper proclamation.)

Patricia Quibell, General Grand Chapter Committee Member, Past Grand Matron, Hostess: Distinguished and Honored Members, Sisters and Brothers: I have the extreme pleasure to present to you Sister Paula Remington, Worthy Grand Matron, and Brother Vernon L. Gordon, Worthy Grand Patron of the Grand Chapter of California, Order of the Eastern Star. *(Grand Honors extended.)*

Worthy Grand Matron, it is with much love and great pride that I have the honor of presenting to you the symbol of your authority, the gavel, for your presiding Session this Thursday morning.

Paula Remington, Worthy Grand Matron: Thank you so much, Sister Patricia. It is very meaningful that you present the gavel to me, because we were Worthy Matrons together in 1962. I am sure that Sister Helen Isberg and Doctor Bob can see us today and are proud of our service.

My heart sings as I present to you Sister Patricia Quibell, member of the ESTARL Committee of General Grand Chapter and a Past Grand Matron of California, and Brother A. Leroy Covey, member of the Public Relations Commitee of General Grand Chapter and a Past Grand Patron of California. *(Grand Honors extended.)*

These distinguished members are very, very dear to me; and I thank them for opening this Thursday Morning Session.

Sister Patricia is not in the program, because Sister Boyana Brown Redman was to do it this morning, but Boyana's husband is having a problem with his hip replacement, and after the program had been printed, we needed to make several substitutions. So thank you so much, Sister Patricia, for doing this for me this morning. I know it was the last minute, and we thank you very much for it.

Patricia Quibell, General Grand Chapter Committee Member
Hostess: Thank you, Worthy Grand Matron.

I would like to preface my formal remarks by telling you that the motto this year of our Most Worthy Grand Matron is "We have a hugging crew of '92."

I would like to say to everybody in this room that a hug is a perfect gift. One size fits all, and nobody cares if you return it, so hug somebody today.

I will add a little P.S. to that, as a preface; and this has been proven; and as a physical therapist, I have talked to many, many doctors; and they say, when you hug somebody, your endorphins go up. Those are the little creatures that help your immune system to repel the bugs.

WELCOME

(By Patricia B. Quibell, General Grand Chapter Committee Member)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worthy Grand Patron, our own Past Most

Worthy Grand Matron, our Welcoming Host, Brother LeRoy, our many Distinguished and Honored Members, Sisters and Brothers.

Good Morning! Welcome to this Thursday Morning Session of the 119th Session of our Grand Chapter.

I am proud on behalf of the entire membership to welcome each one of you. I am honored to bring a sincere welcome to our many guests from other Grand Jurisdictions to our golden state. We hope your stay with us will bring to you happy memories as well as feeling the warmth of our fraternal friendship for you.

Our General Grand Chapter Officers and our General Grand Chapter Committee Members are delightful people and I count it a joy and personal pleasure to be serving with them this triennium.

Most Worthy Grand Matron, Sister Virginia Painter, our Most Worthy Grand Patron, Brother Ray Osborne, you two special people are surely a blessing and an inspiration to our Eastern Star world. As I have traveled to many other Grand Jurisdictions this year when you have been present it is very evident that the rays from your emblematic lighthouse have truly guided us into harbors of happiness.

You exemplify the scripture verse - "Let your light so shine before all that they may see your good works." This is being poignantly illustrated by two of your special projects: The ESTARL Post Graduate Award enabling those qualified to apply for financial assistance toward their doctorate and the Rose Award. Two highly visible projects directed to the information of non-members that they may be aware of our good works.

Brother Ray Osborne, Most Worthy Grand Patron, I wish to say to you that you exemplify all of the virtues of a truly fine Southern Gentleman (Tennessee that is). Your keen sense of justice, faith and loyalty is to be admired. But, my Sisters and Brothers, I want you to know he also has a wonderful sense of humor with a twinkle in his eye. You and your Louise have endeared yourselves to my Ray and to me.

Sister Thelma Bailey, Past Most Worthy Grand Matron, while we know the world of Eastern Star admires you, we in California love you. I thank you for your friendship. It has been said, and it applies to you, some people come into our lives and quietly go, other stay awhile and leave footprints of love in our hearts and we are never the same for this meeting and so it is with you.

Sisters and Brothers, may this day and each day of your lives be filled with abiding faith, hope and love. Faith in God. Faith in the members of the Order, Hope for the future. Hope that your service given will benefit our Order, and may God's love abide in you, through you and surround and uphold you always.

WELCOME GREETING

(By A. LeRoy Covey, General Grand Chapter Committee Member)

Worthy Grand Matron, Worthy Grand Patron, Sister Virginia Painter, Most Worthy Grand Matron, Brother Ray Osborne, Most Worthy Grand Patron, Sister Thelma Bailey, Past Most Worthy Grand Matron, General Grand Chapter Officers and Committee Members, Sister Patricia Quibell, Past Grand Matron, our Hostess for this Thursday Morning Session, Distinguished and Honored Members, Delegates, My Sisters and Brothers:

Thank you, Worthy Grand Matron, for the honor of bringing greetings to this Thursday Morning "Missions of Love" Session in which we will begin discussions and actions of legislation and will participate in the election of officers for 1993. We regret that Sister Boyana K. Brown-Redman could not be here but are delighted to have been escorted and to be sharing this welcoming function with Sister Patricia Quibell, who is so successfully serving General Grand Chapter on the ESTARL Committee. it is a pleasant moment and I am grateful.

This "Missions of Love" Session has been greatly honored by the attendance of both the Most Worthy Grand Matron and the Most Worthy Grand Patron and so many General Grand Chapter Officers and Committee Members. It truly is a rare privilege which our delegates and other attendees can savor for many, many years to come.

We congratulate our Worthy Grand Matron and Worthy Grand Patron for their splendid efforts on behalf of our Order during the past twelve months. They have lived and acted by their watchwords of Faith, Love and Harmony and all of us have been the beneficiaries.

It has given me much pride to see that so many of our San Diego area members are attending this Grand Chapter Session. This provides not only an opportunity to see and meet members from throughout California, but also our Eastern Star world. Many of you are performing duties which greatly contribute to the success of this session, and to respond to the needs of our guests. We know you are grateful for the assistance and sharing by many hard-working members from other areas of our state. I feel also that it may have provided a greater appreciation for the enormous task of hosting a Grand Chapter session so ably accomplished by our friends in the Fresno area during the past several years.

To the voting delegates, I would issue a reminder that you have a considerable responsibility as you cast your ballots on behalf of your Chapters and our Order. Those whom you elect will have an influence on the Order for many, many years in the future. We further urge you to listen carefully to each item of legislation as it is presented, ponder well on its aspects and effects and then adhere to your obligation and vote for the Good of the Order.

Worthy Grand Matron, my sincere thanks once again for being permitted to share in this morning's activities and to greet our members. In keeping with this political season, I desired to bring a political joke to you, but discovered that they are all too busy running for office. Thank you.

Paula Remington, Worthy Grand Matron: Thank you so very much, Sister Patricia and Brother Leroy, for bringing us those beautiful messages this morning and for greeting our guests so completely.

We do feel that they have been welcomed, and we also welcome our Most Worthy Grand Matron and Most Worthy

Grand Patron and our Distinguished Members to our Grand East this morning. We are so pleased they could be with us.

We share the watchwords, Sister Patricia, of faith and love, as we hold fast to the magic of believing that, in Him, all things are possible. Thank you for bringing your "Ship of Friendship" to San Diego.

Opening: The Grand Chapter Room was purged and the Grand Conductress attended at the Altar.

Prayer: Francis You, Grand Chaplain: Holy and merciful God, how privileged we are to have You share with us another new day. A day untouched, and freshly new. Let us live this day, with anticipation for a better tomorrow, as we continue our deliberations, in furthering the perfection of our wonderful Order. Let us discharge our duties calmly, with clear thinking, and in a friendly manner. Let us do no harm to anyone, but do those acts of goodness and kindness, that we may have the opportunity to do. Let us be ever mindful of the leaders we select, for theirs, is the destiny of our Eastern Star's future. Let us enjoy this day with heartfelt thanks, as You take our had, and we walk with You. Amen.

(Singing of Opening Ode.)

The Worthy Grand Matron declared the Thursday Morning Session of the Grand Chapter of California called from Refreshment to Labor.

(At 9:30 a.m. the Grand Marshal made the proper proclamation.)

Paula Remington, Worthy Grand Matron: We are about to enter upon a very important day. First, I want to thank those who performed so beautifully for us last evening, the Bible ceremony, the Flag ceremony, and this morning, the Emblem Bearers.

You know, very often we have many distinguished and very able Past Grand Matrons and Past Grand Patrons in our Grand Jurisdiction, and they always take a very prominent part in our Grand Chapter Session.

But this year we wanted to bring a little bit of family into this Session, so last night the person that carried the Bible for the Bible ceremony was my mother, and the presidents of my Associations escorted her.

You know that our Past Grand Patron brought in the flag, and the presidents of the Worthy Patrons' Associations escorted them. My husband gave the Invocation.

This morning we had La Sierra Venus Chapter's members bring in the Emblems. Tomorrow morning it will be Signal Alamitos-Crown Chapter members, and on Saturday morning it will be the Grand Officers.

This is a little touch of family that we wish to bring to the Grand Chapter.

We have a very special person to start off our morning. We have a Councilwoman from the San Diego Seventh District, who is going to speak to us to start our morning off bright.

We have been told that they have declared this week Eastern Star Week in San Diego, and so we are looking forward to hearing from her.

WELCOME TO NEW MEMBERS OF GRAND CHAPTER

(By Vernon Gordon, Worthy Grand Patron)

Thank you, Worthy Grand Matron, for affording me the privilege of extending our warmest fraternal greeting and welcome to our members who are attending Grand Chapter for the first time, and also a special welcome to those who are representing their Chapter for the first time as a delegate.

To each of you, it is a signal honor for me to welcome you to this 119th Session of our California Grand Chapter. It is our hope that this will be a rich and rewarding fraternal experience for you.

To the new voting delegates I must remind you that your presence here is both a right and a privilege. It is your

constitutional right to participate in the proceedings of this Grand Chapter, both by voice and by vote. Just as in all societies, however, the right to representation is rooted deeply in privilege and therefore cannot be too highly regarded nor too lightly received.

I urge you to consider well the matters that will be brought before you, listen to the friendly debate as the issues unfold before you, deliberate if you must, ask for clarification if it is necessary, and then follow the Eastern Star tradition of voting for the "Good of the Order." Each of you, in your consideration of the proposed legislation, have every right to believe that the Chapter you represent is a true representation of the cross section of Eastern Star in this Jurisdiction. I therefore recommend to you that in each instance you might consider these questions: Is the legislation consistent with the general purposes of the Order? Are there sufficient safeguards in the proposal to insure that the integrity of the Order will be maintained? And lastly, but equally important, will passage of the legislation benefit my Chapter in particular and, thus, the Order of the Eastern Star in general?

I suggest that the answers you glean from the privacy of your own conscience may give you a key as to how your vote should be cast.

There are many wonderful and exciting social events that have been scheduled for your pleasure during this "Mission of Love" Session, and it is our hope that you will participate in many if not all of them. These events are all designed in a pleasant and fraternal atmosphere and provide an enjoyable mix to the daily routine of conducting our annual business.

You can take from here many fond memories and many new friendships that will remain with you for the rest of your life. You must, however, become a willing partner to these proceedings, with a vow to yourself that, in the final result, the will of the majority will guide your actions in the future. Remember the scriptures: "Ask and it shall be given you - Seek and you shall find - Knock and the door will be opened unto you."

Paula Remington, Worthy Grand Matron: Thank you, Brother Vernon. That was beautiful, and I hope that the delegates all listened very carefully.

I, too, welcome these new members of Grand Chapter and wish for you a very informative and useful week.

MINUTES: The minutes of the Wednesday Morning Formal Opening Session and the Wednesday Evening Informal Opening Session were read by the Grand Secretary.

(By Judy McCardy, Councilwoman)

I am very pleased to be here.

I am a member of a Masonic family, with a daughter and mother-in-law who are members of the Order of the Eastern Star and a daughter who was a Rainbow girl. She has finished up her year as a Grand Officer, so I appreciate this gathering today and feel comfortable and very pleased to be here and to present this proclamation from the Mayor of the City of San Diego.

"WHEREAS, the Grand Chapter of California, Order of the Eastern Star, has been in existence in California for more than 120 years and in San Diego for more than a hundred years; and

Paula Remington, Worthy Grand Matron: We're going to do something out of order this morning, because our Sister Carol has to return home, so we will hear a report from our Membership Committee from our Chairman, Sister Carol Dacquisto, who has worked very, very hard this year. She asks the members of her committee to join her on the stage.

REPORT OF THE MEMBERSHIP COMMITTEE

(By Carol Dacquisto, Past Matron, (609), Chairman)

Worthy Grand Matron, Sister Paula Remington, Worthy Grand Patron, Brother Vernon Gordon, Distinguished and Honored Members, Sisters and Brothers:

It is with pleasure that I present the members of the Membership Committee: Marilyn Harris, Carl Hawkins, Ernest Lewis, Anne Odom, Susan White, John Herring, Shirley Hirons, Edithann King, Deborah Von Bima.

The task of the 1992 Membership Committee according to the Five-Year Plan was to develop a budget, to hold membership schools and develop a Membership Manual. Each of those three tasks were accomplished.

The development of a budget for the Membership Committee was an extremely important undertaking and an area in which the process of securing funds in the future will need to be reviewed. In 1990, a one-time per capita tax was instituted and a need exists for raising funds to do the job of promoting membership in our Order.

In some areas throughout the state some exciting and successful schools were held. In the future these membership schools will be vital in assisting Chapters learn marketing techniques and skills of retention and recruitment of membership.

A Membership Manual was developed and mailed to every Chapter. This manual is the beginning of giving the Chapters suggestions and possible tools that they need to have a productive and successful membership committee in each Chapter.

A report was sent to each Chapter and the responses from those Chapters that enjoyed increases in their membership is worth noting:

1. Meetings were well organized with short, precise agendas to expedite business effectively.
2. The Chapter actively participated in community affairs with a focus on youth.
3. The Chapter meetings and functions were well attended due to a warm, friendly atmosphere.
4. Copies of the monthly Chapter bulletins were sent to Chapters in the area, inviting them to join in the activities. This greatly increased attendance at Chapter functions.
5. Genuine concern for members with assistance offered and followed-up on.
6. Chapter members volunteers their services to those who are unable to drive to Chapter meetings. This formed a network in promoting fellowship.

All of the problems and recommendations presented by the 1991 Membership Committee and written into the proceeding are still the issues that are being faced by our Chapters today. The Five-Year Plan needs to continue and be strongly supported.

In closing, I would like to thank all the Chapters and their membership chairmen for their responses and assistance. Your diligent has contributed to the beginning of turning our membership concern around. Thanks to each of you.

Worthy Grand Matron, thank you for asking me to serve as one of your Chairman for this very special year of 1992.
Accepted:

Paula Remington, Worthy Grand Matron: We know that it has been a very busy year for you, and it started out maybe a little backwards, because of your illness, but we are grateful that you were able to continue, and we know there are many members, and we will note them in the program, because they tried to help increase the membership of our Grand Chapter. Thank you so much for your kind service.

REPORT OF THE AIMS AND OBJECTIVES COMMITTEE
(By Earlynn Albright, Past Grand Matron, (521), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Officers and Members of the Grand Chapter of California. It is my pleasure to introduce the members of the Aims & Objectives Committee this morning, to report to you the achievements of the committee this year and to convey our projections on the future of the Order in California, as inferred from observations and discussions on policy and suggestions from our Grand Line Officers and various members.

The committee consists of five members and the Junior Past Grand Matron, Sister June Lucretia Barnum, the Junior Past Grand Patron, Brother Don Hull, who served as ex officio members. Sisters Jeraldine Southward, Past Grand Matron, Barbara Smith, Nola Bragulla, Brother Verne Jewett and Earlynn Albright, Past Grand Matron, Chairman.

The provisions of our Constitution by which this committee was formed limit the power of the committee. In fact, this committee has no authority to take any affirmative action. The role of the committee is, therefore, merely one of advising, supporting and giving a favorable recommendation to those

proposals for change in our law or in our customs which are determined to be in keeping with the purposes and program of Eastern Star as practiced in California; and equally, there is a role of discouragement and non-approval of those proposals deemed to be contrary to our purposes and programs.

This committee, unlike the Committee on Finance, has no budget by which its members may be compensated for their expenses in attending meetings. Therefore, meetings must be scheduled when, hopefully, a quorum of the members of the committee are likely to be in a certain area for another function. This year a considerable amount of the committee meeting time was devoted to re-examining the goals and purposes of the committee and reforming the guidelines for the work of the committee. We feel that there are now in place concrete and specific directions for this committee in the future.

The goals and guidelines as determined by the committee are: to review and respond promptly to any matters referred to it; to assist Grand Chapter and Subordinate Chapters by interpreting and clarifying policies and purposes of the Grand Chapter; to evaluate subjects of concern of Grand Officers and members; to render opinions and recommendations for consideration by the Grand Line Officers; to review and prepare responses and make any appropriate recommendations concerning proposed legislation which affects the policies of Grand Chapter.

This year speaking at Chapter meetings and articles in the Cal Star News were ways of informing members of the duties of the committee. When asked, advice and assistance was given members, regarding content of proposed legislation. It has become apparent that a majority of our members would like to have some change in the lengthy escort that takes place, especially at Official Visits and Receptions. Through the discussions and recommendations at the meetings of this committee, a new format was proposed for Official Visits and exemplified at two Official Visits this year with the full support of the Worthy Grand Matron and Worthy Grand Patron. Survey forms were given the members attending these Official Visits and returned at the close of the meetings with comments favorable or unfavorable as to the format. As there was no formal escort and limited introductions

the meetings were considerably shorter allowing more social time for the members and Grand Officers. A large majority of the comments were in favor of the change in format of Official Visits.

In studying the condition of our Order in California we find the need for a change of attitude within the subordinate Chapters - the need for all, including Past Matrons and Past Patrons to be vigorous in their approach to whatever job they undertake for the Chapter instead of sighing and saying they are doing it because there is no one else to do it - the need for putting forth an extra effort to make meetings interesting, by good ritual work and by entertainment or programs - the need for communicating personally with members who have not been seen at Chapter for some time, to encourage attendance and to find transportation where that is the deterrent.

The committee believes that there should be greater member awareness of the limitations imposed upon this committee so that the expectation of the membership as to what this committee can actually do is realistic. We recommend that this committee continue to follow the goals and guidelines which have been developed this year and that greater efforts be exerted to increase member interest in communicating with this committee so that thoughts and ideas of the members can be considered and passed along to those who will have the authority to act upon them if they are found worthy.
Accepted:

Paula Remington, Worthy Grand Matron: Thank you so very much, Sister Earlynn. I know that you and your committee worked very hard, and you're one of those people that does things right now and is ready for the next action, and we appreciate your dedication to this committee and to the members.

One thing I was losing in the report, but I know you said we are interested in a talent bank, and I wanted you to know that in this Grand Chapter there were 27 new chairmen of committees, who had never been chairmen of those committees in Grand Chapter, and many people that have been on committees that had not been on committees before. Thank you very much.

REPORT OF THE COMMITTEE ON DISTRIBUTIONS

(By Nancy E. Thomas, P.M. (571), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Nancy E. Thomas, Past Matron, Lafayette Chapter No. 571. As Chairman of Distributions, it is my pleasure and honor to introduce the members of my committee. Brother Clinton O. Dillon, Past Grand Patron and Sister Fran Groat, Past Matron (213). We thank you for our appointment to this committee.

The job of the Distributions Committee is to see that the legislation, and recommendations of the Worthy Grand Matron and Worthy Grand Patron and all other committees are properly referred to one of what I call the acting committees of Grand Chapter, primarily Constitution and Laws, Jurisprudence and Finance.

This year we expanded the role somewhat. Legislation was referred not only to these "Big Three" committees, but also to other Standing Committees of Grand Chapter who would be affected by the legislation. Thus, J. Clifford Lee, Marguerite Rennie, Scholarship received legislation for evaluation, review and report for the first time in my recollection. The object was to provide the delegates with as much information as possible to assist them in their deliberations.

A copy of the referral list has been provided to the Grand Secretary for the proceedings. We hope this new procedure will provide the delegates with more information so that their votes will be cast with as much information as possible. If successful, we hope this procedure will continue to be followed.

Thank you, again, for this opportunity to serve our beautiful Order.

REPORT OF THE COMMITTEE ON DISPENSATIONS & CHARTERS

(By James B. Craven, Past Grand Patron, Chairman)

Worthy Grand Matron, let me introduce Sister Betty Stubblefield, Past Grand Matron. The other member on the committee is Sister Eleanor Marsh, Past Grand Matron.

Thank you, Worthy Grand Matron. James G. Craven, Past Grand Patron, Golden Wave No. 103 and Santa Cruz Redwood No. 273.

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Voting Delegates, Sisters and Brothers:

The committee wishes to thank you for appointing all of us to this committee, Worthy Grand Matron. However, the report of the Dispensations and Charters Committee will be very short.

We have had no meetings because there were no Star Clubs forming. In fact, all I heard as we traveled around was about the Chapters that were consolidating!
Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Brother Jim and Sister Betty. I know that you would have loved to have been able to institute a new Chapter, and so would I, and I hope, my Sisters and Brothers, that you will look this next year, so perhaps Sister Mary will have an opportunity to do what I have been looking to do for about five or six years. Thank you very much.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

(By Janet Weiss, Past Matron (104), Chairman
Read by Sue McKinney, Past Matron (643)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

Sister Paula, we have been pleased to have served on this comittee this year. We thank you for our appointment. Our Chairman, Janet Weiss, is unable to be with us today. I would like to introduce Bonnie Holts who served with us.

The idea of a Fraternal Correspondence Committee was formed in 1876 in Connecticut. Since that time Grand Jurisdictions have been exchanging ideas and information through

their printed proceedings. These proceedings reveal many interesting facts and remind us of the history of our Order.

The support and promotion of all General Grand Chapter projects as well as local projects is the number one priority in all the jurisdictions. Some proceedings have the members donations to charities listed which tell us that even the smallest amount can add up to dollar amounts worth noting. Our Order supports our ideals with time and money.

Music is a special part of the Grand Chapter Sessions. Our members share their talent as soloists and numerous jurisdictions have the pleasure of the voices joined together in choirs. It was a special discovery that our Past Grand Matron, Ferne Hammond and Past Grand Matron, Barbara Campbell shared their talents in a duet. Grand Chapter sessions become as individual as the music chosen by each Worthy Grand Matron as it is performed throughout the session. Many choose a variety of melodies for use throughout their term of office.

Membership is still a priority with all jurisdictions as well as General Grand Chapter. Consolidations and charter surrenders are noted throughout the proceedings received. Many Chapters are initiating new members but the deaths noted exceed those initiated. There are new Chapters being instituted in some areas as well as overseas.

Many jurisdictions have a "Home" of some description. Some are supported by the Eastern Star alone and others are shared by both the Masons and Eastern Star. Some jurisdictions financially support their members in Masonic Homes.

Stimulating interest in Eastern Star activities is being given serious thought by many jurisdictions. The "Hands Across Borders" events are being held by many jurisdictions with great success. Some members travel many miles to share in these events as well as in local Chapter events. Sharing friendship at special money-raising socials adds many dollars to the various charity funds.

The work of the Fraternal Correspondence Committee came to a close as our Grand Chapter session approached. Proceedings were scanned for special information that is attached for printing in the proceedings.

It is interesting to note many Grand Chapter offices are in the process of computerizing their offices. Our special thank you to the office of our Grand Secretary for their sending of our homework. Their assistance made our Committee function smoothly.

The Order of the Eastern Star is as unique and unusual as its members. Wherever we go, we find Sisters and Brothers whose interests and goals in life are much like our own. The Ritual is printed in five languages and braille but no matter what languate is used, the practice of Charity, Truth and Loving Kindness is encouraged.

Paula Remington, Worthy Grand Matron: Thank you, Sister Sue. We really appreciate that fine report. We know that it takes many hours of reading and researching and correlating the material in order to make that report, and I have enjoyed the one that you sent to me.

I think it is interesting to note that, in some of our Grand Jurisdictions, the Grand Line are the chairmen of your committees; and they do all the Fraternal Correspondence Committee.

The communications between our Grand Jurisdictions is a real necessity if our Order is to continue. Thank you, dear Members of this Committee, for holding out the hand of friendship and reaching out to other Jurisdictions.

REPORT OF CAL STAR NEWS COMMITTEE
(By Bernice Dyck, Past Matron (89), Editor)

First of all, I would like to introduce Bj Kirste, our Circulation Manager; and Sister Jean Lodge, also one of our helpers.

Distinguished and Honored Members, Line Officers, Officers and Members without whom there would be no need for the preceding:

I don't know what kind of gimmick you expect with our report this year, but -- we want to keep everything on a very positive note and, we want to remain within the confines of this "Missions of Love" Session. Are you ready? When I raise my right hand you will say SI and when I raise my left hand you will say OLE'. Let's test our ability: (right hand SI -- left hand OLE') Good -- now we can put your lesson to practical use.

Remember last year when you bought all those decals because we thought we might need the extra funds for the Franchise Tax Board? (Right hand -- SI). Well, we didn't have to use the funds for Sacramento so -- we are able to give to the Scholarship Fund $350 (Left hand OLE'). Sister Grand Secretary, I have the check for you. We thank all those who had the faith in us and our effort. Just think, you have helped to buy a couple books for some needy student.

Our subscriptions remain under 4000. We were in hopes we would go over that amount and -- we are close. You see, somehow or other the communication breaks down and we keep discovering members who have never heard of our California newspaper. We will do better this next year - right? (Right hand SI)

My face is "hot pink" red! In this last issue, after it was pasted up and put to bed, I discovered two articles that didn't make the cut! To those people, I say I am sorry.

Yes, we make mistakes now and then and some are insignificant and have no real meaning. But once in a while you well-meaning reporters give us something we publish and you have given it to us wrong. We are not scolding; we are saying to be really sure of your facts before we get them.

Articles - you send them to me? (Right hand SI). Subscriptions you send to BJ right? (Right hand SI). Colored pictures are okay and when you send a contribution of a couple pesos with them we appreciate it. By the way, at our desk in the lobby you will find the pictures used last year. Please pick your's up.

Do you have a member who couldn't come to Grand Chapter this year? Maybe his or her subscription is expiring. Won't you renew for them and we just bet they will be happy you did. If you don't know who is or isn't a current subscriber, we have an alphabetized list which you can read to find out.

We are located just inside the lobby entrance door, courtside. Somebody will be there most of the time. Should you stop by and we are not there, you will find some blanks to take with you and bring back later or, you can mail your check and form to BJ.

The next deadline is December 20th. In that paper you will find pictures and statistical information about the 1992 Grand Chapter Sessions and the 1993 Grand Officers. (Left hand OLE')

Are you aware that your state newspaper operates at the discretion of your Grand Line Officers? We thank them for supporting our efforts and encourage them to keep our name before the various associations. Our guiding angels are pleased that we are still operating in the black. We thank the Grand Chapter office for their cooperation. At this last Grand Lodge Session, legislation was passed which will allow Cal Star News and other Masonic publications to accept commercial advertising with certain restrictions. We will be pursuing this possibility and be doing some cost accounting to see what can be done. Right now we are solvent. But costs don't remain steady and they don't go down. We are holding our own, thanks to all our great subscribers. (Left hand - OLE')

It's time for my siesta and I know you know everything I know - (Right hand SI). So, let's get on with our "Missions of Love", please love us 'cause we sure love you and we want you to be proud of your Cal Star News (Right hand SI - Left hand OLE').

Hasta La Vista and Muchas Gracias.

Paula Remington, Worthy Grand Matron: Thank you so much for your report. Nobody does a better job of communication than does our Cal Star News. Your reports are always concise; and, my Sisters and Brothers, there are almost 3,000 of you here, so I

suggest you stop by her place out in the anteroom and see if you cannot increase those subscriptions by about 3,000.

Sister Diane, yesterday I think that we were to move that the amendments to the Constitution and Laws and the Instruction Book be considered as read.

Diane Silva, Grand Secretary: MOTION: Worthy Grand Matron, I move that the proposed amendments to the Constitution and Laws and the Instruction Book, as presented and distributed according to the Constitution, be considered read. *(The motion was seconded.)*
Adopted:

Paula Remington, Worthy Grand Matron: We will have the Report of the Finance Committee.

My Sisters and Brothers, may I say that you should listen very carefully to this, because you are going to have to deliberate on many things that they report on. May I charge you to start your deliberations this morning.

REPORT OF THE COMMITTEE ON FINANCE

(By Arthur Linsk, Past Patron (245), Chairman)

Worthy Grand Matron, Paula Remington, Worthy Grand Patron, Vernon Gordon, Distinguished and Honored Members, Sisters and Brothers:

It is with pleasure that I present the Finance Committee: Brothers David Von Bima and Frank Young, Past Patrons, Delroy Aldershof, Past Grand Patron, and Sister Shirley Christ, Past Matron.

We are delighted to welcome back to our committee Brother Frank Young who was re-appointed for a five-year term by our Worthy Grand Matron, Paula Remington.

I wish to acknowledge our Worthy Grand Matron, Worthy Grand Patron, and Grand Treasurer who are ex-officio members

of the Committee. Also our Grand Line Officers who were often in attendance at our meetings.

I want to extend a special thank you to Sister Sheri Weisser for acting as Secretary to the Committee. I also want to personally thank her for her total dedication to the work of this Committee and for her sincere cooperation at all times.

Thanks to Sister Diane Silva for helping when ever required, and to Brother Warren Wildman, Past Grand Patron, Chairman, and the other Home Board members for their devotion and dedication to our Grand Chapter and to the guests of our Eastern Star Home.

The Constitution and Laws of Grand Chapter charge this Committee to exercise full authority and control over all financial matters of the Grand Chapter. Toward this end, we met eight times during this year, including a meeting in joint session with the Home Board of Trustees in Los Angeles, and with the Committees of Constitution and Laws and Jurisprudence in San Francisco. We held our meetings in the office of the Grand Chapter in San Francisco.

The Finance Committee reviewed all monthly financial statements of the Grand Chapter and Eastern Star Home of California, together with the annual financial reports of our Grand Chapter and those of the Eastern Star Home as prepared by the auditors, Lindquist, Von Husen & Joyce.

Proposed budgets for the Membership Committee as well as those for the 1992-1993 Grand Chapter and the Eastern Star Home of California were also reviewed by members of our Committee for presentation and approval by the delegates at this 1992 Grand Chapter session.

During early 1992, I was asked on behalf of our Grand Chapter to contact the Trust Officer of First American Trust Company of Newport Beach concerning the Sallee Family Trust Estate which was about to be distributed, and of which a portion was to be paid "to Eastern Star, through Westchester California Chapter."

I asked our Grand Treasurer, Sheri Weisser, to contact the Trust Officer and supply him with proper documentation to prove that our Grand Chapter was the proper beneficiary of such Trust bequest.

Centinela Valley Chapter No. 319, successor to Westchester Chapter, was also informed of the Trust bequest and also laid claim to the Sallee Trust distribution.

Upon advice of counsel and that of June Lucretia Barnum, Past Grand Matron, the Finance Committee together with our Grand Chapter Line Officers approved their recommendation that we settle this dispute by dividing equally with Centinela Valley Chapter No. 319, the proceeds from the Sallee Testamentary Trust. Grand Chapter's share was a check in the amount of $155,643.41.

In February 1992, the Eastern Star Home Board of California bid $1,800,000.00 for the purchase of a 20-acre parcel of land in Clovis, California, the site of the future Eastern Star Home.

This purchase has now been completed as of this date. The monies needed to complete this purchase were generated by the sale of approximately $2,000,000.00 in stocks and bonds as of October 1, 1992.

A comparison of the Investment Portfolio of our Grand Chapter as of June 30, 1992 and September 30, 1992, taken from the monthly reports of Harris Bretall Sullivan & Smith, Inc., Investment Advisors, is as follows:

	6/30/92	9/30/92
Cost Value	$17,958,442	$18,050,492
Market Value	$20,932,863	$21,229,986
Estimated Annual Income	$789,031	$719,851

Thus, the payment of the $2,000,000 for the land purchase will probably reduce the annual investment income by about $75,000 per year.

Each time the Finance Committee met in San Francisco a representative from our Investment Advisors joined us and presented their performance report.

For the nine months ended September 30, 1992, our investment portfolio decreased by 2.8%. Compared with the Standard and Poor 500 which increased by 2.4%, and the Dow Jones Industrial average increase of 5.6%. Since placing our investments with Harris Bretall Sullivan & Smith our assets have increased by 58.1% since its inception.

I wish to conclude my report by thanking Sister Kay Cosby, Past Grand Matron, for appointing me to this Committee and giving me the opportunity to serve the Order of the Eastern Star. I also wish to extend my sincere appreciation to each member of this Committee for their dedication and loyal support.

PRESENTATION OF 1992 - 1993 GRAND CHAPTER BUDGET

(By David Von Bima, a Past Patron (33), member of the Finance Committee)

I have been asked to present the 1993 Grand Chapter budget at this time. I refer the delegates to pages 44 and 45 of your booklet. In presenting this budget, I have been requested by a number of people to explain several of the items on the budget, which I will proceed to do at this time.

The first item for a requested explanation was computer expense, which is about a third of the way down the page; and it says, "Wang computer maintenance, $2,000." This is for a software and maintenance contract which we have with Wang. The computer system that we have is not a personal computer system, but rather a mini-computer system that businesses use and which has seven work stations.

At the time the Grand Chapter was looking into the purchase of this system, which was approximately 1986 and 1987, the only system that would hold all of the data that we intended to put on it, which was all of our membership data, was the Wang system.

That is the system that we currently have. That system is now five years old, and there are parts of it that do go out, and with the maintenance agreement that we now have, we have an 800 toll free number, and all we need to do is call them, and within four hours they come out with a new part, so we have substantially no down time. This also covers the software that is written by Wang for us.

The next item that I have been requested to explain was computer expense, which follows right under the one I just did. That totals $8,000. We use custom programs written specifically for Grand Chapter; and now that we have had a few years' experience with them, we discover that there are some additional reports that we would like, and also some of the current reports would serve our purposes better if they were modified. So this fee here is for a programmer who does the modifications that we desire.

The next item to which I call your attention is down towards the bottom, three up from the bottom, and is called "microfiche records, $5,000." Believe it or not, in the Grand Chapter office, there are 3 x 5 cards on every member and every deceased member from the inception of this Grand Chapter, over a hundred years ago. This, as you can imagine, takes up a tremendous amount of space, but we occasionally have reasons to refer back to these records. Therefore, we are undertaking a project, which will probably take three or four years, to put all of these records on microfiche and therefore get rid of all the paper that is inundating us now. This is an allocation for the first year to undertake some of the work. We had the same budget item last year, but we were not able to get to that last year, but hopefully we will get to that this year.

There is also a category called "Miscellaneous Expense," which is $5,000. In preparing a budget, it is impossible to foresee every single expense that will come up in the year. This is a catchall of our contingency fund, if you call it that, for any expenses that we have not foreseen.

Another item that we wish to explain is up towards the top, which is "office rent, $40,548." We are very fortunate that we have

a very favorable lease in San Francisco, and we pay only $1.38 per square foot, which includes rent, utilities, janitorial, property taxes. So all of our occupancy expenses are taken care of with this one lease.

And the last item that I have been asked to explain, and she had more detail on it as the top line item, is salaries, $149,672. That consists of the following salaries: Grand Secretary - $30,561, Grand Treasurer - $25,005, Administrative Assistant - $19,709, Bookkeeper - $20,679, Data Processing Manager - $21,352, Data Processing Clerk - $15,225, Support Services Clerk - $10,912, and another Support Services Clerk - $6,229. All of these taken together add up to the figure in the budget of $149,672.

MOTION: Worthy Grand Matron, for purposes of discretion, I move the adoption of this budget. *(The motion was seconded.)*

Paula Remington, Worthy Grand Matron: The motion before is to adopt the Grand Chapter budget as printed for 1992-93.

The motion is carried, and this budget is **adopted.**

Brother David, thank you very much for your very specific answers to the questions. These are concerns.

David Von Bima, Past Patron (33), Member, Finance Committee: Worthy Grand Matron, I've also been asked to present the budget of the Membership Committee at this time.

This, for the delegates, is the half sheet of paper that was included with your voting package. This is the budget that was proposed by the incoming Membership Committee; and since it only takes half a dozen lines, I will go over it with you briefly.

The total income is approximately $39,400. Most of that income came from the special assessment that was done two years ago.

Since that time, interest has accrued on the investment of $1,345. And last year's committee spent $1,392, bringing the total available funds to $39,423.

The expenses which you see, which total $13,200, approximately, are the expenses that the Membership Committee feels they will need to get out to the membership and do the job that they were required to do by the Constitution.

MOTION: Worthy Grand Matron, I move the adoption of the Membership Committee budget. *(The motion was seconded.)*

REPORT OF THE COMMITTEE ON PUBLICITY

(By Valerie Winter, Past Matron (103) Chairman - North, and Virginia Stout, Past Matron (79) Chairman - South)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

Your 1992 Publicity Committee Members, Sisters Valerie Winter, North and Virginia Stout, South, have been pleased to share information with our members and the public. We hope that our efforts have made a difference.

With the assistance of the office of Grand Chapter, a flyer encouraging Chapters to publicize their good works was mailed early in the year. Chapters were urged to contact local media as well as our own Cal Star News to gain public attention for our good works and activities. It was further suggested that Chapters appoint a Publicity Committee to help promote our beautiful Order and its members who contribute so much to both the Order and their individual communities.

Also mailed to each Chapter was an information sheet entitled "Read the Facts" which included a variety of details about the "Missions of Love" Session of Grand Chapter in San Diego. With the change of venue this year, many members had doubts and fears, which we attempted to dispel with this sheet of information including such headings as Transportation, Housing, Parking, Meals, the Convention Center and a tentative Grand Chapter schedule.

We decided also to use buttons to promote attendance for this "Missions of Love" Session. Sister Valerie Winter, along with the cooperation and advice of General Chairman Bob Svendsen, designed and had made over 500 buttons which were distributed by Committee Members, Deputy Grand Matrons and Grand Officers. Worthy Grand Matron, Paula Remington, was, of course, our top "Publicity Assistant" in this effort.

We would like to thank the Past Grand Matrons and Deputy Grand Matrons for their assistance in spreading the word about this beautiful "Missions of Love" Session in San Diego. A mailing of flyers promoting the session and some events was sent in May, with the request that these Sisters distribute copies to Chapters and associates.

We received a request from Past Grand Matron, Sister Zoe Harris, to assist her efforts to promote the New Eastern Star Journal, a publication of General Grand Chapter. We were gratified to contribute to this enterprise and to arrange for the subscription table in the lobby.

We are most pleased and grateful to have had the assistance of Sister Bernice Dyck and the Cal Star News in our efforts to publicize Grand Chapter and the good works of our Chapters and members. The members of all the Committees were encouraged to communicate with Sister Bernice and she was always available for help and advice. This publication is valuable beyond measure for spreading the word to our members. Thanks, Sister Bernice, for helping and encouraging us.

In an effort to make the greater San Diego area aware of our presence this week, over 2,500 strong, a mailing was sent to area publications and TV stations, with a letter requesting publicity. It included information on the Masonic Family Organizations, Grand Chapter and our Eastern Star philanthropic work.

Sisters and Brothers, if you opened a business and neglected to advertise, your sales would no doubt suffer. My Sisters and Brothers, if our sales are suffering perhaps we might consider this very thing - publicize our good works. Don't let those special things your Chapter is doing go unrecognized. Much publicity has been gained by our efforts on behalf of Muscular Dystrophy and by individual Chapter projects this year.

Each of us is responsible for the image of the Order of the Eastern Star in California. Take pride in your membership. Let Faith, Love and Harmony abide, and when you depart Grand Chapter this year, take home your personal promise that you will

make a difference in your Chapter to spread this word. "Let your light so shine before man that they may see your good works ..."

Sister Paula Remington, our Worthy Grand Matron, thank you most sincerely for your friendship and the confidence you expressed in our abilities to serve our Grand Chapter in this way this special year.

Respectfully submitted with our fraternal regards and gratitude to each one who assisted this committee.
Accepted:

Paula Remington, Worthy Grand Matron: Thank you so very much, Virginia and Valerie, for the work that you have done. Whatever I have asked -- probably the first thing I asked is, "what can you do?" and they told me, and whenever I had something I wanted them to do, they willingly went ahead and did it.

Thank you so much. It is so important that we let the world know about our beautiful Order; we have so much to give. Thank you for reaching out to our communities in love and harmony.

REPORT OF THE COMMITTEE ON THE BENEVOLENT FUND

(By Marian F. Schwach, Past Grand Matron, Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

After the San Francisco Earthquake in 1906, the Relief Fund, in all Chapters, was created. The Benevolent Fund is to provide assistance if disaster strikes or an individual sustains a loss or needs help.

Our practice of charity and benevolence has benefitted our members throughout the State. Some of our Chapters have had tragedies due to Earthquakes, Fire, Floods. Many were given financial aid. Many received help from Government and State. The force of nature once again gave us cause to be concerned for the members in the Earthquake areas.

Letters were written and sent to Worthy Matrons of all Chapters in the Earthquake areas informing them of the name, address and phone number of who to contact if a member in their Chapter needed assistance.

Home and hospital visits have been made. Many times it isn't financial aid that is needed, but understanding and sympathy. We try to let them know and feel they are not alone. A friend walks beside them.

It is sad to report - members have passed away and been buried, before the Chapter knew there was a need - until application was requested for funeral expenses. There is a lack of communication between the members and the Relief Committee. The Relief Committee should avail themselves of the purpose and function of the Benevolent Fund.

Applications have been received from Sisters and Brothers, temporarily without income, yet possessed of property, in many cases, heavily mortgaged. In some cases it has been necessary to give temporary relief.

A word of appreciation to the members of this committee. They give of their time and travel many miles to help a member and to make investigations, surely a labor of love.

We recommend a budge of $30,000 and $400 for expenses, also the continuance of "10 cents" per capita.

There will be a complete and detailed report in the proceedings.

To Sister Diane, our Grand Secretary and her office staff, my sincere appreciation for their assistance. As your Chairman many decisions are difficult to solve - especially requests from out of state - it is then I call for council. Sister Diane is always helpful and willing to assist. I feel blessed to call her friend.

Worthy Grand Matron, we the members of the Benevolent Fund Committee are privileged to have been of service to Grand Chapter. We thank you for your confidence and for the honor

you have bestowed upon us. God bless you. We are all children of God and with his help, we develop compassion, faith and hope. **Accepted:**

"MISSIONS OF LOVE SESSION"

THURSDAY AFTERNOON

OCTOBER 29, 1992

Musical Prelude: La Verne Waigli, Past Matron (151)

Entrance: Grand Officers

Paula Remington, Worthy Grand Matron: Sisters and Brothers, we will purge and open our Grand Chapter in just a few minutes. However, right now, our investment counselor has flown down this morning to speak with us, and he has to get back to San Francisco, so we will hear from him at this time. Please listen closely, because they have done very well with our investments. Our Finance Committee will introduce our investment counselor.

Arthur Linsk, Past Patron (245), Chairman, Finance Committee: Worthy Grand Matron, Worthy Grand Patron, our Distinguished East, Sisters and Brothers:

For the past several years our Grand Chapter and its various bodies and its Home Board entrusted their investment program to a very fine and distinguished concern in San Francisco. The name of the firm is Harris, Bretall, Sullivan & Smith. At the urging of our Worthy Grand Matron and Worthy Grand Patron, it was our desire to bring him here to have him give a sketch on where we stand, where the economy is going to go, and all within maybe five or ten minutes.

Anyway, it is my pleasure to present to you Mr. Graeme Bretall.

REPORT OF INVESTMENT COUNSELORS

(By Graeme Bretall of Harris, Bretall, Sullivan & Smith, Inc.)

If I can do all that in five minutes, I should be running for President.

As Arthur indicated, our firm was retained by your organization a little over four years ago to manage the assets of the various funds.

The value of the funds currently under our supervision on your behalf approximates $21,000,000. The breakdown of those assets currently is that we have approximately 55% of those dollars working in common stocks; 33% in bonds; and approximately 12% in cash.

Four years ago when we took over the management of these assets, they were approximately $14,000,000; so we have gone from $14,000,000 to $21,000,000 in just over four years. If you put it in terms of a hundred dollars invested four years ago, currently it would be worth a little over $158. This is a compound growth, between 11% and 12%, for these four-plus of years, and this has not been in a straight line. Unfortunately, for every single quarter that our assets are appreciating at a particular rate, we have had some strong up periods and strong down periods; 1991 was a strong year.

The first half of the year 1992 was a much more traumatic year as far as financial markets are concerned.

I'm happy to say the third quarter the market turned around, and we are in a plus side again in the third quarter, which brings me to a couple of comments in terms of what our outlook is for both the economy and the financial markets.

So far this year the financial markets have been dominated primarily by two E's: The first E is the economy. As you know the economy has been on the plus side, it has been on the minus side, but it has been on everybody's side and in the headlines to not only try to find the direction but the momentum.

In the first half of this year, it seemed we were coming out of the recession in a strong manner. Since that time, it appears that the economy obviously is much less robust, and this has become a real political football this year.

As to our outlook on the economy, we think that the worst is behind us; and we are seeing some indications that the momentum is gradually beginning to pick up.

The second E that has been impacting the financial markets this year has obviously been the election. It, too, had some concern and some uncertainty; and earlier in the year the question was, who would win the election? Now it becomes a little more apparent, in terms of what the polls are indicating, if there is a Democratic victory, what would be the impact in terms of the economy and also the stock market.

Our feeling is that we are assuming that Mr. Clinton will be elected, so we are looking beyond that to try to determine what impact that will have. That is anybody's guess, the $64 question.

What we would do is look back at previous years when we have seen a transition from a Republican administration to a Democratic administration to see what impact that had on the economy and, primarily, on the stock market. Those two times in the last 30 years were back in 1960, when Kennedy was elected, and 1976, when Carter was elected.

During both of those years, we had very dramatic stock market declines because of the uncertainty and the possibility of a change in administration. Immediately following the election, the market improved dramatically and more than made up the negative ground that it had gone to prior to the election itself.

So our feeling is that probably this year it won't be too dissimilar. Once the election is over, it removes that uncertainty. That also would have an impact on the economy, and hopefully will help resume confidence, so as we go into this year and into 1993, our feeling is that the outlook will start improving, and the economy will start to pick up a little more strength, and that will be reflected in the stock market as well.

Just in concluding and looking out just a little bit longer term beyond the next few months and the next few years, we think that the outlook for the nineties is quite positive and looks a lot more like the 1960's.

In the 1960's we had more moderate economic growth; we had low inflation; we had low interest rates. We think that is the environment that we're looking at today; and if that is the case, that is definitely positive for financial assets. Our guess would be that the most attractive financial asset in this environment would be stocks first, bonds second, and cash third, because we all know what the low rate of interest is that is being paid on cash funds, CD's and money market rates.

So without belaboring the point, let me summarize to say we continue to be positive both on the economy and on the stock market, particularly as we look out beyond the next few months. I think I will conclude my remarks with that.

Paula Remington, Worthy Grand Matron: Thank you so much for coming here from San Francisco to make this presentation. We do appreciate it.

Arthur Linsk, Past Patron (245), Chairman, Finance Committee: We're very happy to have you. Thank you.

The Grand Chapter room was purged and the Grand Conductress attended at the Altar.

Paula Remington, Worthy Grand Matron: I now declare this Thursday Afternoon portion of the Grand Chapter Session called from Refreshment to Labor.

(The Grand Marshal made the proper proclamation at 2:17 p.m.)

Paula Remington, Worthy Grand Matron: Sisters and Brothers, it has been brought to my attention that we were slightly in error this morning, that Rule No. 14 of Section 111 of our Constitution and Laws requires that when there is only one space for an elected office, that it must be a majority vote; and we did not have a majority vote this morning; therefore, we must reballot for the candidate for the Home Board from the north.

Vernon L. Gordon, Worthy Grand Patron: Brother Howard Hill, would you explain to us how we will proceed with this matter.

ELECTION INSTRUCTIONS

(By Howard Hill, Past Patron (372), Chairman)

We are sure that many of the delegates took the little section that says "for other elections" and either turned it in with the ballot or threw it away, chewed it up for lunch, or whatever.

So, therefore, you take your ballots out; take ballot No. 1; do not tear it in two; keep the "yes" and "no" intact; write the name of the candidate across the ballot No. 1; tear ballot No. 1 off in its entirety and put it in the ballot box. Are there any questions?

Paula Remington, Worthy Grand Matron: Sisters and Brothers, I have the names of three candidates for one position on the Board of the Eastern Star Home from the north.

Will these people please come up here to the east: Sister Patsy Baker; Brothers Dennis Jordan; and Erland Myers.

Paula Remington, Worthy Grand Matron: I now declare the ballot open.

REPORT OF THE COMMITTEE ON J. CLIFFORD LEE MEMORIAL CANCER FUND

(By Mary Kay Bowser, Past Matron (577), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

It is with much pride that I present the Area Chairmen of the J. Clifford Lee Memorial Cancer Fund:

1 Roberta Wilson (63)
2 Dorothy Rathburn (321)
3 Jean Hague (14/17)
4 Jane Helm (56)
5 Anna Jo Perkins (384)
6 Richard Holsinger (33)
7 Carlen Butler (177)
8 Irene McReynolds (222/213)
11 Lacine Behymer (555)
12 Lois Tyner (391)
13 Mary Ann Johnson (649/332)
14 Wilma Whaley (237)
15 Tom Arnold (260)
16 Lynn Fenton (163)
17 Ramona Budke (378)
18 Judith Peterson (558)

9 Catherine Seapy (45)	19 Frances Gibson (602)
10 Jeanne Reynolds (505/123)	20 Chris Kyle (490)

My grateful thanks to each of you for your dedication to the cause of helping your Sisters and Brothers who have had the misfortune of developing Cancer.

In the past year, with the help of the Area Chairmen, I have been able to approve 50 grants for assistance from the J. Clifford Lee Memorial Cancer Fund. 46 grants were for $10,000.00 and 4 were for $5,000.00 as a spouse of a member of our Order. Two other applications were received but denied because they did not have the proper relationship as required by our Constitution. In the latest edition of the *Cal Star News*, an article indicated that 150 applications had been received, and 15 had been approved. That information was incorrect. I would like to emphasize that only through the J. Clifford Lee Memorial Cancer Fund are grants approved, and cancer related medical bills for our members paid. Many state associations make monetary donations to this fund, but only through the J. Clifford Lee Memorial Cancer Fund are grants approved, and bills paid.

During the last fiscal year, contributions to the fund totaled $101,029.00. Expenditures were as follows: Hospital Care $11,061; Doctors and Nursing Care $25,456; Drugs and other services $28,475; for a total of $64,992. I am encouraged that many of our members are applying for assistance soon after they are diagnosed with cancer. The earlier one applies, certainly the more help we are able to give them. I would rather have people apply and never need the help, than wait too long and we are unable to help at all.

Behind these cold statistics are people with serious medical problems, such as the woman who had undergone her second mastectomy, sick from the chemo-therapy, and had used up the full amount of her grant; or the young woman with two small children whose 31 year old husband died when the bone marrow transplant he had undergone was unsuccessful, or the woman trying to stay on her job after she had been told the cancer she thought was under control has now metasticized. These are but a few of the stories that lie behind those figures. Many recipients

do not reach the maximum of $10,000.00, however with the escalating costs of medical care, and for those who need more financial assistance, an increase in the amount of each grant seems appropriate.

To Sheri Weisser, Grand Treasurer, and her staff thank you for the most efficient manor in which you pay the bills for our members. When you are very ill, or have lost a loved one, mounting medical bills often seem overwhelming, and I am sure it is a great relief to each of them to know you are helping to lighten the burden they are carrying.

I hope that each Associate Matron will contact the J. Clifford Lee Memorial Cancer Fund Area Chairman for her Chapter, and set a date for that Chairman to come and speak to her members about the fund. Also, I hope you will put a message in your newsletter regarding the fund for the members who, for one reason or another, do not attend Chapter. Very often these are the members who need our help.

On behalf of all the J. Clifford Lee Memorial Cancer Fund recipients, I thank you for your contributions to the fund and encourage your continued support.
Accepted:

Paula Remington, Worthy Grand Matron: "God gives a special kind of blessing; He rewards us every day, when we share and sow His mercies on each path and every way." Our thanks to this hardworking group and to Sister Mary Kay for a very great report and for many hours they spent. Communications from our Chapters are the greatest need. Thank you so much for all your work.

REPORT OF THE COMMITTEE ON THE MARGUERITE RENNIE MEMORIAL FUND

(By Blendine Cronon-Smith, (63/563) Past Matron)

Worthy Grand Matron, Sister Paula Remington, Worthy Grand Patron, Brother Vernon Gordon, Distinguished and Honored Members, Sisters and Brothers:

It is with pleasure that I introduce the members of this committee: Brother Robert Rose, Past Patron, Peninsula Chapter No. 186, and Sister Joan Stark, Past Matron, Hayward Chapter No. 331.

In 1989, Past Grand Matron Sister Patricia Quibell, in her Chairman's report, stated, and I quote, "Since this is only the second year of this committee you may have questions as to what this committee is for." Now, as I became Chairman three years later, I am amazed and frustrated that so few members know about this memorial fund. How it was started or that the interest generated by the investment is to be used solely for our members and their immediate family in time of need for financial aid with cancer related illness.

Worthy Grand Matron, I believe, as chairman before me have stated, that we do not need more members on this committee, but we do need to get the information to our members. Maybe a flyer to go out with the J. Clifford Lee Area Chairman would help to acquaint the membership of the additional help that is available when needed.

We are all interested in bringing in new members, and I was one of those introduced to the Order by a very loving, friendly couple that soon gave me a petition and wanted to sponsor us in their Chapter. No, this is not unusual, but I was raised in an Amish background (where you did not mention, let alone belong to a 'secret organization'). Twenty-five years ago, this month, Sister Marguerite Rennie conducted us through the ceremony of initiation, with Brother Ralph giving the Obligation. A bond of friendship was formed that never ceased. Sister Marguerite coached me, traveled with us and supported me as I became Worthy Matron in 1975. This Sister and Brother never had a harsh word or spoke unkindly of another member. Sister Marguerite was chairman of my Farewell Party when she became ill. Yet, she continued, in her own sweet way, using her talents and love to put on a beautiful evening. Later she said "Blendine, something is wrong - I can not remember my Eastern Star prayers." Shortly after this she was admitted to the hospital, never to return to us. My special Sister was taken from all of us by this terrible disease - cancer!

Brother Ralph and I talked many times about our beloved Marguerite and how he could perpetuate her memory. With guidance and the help of our very own Past Grand Patron, Jerry Cashion, he worked out this Memorial Fund. Brother Ralph wanted to dedicate the memory of this loving Sister in such a way as to continue to reach out and help others as she had always done in life, with love and kindness.

My Sisters and Brothers, we never know when we will be touched or struck down with this dreaded illness. (Our family has been touched this year.)

Just before the installation of the 1986 Grand Officers, our Brother Ralph died, leaving this Memorial Fund to our beautiful Order.

That was the '60's to the '80's. Now we are in the decade of the '90's. This is 1992 and even more, this is the "Year of the Woman," and my Sisters, I know we can work miracles. Right? So my Sisters, no, I am going to make this my Sisters and Brothers, I am sending out a challenge to each of you. A challenge to pledge one penny a day, just $3.65 a year to help build up this fund. Just think, we have over 90,000 members and with so little effort we could really swell this fund to better help our members. Think about it. One penny a day. No breakfast to prepare, no spaghetti dinners to clean up after, no teas and best of all no cookie bake-offs. By a show of hands, let me see how many of you are with me on this challenge.

Again, I ask each of you here today, are you with me? Thank you, Sisters and Brothers.

I would like to take this minute to say thank you to Past Grand Matron, Sister Kay Cosby, who first appointed me to this committee, as she, and she alone knew what it meant to me.

Worthy Grand Matron, Sister Paula, I thank you for the privilege of working with you on this committee and I respectfully request your permission to continue this challenge next year. Taking it to every Chapter and member throughout our State, because of the importance of our charities. If I have your

permission to continue this project, I will donate my time, energy and expertise at my own expense, to reach the general membership, because Faith, Love and Kindness certainly applies to the Marguerite Rennie Memorial Fund.

Esther means Star and this Star wants to bring a special ray of hope to our distressed members, because I also believe in the Order of the Eastern Star.
Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Sister Blendine, and your committee, also, for all your hard work on behalf of our members.

REPORT OF ELECTION BOARD

(By Howard Hill, Past Patron (372), Chairman)

Thank you. Worthy Grand Matron, Worthy Grand Patron, and delegates:

The second ballot on the Trustee from the north is as follows: there was 1,913 cast. A majority would be 956.5. We will settle for 957. Patsy Baker - 1,085; Dennis Jordan - 502; Erland Myers - 326. Patsy Baker received a majority vote on the ballot.

Paula Remington, Worthy Grand Matron: I now declare Sister Patsy Baker elected to the Home Board from the north.

REPORT OF THE COMMITTEE ON CANCER DRESSING STATIONS

(By Betty Veffredo, Past Matron (326/382), Chairman)

Worthy Grand Matron, I have the pleasure of introducing my committee: Sister Patricia Robinson of Joaquin Chapter No. 348, Tracy, and Past Grand Matron, Sister Marguerite Weisheimer, who started this very special project so that all the Sisters and Brothers could be of service to all who become ill with this catastrophic illness.

Before we present our report, it is my pleasure to make a presentation to you and the Worthy Grand Patron on behalf of

the American Cancer Society, in appreciation of the work the members of the Order of the Eastern Star have been doing at the Cancer Dressing Stations.

The letters are addressed to the Worthy Grand Matron and Worthy Grand Patron:

This year marks the 35th Anniversary of the successful partnership of the Grand Chapter of California, Order of the Eastern Star and the California Division of the American Cancer Society providing cancer patients with surgical dressings and support items.

During this time, thousands of dedicated OES volunteers have made many different kinds of dressings and gift items of the highest quality to increase the comfort of many cancer patients at home.

This past year has signaled consolidation of this program through the closure of the service supply center last month. We anticipate that integrating many of the center's functions into our centralized distribution warehouse will decrease costs and improve efficiency. Our forty-two local units are anxious to work closely with OES Dressings Stations to insure continued delivery of dressings to patients, and will help in whatever way possible.

I want to thank all the members of the Order of the Eastern Star involved in this enormous effort which has benefitted so many. The devotion, skill, time and money which your members have contributed to the Memorial Cancer Dressings Program is deeply appreciated.

Although many changes have taken place in cancer control and great advances made in the care and treatment of cancer patients, we trust we can continue to work together to best meet the needs of patients.

Please accept this small token of our appreciation for your support of this most worthwhile project.

Sincerely yours, Ira Bailie, M.D., Chairman Patient Service Committee.

(Present gifts of a small engraved gold ruler.)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

Worthy Grand Matron, I am deeply grateful to you and thank you for appointing me Chairman of this project that is do dear to me. You have given me the opportunity to work with the members of our Order throughout the State who are so dedicated to the service and comfort of others. It has been a joy to talk on the phone to many of the Chairman and to find them so very willing to do what needed to be done. Thanks to past State Chairman Doris Letts for getting a new station started in Anaheim and going whenever she was asked to come. Many of the people that work at the stations have been with the stations for years. I would judge that the average age to be 75 to 85 and some are in their 90's. A chairman of one of the stations that just closed was 95 years young.

As we entered our thirty-fifth year of service we started with 76 stations, 48 in the North and 28 in the South. We have lost over the year 4 stations in the North and 1 in the South. Gained a new one for the South in Anaheim. At the request of the Worthy Grand Matron, I revised the Memorial Cancer Dressing Station instruction book and that all the stations got a new copy. To our knowledge it had not been done for sometime.

Our year has been a very busy one as each year brings more patients of certain kinds of cancer. In 1991, we started making the sponge protective covers for laryngectomy patients. These and the cloth bibs will be needed for the rest of the patients' life. This last year, the American Cancer Society made 567 laryngectomy kits to give the patient as they leave the hospital, each kit contains 3 cloth stoma bibs and 6 of the gauze 4 x 4's. With the changes the American Cancer Society is making, we now have a dressing station doing this. American Cancer Division in Oakland will also need extra bibs and the sponge protective covers.

The American Cancer Society is having to make some changes and they are looking to us even more than before. They cannot buy any dressings, we are there only source. The only items they will buy are the incontent briefs and the material for the protheses.

My work this year has been heavier in the North because of our Sister Kolean Naton retiring. She has been a great help. If you can imagine one person seeing that all American Cancer Society's 42 units in California got the dressings they needed for patients, this was her job. All of our stations in the North in the past have sent or delivered their items to her in Sacramento. The units sent the patients' order to her and she sent the order to the patients. In Sacramento, the patients or a relative picked them up at the depot. The change is harder on the American Cancer Society units then on us. Now all the orders will go through the units. It will take time but it will work. But, we must keep then supplied with what the unit needs, so far our stations are trying to meet the units needs. The American Cancer has asked if we could have one of our members to be at a unit one day a week to hand out the dressings to the patients and keep the card files on the patients. We now have some doing it. I participated in a meeting to get this started in a unit and I plan to help with the list of patients and learn just how it is to be done. This way, I can help other that wish to do this.

This year, our workers have been very busy supplying the needs of 887 patients. This was done with an average of 1,013 workers, that worked 46,017 hours, making 133,469 dozen and single items. This adds up to a total of 235,527 dressings that were made at a cost of $62,052.

Some of the stations have given directly to 61 patients. Of these 31 were members of the Masonic family. A total of 117 Masonic families received our dressings or gift items.

The gift items are Kathy-Kaps with small pillow, lap robes, slippers, hospital gowns and turbans. For those they use used sheets and yarn that has been donated.

This year, a ruling has come from the Committee of Jurisprudence, that because our dressings are for cancer patients only, that we cannot give directly to other health groups. The patient can make the request to the American Cancer Society and a worker can get the dressings for the cancer patient.

A very heartfelt thanks to all the Chapters that answered our letter with donations to the Memorial Cancer Dressing Station Fund. Our thanks also goes to the San Diego Annual Breakfast, the East Bay Association Breakfast, the Sunnyvale Silver Tea and any other fund raisers that were held. We are very grateful to Sister Jane Donovan for so generously opening her home again in San Francisco for the Silver Tea that has been most successful for many years. Without the generosity of our members, we would not be able to continue to provide the dressings that are needed.

It was my pleasure to visit five Chapters to speak on this very special project. Over the years, many of our members have taken this project for granted, but take another look. We are the one and only project that we as members contribute to our own community and that the community can work with us, as volunteers. Who knows you may get a new member to your Chapter.

I visited 11 Dressing Stations and instructed two on making dressings. Have met with Sister Kolean at the depot in Sacramento and American Cancer Society Division Officer one time, also stopped by three of American Cancer units.

Please stop by the Gift Wrapping Booth, for special wrapping and note samples of items we furnish.

Thank you, again, Worthy Grand Matron, for appointing me and giving me the pleasure of serving you on this wonderful project.

The prayer was given by Past Grand Matron, Sister Marguerite Weisheimer, in 1961 when the Chico Cancer Dressing Station was started:

"Bless Oh Lord, these willing workers who have served so faithfully for many years to bring comfort and assistance to those in need. We ask that their work be allowed to continue in the coming years and each worker be blessed in Thy sight. Be with each of us as we remember those we are so concerned for. Ease the pain of those who suffer and those who care for them. Heal those who suffer that their pain may be replaced with joy and give a discovery of the cure for cancer. Help us to labor in research and knowledge of how to prevent it. For the many gifts you have given us, we thank Thee."
Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Sister Betty, for your hard work on this important committee. Working on the instructions that you gave, these wonderful people that work in our Cancer Dressing Stations certainly merits our undying gratitude. Our heartfelt thanks to Sister Marguerite for starting this humanitarian project.

I don't know that our members know that you can request dressings when you are in the hospital, and they are free of charge. Thank you very much for your help, and we appreciate it.

REPORT OF THE COMMITTEE ON HOUSING

(By Pat Hannum, Past Matron (358/490) Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

When Sister Paula asked me to be Housing Chairman for the 119th "Missions of Love" session of Grand Chapter, she gave me a learning experience in hotels.

We rented 357 rooms from 6 hotels in the downtown area and 637 rooms from 9 hotel/motels in Mission Valley. Then, not to leave RV's out for the first time, I got 30 spaces at De Anza on the bay (and what rules they have) but we rented all 30 spaces available. This is a total of 1,024 facilities rented through Housing; 174 more than was rented last year! I want to thank

each one of you so very much because 98.99% of you dear members went through Housing just like I knew you would.

We did not go through the Convention and Tourist Bureau to make reservation when I found out that all California Bureaus charge for this and I didn't want any added charges.

Special hospitality rooms were set-up at the Red Lion Inn (hosted by the San Diego Worthy Matrons and Worthy Patrons) and at the Handlery (hosted by the San Diego Conductress and Associate Conductress Associations). My love and thanks to you.

I am sure I am one of AT&T's favorite people. I will be replacing my walk and talk telephone because I wore out the on button.

My thanks to my dear husband, Art, for his wonderful support for all these months; and to our Banquet Chairman, Chris Kyle, as we worked hand in hand to fill all your needs.

Thank you, Worthy Grand Matron, for giving this new Grandmother of 4 weeks and 2 days this exciting appointment.
Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Sister Pat. No one has ever had a more sincere friend. No matter what I asked you to do, you left no stone unturned to get it done. Thank you, dear friend, for being willing to "try one more time" no matter what the task. We thank you for your caring nature, and for taking care of even the most difficult tasks in a very loving way.

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

This has been the year of the Fiestas, South of the Border themes have abounded all over the state. We were very fortunate to find many pesos under all those sombreros and mantias throughout the state in the amount of $89,570.60.

It was not easy this year, as we all had to tighten our belts. There was still the hamburger fry at Harbor Star Chapter No. 521, Newport Beach which was started by Brother Ozzie Hulstrom, Past Patron. For the past 24 years Brother Ozzie has donated his time and talents to this event. We salute you, my Brother, above for this labor of love. A special citation was presented Brother Ozzie, but unfortunately it arrived too late for him to receive. Harbor Star Chapter has the citation hanging in a place of honor in their temple. Star of Lakewood Chapter No. 617, Long Beach, sold two-year pocket calendars. This is a bi-annual event in this Chapter. Poinsettia Chapter No. 287, Oceanside, had a potluck barbecue. Yolo Chapter No. 60, Woodland, held a very successful dinner for the Endowment Fund. There were several bakeless bake sales, tax forms were filled out by many Chapter members, coin marches, and even a phantom tea. These, my Sisters and Brothers, are just some of the many ways the members of California and their friends supported the Endowment Fund from July 1, 1991, through June 30, 1992.

This is the 31st year of the Honor Roll Certificate for 100% participation in the Endowment Fund. There were 201 Chapters

who attained 100%. Two of these 100% Chapters were first-time recipients. La Sierra Venus Chapter No. 555, the home of the Worthy Grand Patron and Lucerne Chapter No. 127. There is a book at the Endowment Fund display in the Exhibit Hall which contains these Chapter names. They will be listed in the proceedings.

The mimi plaques were presented this year for the third time. There were eleven five-year awards, four ten-year awards, three fifteen-year awards, two twenty-year awards, and five twenty-five year awards. They will all be listed in the proceedings.

Two areas share the distinction of 100% for the entire area. Two years in a row Area 16, Central Coastal Association, and for six years in a row, Area 11, Monterey Bay Association. The Chapter with the most donations is Pasadena Chapter No. 108 with over $4,000. Reveille Chapter No. 47, Salinas, Vallejo Chapter No. 278, Triangle Chapter No. 456, Venice, and Santa Barbara-Marguerite Chapter No. 78, all donated over $1,000. Area 7, Silverado and Redwood Empire Associations purchased seventy-seven Life Sponsor Memberships and forty-two Star Plus donations were made to lead the areas in this type of participation in our Endowment Fund.

There is a display in the Exhibit Hall about the Endowment Fund which you will find interesting. It shows you just where the money comes from to support the Home. Although these figures are from 1990-1991, the percentages have not changed this year that drastically. Our Endowment Fund still does not generate enough income to support our Home 100%. We must rely heavily on the contributions of the residents that come into the Home. The $2.00 assessment is only 10% of the income. Therefore, my Sisters and Brothers, your obligation and that of the members in California to support our Home is even more important. We have an obligation to those fifty-six members in the Home today. May you find it in your heart this coming year to encourage your Chapter to have a fund raiser for the Endowment Fund. Volunteer to be the Chapter Chairman and make this happen. March 1993 will be Endowment Fund month. If we don't ask the members to give, they will not hear the

message of how important it is to support our Home, now and in the future.

It is my pleasure to donate to the Endowment Fund an IMB compatible data base program called Profile for Deskmate, by the small computer company and Deskmate, by Tandy Corporation in which all the Endowment Fund information is recorded. (Profile value $100.00, Deskmate value $100.00.) It has been my pleasure to computerize the Endowment Fund records over the past two years. My grateful thanks to Brother Glenn Munkres, Past Patron (278), my husband, for all his assistance in this project. We hope the Endowment Fund will benefit from this gift.

Thank you to the ten members of the Go Getters Club at the Eastern Star Home. These ladies counted and banded 7,000 Endowment Fund Envelopes into bundles of 25's for distribution at the Secretaries meeting on Sunday. Sister Lynn McIntosh, Committee Member from Area 22, Orange County Association, presented each of our club members with a certificate of appreciation and a hand crocheted bookmark for their service to the committee. Their names will be listed in the 1992 proceedings.

Thank you to Sister Diane Silva, Grand Secretary, and your staff for all of your assistance this past year and the two years I have been Chairman. To Sister Sheri Weisser, Grand Treasurer, for all the facts and figures you so willingly gave me throughout the year so I could see how well we were doing.

It is my pleasure to present Sister Lynn McIntosh, Seaside Chapter (259), who is the incoming Chairman for 1993. Sister Lynn may the bluebird of happiness fly over your wishing well and fill it to the rim with gifts of love from all the members in California and their friends.

Thank you, Worthy Grand Matron, Sister Paula, for all of our appointments. We have enjoyed serving on this committee.

Paula Remington, Worthy Grand Matron: Thank you, Sister Vicki. That was beautiful. We all enjoyed it, I know.

Tonight we have set aside to honor our Most Worthy Grand Matron and our Most Worthy Grand Patron on their Official Visit to our Grand Jurisdiction. It is a singular honor to the Grand Officers to have this Official Visit during their term. Sister Virginia, we share several close ties. One is a bond of love. "Let us love one another," because if we truly are following His Golden Rule, then we are expressing love to our Sisters and Brothers and to all mankind. I had just been installed a couple of weeks when I went to your dinner and learned that our Scriptural selections were the same, "Let your light so shine before men that they may see your good works and glorify your Father in heaven." I am pleased that there is unity in thought between us.

Sister Thelma Bailey, I am sure that you know our Distinguished Guest far better than we do. Would you share with us some of your special recollections of times past, and present our Most Worthy Grand Matron, Sister Virginia Painter, at this time.

Thelma Bailey, Past Most Worthy Grand Matron: Thank you, Worthy Grand Matron, for this very special privilege.

It is a very special honor for me to have the privilege of presenting Sister Virginia Painter, my friend of many years. To have her in our Grand Chapter Room tonight adds greatly to our beauty and to the interest that we have in the Order of the Eastern Star.

Sister Virginia, the members of our Grand Chapter thank you most sincerely for all of the effort that you have made to attend our Grand Chapter Session. We wish for you in the years to come every happiness, every joy, that can be yours.

As you travel through our Eastern Star world, we can only say "May God watch over you and care for you as you travel for the Order of the Eastern Star."

It would be our pleasure, Sister Virginia, if you would speak to us at this time.

ADDRESS

(By Virginia M. Painter, Most Worthy Grand Matron)

Most Worthy Grand Patron, our dear Sister Thelma Bailey, General Grand Chapter Officers and Committee Members, Members and Visitors to the Grand Jurisdiction of California, and especially to the Distinguished Guests of the Masonic Family, who are here this evening:

It is a delight to see you here at your Grand Chapter Session of California and to be here when you are so honored.

I would like to preface my remarks tonight with a little story about a minister who was known for speaking a little longer than his parishioners thought he should. So one of the deacons spoke to him after church one Sunday morning, and he said, "You know, the parishioners are getting a little uneasy with the length of your sermons. Isn't there something we can do, for some days you just run a little bit longer than others, and isn't there something we can do to keep them down to a normal time each Sunday?"

So the minister thought for a moment, and he decided that the way he would handle it is that he would put a lifesaver in his

mouth before he began his sermon; and when the lifesaver had dissolved, he knew it was time to stop his sermon; he had talked long enough.

This went along very well for two or three Sundays, and the church was dismissed on time, and all of a sudden, one Sunday morning, he again went on and on and on. So when he finally finished the sermon and left to go to the back of the church to greet the parishioners, the deacon came to him and said, "You were doing so well in keeping your sermons to a normal length of time. What happened this morning?" He said, "Well, this morning I got a button by mistake."

I hope that when I finish this evening you won't think I have a button in my mouth.

I did give my thank you last evening for all the many courtesies extended to those of us who are your guests, but I would like to add a little bit to them at this particular time, to again say how happy we are to share this time with you and to see the enthusiasm in the Grand Chapter of California.

This has been a most beautiful Session, and I would like to thank you for the special courtesies extended to me this evening and for the beautiful marimba solo by Sister Marilyn Harris.

I would also like to thank the Worthy Grand Matron for appointing Sister Sue Primo, who is a former Connecticut resident, as my personal aide. Our friendship goes back many years; and it was a delight to find that she was serving here; and I have enjoyed renewing this friendship with her and her husband, Chuck.

Also, Worthy Grand Matron, the driver that you assigned to me, Sister Patricia Maxwell, has been just a delight; and she has been so patient. We set a time as to when we were going to leave, and then I stopped in the hall, talking to people, and I know she waited longer for me than the time allotted when I intended to be there, and I thank her for the courtesy of being there and being available for my service.

This has indeed been an outstanding Session, and the music has been outstanding. I have enjoyed every minute of this. Your choir is to be commended for what they have been doing to make this a happy time for all of us.

Tonight I would like to tell you about the General Grand Chapter charitable projects.

We have Cancer Research, and we are raising funds for this very worthwhile project.

We have the Heart Foundation, and we have a Lighthouse, which is being sold for that purpose.

We have a Youth Program to help earn money for youth scholarships.

And we have an ESTARL Program; we have an angel for postgraduate work for ESTARL.

None of these projects are new, but we are adding a new dimension to the Youth Project. We have asked the Educational Committee of General Grand Chapter to compile a scholarship listing.

Six and one-half million dollars in scholarships go unclaimed every single year, simply because people do not know they are available. We have asked these people on our Educational Committee to compile a listing; and if there is a young person who wishes to further their education by scholarship, if they will send their name and address to any member of the Youth Committee, giving the field of their study, this committee will send back to them a list of scholarships in their specified field.

ESTARL, of course, is our very own project. It was started in 1952 by Ruth Ajon, Past Most Worthy Grand Matron from my own Jurisdiction of Connecticut, forty years ago, Sisters and Brothers; and in that period of time, over nineteen and a half million dollars has been given in ESTARL awards.

We're not making any change in the ESTARL program, but we are adding a new dimension to it in this Triennial in memory of Sister Ruth Ajon, and it is the postgraduate award.

Those eligible are a Master of Divinity or the equivalent degree, and it is to provide assistance toward a Doctoral Degree in Religion. This is a 3-year program and donations will be recorded and held until 1994.

Nominations for this award should be sent in at the end of 1993 so that the information is current. Awards will be made in 1994 for the spring semester of 1995.

We are selling the beautiful angel pins, which many of you are already familiar with; and any donations which are marked for the postgraduate award, such as donations honoring individuals on memorial donations, will also help to swell the amount allocated for your distribution and your Grand Jurisdiction.

Our goal is to have at least one award in each Grand Jurisdiction. If there is no candidate, the proceeds will be returned to your Jurisdiction for use in your basic ESTARL program.

I have not had a report recently as to the number of pins that have been sold; but as of a month or so ago, we had over 34,000 pins that had already been sold for this project, not $34,000; 34,000 pins. So most of the Jurisdictions are well on their way to having at least one award to grant at the end of 1994.

Our goal this triennium is public awareness. We have the tiny hour light; we must let our light shine. We have chosen the lighthouse as a symbol of letting our light shine.

Our members are extremely generous in donations of both time and money, with no thought of recognition or remuneration. Thousands, even hundreds of thousands of dollars in donations are reported at Grand Chapter Sessions each year.

Who hears about our good works? Those assembled at Grand Chapter, or perhaps a letter sent to each Chapter, thanking them

for their support. This is not enough. We know what we do. We must let others know of the good we do.

People have very busy lives today. Husbands and wives both work. We must compete for their valuable free time. Consider making your presentations, which are usually made at Grand Chapter, in a press conference type atmosphere just prior to the opening of your Grand Chapter, and add up all the donations you're going to make. Put a dollar value on them. Invite the press. Tell them you're going to give a hundred thousand dollars to charity tonight. Ask them to get someone there to cover that story.

You will not only gain a little more recognition because of the amount you're going to report as a contribution, but you should have better attendance in your reception if they can come for an hour or so before your Grand Chapter starts and be dismissed to go home to their studies.

We do many hours of volunteer service; and we have two new projects in this triennium.

The first is the Rose Award. There are certificates to be earned for Chapter involvement and for community involvement. Certificates will be issued as they are earned. They are signed by the Most Worthy Grand Matron and the Most Worthy Grand Patron, and application forms are available from any member of the Rose Award Committee.

With the earning of three certificates for community involvement or two for community involvement and one for Chapter involvement, a lovely pewter rose medallion will be awarded. It has a rose on the front of it, with the words "Rose Award." And on the reverse, there is room to have the name of the recipient inscribed. It will be worn on a ribbon at Eastern Star functions but may also be worn as a pin in public.

This medallion gives recognition to those who have been giving of their time in volunteering; but, Sisters and Brothers, we also want recognition for Eastern Star, public awareness. We

know the good works we do. We must let others know of the good works we do.

Presentation of the Rose Medallion should be made in the presence of the benefiting organization. If there is a hospital volunteer, contact the hospital. Tell them "we want to recognize one of our members who has been helping you as a volunteer." Request their presence at a ceremony of presentation. Have a photographer; try to send it in to the newspaper. If you're not successful, you certainly will have at least had space in the newspaper.

We are reaching people who are not members of the Order of the Eastern Star. We are letting the community know that Eastern Star members are working hard in their communities.

Once it is already recorded, 135,000 volunteer hours, put a price tag of $10 an hour on that. That is $1,350,000 that the community did not have to pay for work that was done by volunteers. That certainly ought to be worth some recognition to the members of the Order of the Eastern Star for giving their time this way.

And if you can't get it into the press, we were in a hotel last week where there was a display for one of the football teams. They had a check written out in that window, telling of the donation that was given.

There are many ways that we can try to let people know what the Order of the Eastern Star is doing within the community. If we are to have members who are very busy and wish to be a part of us, this is one way to have them feel that they would like to be a part of an organization which is doing good for others.

We would like to have the people who earn the Rose Medallion recognized at the next Grand Chapter Session, after which they receive their awards; and as members of the General Grand Chapter Assembly, we, too, will recognize those who have earned these awards. There will be a Rose Award luncheon at General Grand Chapter for those who can be with us.

There are many opportunities for service; for example, in some of the jurisdictions where they have gathered up toys during the year and given them to a hospital for children, put a label on the little stuffed toys "Compliments of the Order of the Eastern Star," not OES. Fill it out. Let them see it. You give them the toys and they know the day they get them, where it came from. Somebody comes into visit them, they pick up that little animal, "Compliments of the Order of the Eastern Star," free publicity.

Our second project is the Eastern Star Journal, our new quarterly magazine. It contains the itinerary of the Most Worthy Grand Matron and Patron, news of subordinate Chapters around the world, the messages of the Most Worthy Grand Matron and the Most Worthy Grand Patron, also our charity endeavors, such as the third issue, that was devoted to cancer projects that have been accomplished by Grand Chapters around the world.

We went back to the records and found that over twelve and a half million dollars have been given to cancer research by the Eastern Star. Did you know that? Did anybody outside of this room know that?

There is an article in one of the issues about the funding of a cancer research project in Nevada. They have come up with photochemotherapy, in which the chemical that is taken for chemotherapy -- and we all know what the side effects of chemotherapy are -- lies dormant in the system until a laser-type light is focused on the cancer itself, and only those cells are destroyed. This is not on the market yet.

Sisters and Brothers, we are a big part of that research. Isn't that something to be proud about? And when somebody asks you what the Eastern Star does, wouldn't it be nice to tell them that these are the kinds of things that Eastern Star is doing?

There was an article in the first issue about a project that the Worthy Grand Matron of Minnesota had, called "Adopt a Cop."

At the time of her installation, she asked her Worthy Matrons to please go to their local police department, find out what they

needed -- safety equipment -- have projects of their choice to give money to the police department to buy the safety equipment.

They collected $31,000. They had 100 articles in 50 different cities throughout the state, and the Governor proclaimed an "Adopt a Cop Eastern Star Day."

It did not cost them anything to do it. It was the same thing they had been doing all along. It is just that they are letting their light shine by letting the public be aware of what the Eastern Star is doing.

Utah is a desert area in many sections of the state. They have what we call a "Desert Shade Program," where they took a summer weekend off and went into the desert and brought with them cold water, portable shade, port-o-potties, cookies, candies, and a book for people to sing, along with literature about the Masons and Eastern Star. People from many states stopped to wonder what this oasis was at the corner of the road in the middle of the desert and to find out about the Order of the Eastern Star.

They gained some new members as a result of this. They had one truck driver who was so amazed by that that he was going in one direction on Saturday and came back on Sunday and brought roses to those working in the group in the middle of the desert.

Good publicity, still just doing the types of things the Eastern Star has always done.

If you're interested in a subscription to the Eastern Star Journal, there is a table outside; and we ask you to see someone there if you would like to have a subscription. This publication is telling all about different projects that have been successful in various Jurisdictions, which you might want to put into practice in your own Jurisdiction.

Our membership is 125 years old. Our average age is increasing. We are like an old house. We have a good foundation, but we need to update our building. We are losing members by demit and suspension. This is our fault. We have to

remember to put into play the Golden Rule, "Communicate with your members."

And do it before, not when you want them to bake a cake or refreshments or come down and protem as an officer; and that does not take a lot of work. That is our most valuable asset at this time. We are all very busy; we all have very busy lives; but put yourselves in the position of the other person and how nice it would be to have someone just call and ask how you were doing today.

If there is a consolidation of Chapters or a demit, where someone is moving to another location, I would like to ask the secretaries to notify the Chapter of the new location, giving them the name and address of the person who is moving.

How nice to go to the Chapter in a new location and have someone greet you and say, "Hi, I am an Eastern Star Sister from the local Chapter. Welcome." Wouldn't you like that to happen to you?

How many people have heard, "We've never done it that way."

You know, Sisters and Brothers, we have members from age 18 all the way up into their high nineties. There are different interests when you are getting into an age span such as this.

Please go back to your Chapters, ask your youngest members for suggestions of things that they would like to see or like to do, which would make the meetings more interesting for them.

I had a talk with a young Worthy Matron after one of the Grand Chapter Sessions just recently, and this is a very good example of what I was talking about:

She said to me, "Most Worthy Grand Matron, I was so happy to hear your remarks about 'we have never done it that way.'" She said, "I'm about the youngest person in my Chapter," and she was about 28 years old. She said, "Years ago we used to have Christmas parties for the children of our members," but, she said, "we don't have any members with young children anymore, so we

started having Christmas parties for the grandchildren, and we really don't have any grandchildren anymore. I wanted to have a Christmas party for the children in the neighborhood," and she was told "we've never done it that way."

What is wrong with having a Christmas party with the children in the neighborhood? What is wrong to ask some of the mothers to help with it? They're going to be exposed to Eastern Star people and the things we stand for.

If nothing comes of it, we don't lose anything. If something comes of it, you have new members.

Years ago, shortly after I was in the East as Worthy Grand Matron, we had a young couple stand in the doorway of a function that we were giving. We had a dinner dance for the Worthy Matrons and Worthy Patrons, and this young couple stood in the doorway for quite some time until somebody really noticed it. They were not part of our group. They kept on standing there.

So we went over and asked them if there was something we could do to help them, and we found out they had been following this man, who was playing for us, all over the state, and they asked if they could come in and dance to his music. They would buy a dinner, but they really would like to come in and dance to the music of this band.

So we thought that was fine, and they came in and they spent a pleasant afternoon with us, asked a few questions, and lo and behold, a few months later this fellow joins the Masons and subsequently they both joined the Eastern Star, and they are a Past Matron and a Past Patron of one of our Chapters in Connecticut.

These are people we never would have reached, except that they found something in the comradery they saw that afternoon that led them to ask questions and to want to be a part of it.

We have a beautiful organization. I needn't tell any of you that, or you wouldn't be here, because your time is just as precious

as anyone elses'. So it is precious for us, and to be able to share this with others is something that we need to look very closely at.

One more comment:

The young man, who was our publisher for the first issue of The Eastern Star Journal, of course, had to review all the articles that were in the publication; and he began asking questions. When they had an honor night for me in Connecticut, shortly after I was installed as Most Worthy Grand Matron, he asked if he and his girlfriend could come to it. He joined the Masons. I don't know if they will join the Order of the Eastern Star, but the Masons gained a new Brother, and he found something that he did not know about before.

I would like to tell you one more little story about a Chapter in Skagway, Alaska.

We had just returned from our visit to the subordinate Chapters in southeastern Alaska, five Chapters, reachable by road, the other ones only by boat or ferry, at least an 8-hour ferry ride, and it cost at least $48 each way. They don't do much between Chapters; but Sisters and Brothers, they are the closest in their comradery among the members of those Chapters, which is just terrific; and in Skagway, in Naomi Chapter, they have 63 members but only 17 still live in Skagway. You can't even have a corp of officers with 17; but Sisters and Brothers, all their elected stations are filled. They had almost 100% attendance at the meeting I came to, and two members went 1,000 miles from Anchorage to attend that meeting.

That is what I called an occasion, and those members, because they are so isolated in this little town, which has only 750 year-round residents, the population grows to three or four thousand in the summertime, when people come in on the cruise ships to visit that little town. They have started a flower shop, and they have it there all summer, where locally grown flowers are sold; and they distributed information about the Eastern Star and Masons; and they are certainly holding up their end of the deal. I think they are to be commended for their effort to let people see the light of the Eastern Star.

In closing I would like to share with the words of a song that was written by Joseph Clement, the Past Grand Organist of Connecticut:

Stand up, stand up, be counted.
Yes, members of our Star,
The time is now upon us to tell.
Just who we are.
With fellowship and honor,
Our Order will succeed.
Our faithful love and friendship
Will help us to succeed.
Stand up, stand up, be counted,
Ye Chapters of our Star,
For if we are to prosper,
We must visit near and far.
Our Sisters and our Brothers
Must all united and share
With those not in our family
To show how much we care.

Thank you, Worthy Grand Matron.

Paula Remington, Worthy Grand Matron: Thank you, Most Worthy Grand Matron. That was most interesting and inspiring, and we certainly do look forward to your Triennium Session.

Worthy Grand Patron, would you present our Most Worthy Grand Patron for his remarks.

Vernon L. Gordon, Worthy Grand Patron: Thank you, Worthy Grand Matron.

Sisters and Brothers, our Worthy Grand Matron has afforded me the generous honor of presenting our next two speakers.

Before I present Brother Ray to you, I want to tell you a story about him that we, who tell stories, can only rely on the accuracy of the source from which they come. We have to believe them.

Now, Brother Ray, since he has been here, has from time to time taken the shuttle bus, as many of you have. He only lives in the hotel around the block, but last evening after he left here, he visited just a bit too long; and when he got out to the curb, there was no shuttle there; and he wondered, "What am I going to do?"

Then he saw a bus across the street. It looked a bit older and dingier than the one he had been riding. He thought all the other ones were busy, so he jumped in the bus, sat down, and the fellow sitting across the aisle said, "I don't belong to this bus; my name is Thomas Jefferson."

The fellow behind said, "Hey," he said, I'm going to be your next president. Tell me what you want to do, and I will do it." Then in the back of the bus, a fellow stood up and said, "My name is Elvis Presley, and I am on the way to Memphis to give a concert."

Suddenly Ray realized this bus was going somewhere where he didn't want to go. But just as it started up, a security-type individual stepped on board the bus and slammed the door shut, and he had a clipboard with a note pad on it, and he looked around the bus, he said, "one, two, three, four, five, six," and Ray said, "Just a minute, sir, I don't belong on this bus. I'm the Most Worthy Grand Patron of the General Grand Chapter of the Order of the Eastern Star."

The man looked at him and said, "seven, eight, nine, ten."

Sisters and Brothers, it is a distinct privilege for me to present this Brother to you. We should have Mae up here presenting him, because she has broken bread with him a half a dozen times the last three days. But in her stead, I'm most pleased to present to you Brother Ray Osborne, Most Worthy Grand Patron of the General Grand Chapter of the Order of the Eastern Star.

ADDRESS

(By Ray Osborne, Most Worthy Grand Patron)

Sisters and Brothers, I have received my comeuppance.

Worthy Grand Matron; Worthy Grand Patron; Most Worthy Grand Matron; Past Most Worthy Grand Matron, your desert rose; General Grand Chapter Officers and Committee Members and other visitors from other Jurisdictions; Grand Officers and Members of this Jurisdiction of California; and the Most Worshipful Grand Master of Masons of California and his suite of officers:

Worthy Grand Matron, I thank you for the special escort tonight and to make it possible for Sister Arlene Walker, the Grand Representative from California in Tennessee, to be a part of that Honor Guard.

I thank you also for the consideration of the beautiful marimba music by Sister Marilyn Harris.

I brought you my greetings last evening, and I would like to say once again thanks for all the courtesies extended to Louise and to me since I arrived in San Diego.

Our accommodations at the Double Tree Hotel are more than adequate for our simple needs, and we are enjoying a beautiful suite provided for our comfort. We are very fortunate to have a splendid view of the harbor and Coronado Island and, beyond the island, the broad expanse of the Pacific Ocean.

San Diego is truly a beautiful place, and it is even more beautiful, because the reason I am here is that you are here, and I am sharing this beautiful Session with you.

Thank you also, Worthy Grand Matron, for asking Vineta Christopher to serve as my Personal Page. She has been most attentive to our needs and is truly a beautiful and gracious lady.

Eastern Star Chapter 338 and her community program, the fact that she is married to a son of Tennessee has not gone unnoticed and may partially account for her beauty and spirit as well. Thanks, Vineta, for all you have done for me and Louise in the past few days.

I want to thank Helen and Paul for the very special courtesy of the deluxe transportation -- I am not talking about a bus, now; I am talking about a Cadillac -- for the deluxe transportation provided for us in downtown San Diego. It is very easy to get spoiled with such comfort and attention. Soon I will return to the realities of everyday life and will enjoy the memory of my first visit to San Diego.

I have previously commented on the pageantry which has unfolded before us here in this place. Thanks to each person who has committed time and planning, practicing and participating in activities of this "Missions of Love" Session. I know you did not do it for me, but I have enjoyed all that has been planned for our enjoyment and education.

Sister Paula and Brother Vernon and Sister Mae and Brother Tom, you have served this Grand Jurisdiction well, and we are happy you are a part of our continual family, along with Sister Mary and Brother Gene, and Sister Barbara, who will serve through the remaining years of this triennium.

I wish you well for your service to our Order and commend you for your dedication to its principles and precepts.

We shall look forward to each of you participating in our Assembly in Tennessee in 1994. At that time Kathleen McDonald will be our presiding Worthy Grand Matron and will be leading the California delegation to Memphis on the Mississippi. Memphis is a couple of hundred miles south of St. Louis, and we can't promise you snow in 1994, but we can promise you a pleasant experience in Memphis, as well as a work General Grand Chapter Session.

Come to Memphis; prepare to participate in the legislation; and there will be legislation at the 41st Triennial Session.

Yesterday the Worthy Grand Patron very forcefully and properly pointed out some matters which we plan to address at the next Assembly. I would like to talk to you briefly about these matters.

I make no excuses for the manner or the way the Sessions of the General Grand Chapter have been conducted in the past. I have been in no way responsible for that.

I do speak now to those four concerns expressed by Brother Vernon yesterday in his masterful report to you.

First, legislation deferred to the 11th hour of the Assembly.

It is our plan, the Most Worthy Grand Matron and I, to plan to begin the legislation of the General Grand Chapter on Tuesday and to continue with all business until it is completed. We do not plan to wait until the 11th hour.

Second, the Ritual can only be amended every nine years. The voting delegates will be given an opportunity to express their opinion regarding the resolution to remove the 9-year rule from our rules.

Third, what really is the Ritual of the Eastern Star? Is it a book, or is it something else? I, too, would like to know the answer to that question; and your Most Worthy Grand Patron has asked the Ritual Committee to address this question.

I believe that much in our Ritual Book is not ritual work and should be made available in a separate publication or in a separate manual. The question "What is the Ritual?" will be addressed.

And fourth, and I quote verbatim from Brother Vernon's message:

> "Each of us are mature enough and professional enough to accept defeat on a level playing field. However, to be defeated without benefit of playing the game is a stunning and bitter Fraternal experience."

We are addressing this issue by insisting that all proposed legislation be submitted according to our rules and regulations, the so-called Red Book of General Grand Chapter; that this proposed legislation be submitted to our Right Worthy Grand

Secretary, who will forward the same to the Jurisprudence Committee, the Parliamentarian of the General Grand Chapter, your own Sister June Lucretia.

These will be forwarded, also, to the Most Worthy Grand Matron and Most Worthy Grand Patron so that we may be aware of pending legislation, and all of these members of the General Grand Chapter will review the material submitted and rule on this, its correctness as to form, and our timely submission.

The Jurisprudence Committee will work with any delegate or delegates who propose legislation to assure its correctness so that the Chair will not have to rule any proposed legislation inadmissible due to something that can be corrected in advance.

I want to say that legislation is coming into the Right Worthy Grand Secretary, and this procedure is being followed at the present time, with us receiving reports not only from the Jurisprudence Committee but from our Parliamentarian, and we appreciate these services that are very time-consuming, and they are working to make it possible for us to have a smooth business session.

I have a little reminder to make to anyone submitting resolutions that your name and mailing address is on all pieces of legislation submitted. It has not been unusual in the past for us to receive material and not know who sent it and not know how to send it back to someone.

These things we hope to do, to make the 41st Triennial Assembly a pleasant working session for the General Grand Chapter.

You are aware that the Ritual may be changed at this General Grand Chapter Assembly, according to existing law; so we will accept any resolutions regarding the law, the Book of Instructions or the Ritual.

Tonight is a night that you are recognizing the Masonic Families. This is a great thing to do, and we are pleased to be in the presence of the Most Worshipful Grand Master of Masons in

California, our Brother R. Stephen Doan, who is a member of the Order of the Eastern Star as well.

I would like to close my remarks tonight by talking to all Master Masons who are in the room about expressing some thoughts about what is the real Mason?

All Masons are not members of the Lodge, nor are all Lodge members real Masons. A real Mason never talks about what the world owes him, the happiness he deserves, the chance he ought to have. All that a real Mason claims is the right to live and play the game.

A real Mason is dependable. His simple word is as good as his Bible oath, and he does a little more than he promises. He is just as honest in the dark of his own room as he is in public.

A real Mason does not want pull, does not want tips, does not want favors. A real Mason wants work and honest wages. He treats his fellow men as he would have them treat him.

A real Mason is loyal to his friends and guards their reputations as he guards his own.

A real Mason honors a woman, any woman. He cannot hurt a woman, physically or morally.

A real Mason minds his own business. He does not judge other people or speak unkindly to them or of them. He always has excuses for others but never has excuses for himself.

He is patient and charitable to all beings. To himself, he is strict.

And so, Master Masons, remember in this room tonight, and I would ask at this time that all Master Masons stand and be recognized as a true Mason. Thank you very much.

Vernon L. Gordon, Worthy Grand Patron: Thank you, Brother Ray. The entire text of your comments this evening is very informative.

One particular part of your message was most reassuring to me, and let me say to you, Brother Ray, to the views that were expressed in my message yesterday, I at no time attempted to represent the entire membership of this Jurisdiction. They were my own, as I saw them; and I do appreciate your response to them. Again, I say they are most reassuring to me and perhaps to others. Thank you so much.

Now it is my privilege to present a Brother who has been a long-time friend of mine. I have served with him on committees in the Grand Lodge, and more particularly on the Procedures, Policies and General Purposes Committee, which has a very strong role to play in all that happens in our Grand Lodge during the Annual Communication.

Our Brother is not unfamiliar with the Order of the Eastern Star. He is a very youthful individual. To serve as Grand Master, he began his career very early on in life, and he served here in Southern California as the Jurisdictional Master Councilor of the Order of DeMolay for Southern California.

You might believe and most people assume that Grand Masters have served in all capacities in all of the different important, independent bodies, as they make their way to the office of Grand Master. And I have on some occasions asked different members of our Order, "How many Grand Masters do you believe have served as Worthy Patron of their Chapter?" And some will even give us numbers of 80% and 50%, some 25%, and they are stunned when I tell them that, according to our records, the best knowledge that we have, there have been three Past Patrons in the Jurisdiction of California, three to go to be Grand Master of the Masons in this Jurisdiction.

Brother John Roberts was the first, and he died during his term as Associate Grand Patron of this Grand Chapter; and I was the second. I served for one year in that exclusive club with Brother John Roberts.

Now we have made it a twosome again, because our Grand Master is a Past Patron of our own Grand Jurisdiction; and, Steve, I hope we will carry this twosome far into the next century.

Perhaps we will attempt to have Brother Steve add to our numbers.

I'm taking far too much time. Let me present to you at this time the very distinguished Mason, the Most Worshipful R. Stephen Doan, Grand Master of Masons in California. Brother Steve, may we hear from you.

ADDRESS

(By R. Stephen Doan, Grand Master of Masons in California)

Worthy Grand Matron, Worthy Grand Patron, having had the opportunity to work with both of you in Fraternal circles over the years, it is my pleasure to share with you your "Missions of Love" Session and, on behalf of all the Masons in California, to make these small presentations to you as a token of the esteem in which you are held by all Masons in California. *(Presenting gifts.)*

Sisters and Brothers, I must tell you, before I got up to speak, my Grand Pursuivant, fearing that I might search through my pockets and find only a button, slipped me a lifesaver. I think maybe he heard your Grand Master speak before.

Sisters and Brothers, this opportunity to address you this evening as Grand Master has special significance for me.

First, as Brother Vernon stated, it is not often that a member of a Grand Chapter, a Past Patron, has served as Grand Master of Masons in California.

Also, on Thursday evening, October 8, 1970, Grand Chapter had a singular night honoring the Family of Free Masonry in this very auditorium; and Sister Bessie Robinson was our Worthy Grand Matron. I was then the Jurisdictional Master Councilor of Southern California and addressed the delegates that evening.

My message then was about the present. I solicited your aid for Masonic Youth Groups. Tonight my message is different. My message tonight is about the future, the future of the Family of Free Masonry. Masonry for the 21st Century is the theme for this Grand Lodge year. What does this theme mean?

Masonry for the 21st Century, it is a personal search which each one of us must undertake for the timeless answers which Masonry provides for our concerns, regardless of the century or circumstances in which we live. These timeless answers for our concerns do not make Masonry a religion. Religion deals with salvation, the hereafter. Masonry deals with ethics, the right conduct for the here and now.

Once Masonry's timeless answers are discovered, each one of us must make a personal commitment to apply those answers to the concerns of today.

Our Masonic Families discovered these answers to the concerns of today; and if we then live by the principles which answer those concerns, we will attract those right-thinking people needed for our Masonic Family to survive and prosper.

What does this search for timeless truths, what does this search say to Eastern Star? How does this search apply to the Eastern Star? What is the relevance of our Order to the 21st Century? What are Eastern Star timeless truths? What does Eastern Star say about the concerns of men and women in this world today and about the concerns in today's society?

There is a profound lack of trust. People do not trust politicians who shave principles for votes; people do not trust business leaders who shave principles for profit; and people do not trust lawyers who shave justice for a client's fee.

You may never, my Sisters and Brothers, make the commitment that Abraham made to God and be forced to sacrifice your own child. But we must never fail the principles in which we believe. Our commitment to principles should never waiver, regardless of the adversity which might therefrom follow.

Another concern that people today suffer, you see homeless people outside this very auditorium tonight. Children of parents who abuse drugs and alcohol are commonplace. Elderly people sit at home with no companionship other than perhaps a book or a pet.

These concerns may seem far away to you and me; yet but for the Divine Providence, you or I could be homeless, abused at home, or a lonely senior with no human contact.

How fragile, how very fragile is our well being, as God demonstrated to Job, who lost everything in a snap.

The cry for help may not come from someone as closely related as Naomi was to Ruth, but we should, each one of us, do as Ruth did. We should care for, aid and assist one another regardless of affiliation with our Masonic Family.

Still another concern, we live in the "me" generation, and everybody is concerned about number one, or at least so it seems. When a friend is in need, does the average citizen help or give some excuse like, "I really would love to help you, but". . .

But what? We never be asked, Sisters and Brothers, to risk our lives to save another, as Queen Esther did; but we should always be prepared to come to the aid of friends in need, an ageless concern.

A loved one suffers a long and torturous death from cancer. We lost our jobs, our savings, and the loss of our home is threatened. A spouse walks out. We might be tempted to say, "God, why have You forsaken me? Why did You let bad things happen to good people?"

We should then remember the faith of Martha, which never, never failed even after her brother's death.

God's ways are not for us to understand. We need understand only one thing, that the faithful and righteous will be rewarded on the final day.

The greatest concern today and the most powerful message of our Order of the Eastern Star, why is there so much violence in the world? Human being against human being. Why is there so much hatred in the world? Why the human carnage in Yugoslavia and South Africa?

The solution, His power was and is so great that she refused to disavow it, even under the potential penalty of death, as Electa, for our existence in civilized society.

If God the Almighty regards each one of us as so special that He can love every human being on earth, regardless of faults, regardless of irritating habits, regardless of controversial beliefs, how can we act any less than God does? How can we do any less than love one another?

The Eastern Star and Free Masonry will survive and prosper in the 21st Century if we live its timeless truths in our daily lives. Our Masonic Family will survive and prosper if we are committed to principle, if we are helpful to the less fortunate, if we are loyal to kindred and friends, if we are faithful to God, and, above all, if we love one another.

If we live these truths, our example will be an inspiration for others to follow. We will attract to our cause others of like view who will take courage from our example and follow in our paths.

Sisters and Brothers, join together to strengthen our Masonic Family by living our timeless truths. Build Eastern Star. Build Free Masonry for the 21st Century.

Vernon L. Gordon, Worthy Grand Patron: Thank you, Most Worshipful, for those most inspiring and most revealing words to us, certainly words we can live by.

I would have to say when our Grand Master was installed in this present office some two weeks ago -- and I hope you will all agree with me -- that he was prepared. He was ready, and he was the right man, in the right place, at the right time.

I would like to present someone to you just now who we certainly do not want to overlook. I would like to present to you the First Lady of Masonry in California, Sister Donna Doan.

Paula Remington, Worthy Grand Matron: Thank you, Brother Vernon.

My Sisters and Brothers, I would invite each one of you to the reception for our Distinguished Members in the Copper Room when we close shortly.

Thank you, Brother Stephen Doan, Most Worshipful Grand Master, for your inspiring message. I have been pleased as I have visited our different Grand Jurisdictions and the Grand Lodge of California to find that we are all working together toward a common goal. We are all striving to strengthen our membership. We are all working in love to bring harmony to our Order.

We are all building to unify our Masonic Family. As we each work together, we will find that God will guide us and give us strength in the principles that these Orders were founded on. Our light will shine forth for others to follow. Thank you for your message this evening.

Now, we do have some presentations to give to our Most Worthy Grand Matron and our Most Worthy Grand Patron. *(Presenting gifts)*

Sister Virginia Painter, it is our very special honor, on behalf of the Grand Chapter of California, to present to you this gift of love. Also we would like you to have an Honorary Membership to our Grand Chapter, and that is a special gift we give to you for being with us today.

Virginia M. Painter, Most Worthy Grand Matron: Thank you, Worthy Grand Matron, for this presentation, for whatever is in this package, for the love gift, and especially for the Honorary Membership to the Grand Jurisdiction of California. I do look forward to visiting with you many times in the future, and thank you very much.

Vernon L. Gordon, Worthy Grand Patron: Brother Ray -- if any of you wants to listen to the Russ Limbaugh show, I say "ditros."

Brother Ray, most likely in your travels around, you receive many gifts, some perhaps of far more value than these that we present to you; but I can assure you, none are extended to you with a greater measure of love than that which we present to you

here this evening. These gifts may not be unique, but we do hope that the hospitality that we have presented to you here at this Grand Chapter Session is just a bit unique in your travels, and we are most pleased to present this to you.

Ray Osborne, Most Worthy Grand Patron: Thank you, Worthy Grand Patron. I can say "ditto," too; but I am going to say it. The greatest gift that you have given to me is your love. Now with this group tonight and the group at the banquet previously, I looked across and I thought to myself, I have got more friends in California than I knew I had; and I, too, say God Bless you in return. Thank you.

Isn't that an exquisite crystal bowl? It is inscribed "Ray G. Osborne, Most Worthy Grand Patron, "Missions of Love Session," Paula W. Remington, Worthy Grand Matron, Vernon L. Gordon, Worthy Grand Patron." Thank you so much.

Virginia M. Painter, Most Worthy Grand Matron: Thank you so very much for this wonderful gift.

Paula Remington, Worthy Grand Matron: Sister Thelma, we could not let this special night go without giving you a little bit of love or a lot of love from your California members and a little present to remember us by.

God Bless you, and we look forward to seeing you many years still at Grand Chapter.

Thelma Bailey, Past Most Worthy Grand Matron: Worthy Grand Matron, thank you for your very thoughtful and kind gift.

Sisters and Brothers, I was amazed when I walked in this hall and heard my song, heard you singing my song. I have not heard that for a long time, and I feel that it was a gift from all of the members of California.

How grateful I am to those who planned this very beautiful evening, which we have enjoyed. It has been not only a personal experience that I enjoyed, but I know that all of you agree with

me that the messages that we have heard will remain in our thoughts for a long time to come.

Worthy Grand Matron, we, the members of California, are humbly grateful to you for all of the kindness and generosity that you have given to the members of California; and I, especially, am deeply grateful to you.

We are proud of the "Missions of Love" Session that you have presided over, it has been beautiful, and we wish for you every happiness and joy that can come to you.

To you, Sister Virginia Painter, we know that you will be leaving California before too long; and we want you to know that your presence has added greatly to the enjoyment of this Grand Chapter Session.

We have loved you, and I have loved you especially for more years than I would like to count. Our friendship is an old one and a very precious one, and I am grateful to you. It is our wish that, as you continue to travel on your way, God will watch over you and your Most Worthy Grand Patron and take care of you as you travel throughout our Eastern Star world. We thank you for being with us today.

Paula Remington, Worthy Grand Matron: Sisters Grand Conductress and Associate Grand Conductress, the time has come for us to present our Grand Representatives. Would they form quickly and be escorted, so we can welcome them and give them their Grand Honors. The best laid plans of the Worthy Grand Matron do go astray.

I would like to welcome our Grand Worthy Advisor and invite each one of you to be present at our Youth Afternoon on Saturday afternoon, where Cindy will be present, as well as the Honored Queen of Job's Daughters and the DeMolay Master Councilors will be present. We hope that you will come and be with us that Saturday afternoon.

The program is incorrect in that it says that our Recessional is that morning. Our Recessional is not going to be until after

our Youth Afternoon. We will not close before we have our Youth Afternoon; we will close afterwards. I just wanted you to know, and I hope that you will be present to honor our youth and to support them. Thank you.

Escort: Grand Representatives

Paula Remington, Worthy Grand Matron: Dear Grand Representatives, may you be richly blessed as you sow your seeds of kindness and strengthen the ties of Fraternal friendship around the world. You are our Ambassadors of Good Will, and we depend upon you to present a good impression of our Eastern Star.

I have the honor of presenting to this Grand Chapter the Grand Representatives.

Barbara E. Poole, Past Grand Matron, Hostess: Sister Paula, it is with a great deal of pride this morning that I present to you your gavel on this Friday morning of your Grand Session.

Paula Remington, Worthy Grand Matron: Thank you, Sister Barbara. Sisters and Brothers, I have the honor of presenting Sister Barbara Poole, Past Grand Matron, and Brother Loyal Stark, Past Grand Patron of the Grand Chapter of California, Order of the Eastern Star. *(Grand Honors extended.)*

Sister Barbara Poole, to receive the gavel from you this morning, my 1972 Worthy Grand Matron, is such a delight. Since we both served together in 1962 and then again in 1972, you and your Art have a very special place in my Fraternal family. Thank you for opening my Friday Morning Session.

Brother Loyal, it is a pleasure for us to have you with us this morning. It means a great deal to me to honor the years of 1972 and 1990, with your lovely Joan, who was one of my Worthy Matrons; and I am happy to count the two of you among my very special friends. Thank you for being here.

Sister Barbara, could we have your greetings this morning, please.

WELCOME BY HOSTESS
(By Barbara E. Poole, Past Grand Matron)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

Thank you, Worthy Grand Matron, for the honor and privilege to extend a welcome to the members on this Friday morning "Missions of Love" Session, and for this courtesy I thank you most sincerely. An added pleasure is to have been escorted by our Past Grand Patron of 1990, Brother Loyal Stark.

It is in the spirit of warmest Fraternal cordiality that I bid each member present a very hearty Good Morning!

Sister Paula, we served together in 1962 as Worthy Matrons of our own subordinate Chapters and I was so very proud of you as you once again served as Worthy Matron, but this time with me in 1972 when I was Worthy Grand Matron and so through the years I have come to know you and love you.

Brother Vernon, I knew you in 1962 also as you served as Worthy Patron, but Art and I got to really know you and your Mae in 1972 through our John Errecart when he served as our Grand Sentinel and it has been a privilege and an honor to know both of you.

The delegates this Session of Grand Chapter as well as all members of the Order in California, are indeed grateful to you, Sister Paula and Brother Vernon, for your untiring efforts and sacrifices. We are proud of your fine leadership and we wish both

of you, as well as Mae and Tom, your fine Grand Trailers, happy memories of this wonderful year of service to the Eastern Star.

Your Grand Officers this year have been beautiful, friendly and supporting in every way, and it has been a privilege to know them.

We have been highly honored this week by the attendance of our Most Worthy Grand Matron and our Most Worthy Grand Patron and many Visiting Dignitaries, headed by our own Past Most Worthy Grand Matron, our Sister Thelma Bailey. We sincerely hope that our visitors have enjoyed their stay with us and return again in the future.

May I take this opportunity to express my sincere best wishes to our newly elected Worthy Grand Matron, Sister Mary Meixner, and our newly elected Worthy Grand Patron, Brother Gene Stiles, and their Grand Family, for a most successful and happy year.

May I leave you with this thought:

If there is righteousness in the heart
There is beauty in the character
If there is beauty in the character
There is harmony in the home
If there is harmony in the home
There is order in the nation
If there is order in the nation
There will be peace in the world!

And so on behalf of these two fine leaders, Sisters and Brothers, I extend a most cordial welcome and good morning to you all.

WELCOME BY HOST

(By Loyal Stark, Past Grand Patron)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worth Grand Patron, Distinguished and Honored Members, Delegates to our "Missions of Love" Session, Sisters and Brothers: Welcome to our Friday Session.

To our Worthy Grand Matron, Sister Paula, and our Worthy Grand Patron, Brother Vernon, congratulations on an excellent year of service to our Grand Chapter. You have performed in an exemplary manner and our Order has been enriched because of your leadership.

I had the great honor to serve as Grand Marshal of our Grand Lodge in 1992. I was able to travel throughout the state and see first hand the glimmer of a new growth in Masonry in California. We just completed the most exciting and positive Grand Lodge Session in my 15 years of attendance.

The proficiency requirement before joining other bodies has been eliminated. Even the recommendation by Grand Master, Stan Caznezux, to require three black balls for rejection of a candidate, received 64% of the vote, and will be carried over for consideration in 1993.

Younger men are joining and becoming leaders in their Lodges. Consolidation is a positive action. There are younger attendees at membership events.

Now are you ready? Is your Chapter a place that you are proud to invite visitors to? Are visitors treated with courtesy and respect and not left to sit alone? Are new members welcomed into a warm and loving family, or are they harangued to immediately become an elective officer to save the Chapter? When a new idea is proposed are you a let's tryer or a naysayer? Are you a builder or a tear-downer?

Because each of you can make a difference. All you can do is all you can do, but all you can do is enough - if you do! You love it or you wouldn't be a member. You like it, or you wouldn't be here.

Let your candle shine. Reach out to those around you. And be positive!

Paula Remington, Worthy Grand Matron: Thank you. How wonderful it is to hear such inspiring and enthusiastic thoughts right off first thing this the morning. Your enthusiasm is

contagious, and it gives us the necessary energy to get into the busy business schedule that we have this morning.

Thank you both for your kind words and for being here this morning to support us. Thank you so very much.

Opening: The Grand Chapter Room was purged, and the Grand Conductress attended at the Altar.

Prayer: Francis You, Grand Chaplain: Our Heavenly Father, we thank Thee for the beginning of a new and lovely day. Give us the knowledge to make the best use of this portion of time, knowing that this period is a precious gift from You. We ask for Your guidance to serve, as You have served us. For we know not what the day will bring. Remind us to think before we speak so that no hurt feelings are suffered because of words spoken in anger or misunderstanding. Help us to remember, that together, we can accomplish much more than any of us could alone. We pray that You Bless all who serve our Order, and the grace to recognize Your hand, in our lives. Amen.

The Worthy Grand Matron declared this Friday Morning Session of the Grand Chapter of California called from Refreshment to Labor.

(At 9:25 a.m., the Grand Marshal made the proper proclamation.)

Paula Remington, Worthy Grand Matron: My Sisters and Brothers, I would like to announce that I have been asked to use and I am using the gavel from Indiana. The Grand Representative brought this to me to use in the Grand Session, and it is my pleasure to do so this morning.

Escort: Visiting Grand Officers.

Paula Remington, Worthy Grand Matron: We are so pleased to present Sister Marie Johnson, Grand Adah of the Grand Chapter of Oregon. Welcome. We are so pleased to have you here this morning.

Minutes: The minutes of the Thursday Morning, Afternoon and Evening Sessions were approved as read by the Grand Secretary.

Paula Remington, Worthy Grand Matron: Sisters and Brothers, I promised you that we would start legislation this morning, and that we will do, but before we do that, let me admonish you that you remember well those words that our Grand Chaplain gave you at the Altar this morning, and let me add this to it from the Bible:

> "Let the words in my mouth and the medication of my heart be acceptable unto Ye, Oh Lord, my strength and my redeemer." Thank you.

REPORT OF THE COMMITTEE ON CONSTITUTION AND BYLAWS

(By Earl Eckert, Past Grand Patron, Chairman)

Worthy Grand Matron, yesterday we had referred back to Committee the motion made by the Home Board for a $4 assessment.

We have discussed this with the Home Board and the Finance Committee, and the Home Board is ready to make their presentaiton.

It was the motion for the $4 assessment.

Vernon L. Gordon, Worthy Grand Patron: This also includes the amendment of $3, so I think the amendment has to be considered first.

Philip Brooks, Past Patron (635), Member, Board of Trustees, Eastern Star Home: The Committees on Constitution and bylaws, Finance, and the Board of Trustees of the Eastern Star Home, to whom the amendment to the special assessment has been referred, recommend a "yes" vote.

Vernon L. Gordon, Worthy Grand Patron: Sisters and Brothers, you are about to vote on the amendment to the original proposal

by the Finance Committee. The amendment is to substitute the number "3" for the "4".

Both of these items do not come in the Constitution and Laws, and each requires a simple majority.

All those in favor of the amendment, please signify by the usual voting sign of Grand Chapter; those opposed, the same sign.

The **amendment** to the original proposal is **adopted,** and we will now consider the original amendment as amended.

Sisters and Brothers, we are about to vote on the motion to establish the $3.00 assessment that we have had a rather lengthy discussion on.

All those in favor signify by the usual voting sign of Grand Chatper.

You are voting on the original motion as it was amended. It will read a $3.00 assessment instead of the $4.00 assessment that was originally presented.

All those opposed.

The motion has carried, and we will have a $3.00 assessment. **Adopted:**

"I'm Whistling a Happy Tune" . . . . California Singing Stars

Vernon L. Gordon, Worthy Grand Patron: Let me remind the Committee Chairmen the Worthy Grand Matron asks you at the outset to try to limit your reports to five minutes. We would hope that you can condense your reports. We have much to do here. Thank you.

REPORT OF THE COMMITTEE ON SPECIAL COURTESIES

(By Barbara Poole, Past Grand Matron, Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members Sisters, and Brothers:

Worthy Grand Matron, thank you for giving me the privilege to serve on your Special Courtesies Committee along with Past Grand Matrons Sisters Hildegard Smith and Kay Cosby. It was a pleasure for us to welcome your many Distinguished and Honored Guests.

As our "Missions of Love" Session is the Official Visit of our Most Worthy Grand Matron, Sister Virginia Painter, and our Most Worthy Grand Patron, Brother Ray Osborne, we have been privileged to have many Distinguished and Honored Members in attendance.

The Special Courtesies Committee were the Official Greeters, but enough praise cannot be given to Sister Helene Warner, Chairman of the Courtesies to Dignitaries Committee and her able helpers. They prepared the many gifts and beautiful corsages for our guests and were more than helpful in assisting at our "California Missions" Luncheon, at which it was my pleasure to preside along with Sisters Hildegard Smith, Past Grand Matron, who gave the invocation and Kay Cosby, Past Grand Matron, who gave the benediction. Sister Helene and her committee were invaluable in assisting our committee. I had only to ask and it was done.

Our Grand Secretary, Sister Diane Silva, and her staff made things simple for our Distinguished Guests and members by having them register in our Special Courtesies room.

The Transportation Committee gave special attention to our guests, spending many hours coordinating their schedules, taking them to and from their hotels.

I wish to thank everyone who assisted in the Courtesies Room and also at our Open House after Thursday Night's session welcoming our Dignitaries and providing them with refreshments and friendly conversation. Special assistance was also given by our Past Grand Matrons and Past Grand Patrons in welcoming our guests and making them feel at home. I thank them, too.

Sister Paula, our Worthy Grand Matron, we hope that we have fulfilled everything to your satisfaction and once again thank

you for the opportunity to serve on this Committee and be a small part of your "Missions of Love" Session.

REPORT OF THE COMMITTEE ON CONSOLIDATIONS

(By Debra J. Maiman, Past Matron (247/245), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

Consolidate - To join together into one whole. To make firm or secure, to strengthen. Those words describe the purpose of your Consolidation Committee. To join together Chapters who seek to strengthen their membership when they can no longer continue on their own. Each request for information or assistance is answered with care and understanding by the members of this Committee. These dedicated Sisters and Brothers have traveled many miles this year to help our Chapter members. I thank them for their faithfulness to our Order and for always saying yes when I have called upon them with a new assignment. It is my sincere privilege to present the members of the Consolidation Committee to you; Sisters Shirley Alexander, Marcia McBrayer, Theola Lynn, Edith Pedersen, Gloria Kimrey and Brothers Walter Scott, Gerald Getchell and Burton Lauppe.

Since our last Grand Chapter nineteen (19) consolidations have been completed, with five (5) more scheduled to be completed in November. There are ten (10) consolidations in different stages of progress and six (6) Chapters who have requested a member of our committee to speak.

These Chapters have chosen to join together in their traditions and strengths, to build for the future. As in any successful marriage, these new partners begin their relationship based on the shared dedication to the principles and aims of the Order of the Eastern Star. As they grow in harmony and strength they realize the value of the bond they have forged.

The decision to consolidate is not an easy one. When that decision is made, with a Chapter, the first step is to consult a member of the Consolidation Committee so that the process is in conformity with the guidelines as set forth in the Constitution and

Laws of the Grand Chapter. With the guidance of the Committee member, a successful consolidation can be accomplished. We are here to assist you so please contact us with any concerns you may have regarding a consolidation.

Sister Diane Silva, Grand Secretary, my special thanks to you and your office staff for the extra work you do in processing the paperwork and keeping me informed of all the correspondence received by your office.

Another thank you must be given to a special Sister Dorothy Walton, who, with the permission of our Worthy Grand Matron, assisted in the completion of a consolidation when I really needed her help.

Worthy Grand Matron, 1992 has been another very busy year for this Committee. We thank you for the privilege of meeting and assisting our Sisters and Brothers as they decide the future of their Chapters.

The Order of the Eastern Star is a way of life. It is a light, and if we nurture that light it will glow. That light is each of you and it is me. Together, may we keep it glowing now and for evermore.

REPORT OF THE COMMITTEE ON CORDS OF HARMONY PROGRAM

(By Jean A. Krueger, Past Matron (10), Chairman)

It was my pleasure to be a part of your 1992 year in this special way. Thank you for your confidence in me.

The goal of the program was to award pins to those members who appeared to have created harmony in their travels and acts of kindness, with emphasis on cords of harmony extended to our Youth Orders. The number of points earned by some of our members was amazing. These active and enthusiastic members surely deserve a hug and/or a pin of acknowledgment. I congratulate you on your award program.

As the year draws to a close, I find we have awarded very near one thousand members with this lovely heart shaped pin which says "You make my (heart) sing." There are those who do not seek this award and together with those who wear them the number of outstanding members is encouraging.

This is an Order of loving kindness and fellowship. That warms my heart!

There are ambassadors in California who have coordinated this program. What a pleasure it has been to meet so many Grand Representatives, Former Grand Representatives, Chapter Secretaries and members through our correspondence. The program is enhance, as is our Order, by the service of these many fine members.

Congratulations on a successful traveling program of harmony in 1992.

REPORT OF THE SERVICE AWARD COMMITTEE

(By Shirley Orth, Past Matron, (135), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

"Service Past & Present", "Our Stars of 1992" gave "Service Above and Beyond". "Unforgettable - That's What You Are", Through Love & Dedication, they make things happen". Making a Difference" with "Love, Faith, Harmony". "This was our year", "We've been Workin" adding "Memories", "Memories, Associations, Funnies". "Hello Again" to "The 50's" brought many "Back to School". "Just Honor Them:, these "Stars on a Roll". "This is your Record", "This is your Life", some will be "Queen for a Day". "Hearts and Flowers" in a "Garden of Love" where the recipients were the bouquets. "A Rose by any other name." "Happy Notes of Harmony" in the "Tea House of the August Moon". "It's a Grand Night for Singing."

These were but a few of the themes for presentations of the 1992 Eastern Star Service Awards.

Chapters served potlucks, boxed suppers, catered dinners, barbecues, Hawaiian feasts, Italian food, western grub, hot dogs and ice cream socials to the recipients, their families, friends, members and guests.

Many of the Service Award recipients helped plan the special evening and were truly surprised when they were announced as one of the honored.

Some of the Chapters planned entertainment, including entertainment by the Youth Groups, held a Halloween costume party, read minutes of the meeting of the recipients' initiation, dressed in clothes from their ancestry, played games or celebrated the Chapter's birthday. Many Chapters used a special ceremony with the Star Points presenting flowers.

Augusta Chapter invited a reporter and the event was printed in the local newspaper with a lovely picture.

A total of 186 Chapters participated in the 1992 Service Award Program with 480 members being honored. A complete listing of the recipients, by Chapter, is displayed outside the auditorium doors.

The Service Award Program was so enthusiastically received, that we had to reprint the certificate and order the pins twice. The last order should arrive in the next couple of weeks and the last 66 members will be mailed their pins.

Of the 186 Chapters, 105 sent in the written report on each member and the information on the presentation. These reports showed a total of 8002 years of service or an average of 76 years per Chapter. Add 76 years for the other 81 Chapters that did not send in a report and the total years of service becomes 14,158.

It has been a pleasure learning of the devotion to our Order and the outstanding service rendered by so many of our members.

The majority of the Committee Reports indicated approval of the Service Award Program and felt it was a wonderful way to show the Chapter's appreciation for continued support.

The Eastern Star Service Award was originally instituted in 1982 by Past Grand Matron, Betty Stubblefield. Sister Kay Cosby, Past Grand Matron, again presented Service Awards in 1990.

If the Proposed Amendment on the Eastern Star Service Award Program is passed, subordinate Chapters may voluntarily participate in the Eastern Star Service Award Program by recognizing one Sister or Brother for special service each year. Any member would be eligible, including our Past Matrons and Past Patrons.

The Eastern Star Service Award Committee consisted of one member and I would like to thank you, Sister Paula, for asking me to serve.

Congratulations to each of the 1992 Eastern Star Service Award recipients. Your devotion and commitment to your Chapters and to our Order is an inspiration. We should emulate

the high standards you have set. Thank you, Worthy Grand Matron.

REPORT OF THE COMMITTEE ON WILLS, BEQUESTS, AND CHARITABLE CONTRIBUTIONS

(By William O. Rose, Past Patron (60), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Honored Members, Delegates, and Members all:

This report will be somewhat shorter than the time that was allotted for it, as we did not do as much as was originally planned at the beginning of the year.

Your Chairman, while on vacation in Kentucky, had an accident that kept him from working on this matter for over three months, at a time when we had planned to be at our busiest. And, working in the framework of the time schedule as established by our Constitution and Laws, we could not prepare and submit the legislation necessary to give this Committee the guidance and direction necessary to the end anticipated.

We have handled several matters that come within the anticipated authority of this Committee, and have attached copies of the correspondence so that the continuing Committee will have the benefit of the work to date.

Looking toward the future, it would seem, considering the ultimate goal or objective of the framers of this Committee, that, if we follow, in some degree, the lead of the Grand Lodge of California in s similar situation (as we have attempted to do to a certain degree this year), that this Committee could be of unlimited benefit to the Eastern Star Home and its residents, as well as any future goals that may be established by this Grand Body.

We would sincerely recommend the continued support of this Grand Body, as well as that of each of the delegates, to the present and future efforts of this Committee in behalf of the Eastern Star Home, the residents therein, and any other equally

qualified charity that the members of this Grand Body could foresee being related to the efforts of this committee.
Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Brother William Rose and Sister Patricia Quibell, for all the work you have done; and we appreciate that.

REPORT OF THE COMMITTEE ON JURISPRUDENCE

(By Thomas M. Sagar, Past Grand Matron, Chairman)

Worthy Grand Matron, Worth Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

I am Thomas M. Sagar, Past Patron of Star of the East Chapter No. 300, and Chairman of your Committee on Jurisprudence for this year. It is my pleasure at this time to introduce the other two members of my Committee: Sister Marguerite Weisheimer, Past Matron of San Francisco Chapter No. 99, and a Past Grand Matron, and Sister Collette Serio Gole, Past Matron of Hollywood Chapter No. 133.

Working with these ladies this year on this Committee has been a joy and a pleasure, and I sincerely commend them for their excellent work and for the splendid support they gave me. Their devotion to our Order, their understanding of Fraternal law, and their sensitivity to the concerns of our members made their service truly outstanding. Worthy Grand Matron, we each thank you for your selection of us to serve Grand Chapter in this way.

There are a number of duties set forth in our Constitution and Laws with which we are charged to perform, and among them is the duty (1) To advise the Worthy Grand Matron as to legal questions; (2) To consider and report to Grand Chapter on all questions of Fraternal law or usage as to proposed legislative action which has been submitted; (3) To advise Grand Chapter Committees on all questions of Fraternal law or usage when requested; (4) To furnish a personal opinion upon a question of Fraternal law or usage when requested by a member of Grand Chapter; (5) To act in conjunction with the Committee on Constitution and Bylaws in making certain "housekeeping", i.e.

grammar, spelling, punctuation, etc., changes in our Constitution and Laws; (6) To act in conjunction with the Committee on Finance to review contracts negotiated by the Annual Session Site committee, and to review all other proposed contracts and financial obligations of Grand Chapter. Your committee has during the Grand Chapter year or will before the end of Grand Chapter, perform each of the listed duties at least once, some of them many times.

In addition to the several occasions when we have discussed questions with our Worthy Grand Matron and Worthy Grand Patron, we have submitted nineteen written opinions in response to written inquiries. In each instance, each member of the Committee carefully and independently reviewed the inquiry, the applicable Fraternal law and the proposed response, and in each instance we were able to reach a unanimous opinion. We are very proud of the fact that our opinions were unanimous because many times lawyers tend more toward disagreement than agreement. It's a good example of the spirit of cooperation that exists in our Order. Because of the important and wide ranging consequences of our opinions, we regularly refuse to answer oral or "off the cuff" questions, but rather insist that inquiries be submitted to us in writing. We then return written opinions. This also has the beneficial effect of greatly reducing misunderstandings of both the question and the response.

You have heard our Committee members discussing some of the proposed legislation at our legislative session Wednesday and we will be presenting various items of legislation throughout the session. In addition, we have rendered our opinion on other items of legislation presented to you by other Committee members.

Lastly, I would surely be remiss if I failed to commend our Grand Secretary and our Grand Chapter Session Legislative Secretaries for their truly outstanding work. Our Grand Secretary is a friend in need to all Committees all year round, and she is always gracious and kind and everlastingly helpful. Thank you, Sister Diane.

Our Legislative Secretaries, Sisters Susie Thornton and Karen Brooks, are indispensable to your Legislative Committees, and they work long and difficult hours with little thanks for their efforts. They are always willing to help, always ready for that rush secretarial effort, and we love you girls. Thanks so very much.
Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Brother Tom. This Committee carries a very heavy load during our Grand Chapter Session. You are wonderful, and I don't know that our members know that the Chairman has to write an opinion on every question that is sent to the Jurisprudence Committee. He is the one that writes them all, and this takes a great deal of his personal time and effort. We appreciate all that you have done and that you have given to us on our behalf.

Vernon L. Gordon, Worthy Grand Patron: Sisters and Brothers, we are going to momentarily hear the report of the Annual Session Site Committee, and we do have representatives from the Convention Bureau in Fresno; therefore, we will be closing the Bible at this time.

(The Grand Conductress closed the Bible informally.)

Paula Remington, Worthy Grand Matron: Is the Site Committee ready at this time? Dana Willoughby.

REPORT OF ANNUAL SESSION SITE COMMITTEE
(By Danna Willoughby, Past Matron (483), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

I have the pleasure of introducing the members of the Annual Session Site Committee. Brothers David Denbow, Fraternity Chapter, San Jose, and Joe Morris, Ami Tai Chapter, Anaheim. Brother Joe's resignation this year is a loss. I appreciate his help and expertise.

At the end of the Grand Chapter Session in 1991, this Committee found itself in a very unique position. The members had voted to hold Grand Chapter here in San Diego in 1992, and to hold the Annual Session in Fresno in 1993, 1994, 1995 and 1996. What was left for the committee to do?

The challenge began soon after I returned from Fresno. Many calls and letters had arrived with suggestions from the members of places to hold Grand Chapter and ideas of what to look for at these proposed sites. Site information was forwarded to me by Brother Joe Morris and new centers began contacting me. Many members, indeed most, wanted to know about the costs to the individual at the different sites and the actual costs to Grand Chapter itself.

Soon after attending the General Grand Chapter Session in St. Louis, Missouri, and experiencing that type of session with flat floor seating and projection viewing, I realized the need for further investigation was very warranted.

First, I re-visited and re-contacted some of the centers I had seen before and then I contacted four of the centers recommended by the members in their letters.

My findings were much the same as reported last year. All the new sites, Reno, Tahoe, Santa Rosa, and Redding are very feasible based on our attendance and budget, however, when we consider the manner in which we wish to stage our Grand Chapter (like a Chapter on a larger scale), it is impossible to use the smaller arenas, hotels, or centers. The need for tiered seating so each member can view the floor work, the need for conference rooms, hotels adjacent to the arena, secure large concession area and onsite parking are all needs we must seek to fulfill.

I then found myself back to sites like Fresno where there is a large arena with tiered seating and a floor for the work on our Grand Chapter. With this in mind I revisited, Bakersfield, Sacramento, Long Beach, and Anaheim with the following results: Bakersfield is still uncompleted with no finished adjacent hotel, Sacramento is still not ready, nor an acceptable location, Long Beach and Anaheim are still too costly and further Anaheim does

not have a truly free date compatible with our Grand Chapter schedule and time table. Again let me remind the members that only Fresno offers the large arena, exhibit-concession hall, and the added benefit of a theater at no charge.

Further Fresno offers a one-time parking fee of $10.00 for the duration of Grand Chapter week with unlimited in and out privileges. After working with Kim Aluisi from Fresno this year, I have discovered lots of services available to us there of which we have been unaware and therefore not utilizing. Fresno will help us compile a list of restaurants with in walking distance of the arena, print this list at no charge to us and then these can be put into the registration packets for the members. The arena crew has suggested new ways to set the arena up to lessen the cavernous feeling. The hotels have requested a list of what we want to see in the way of banquet foods and arrangements. There are lots of new ideas and the staff are anxious to do whatever our members would like to enhance our Grand Chapter time.

Last year, I mentioned location, location, location and I still feel this is extremely important to our members. A good clean, secure environment with all the special features we have come to expect in the optimum.

So what's new? I took a look at our average member who attends Grand Chapter and what it costs this average member to indeed attend. This is not a Grand Officer, not a Deputy Grand Matron, or a Grand Representative who must attend more functions, but an average member, who may be a Chapter Line Officer, Committee Member, perhaps a Past Matron or Past Patron who attends Grand Chapter. Someone who may be on a fixed income or one who probably works for a living. Certainly one of our younger members. This research was sparked by something a member said to me about the actual cost to the members attending Grand Chapter. The following figures are for food, housing, parking, transportation, and registration only - no frills. The following is a breakdown by location, for the average member. Figures are rounded off. I chose sites I am very familiar with, have visited extensively, and where Grand Chapter

has been held previously. I chose sites in the North, South, Middle and Middle south. This is based on a five-night stay.

Anaheim (most expensive)	$910.00
San Diego	$795.00
Sacramento	$680.00
Fresno (least expensive)	$575.00

My average member does not stay in the most expensive hotel or eat at the chez whatever. She/he shares a room and transportation. They attend a State Dinner, and two other Grand Chapter dinner functions.

The cost to Grand Chapter itself is also relative to the cost to the individual member. Truly not only is Fresno, central in location, but the least expensive. As a side benefit to Fresno, the registration fee would not have to be raised to off-set the cost of Grand Chapter there. Also adjacent hotels in Fresno will hold the line on costs as much as possible in the coming years.

Finally, if the plan to relocate our Eastern Star Home and Grand Chapter office in Clovis (a neighbor of Fresno) does indeed come to fruition, then what better place to hold the annual Grand Chapter session but in the same location.

Again, we are truly welcome in Fresno. I cannot say enough about the people I have been privileged to work with in the course of this appointment. They are willing to listen to our suggestions and are very responsive to our needs and changing number and arrangements.

The findings of my survey and travels still indicate we are better off in Fresno. Financially, set-up, location, arrangements, and security dictate Fresno. Most important it is in the best financial interest of the average member of our Order to remain in Fresno, and we uphold the members decision to hold Grand Chapter in Fresno in 1993, 1994, 1995, and 1996.

Further, our Constitution provides we should be five years in advance with our location reservations. With this in mind, I recommend we make preliminary reservations with Fresno for 1997. At this time, Kim Aluisi from the Fresno Convention

Bureau will give us some more facts to consider. Listen well to her talk, I think you will be surprised.

INVITATION FROM THE CITY OF FRESNO

(By Kim Aluisi, Fresno Convention Person)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members of this Grand Chapter Session:

Fresno loves Order of the Eastern Star. We appreciate each and every one of you; and, believe me, we missed you this month. Fresno looks forward to welcoming the Order of the Eastern Star back once again in 1993, 1994, 1995, and 1996.

Rest assured Fresno will continue to offer the Order of the Eastern Star all our facilities rental free for your business meetings. This would include the Conference Center, the Exhibit Hall, the William Saroyan Theater, and last but not least, our Arena, because we understand the importance of keeping your costs to a minimum, so that you may thrive as an organization.

Fresno will continue to offer Order of the Eastern Star the following at no charge: Free housing service, including pre-registration and housing forms. Professional registrars, name badge inserts, pre-convention flyers to increase attendance, program covers, a concierge desk on site at your convention, and last but not least, I understand each and every one of you has been challenged to tell the world who Order of the Eastern Star is and what your organization does.

Well, the Fresno Convention and Visitors Bureau has a Public Relations Department that is just dynamite and can help you get press coverage with the media, television stations and the newspapers.

Also, rest assured, as I said earlier, that parking costs will stay economical and Fresno will always offer a one-time parking cost, so no one will have to pay for parking each day of the convention.

Fresno will continue to offer reasonably priced hotel room rates, with a variety of ranges; and remember last year the Center Plaza Holiday Inn quoted a rate of $75 single, $85 for a double. We are holding that rate for 1993, '94 and '95.

Fresno will always be in the center of California, which means less travel time and expense coming from Northern and Southern California.

To conclude we look forward to having you back next year, and we are proud that the Order of the Eastern Star will call Fresno home for '93, '94, '95, and '96.

Thank you, Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members at this Grand Chapter Session for giving me the honor of speaking to you this morning.

If I may say it again, Fresno loves the Order of the Eastern Star; and we look forward to having you back; and again, we have missed you this year. Thank you.

Danna Willoughby, Past Matron (483), Chairman, Annual Session Site Committee: I would just mention those are not hollow words; what Kim told you today, I have it in writing.

Worthy Grand Matron, thank you for the privilege of serving as Chairman of this Committee. It has been quite an experience and "eye opener." I appreciate the opportunity for further service to our Order and for the chance to serve the membership in this capacity.

Paula Remington, Worthy Grand Matron: Thank you for giving us this information, Kim. We, of course, love to be in Fresno; and we are glad they welcome us.

REPORT OF THE COMMITTEE ON COURTESIES TO DIGNITARIES

(By Helene Warner, Past Matron (521), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

At this time, it is my pleasure and with pride that I present to you the members of this Committee:

Marion Haugh (636)	Juanice Lee (405)
Shirlee Larsen (405)	Mary Metcalfe (499)
Dorothy Carr (89)	Becky Neuwirth (259)

Two of our members, Bonnie Fargo and Barbara Mays, could not be with us during this week of Grand Chapter. Shirlee Larsen served as my Secretary, Treasurer and Bookkeeper. I

thank her for doing a tremendous job for the committee and keeping me straight on the finances.

Worthy Grand Matron, we thank you for your confidence in appointing us to this committee and for your faith in me to serve as Chairman. We assembled all the corsages and gifts with love and worked in perfect harmony. Each of us were privileged to have someone assist us and these dedicated people, standing behind the Grand Secretary's desk, have been beside us from the beginning. They are as follows:

Mildred Brown (521)
Ilenae Douglas (259)
Peggy Gustafson (502)
Irmgard Heidepeter (332)
Peggy Lawson (151)
Helen McBride (151)
Doris Parrish (521)
Connie T. Deadrich (642)
Donald Warner (521)
Evelyn Wright (478)

We appreciated all their talents and ideas. There were some frustrating moments, but we listened to each other and made things work. We have all made new and lasting friendships.

A special thank you to my husband, Don; he has learned how the kitchen appliances work and found out what "fast food" tastes like. To Bill McIntosh, a member of Seaside Chapter, a big thank you for transporting all the boxes to San Diego.

We served 276 people at the "California Missions" Dignitaries Luncheon. Becky Neuwirth was in charge of reservations and I thank her for a job well done.

It was a pleasure working with Past Grand Matron, Barbara Poole, who served as Hostess for the luncheon. The California Missions centerpieces were made by my Co-Chairman, Marion Haugh. She is a very talented lady.

Many dignitaries and members attended the open house on Thursday night honoring our Most Worthy Grand Matron and Most Worthy Grand Patron. Sister Paula had asked her 1992 Worthy Matrons to bake cookies for this event and I thank all of those who brought cookies to San Diego. This committee wanted

to make sure everyone could have their fill of cookies, so we baked some too.

The items made by this committee are as follows: 550 corsages and boutonnieres, all artificial, 450 gifts, 138 carrying pieces, 40 centerpieces for the Dignitaries Luncheon, 350 table favors for the Dignitaries Luncheon. There were also many fresh corsages and boutonnieres made during this Grand Chapter week.

Worthy Grand Matron, this Committee hopes that we have fulfilled your wishes for this Grand Chapter Session. It has been an interesting and rewarding experience for all of us.

My recommendation to the Grand Line Officers would be to appoint a separate committee for the Dignitaries Luncheon as this is a tremendous job by itself.

I also recommend that the Grand Line Officers receive a copy of the final report of this Committee each year and review the expenses with the idea of cutting costs in the future.
Accepted and Referred:

Paula Remington, Worthy Grand Matron: Thank you, Helene. Yours is one very large task to undertake. These ladies not only plan and execute the Dignitaries Luncheon, but they are in charge of all the flowers for our guests, the corsages for the Grand Officers and Deputies and most of the special courtesies which our visitors receive. The Constitution provides for nine members on this Committee. Sister Helene, I see that you found fourteen more people with willing hands to help you do all that was needed. Your work and organization has been superb. Thank you each one for sore fingers and aching backs. We love you all.

Helene Warner, Past Matron (521), Chairman, Courtesies to Dignitaries Committee: I would like to present you with your own Mission. You love the Missions of California so much, so we would like to present one to you and one to our Worthy Grand Patron. *(Presenting replicas of Missions)*

Paula Remington, Worthy Grand Matron: Thank you so much. That will be a memory of that very beautiful luncheon.

Paula Remington, Worthy Grand Matron: Sister Collette, I want to thank you. I do know you have to leave soon, but this young lady is a judge in a court of law, and she has a lot of things to do, and her schedule is very heavy, and we appreciate your service on this Committee.

Sisters and Brothers, "To live in hearts we leave behind is not to die."

Our Brother, Jerry Cashion, lives in our hearts, always. Two years ago we expected to support our Jerry all the way to the General Grand Chapter East and assessed our Chapters to raise monies for the 1997 Session.

Last year, at the 1991 Session of our Grand Chapter, it was directed the Worthy Grand Matron appoint a committee to present to the delegates at the 1992 Session several suggestions as to how this money might be used.

Sister Lura Rae Dales, Past Grand Matron, is the Chairman of this Committee. Would you care to introduce this committee and explain our options?

REPORT OF THE SPECIAL COMMITTEE REGARDING DISPOSITION OF GENERAL GRAND CHAPTER FUNDS

(By Lura Rae Dales, Past Grand Matron, Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Delegates, Sisters and Brothers:

It is my privilege to present the members of this Committee with whom it has been my pleasure to serve: Brothers James B. Craven and Loyal L. Stark, Past Grand Patrons, Sisters Barbara Pierce, Grand Conductress, Dolores Cashion and Gerna Grohl, Past Matrons and Brother Jay W. Way, Past Patron.

Last April, our Worthy Grand Matron, Sister Paula Remington, appointed this Committee to make recommendations regarding the disposition of funds which had been collected from the membership toward the expenses of the General Grand Chapter Assembly to be held in 1997. Her letter enumerated

possibilities which had been projected at the 1991 Grand Chapter Session.

In the initial contact with the Committee members, several indicated an interest in establishing a Memorial Scholarship. Therefore, a meeting was set for mid-June to discuss various suggestions and possibilities. Five of the seven Committee Members, as well as our Worthy Grand Matron, were able to attend the meeting.

Before proceeding with the recommendations and conclusions reached by the Committee, the delegates should be aware of the reasons this assessment was originally proposed. We have heard that some members felt the fund was for the expenses of our General Grand Chapter Officer. Needless to say, this was certainly not the case, but the funds would have been needed toward the expenses of the 1997 General Grand Chapter Triennial Assembly, at which time our Brother Jerry Cashion would have been serving as Most Worthy Grand Patron. The General Grand Chapter budgets $75,000.00 towards the cost of a Triennial Assembly, and all expenses beyond that are financed by the Grand Jurisdictions of those who serve as the Most Worthy Grand Matron and Most Worthy Grand Patron. Based on the cost of recent Assemblies, it can readily be seen that a jurisdiction much smaller than California might encounter great difficulties in generating the amount of money required, especially when having to do so within a shortened time period. This was a concern of our Brother Jerry when he felt he would not be continuing in office, and he expressed the hope some assistance might be given toward this expense.

That point was considered in our meeting and in our subsequent communications as the several possibilities presented at our last Grand Chapter Session and those of our Committee members were explored for the best possible uses of the accumulated funds. Our conclusions and recommendations are based on the fact that we all feel Brother Gerald P. Cashion was one of the finest and most highly regarded members in our Grand Chapter. He served our Order with distinction as Worthy Grand Patron, on numerous committees, and was admired and respected by all. His selection as a candidate, and his election to the Office

of Right Worthy Grand Sentinel of the General Grand Chapter only served to broaden that base of regard and enlarge the friendships he made for himself and for our Jurisdiction. The Committee was unanimous in its desire to propose a recommendation that would not only perpetuate the memory of this fine gentleman, but would serve a purpose, perhaps "make a difference" in the life or lives of others.

Based on these thoughts, it is the unanimous recommendation of this Committee that the funds collected from the membership over the five-year period of this special assessment, which amount to $107,952.00, be used to establish the GERALD P. CASHION MEMORIAL FUND. Several of the Committee Members felt that as a gesture of Fraternal Friendship and appreciation, a sum derived from the interest on these funds be given to West Virginia Grand Chapter to assist with their expenses at the 1997 Triennial Assembly. Our opinions on the amount to be recommended for this purpose ran as broad a spectrum as possible; that is, from no contribution to the total amount of interest received, which after the deduction of Grand Chapter administrative fees approximates just over $30,000.00. More than a majority of the Committee recommended an amount of $25,000.00 or more. It is, therefore, that figure we present to you for your consideration. As part of the recommendation we propose the establishment of the Memorial Fund be delayed until after the next interest payment, and that the gift to West Virginia Grand Chapter be presented to Sister Maxine Justice when she next visits our Jurisdiction. All other interest remaining at that time would be transferred to the Memorial Fund.

The Committee has submitted legislation to establish the GERALD P. CASHION MEMORIAL FUND, believing that this action would satisfy the desire of many members who expressed hope that a fitting memorial might be found to honor our Brother's memory. The intent of the legislation is that the interest on the Fund shall be transferred each year to the Scholarship Fund of Grand Chapter, to be awarded to a student, or students, majoring in Business Administration at a four-year college or university. The award, or awards, are to be in the amount of $3,000.00 to $5,000.00. The Grand Treasurer is to determine the amount to be transferred annually in increments that would

permit the specified awards; the balance of the annual interest to accrue in the Memorial Fund.

This Committee is hopeful the delegates to this Grand Chapter will feel this is a fitting tribute to our Brother Gerald P. Cashion, for his faithful service to Grand Chapter and to General Grand Chapter; something that will perpetuate his name for many years to come and, hopefully, provide an incentive to many individuals who will be recipients of these scholarship awards, and, ultimately, "make a difference" in someone's life. We earnestly request your favorable consideration of Proposed Amendments No. 10 and No. 12.

We realize the suggested amount of the award is greater than that provided for in our regular scholarship presentations. We feel sure most of you are aware of the very high cost of a college education at the present time. The amount of this award in itself gives significance to the scholarship, and should result in applications well worthy of consideration. Hopefully, the awards will also result in some favorable publicity, benefitting our Order and calling attention to our worthwhile endeavors.

The Committee has been asked if the fund is established would additional contributions be permitted. The Committee did not want the Memorial Fund in any way to detract from, or be in competition with, our Scholarship Fund. It is our understanding, however, that there have been several monetary gifts presented in Brother Jerry's memory which are being held pending the decisions made at this Grand Chapter. If the fund is established, perhaps there could be a grace period during which time the individuals or associations holding such funds would have an opportunity to transfer them.

The Committee earnestly tried to present a recommendation we felt would have the widest appeal to the delegates of this Grand Chapter Session. However, we also realized we would not be able to please everyone with our efforts. Therefore, should the proposed legislation not be adopted, we propose the following alternate recommendation:

That the funds collected through the assessment levied on the membership from the period July 1, 1986 through June 30, 1991, be returned to the Chapters on a pro-rata basis using the membership count as of June 30, 1991, with the distribution being made at the end of the current fiscal year. Administrative costs for these computations and mailing costs are to be deducted from the remaining moneys, and the balance presented to West Virginia Grand Chapter to be used toward the purpose for which it was originally assessed - the expenses of the 1997 General Grand Chapter Triennial Assembly.

Worthy Grand Matron, we thank you for our appointment to this special committee. We hope our efforts will be satisfactory to you and to the delegates to this Grand Chapter session.
Accepted and Referred:

Paula Remington, Worthy Grand Matron: Sister Lura Rae, that was a wonderful report; and thank you so much for your time in preparing it.

"A TIME TO REFLECT AND REMEMBER"

Paula Remington, Worthy Grand Matron: In Memoriam. Our Golden Chain has been broken by the passing of Brothers Stuart Maude, January 1992, Sisters Ellen Walters, February 1992, Logan Cotton, July 1992.

> "Let not your heart be troubled, you believe in God, believe also in Me. Im my Father's house are many mansions, if it were not so, I would have told you. I go to prepare a place for you, and if I go to prepare a place for you, I will come again, to receive you unto Myself, that where I am, there You may be also." (John, 14)

The Officers will drape the Altar in memory of our departed Members.

The Altar was draped in memory of our departed Members.

Prayer: Francis You, Grand Chaplain: Let the lessons of our Order teach us that Thou are ever present so we have the comforting and peaceful thought that our loved ones are with Thee. May the memory of their love and service inspire us to go forward following His Star in the East until we, too, shall find eternal rest with our Master. Help us to exemplify in our daily lives the great principles of our Order. May these virtues govern our actions, purify our thoughts and make us pleasing and acceptable in Thy sight. Bless and comfort those who mourn. Give them the trustful faith of Martha that God doeth all things well and that in His own time we shall understand. May the peace and blessing of our Heavenly Father rest upon us all now and forever more. Amen.

"Bless Be the Ties"

Dennis Jordan, Past Grand Patron: All of life, each precious moment, is a gift of God. Each day's dawning announces that a loving Father has once again given us a segment of life to enjoy. As with all our yesterdays, today is the day that the Lord has made. We will rejoice and be glad in it.

Now in the midst of our deliberations, in the midst of our humble attempt to please our God with our lives and our labors, in the midst of trying to chart the future of our Order; we hollow this very moment in time by looking back to those special hours that were ours to share with those Sisters and Brothers who have now escaped the limitations of this earthly experience. Who have completed running the race God sat before them and they now dwell safely and eternally in that "temple not made with hands."

As we look back, we also look upward. Finding our challenges and cares of this moment to be minimized by the recognition that this very day finds each of us one step closer home. Our spirits soar heavenward as we realize anew, that we have all been called to God's Kingdom for this time, for us He has created this hour. He had endowed each of us with love and light, allowing us the joy that can only come to those who have

indeed seen His Star in the East and have come with haste and purpose to worship Him.

Therefore, today we grasp, we embrace the challenges that come to us. Working with zeal to bring the goodness of God to a fractured, broken-hearted troubled world. We labor, Sisters and Brothers, in hope. For we are not alone. God is with us. His very presence sanctifies this place and in a very spiritual sense, right now, we are being lifted to a higher plain from which to better see that, indeed, we are God's hands, feet and heart in this world.

Sisters and Brothers, without a doubt, those loving Sisters and Brothers whose memories we revere this hour, they underscore for us the urgency of our earthly labors. By their very lives, they admonish us that we have yet much to do. We must be about our Father's business. They have ceased from their labors, intrusting to us to continue those same efforts until we, too, shall join them. Thus, making our Fraternal family complete once again in that eternal home of rest just beyond earth's horizon.

Yes, we pay loving tribute to those who have made the transition from this mortal life, fraught with many limitations, to that eternal life shrouded in freedom and perfection. We reflect upon the richness each of these Sisters and Brothers brought to our lives and in that moment we feel within the cascading joy and promise of eternity.

Even though we are still tied to this world, the heavens illuminate us with beautiful reflections of worlds yet unknown. We intensely experience the great truth, that even though we now see through the glass darkly, we shall ultimately see face to face the fact we now know only in part is superseded by the happiness awaiting the moment when we shall know as we are known.

Though the winter of this earthly life is approaching, God's eternal springtime continues to burst forth into blossom within our souls. Listen with your spirits. Even now we can hear the sound of immortal symphonies inviting us to come.

Yes, we know far beyond the shadow of any doubt, that when we lay this mortal body down, the grave is not a blind alley, it is a glorious thoroughfare. Yes, the grave closes upon the twilight, but opens upon the dawn.

EULOGY FOR BROTHER LOGAN RIBLET COTTON
WORTHY GRAND PATRON 1944 - 1945
(By Donald Hull, Past Grand Patron)

We come this afternoon in loving memory of our beloved Brother Logan R. Cotton, Past Grand Patron of the Grand Chapter of California, who entered into rest on July 2, 1992.

Brother Logan was initiated into Playa Linda Chapter No. 425 on June 8, 1931, and served as their Worth Patron in 1935. He was a devoted hard worker, leader and team member of our Order for over 61 years.

Brother Logan's service to Grand Chapter included the Finance Committee for 15 consecutive years, Constitution and Bylaws, Jurisprudence, Annual Session Site and Advisor to the Finance Committee for their current Special Fund towards General Grand Chapter.

Brother Logan proudly gave of his time and expertise to General Grand Chapter as a member of the Registration Committee, Assembly Financial Advisory Committee, and General Chairman of the Triennial Assembly for our Past Most Worthy Grand Matron, Thelma Bailey.

His civic duties included being a City Councilman and Mayor of Hermosa Beach, President and District Governor of their California-Nevada-Hawaii District of Kiwanis International, member of the State of California Republican Central Committee for Governor Reagan, Exalted Ruler of the Redondo Beach Elks and Advisory Committee for over 14 years, Advisory Board of the California State College at Dominquez Hills University, U.S. Olympic Committee in 1932, Advisory Committee for the

Salvation Army and numerous Blue Ribbon Committee's within Los Angeles County. This exceptional man spent his entire life performing service to others in dire need and additionally served as President of the South Bay Chapter City of Hope, President of the South Bay Hospital Cancer Foundation and numerous other civic organizations in Southern California. For his many volunteer services, the "Others" Award was presented by the Salvation Army, The "Hiram" Award by his Masonic Lodge, South Bay "Citizen of the Year" Award in 1975 and Redondo Beach "Man of the Year" Award in 1985. Additionally, he received numerous City, County, State and Presidential Awards for his volunteer services.

Brother Logan loved his fellow man and friends were important within his "Way of Life." His deeds were too numerous to be written in words, but they are written in the hearts of all who walked with him along the way. Other than my father, no man has meant more to me in my lifetime than Brother Logan. His wise council will surely be missed and I will always remember his 90th Birthday with the current Mayor of Hermosa Beach stating the following: "No man in one lifetime can perform the service to humanity that Brother Logan has contributed and should be called the South Bay Man of the Century."

Brother Logan's favorite poem was entitled "But not Today" by Grace E. Easley.

"I shall grow old perhaps, but not today,
Not while my hopes are young, my spirit strong,
My vision clear, because life has a way
Of smoothing out the wrinkles with a song.
I shall grow old, perhaps, but not today,
and scorning time who would enlist my tears,
I stand convinced there is a better way,
Of occupying all the coming years."

In conclusion, Brother Logan recently expressed to me the following while he was in the hospital: "I have lived a good life and old age is only the end of the beginning. The Lord will open to me the Gates of Paradise, and I will return to that homeland where there is no death, but only lasting joy." May Brother

Logan always have much joy and happiness in paradise along side Della, who was his every loving and supportive wife for over 72 years.

EULOGY FOR SISTER ELLEN CHARLOTTE WALTERS
PAST GRAND MATRON 1964 - 1965
(By Patricia Quibell, General Grand Chapter Committee Member)

It is with fond remembrance that I give this loving tribute in memory of Sister Ellen Charlotte Walters, Past Grand Matron.

Her Eastern Star life began when she was initiated into Sincerity Chapter No. 53, Greenville on November 1, 1947. She served her Chapter in many Appointive Offices prior to being Worthy Matron in 1954. She served as Deputy Grand Matron in 1958, Grand Marshal in 1961, and she was elected through the Grand Line to become Worthy Grand Matron in 1965. Her devotion to our Order did not stop as she served on the Committees of Consolidation, Finance, Appeals and Grievances, Distribution, Special Committees of the work of the Worthy Grand Matron. She served six years on the Board of Trustees of our Eastern Star Home.

Her continued service to General Grand Chapter included Appeals and Grievance Committee 1976 through 1979. Co-Chairman of the 1982 Triennial Assembly 1979 through 1982 and Worthy Grand Martha 1980 through 1982.

When she was Worthy Grand Matron, her motto was "Let us live our Obligation and Strengthen the Golden Chain." Ellen constantly strived to live her motto by her kindness toward others, by her concern and love for our members. Her emblem was the Lamp of Truth. The word truth stands out more prominently than any other because of our ritual admonition. "Bless O Lord we beseech Thee our humble labors in the promotion of truth." Her watchwords were Sincerity and Truth. She was sincere and true in all that she did for the Good of our Order. Never once did she spare herself if she felt that any effort on her part would be for good.

Loving and kind in all her ways
Upright and just to the end of her days
Sincere and kind in heart and mind
What a beautiful memory she left behind.

We will miss her.

EULOGY FOR BROTHER STUART H. MAUDE
PAST GRAND PATRON 1978 - 1979

(By A. Leroy Covey, Past Grand Patron)

It is my honor and privilege to present this tribute to a fine gentleman, an outstanding Mason and a dear personal friend, Brother Stuart H. Maude.

Brother Stuart, though born in Canada, and proud of that heritage, early became a United States Citizen, served in our army with distinction, and, in fact, met his wife-to-be, our Sister Vera, in San Antonio, Texas, where both were serving on active duty in World War II. Stuart was jokingly known to say that he was a male war bride.

Rosemead Chapter No. 430, initiated Brother Stuart into membership on May 24, 1962, and he subsequently served his Chapter as Worthy Patron in 1972. His service to Grand Chapter began in 1978 and he was our Worthy Grand Patron in 1979 with Boyana K. Brown-Redman as Worthy Grand Matron. He subsequently served on several Grand Chapter Committees.

Brother Stuart was an outstanding and caring Doctor of Veterinary Medicine, a strong and popular civic leader in his community, a responsible Lay Leader in his Church and a staunch supporter of all young people, particularly by devoting many years of service to the International Order of the Rainbow for Girls and Job's Daughters. He was constantly urging our youth to obtain an education by stressing his feeling that it was not only essential to their future, but also to the future of our society. Unbeknown to most, he often quietly and without fanfare, provided wearing apparel and financial assistance to many whose circumstances indicated a need for such.

The sincere sympathy of the Order in California is extended to our Sister Vera, their children and grandchildren and a wide, wide circle of friends. Stuart's intellect, his analytical ability and his wise counsel will surely be missed by all who were privileged to know this great man.

EULOGY FOR SISTER AGNES McGEHEE
GRAND TREASURER 1957 - 1958
(By Ferne Hammond, Past Grand Matron)

It is not just by tradition that we pause to pay tribute at this Grand Chapter Session to those who have passed beyond our vision. It is rather to express our appreciation of the loving service they have given our Order, and to feel anew the inspiration of their lives.

God, in His infinite love and wisdom, called our beloved Sister Agnes McGehee to her eternal home on December 13, 1991.

Sister Agnes was initiated into Bell Chapter No. 393 on February 8, 1929, and served as Chapter Organist for 35 years. In 1934, she was elected to the line in her Chapter and served as Worthy Matron 1936 - 1937. Through consolidation, it is now Bell Chapter No. 286.

Our Sister's service to Grand Chapter included the appointment of Grand Organist in 1948 and she was elected to the station of Grand Treasurer for 1957 - 1958. She served as Chairman of the Necrology Committee in 1963.

Sister Agnes entered our Eastern Star Home in 1983 and was an important part of the Home's "Ryhthmettes" band for many years. She was 93 years old and a 62-year member.

She followed the star to a better land,
when the voice of the Master called clear.
She lovingly served with heart and hand
and answered the call without fear.

The sincere sympathy of the Order in California is extended to her two sons, Joseph and William, eight Grand Children, four

Great Grand Children, two nieces and her many sorrowing friends.

EULOGY FOR MEMBERSHIP

(By Lois Jean Childs, Past Matron (287))

The Eulogies given for our Past Grand Officers were very well done, and one wishes a Eulogy could be rendered from the Grand East for each Sister and Brother who passed away this year. However, the great number of members lost makes this impossible because since last Grand Chapter 3,276 members died. That figure is greater than the number of members in this auditorium this very minute. There are just over 2,500 registered at this Session. Overwhelming, isn't it?

Every member can be eulogized, though, if each of you will take a minute right now to bring to mind a deceased member that you knew personally, and think of something good about them that you can relate to someone later.

Past Grand Patron, Don Hull, spoke fondly about our Past Grand Patron Logan R. Cotton as he detailed the many tasks that Brother Logan performed during his lifetime of service. In reviewing previous Grand Chapter proceedings, I found that one of the many duties Brother Logan performed, was to give the eulogy for the members at the Necrology Service at the 1971 Grand Chapter Session. After reading what he had written, I considered that it would be appropriate, as well as unique, to use Brother Logan's thoughts at the same Necrology Service in which he was eulogized.

The title that Brother Logan used was: "To all Members who answered the call to home." These are his words: "It is certainly fitting and proper that we should pause for a brief period in memoriam when our minds and our hearts recall the virtues and the triumphs of those Sisters and Brothers who during this past year have slipped quietly through the curtain into the other room, leaving us blessed by memories of their personalities and of their services to the Order that they loved so much."

Yes, we are stronger because the paths of our friends crossed this way, and yet many of them departed with hopes and dreams and plans that were not yet accomplished, and in these they have left us a challenge to carry on those ideas for which they lived and worked within our Order.

It has been said that "The great use of life is to spend it for something that will outlast life itself." The members we recall today understood this truth.

If these friends could speak to us, if the sound of their voices could come back from that silent shore, what words would they speak into our listening ears? I think they would speak to us in the old familiar way of the simple things of life, the things nearest and dearest to the human heart. I think, first of all, they would tell us that we should face the future with faith, hope and courage; that we should not fear the darkness of death, for at eventide there is light. I think they would remind us of the nobility of service and of sacrifice; of our duties to do unto others as we would have other do unto us. I think they would tell us that the world remembers only for a little while those who have been masters; that it never forgets those who have been faithful servants; and that the reward for sincere unselfish service to humanity is eternal and everlasting.

It is, of course, true that we do miss those with whom we have worked in our fraternal service; however, they would have us rejoice in the fullness of their lives."

Then he closed with:

"Rejoice with me, Rejoice that I am here,
My feet no longer need the sod,
Look up for I am marching, marching, marching;
I am marching in the clouds with God."

Thank you, Brother Logan for your thoughts. Whenever we hear "When the Saints go Marching In" we will smile through our tears as we visualize our dear departed Sisters and Brothers marching in that Grand March in the clouds with God.

Dennis Jordan, Past Grand Patron: In our Star, we find life's essence revealed in many, many ways. Here we find insight and comfort to help as we grapple with the many vicissitudes of living.

In the blue of Adah, we sense the death of God's ceaseless and unconditional desire that we be fulfilled and happy. We feel acutely how God truly desires that our joys be full. And in this fullness of joy is predicated upon our faithfulness in keeping our promises to each other and to God.

The yellow of Ruth illuminates the power God gives us in standing for righteous and Holy purposes. We find, Sisters and Brothers, in our unwavering allegiance and devotion to what is right, the strength that moves mountains and makes the desert blossom like a garden.

Esther's white reveals in it's glow the ultimate lesson that can only be learned by those who remain loyal at any cost. All foolish desire to take the easy way out evaporates in the knowledge that a crown of life awaits each of us who set our faces like flints toward heaven.

In Martha's green beats the heart of eternal life. Materialistic pursuits wane and pale in the presence of the life of faith. Here we find our reaching out beyond our feeble knowledge is not in vain. No, my dear ones, in the realm of faith, all things become possible.

Electa's red, most basic of all colors, leaves no question concerning truth. Truth never changes. The greatest truth is that love is the key to happiness in this world and the door to the world to come. Life is love; love is life. God's words will never change, by this shall all men know that you are My disciples if you Love One Another.

Rejoice, my Sisters and Brothers, life is ours now and eternally. God is for us. Therefore, who can be against us. Yes, some of our Sisters and Brothers have stepped beyond our ability to see and hear them. Yet we, like them, must remain steadfast until we, too, hear "well done, good and faithful servant, enter into the joys of our Lord."

Sisters and Brothers, would you reach out and take someones hand as we conclude in prayer and as we pray I want you to pray a prayer of strength for the one on your right and the one on your left. You may stand.

Prayer: Dennis Jordan: Gracious and good Heavenly Father, support us all the day long of this challenging and sometimes troubled life until the shadows start to lengthen and the evening comes and the busy world is hushed and the fever of life is over and our work is completed. Then, precious Father, of Thy great mercy grant to each of us standing here as You have already done for each of our departed Sisters and Brothers grant us a safe lodging, a Holy rest, a precious peace in Your eternal presence. In Jesus' name. Amen.

Closing: The Grand Conductress attended at the Altar, and the Worthy Grand Matron declared the Friday Afternoon Session called from Labor to Refreshment, to reconvene at 9:00 a.m., Saturday morning.

WELCOME BY HOSTESS

(By Jeraldine Southward, Past Grand Matron)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worthy Grand Patron, Past Most Worthy Grand Matron, Brother Thomas M. Sagar, Host, other Distinguished and Honored Members, Sisters and Brothers:

It's a pleasure for me to greet you, my Sisters and Brothers of this Grand Jurisdiction. San Diego is most proud to have you in our community. I hope that you have enjoyed your time with us. When you return to your homes, I hope that you will find happy memories tucked away among your souvenirs.

Speaking of memories, many flooded my mind as I was escorted this morning. I recalled the 1970 Grand Chapter Session that was held in this very place. Presiding over that Session was one of San Diego's beloved members, Sister Bessie V. Robinson. We miss her presence here today. The Session of 1970 and this Session had several similarities. The theme of 1970 was "Session of the Bells" and had a replica of the San Diego Mission on the stage. The theme for this Session is "Missions of Love" and once again we have a beautiful Mission on the stage. Another similarity is that both the Worthy Grand Matron of 1970 and the Worthy Grand Matron of 1992 expressed love and kindness as they presided.

It has been an honor for us this week to hear the messages from Sister Virginia Painter, Most Worthy Grand Matron, and Brother Ray Osborne, Most Worthy Grand Patron. Their messages give us reason to rededicate ourselves in our efforts to continue to work for the Good of our Order. Fraternalism is very meaningful to each of us.

Have you ever stopped to think, my friends, as you go from day to day,
What a really wonderful thing it is to be able to meet this way;
To give a kindly greeting, to clasp another's hand..
To know we have each other, and that we all understand.
To know if we are in need of aid there is someone standing by
Ready to lend a helping hand to either you or I,

I think it's truly beautiful to share Fraternal love.
For the golden chain that binds us is linked to that above.
So - let's keep our bright light shining, and never its beauty mar
And pray that clouds shall never dim the Glory of our Star.

Sister Paula and Brother Vernon, this is the final day of your year of 1992. I'm sure that it is met with mixed emotions. Both of you and your spouses are ready for a much deserved rest. Yet there can be a bit of sadness as your year comes to a close. But always remember your accomplishments and the mark that you have left for others to follow.

Forget about the days when it's been cloudy, but don't forget your hours in the Sun.
Forget about the times you've been defeated, but don't forget the Victories you've won.
Forget about mistakes that you can't change now, but don't forget the lessons that you've learned.
Forget about misfortunes you've encountered, but don't forget the times your Luck has turned..
Forget about the days when you've been lonely, but don't forget the friendly Smiles you've seen.
Forget about the plans that didn't seem to work out right, but don't forget to wish upon a star as you follow your dream.

Sister Paula, thank you so much for your consideration in allowing me to serve as Hostess along with my good friend, Brother Tom Sagar. The members of San Diego County feel that you are one of us since our individual Associations have worked together over the years. So today it is very fitting that Brother Tom and I are the ones designated to tie the yellow ribbons around the old oak tree and welcome you back home. We've been waiting a long time.

Brother Tom, it was a pleasure to be escorted with you this morning. I have the highest respect for you as a Master Mason and a gentleman. We would be pleased to hear your remarks at this time.

WELCOME BY HOST

(By Thomas Sagar, Past Grand Patron)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Most Worthy Grand Patron, Past Most Worthy Grand Matron, Distinguished and Honored Members, Delegates of this Grand Chapter, Sisters and Brothers:

A happy "Good Morning" to each of you on this lovely Saturday morning. And, what a special privilege it was to have the honor of escorting our 1986 Worthy Grand Matron, San Diego's own, Sister Jeraldine Southward. Thank you so very much, Sister Paula, for according me this special privilege of serving as Host on this final Saturday morning of your beautiful "Missions of Love" Session, and especially for being able to serve with Sister Jerry.

Sister Paula Remington, Worthy Grand Matron, and Brother Vernon Gordon, Worthy Grand Patron, as this 119th Annual Session comes to its conclusion, you can both look back with much satisfaction, and, of course, not a little sadness. You have had a delightful and happy year and have made many friends for our beloved Order, both in and out of our Fraternity. We are all so very proud of you for your accomplishments and for your loving dedication to our Order.

Our Grand Chapter Session is an interesting and challenging one as well as a productive one, and I sincerely commend you both for the dignified and courteous manner in which the business of our Order is being conducted. You set the tone for the conduct of our delegates and they are certainly to be praised for their actions throughout our Session. They constantly exhibited courtesy and patience and understanding.

I'm so very happy that San Diego was chosen as the location for this Session, and I've been extremely proud of each of those who have labored so long and so hard to make it a success. I'm proud of San Diego, too, and I think we've shown you that San Diego is a great place for our Annual Session. Brother Robert Svendsen and Sister Barbara Svendsen, our General Chairmen, you and your committees are truly to be congratulated for staging a magnificent event.

Sisters and Brothers, as you depart tomorrow after Installation for your several places of abode, may you travel safely and with peace, tranquillity and happiness in your lives. And, may each of you so live your lives that you will be an inspiration to everyone you meet, and impart our beautiful Eastern Star message by your every act. Nothing that you can do or say will more effectively portray our Order. God Bless each of you.

Paula Remington, Worthy Grand Matron: Your words are music to our ears this morning. Thank you, sincerely, for your kind words. Sister Jerry, thank you for always being very supportive whenever you are asked to do anything. You and Dorsey have a way of making people feel welcome and at ease.

Brother Thomas Sagar, you have been a very supportive force on behalf of this Worthy Grand Matron. You were always there to give me the answers I needed. Thank you, my friend, for your assistance this year. Jerry and Tom, you are both very special and I thank you for being our Host and Hostess this morning.

Opening: The Grand Chapter Room was purged, and the Grand Conductress attended at the Altar.

Prayer: Francis You, Grand Chaplain: Good Morning, God. How grateful we are, that because of Thee, the fruits of our labor have ripened; And, we are pleased to pass this legacy to those who will carry on, as we have done. As we begin the final day of our deliberations, we ask that You extend Your hand of love, so that we be reminded of our ethical and moral obligations, when the gateway of our Eastern Star was first opened to us. Let us not forget who and what we are. For it is our purpose to build, on "That Foundation", a life of "Truth, Abundance and Blessedness." We pray for wisdom and knowledge, so that our Order, might reflect Your beauty. Amen.

The Worthy Grand Matron declared the Saturday Morning Session of the Grand Chapter of California called from Refreshment to Labor.

(At 9:38 a.m., the Grand Marshal made the proper proclamation.)

Paula Remington, Worthy Grand Matron: At this time I just was noticing so very much this morning as we were Opening and the Conductresses were purging, as they have done so many times, how beautiful our Inner Guards looked in their dresses and how beautifully they have performed, along with the Guardettes and the Guards. We appreciate these people and all that they have done for us. Thank you.

Minutes: The minutes of the Friday Morning Session and the Friday Afternoon Session were approved as read by the Grand Secretary.

Musical Moments: Special Duet, "Spanish Medley," by Nellie Cecil, Past Matron (587), and Morris Cecil, Past Patron (587). (Accordion and Piano)

Paula Remington, Worthy Grand Matron: We really appreciate that. Nellie was our Grand Organist in 1985. She's an accomplished musician, and so is her husband. Thank you very much.

REPORT OF THE COMMITTEE ON CONSTITUTION AND BYLAWS

(By Earl Eckert, Past Grand Patron, Chairman)

May the delegates now consider the report of the Special Committee on the Gerald P. Cashion General Grand Chapter Fund, that is, the Gerald P. Cashion General Grand Chapter Convention Fund.

I would like to read the recommendation from the report that is to be considered. This had been referred to the Constitution and Laws Committee.

Based on these thoughts, and this is in quotes, "It is the unanimous recommendation of this Committee that the funds collected from the membership over the 5-year period of this special assessment, which amount to $107,952, are to be used to establish the Gerald P. Cashion Memorial Fund.

Several committee members felt that, as a gesture of fraternal friendship and appreciation, the sums derived from the interests on these funds be given to West Virginia Grand Chapter to assist with their expenses in the 1997 Triennial Assembly.

Our amounts to be recommended for this purpose ran as broad a spectrum as possible, that is, from no contribution to the total amount of the interest received, which, after deduction of Grand Chapter administrative fees, approximates just over $30,000.

More than a majority of the committee members recommended an amount of $25,000 or more. It is therefore that figure we present to you for your consideration.

As part of the recommendation, we propose the establishment of the memorial fund be delayed until the next interest payment and that the gift to West Virginia Grand Chapter be presented to Sister Maxine Justice when she next visits our Jurisdiction. All other interest remaining at that time will be transferred to the memorial fund."

MOTION: Worthy Grand Matron, I move the adoption of this recommendation. *(The motion was seconded.)*

James Craven, Past Grand Patron, Member, Jerry Cashion Fund: I had the opportunity to talk to Jerry Cashion several times, and he was very concerned over the help that we could give Maxine Justice, because he knew at the time he talked to me that he wouldn't be with us.

This is a very personal appeal from Jerry Cashion, and he said at the time that California should help West Virginia and Maxine Justice at the Triennial in 1997.

He made plans that he would like to have California vote $50,000 out of the fund to help Maxine. This was his wish to me, and so I would like to make an **amendment** to this motion and change the $25,000 to $50,000, because this is what Jerry would like to have had. *(The motion was seconded.)*

Amendment Not Adopted:
Motion Adopted:

Doris Felman, Conductress (625): I am the Conductress of the Westminster Chapter in Orange County; and as a member of the Barbara Pierce Orange County Association, we're very new at trying to decide how to vote on the various resolutions that are before this Grand Chapter Session.

We have been discussing it among ourselves, and we are proposing an oral resolution to help us decide how to vote on the various assessments and various distributions of all of our charitable funds.

RESOLUTION

"BE IT RESOLVED, that the Worthy Grand Matron of 1992-93 direct the Finance Committee to submit with the printed budget in the delegates' Proposed Amendments book for the 1993 Grand Chapter Session the specific basis on which the allocations, the time spent in the Grand Secretary's office for specific staff time, for office expenditures, postage, mailing, etc., has been made in the budget for all the charitable funds."

We feel if that information would be included --

Vernon L. Gordon, Worthy Grand Patron: The resolution is hereby received and will be taken up under the proper order of business after it has been referred to the proper committees.

Paula Remington, Worthy Grand Matron: Sisters and Brothers, would you give your attention to a Sister who has come here to speak for us. She cannot be here this afternoon because of her job. It will take just a few minutes.

Sharon Garst, Past Matron (260): Worthy Grand Matron, I want to thank you for your messages this year that have been so inspirational, and everyone I've talked to has been so pleased by your messages. So I chose a song, and those of you who attend church and are Christians know this song.

Musical Moment: *Sharon Garst, Past Matron (260) - "It's Well."*

Paula Remington, Worthy Grand Matron: That was beautiful. Thank you so much.

REPORT OF THE COMMITTEE ON DISTRIBUTIONS

(By Nancy E. Thomas, Past Matron (571), Chairman)

The Committee on Distributions has referred the Worthy Grand Patron's recommendations to the Committees on Aims and Objectives and Constitution and Laws. The recommendation concerning General Grand Chapter is also referred to the Committee on Jurisprudence. The report from the Committee on Courtesies to Dignitaries is referred to each member of the Grand Line. All other matters referred to this Committee during Grand Chapter have been referred out and acted upon at Grand Chapter.

It should be noted that no report, which includes the Worthy Grand Matron, Worthy Grand Patron, Grand Secretary, Grand Treasurer or Home Board was referred to this committee 30 days before Grand Chapter as required in the Constitution and Laws. The sole report received in a timely manner was the report from the Special Committee on the Gerald Cashion Fund.

Please consider this the final report from the Distributions Committee for 1992.
Accepted:

Paula Remington, Worthy Grand Matron: Sisters and Brothers, may I have your attention, please. I know that the hour is late, and you are anxious.

Sisters and Brothers, we are going to break for lunch shortly. This afternoon we are going to have our Youth Afternoon. We are not going to have the Recessional until after our Youth Afternoon. We are not going to close our Grand Chapter and then honor them.

We do have some committee reports which will be included in the proceedings, but there are one or two which do have to be heard, and we will go back into business after the Youth, which will be at two o'clock.

REPORT OF THE COMMITTEE ON CONSTITUTION AND BYLAWS

(By Earl Eckert, Past Grand Patron, Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members and Delegates:

Worthy Grand Matron, I thank you for the privilege of serving our Grand Chapter in this capacity. This Committee has been looked on as an important and challenging one in the past by our members, and this year was no different. I thank you for the appointment of Sister Ardath Garst, Past Grand Matron, and Brother A. Leroy Covey, Past Grand Patron, and General Grand Chapter Committee Member, who ably assisted me in the preparation of the Proposed Amendments for consideration at this session.

The duties and responsibilities of the Constitution and Bylaws Committee are two-fold. First, is to review and make recommendations, when necessary, upon the submission, to the Worthy Grand Matron, of Chapter Bylaw changes or additions. This sometimes requires multiple communications with Chapter Secretaries or Chairmen of Chapter Bylaws Committees.

In this 1991-92 year, 90 Chapters found it necessary to change their Bylaws or adopt new or additional sections to their existing bylaws. This includes nineteen (19) consolidated Chapter bylaws necessitating review of the entire Chapter Bylaws. 39 applications or bylaws requests were returned to the Chapter Secretaries with recommendations for changes, additions or deletions so that the

Chapter's Bylaws would not be in conflict with the Constitution and Laws of the Grand Chapter. Most of them were resubmitted by the Chapters reflecting the recommendations which were made. A total of 74 were recommended approved and 4 were recommended disapproved and 12 are pending. I did find some Chapters were still using bylaws which were in conflict with our Constitution and some recommendations were necessary because the changes were not submitted on the most recently revised copy of the Uniform Code of Bylaws.

I would suggest that all of the incoming Worthy Matrons appoint a Bylaws Committee in their Chapters, to review their existing bylaws for conformity.

This process would not have been successful without the assistance of Helen Kirkpatrick in the Grand Chapter office. I think she understands me. Thanks, Helen.

The second aspect of our duties came about by the passage of legislation in 1991. All proposed amendments for consideration at this session were reviewed by the members of Constitution and Bylaws Committee, prior to their distribution, for conformity of submission, grammar and clarity and constitutionality and their affect on other existing sections. With the assistance of the Jurisprudence Committee, the understanding and changes made by the proponents, we have endeavored to place the final, written proposed amendment in the hands of all the delegates prior to their consideration.

Worthy Grand Matron, we have considered the proposed amendments place before the Grand Chapter for 1992, and I thank the delegates for their attention.

May I say that all legislation before the combined committees has been considered.

Paula Remington, Worthy Grand Matron: Sisters and Brothers, may I have your attention for just a moment.

Brother Bob, would you give us your report, and then thank the Committees for all of their hard work.

REPORT ON GRAND CHAPTER WEEK COMMITTEES

(By Bob Svendsen, Past Patron (619), General Co-Chairman)

Sister Paula Remington, we do thank you sincerely for the appointments and the confidence you placed in us. I still recall, quite vividly, our sitting together at a luncheon at Bell Chapter in 1990 talking about Grand Chapter Session coming to San Diego in 1992 and at this time, I mentioned if we could be of any help in any way let us know. Little did I know that this opportunity would be presented to us that very day. In fact from that point forward, life in our household has literally not been the same.

What an exciting and challenging and rewarding adventure began for us that very day. We have enjoyed the opportunity of establishing many new friendships as well as renewing of old ones as we traveled down the path you set before us. We have been privileged to be associated with some of the finest people in the world, our Eastern Star Sisters and Brothers.

Twenty-two years ago the Grand Chapter of California held its annual sessions in this very hall with our dear Sister Bessie Robinson, Past Grand Matron, presiding. Since that year, our meetings have been held in various cities in other parts of the state. As a result, we did not have any particular guidelines to follow since so much had changed in our beautiful city in the interim. We were unable to say to ourselves, or to even one another, we did it this way last year so let's just do it that way again. Many of the things that have been done and have worked so beautifully in Fresno for the last few years just could not be done here for a multitude of reasons.

We have been fortunate to have had so many people working on our committees who were soon to become so flexible in their thinking and subsequently to find there was always more than one way to get the job done. We thank each and every one of them for their faith in believing that it could be done and for the love they exhibited in following through so harmoniously.

It has been a privilege to work with Sister Zane and Brother Bill Watts, our Activities Co-chairmen. Zane and Bill, Bill's busy, but Zane is here. I've got Bill working. It has been a privilege to

work with both of you. You have been there when we needed you and you were always willing to do whatever we needed. We wish you the very best in your soon to begin trip down this very road in 1993.

To our Sister Carolyn Matheus, who served so efficiently as our Secretary, thank you for all the little things. The many plans, the many arrangements and the innovative ideas; but most of all for your friendship.

To Sister Jean Powers, Past Grand Matron, our Advisor, thank you for all your help, your kind words, your encouragement and most of all your happy smile. You are a delightful lady.

To Brother Dale St. Claire, our Auditor, thank you for your patience and all your assisting us, assistance given us in helping to produce a realistic budget for keeping us headed in the right direction financially.

To each of our Group Chairmen, Jewel and Orin Murphy, Robin and George Rains, Shirley and Jesse Perry, and Bobbie and Richard Glass, our paths have crossed again and again over the years of our Eastern Star experience as a result we knew exactly what we could expect from you during this previous year and I can assure you we have not been disappointed. Thank you from the bottom of our hearts for all your devoted efforts.

We would certainly be remiss if we did not thank the staff of the San Diego Convention and Performing Arts Center, particularly Frank Melnick for the superb job they have done. They have always been there when we needed it and it doesn't matter what we asked, it was given to us immediately. Speaking as a citizen of this community, we are proud to have such dedicated city employees.

Sister Paula, your watchwords have been constant reminders to each of us throughout the year and they have served as beacons to guide us on our way through the maze of technical, logistical and physical problems we have encountered.

We entered the year enriched with a real faith that we would be able to deal with a different facility, different hotels, shuttle busses and what amounted to virtually a whole new set of ground rules as well as the faith that we would quickly rise above each problem and ultimately be able to present to our Sisters and Brothers a successful and rewarding session.

We learned to love one another. We learned to love our beautiful Order all the more and through the faithful practice of that love, we were able to work together in harmony for the good of all our members.

At this point, Worthy Grand Matron, I was to be presenting the committees. They are scattered everywhere. They were going to come in and represent us. Instead we are representing them. The many dedicated members who have worked so hard to make this "Missions of Love" Session a real winner. They made it happen.

There you have it, Worthy Grand Matron, a grand total of more than 50 committees. A total of more than 925 members involved. And I have to tell you just one little sidelight. We were discussing it the other night. We have more than 50 committees; 27 of those committee were chaired by people that had never chaired a committee at Grand Chapter before in their life. Some of those had never even served on a committee and they have done a marvelous, marvelous job. These members have worked so hard for the last twelve months or more to make these sessions the success they have been. Their dedication and devotion to you and to our Order, their ingenuity, their countless hours of hard work and their faithfulness have made the 1992 "Missions of Love" Session one that will be long remembered. On behalf of each of these Sisters and Brothers we loving say to you and to our Worthy Grand Patron, thanks, thanks for the memories.

Paula Remington, Worthy Grand Matron: There were 925 people to get ready for you at this Grand Chapter. Thank you so very much. We do appreciate all you have done, and I know that I told them there is no such word as "no, you can't do it," and they took it to heart, and they made it happen. Thank you from the bottom of my heart. Let's welcome them.

To Brother Bob and Sister Barbara Svendsen, mere words fail to express the appreciation that I feel in my heart for your support of me and the outstanding service to the members of our Order at this Grand Chapter Session.

Escort: Grand Bethel Honored Queen, Grand Guardian and Associate Grand Guardian
Grand Worthy Advisor and Supreme Deputy
Master Councilor, North, and Executive Officer
Master Councilor, South, and Executive Officer
Chairman of Youth Orders, Grand Lodge of California

Paula Remington, Worthy Grand Matron: We welcome these fine young people into our ranks this afternoon. We represent the past and the present. You represent the present and the future. Into your hands we commend our Masonic Affiliated Bodies - trusting that you will keep well the heritage of the past, and build on it for a better tomorrow. We ask you to remain in the East until after the speeches of our Masonic and Eastern Star Leaders - because they, too, would like to greet you.

We are now going to let our Coordinators, Elaine and Raymond Davis and Jan and Richard Mullard, present them to you.

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: It is with a great deal of pride and honor that I wish to present Cheryl Saylor, Past Honored Queen of Bethel 29, Alpine, who is serving this year as our Grand Bethel Honored Queen.

Representing our Grand Guardian is Connie Thompson Deadrich, Past Grand Guardian of the State of California and Deputy Grand Guardian.

Janet McClanahan, Past Matron (348), Liaison to Youth Committee: It is with a great deal of love and honor that I present to you Cindy Jopson, Grand Worthy Advisor, and Anna Lind, Supreme Deputy in California, International Order of Rainbow for Girls.

Raymond Davis, Past Patron (483) Chairman, Liaison to Youth Groups Committee: I am honored to present Brother Tyrone West, the League President of Southwest League for DeMolay here in the San Diego area, who will be representing the DeMolays of the State of California.

Representing our two Jurisdictions, Executive Officers from both North and South is Brother Tom Oathoudt, who is the League Administrator of the Southwest League here in San Diego.

It is indeed a pleasure for me to introduce to you the Chairman of the Youth Orders Committee, Grand Lodge of California, David Denbow, Past Master, Jubilee Lodge No. 604 F. & A.M., Santa Ana, California.

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: We would like to present to you the Youth of California.

Worthy Grand Matron and Worthy Grand Patron, we are delighted to present to you some of the Youth of California; and ladies and gentlemen, they are both beautiful and wonderful.

At this time I would like to ask the three people to come and introduce their Grand Officers. Cheryl, if you would introduce your Grand Officers.

Cheryl Saylor, Grand Bethel Honored Queen: Will the Grand Bethel girls step forward, please.

(Whereupon Cheryl Saylor, Grand Bethel Honored Queen, introduced the Grand Bethel officers.)

Cindy Jopson, Grand Worthy Advisor: Will the Grand Officers of 1992 please step forward.

It is indeed an honor for me to introduce some of these elegant eloquents of 1993.

(Whereupon Cindy Jopson, Grand Worthy Advisor, introduced some of the Grand Officers of 1992.)

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: Unfortunately for us, the two young men from the Northern and Southern Jurisdictions are caught on the freeway and are not here this afternoon; and they do not have any of their officers with them. We hope they are safe; and maybe by the time you get to the end, we will at least get to introduce them.

Worthy Grand Matron and Worthy Grand Patron, these young ladies and young gentlemen who are left are the Worthy Advisors and Bethel Honored Queens and the Master Councilors and their officers of the other Assemblies and Chapters and Bethels in California; and we are proud of them, the work that they do, because they are the bulwark of this organization.

They provide the energy that drives these groups, and we are happy to have each one of them with us. And, young men and young ladies, I hope that you will join your Grand Officers in the balcony as we continue with the afternoon; and we thank you so much for being with us.

Paula Remington, Worthy Grand Matron: I think this is absolutely fabulous that on the afternoon of October 31 when we have Halloween that we could get this many young people to come out and be here with us. We do appreciate it. Thank you so much.

Janice Mullard, Past Matron (405), Co-Chairman, Liaison to Youth Groups Committee: This year at Grand Bethel there were many contests held, and one of the contests that was held was a talent show, and there was a young lady from a Bethel who placed first place in the singing.

Today I am very honored and pleased to be able to present Julie Eisenhower, who is a Past Honored Queen from Bethel 154.

(Song by Julie Eisenhower.)

Janice Mullard, Past Matron (405), Co-Chairman, Liaison to Youth Groups Committee: I just want to tell you, I'm very proud of you, and thank you from the bottom of my heart today to come from your mother and your dad to perform for the Grand Chapter of California.

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: It is now my pleasure to present the Rainbow Girls from the district down here in San Diego, who will give some of the information about their officers.

(Exemplification of an Informational Meeting by the Rainbow Girls of the San Diego Assemblies (Fallbrook, Lemon Grove, Myrtle, Pacific View, Clairmont, Golden Arch, Chula Vista, and Golden Star.)

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: My sincere thanks to these young ladies from the San Diego area. There are, I believe, nine Assemblies; and each of the Assemblies were represented in this floor work.

My special thanks go to Sharon Boucher, who practiced with these girls and has been my liaison to this group down in San Diego; and I thank Irene Fyfe for the work that they do with these girls. Thank you all.

Janice Mullard, Past Matron (405), Co-Chairman, Liaison to Youth Groups Committee: When we were at Grand Bethel, there were all of these wonderful contests, and I do believe that one of the Bethels in the San Diego area, which is Bethel 154, has indeed the greatest talent of all. This afternoon I want to present a trio from that Bethel. The girls' names are Leah and Letitia Galyean and, of course, Julie Eisenhower. Would you please welcome them?

("Can't Help Loving That Man of Mine" sung by trio.)

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: Bethel Daughters, that was absolutely beautiful; and I thank you very, very much.

(Formation of Triangle and Nine o'clock Interpolation by the DeMolay Chapters of the Southwest League)

Janice Mullard, Past Matron (405), Co-Chairman, Liaison to Youth Groups Committee: I know you Sisters and Brothers have been enjoying our youth up to this time.

At this time we are going to present each of the youth who are head of our Masonic Orders; I would like to present Miss Cheryl Saylor, our Grand Bethel Honored Queen.

REMARKS

(By Cheryl Saylor, Grand Bethel Honored Queen, International Order of Job's Daughters)

Worthy Grand Matron, Worthy Grand Patron, Distinguished Guests, Members and Friends of the Order of the Eastern Star:

I am proud to bring you greetings from the California Job's Daughters. We realize that the members of your Order work very hard for the good of the Masonic family and we thank you for all your help and support to make it what it is today.

The Masonic family tree is a very large tree and the branches are numerous. Our tree stands tall and proud, and each branch willingly supports and helps the others. Job's Daughters is proud to have the branch directly below the Eastern Star. Because of our Masonic heritage we know that once we reach majority in our Order, we can then take one step higher and join you, our wonderful supporters.

The roots of our Masonic tree, the Masons, are planted firmly in the ground and reach far and wide. With each passing year our family tree grows stronger and larger. As our members increase we all feel the joy of a new Brother or Sister. But at the same time we also feel the sadness of a loss.

Recently a local Job's Daughters Bethel closed its doors, and I know of two Grand Bethel Girls whose Bethels will close by the end of this year. Each time I hear about a Bethel closing I feel like crying. But when I think about the two Bethels that opened

this year in Twin Peaks and Selma my heart is filled with joy. If only we can continue to open Bethels rather than close them.

Being a Member of the Masonic Family has been very important to me and I want every one to have a chance to be a part of such a wonderful family. My hope is that with all of us working together we will be able to expand our family.

On behalf of the California Job's Daughters, I wish you a productive year filled with many new leaves on your branch. Thank you.

Worthy Grand Matron and Worthy Grand Patron, on behalf of the Job's Daughters of California, I would like to present you these gifts that show how much we love you and thank you for all your help. *(Presenting gifts)*

Paula Remington, Worthy Grand Matron: Thank you so much. This is an Honored Queen doll; and you know, I never was an Honored Queen; but I have worked for the Job's Daughters for many years. Thank you so much.

Vernon L. Gordon, Worthy Grand Patron: My thanks, also, to Job's Daughters. You may be Job's Daughters, but you are always the daughters of Master Masons in this Assembly, and we love you. Thank you.

Janet McClanahan, Past Matron (348), Liaison to the International Order of Rainbow for Girls: I would like to introduce you to our wonderful Order. Will you join with me in greeting Cindy Jopson, Grand Worthy Advisor of the International Order of Rainbow for Girls.

REMARKS

(By Cindy Jopson, Grand Worthy Advisor, International Order of Rainbow for Girls)

Worthy Grand Matron, Worthy Grand Patron, Honored and Distinguished Members of the Grand Chapter, and the many friends who have joined us here today:

One of the most beautiful sights in spring are the many different flowers blooming in an array of brilliant colors. Each blossom blooms in a different way, with different hues, and different scents. Each flower represents something different to each person, and everyone has their favorite blossom as well.

Some people prefer the simple naturalness of a daisy. Others enjoy the exotic beauty of an orchid. There are those who lean towards the classic, simple beauty of the red rose. Yet, there is so much that can be drawn from the beautiful bougainvillea.

The bougainvillea is different from the others, because it is a flowering vine that yields blossoms of a brilliant fuschia. Most often, the vine is supported by a trellis, which gives it the ability to climb. With the right support, it could climb as high as the sky. There is no limit as to how far it can go. The youth of today are much like that vine. Each blossom is different and unique, and with the right support, there is no boundary to our capabilities. The sky is literally the limit.

As with every plant, there is always the threat of weeds. Yet, through our teachings and with your support, we can grow to such a strength that the harmfulness of weeds have virtually no effect. We can be invincible.

Unfortunately, spring doesn't last forever, the blossoms will eventually die. Yet, it is this process that enables the vine to bloom again next spring. The past is becoming the future. The seeds of yesterday's flowers become the beautiful blossoms of tomorrow. The youth leaders of today are the adult leaders of tomorrow.

The opportunities presented to us by our Masonic and Eastern Star families are unequal to any others. We have the ability to influence the direction in which the vine will grow tomorrow. It is because of the knowledge and experience we have gained from our Masonic and Eastern Star families that we will be able to continue the upward progression of the vine. Because of our individuality and uniqueness, we can discover new and unexplored paths as well.

Even though there are more popular flowers and plants, the bougainvillea has become one of my favorites because of all it encompasses. It is a true symbol of how the right support can enable anything to grow - even as high as the sky. Thank you.

These are small tokens of California's love and appreciation for everything you have done for the International Order of Rainbow for Girls. Thank you. *(Presenting gifts.)*

Paula Remington, Worthy Grand Matron: Thank you so much. It is a beautiful pen set that has my name and "Love, Rainbow Girls of California," with a bird on it. Thank you so very much, Rainbow Girls.

Vernon L. Gordon, Worthy Grand Patron: Mine is almost the same, but it has a clock on it. I'm not so sure that our Worthy Grand Matron does not need this, also. It says "The Order of Rainbow for Girls in California is in good hands and will climb that mountain in the next few years." Thank you very much for being here, Cindy.

REMARKS

(By Tyrone West, League President of Southwest League Order of DeMolay)

Worthy Grand Matron, Worthy Grand Patron, we thank you for inviting us here today.

On behalf of the Northern and Southern California Jurisdictions of the State of California, we wish to thank the Grand Chapter of the Order of the Eastern Star for all your devoted support.

To all the youth groups here assembled today, without your support, the youth here today would not have a place to meet to enrich their minds; and we hope that you continue your support so that, when we reach the age in which we can join this Order, we may help the youth of that day. Again, we thank you most cordially. It is truly an honor and a privilege to be in attendance today. Thank you.

It is my pleasure to introduce Jeff Milde, the Jurisdictional Master Councilor of California.

REMARKS

(By Jeff Milde, Jurisdictional Master Councilor of Northern California, Order of DeMolay)

Yes, I am the late Jeff Milde. A funny thing happened to me on the way here -- actually, before I get started, with all the problems that we had, we had some car problems; and nobody would ever believe that I made it here; and if everybody will just smile for me real quick -- Thank you.

To be quite honest, I wasn't too worried about whether I was going to make it or not, because last year at this time, I stood up in Fresno, and I addressed you, as a matter of fact, and so I wasn't too worried, because I had said pretty much everything that I wanted to say, except a lot has happened in the last year.

One of the key things for me, aside from DeMolay, but related, on September 10th of this year -- actually, let me go back. When I first spoke here, I made the comment that someday I would be the Most Worthy Grand Patron.

I would like to tell you that I am one step closer to that, because on September 10th of this year, I got my First Degree in Masonry. I think Masonry will survive, anyway.

Yes, a lot has happened in the last year since we last spoke. DeMolay of Northern California is growing. It is really exciting right now; it is a great time to be part of DeMolay in Northern California. We have an 800 number, and you can call up and find out what is going on in DeMolay-land.

Northern California is also number one in membership, internationally, this year. Not only that, but we have initiated four new Chapters with two more on the way in the next couple of months.

After this truckload of successful events, I'm using the truck, because we have had car problems -- I'm sorry, I can't help that.

So it is a great time, and the reason that Northern California is so successful and the reason that DeMolay is doing so well is because of you, the Masons and Eastern Stars, and everybody is helping us out. Your financial support to your youth programs is outstanding, and it helps keep us going not only through the financial support -- that is really important -- but also your time. Your time and your energy is really what is keeping us going.

I want to thank you on behalf of the DeMolays of Northern California for your time and effort. You should be applauded for that.

However, even though DeMolay is doing really well, and I can tell you all the great things that have happened, unfortunately we have Chapters struggling along and not doing so well. They have the money, but they need the time. They need the effort from a Mason or maybe someone they know from the Eastern Star to help out in the meetings and give them support and guidance. That is what we really need right now.

I would like to relate a little story to you. This actually has to do with transportation. It is a railroad story, and everybody should be pretty familiar with that, because these guys should know when the railroad was being built.

Anyway, I believe the term for someone who worked on the railroad that actually put the spikes into the railroad was called gandy dancers. I don't know; I wasn't there. They would jump on the thing and drive the spikes.

A few of these guys were dancing around, and they just got into a conversation, and one says to the other, "Oh, yeah, I happen to know, I know the president of the railroad."

And the other guy says, "Get out of here; come on, George, you are lying. You don't know the president of the railroad." He said, "Yes, I do."

About that time a train pulled up, and on the back of the train stood the president, and he looked at the men who were dancing,

and looked up, and he said, "George, George, come on up here; come on up here; I want to talk to you."

So George goes up and they go into the compartment. About fifteen minutes later, they came back out; and the president of the railroad says, "George, keep in touch, please. I would really like to hear what is going on." George says, "Thanks very much; we will talk to you later."

So the train pulls out and George's friend says, "Wow, you were right. You know the president of the railroad. I'm so impressed."

He said, "Yeah, we have been friends for a long time, because we both started working for the railroad at the same time." And his friend said, "Wait a minute. You both started working for the railroad at the same time, but you are out here driving spikes and he's the president of the railroad? What happened?" He says, "Well, we both started working. I worked at $3.50 an hour; he went to work for the railroad."

In DeMolay, unfortunately, we have those people that are just working for $3.50; but then we have dedicated people like yourselves that are out there working for the railroad. We have those working for the railroad and stepping ahead to make a difference, and that's what we really appreciate, and that's what we really need.

So I challenge you, when you go back to your home Chapters and you have a DeMolay Chapter in your area, work for the railroad. It would really be appreciated by all of us. Thank you very much.

I do a lot of joking at Dad Gordon's expense, because he used to be our Executive Officer. Dad Gordon is one who worked for the railroad who worked for many years, and he used to be our Executive Officer. He was basically in charge of DeMolay.

I'm happy to make you an honorary Executive Officer.

(Presenting certificate)

Vernon L. Gordon, Worthy Grand Patron: Thank you, Jeff. I remember back when you referred to me as Dad Gordon affectionately, but now that you have become a Mason, you are calling me Vern.

Yes, I did indeed work for the railroad during my service as your Executive Officer, but let it not be implied that I have been sidetracked.

Jeff Milde, Jurisdictional Master Councilor, North: Worthy Grand Matron, we can't have an Executive Officer without an Honorary Jurisdictional Sweeheart. *(Presenting Honorary Jurisdictional Sweetheart Certificate.)*

Paula Remington, Worthy Grand Matron: Thank you. I deeply appreciate your remarks.

Richard Mullard, Past Patron (405), Co-Chairman, Liaison to Youth Groups Committee: It is indeed my honor and privilege to present to you at this time the Jurisdictional Councilor of the Jurisdiction of Southern California for his remarks, Brother Christopher Burns.

REMARKS

(By Christopher Burns, Jurisdictional Master Councilor of Southern California, Order of DeMolay)

Most Worthy Grand Matron, Most Worthy Grand Patron, Worthy Grand Matron and Worthy Grand Patron: Good afternoon.

I have a little story for you this afternoon. I hope you enjoy this.

I want to tell you a story about a young man. While I did not have the opportunity to know him, I had the story passed on to me by many friends and loved ones. There was a young boy who was born into this world, living a very meek and humble life style. As a matter of fact, he was born into a life of poverty.

He seemed to be quite a normal child until he was about the age of 12, until his parents noticed a certain quality in him that they had not realized that he had before. They realized that he could talk to people, and they realized that he could make them love each other to make this world a better place.

As he grew up, many people listened to him, while others hated him and persecuted him.

As he grew older, more people learned to love him; but there were still some who felt he was evil and everything he said was wrong and blasphemous. He was eventually put to death by people who hated him.

This man was killed for wanting to make peace on earth, for standing up for what he believed in. He died because he loved people.

Sometimes we fail to notice, and sometimes we forget to say the "thank you" or "you did a really good job."

We in the Masonic Family offer ourselves, of our time with each other, and the major driving force behind our acts is the pure love of the Masonic Family.

The Order of the Eastern Star has given untold hours of time to DeMolay of Southern California and thousands of dollars; and without that, we cannot survive; and we depend upon that support and financial support; and we really know that without you we cannot survive.

The Order of the Eastern Star has been on many missions over the past decades and all of them have been prompted by nothing more than the love in your hearts.

DeMolay of Southern California are here to help you on your missions, to be of service to you. We truly are indebted to you for all you have done for us, and we offer our time to assist you in all of your missions, especially your "Missions of Love," because without that love, the world is incomplete. Thank you very much.

At this time I would like to take the opportunity to introduce the Southern California Jurisdictional Deputy Master Councilor, Brother Frank Fahill; and the most lovely and beautiful Heather Furand, the Southern California Jurisdiction Sweetheart.

And just a word of information for you, a week or two ago Heather just joined the Order of the Eastern Star.

Thank you very much, Worthy Grand Matron and Worthy Grand Patron.

Richard Mullard, Past Patron (405), Co-Chairman, Liaison to Youth Groups Committee: Sister Paula, at this time we would like you to respond to our California youth with your words of wisdom.

Paula Remington, Worthy Grand Matron: Thank you so much.

This has been an absolutely fantastic afternoon, and they said it couldn't be done. They told me that it just wouldn't happen; and to my coordinators, my heart is very full, I thank you so very much.

Four years ago, when I decided what my emblem was to be, I decided on a triangle. The base of that triangle is our Blue Lodge and Masonic Heritage; one upright side was our beloved Order of the Eastern Star; and the other upright side was our Youth Orders. As we strengthen each one, the triangle remains strong. If one side is weak, our triangle is slanted or skewed.

These wonderful young people are a very important part to our Masonic Family. We are the past and the present. You represent the present and the future. Just as the past is a preparation for the present, so is the present the preparation for the future. Let us all work together to strengthen this Masonic Family of which you are such an important part.

The touch of purple and gold, which our International Grand Representatives wear, is also tied to our youth groups. The color purple is symbolic of our two International Orders for girls --

Job's Daughters and Rainbow. The color of gold is the gold trim that is worn on the capes of our young men.

May God bless our Fraternal Family
And the love we would impart,
May He keep us close in friendship and love
In His hand and near His heart.

Thank you for being here. You are fantastic. Thank you.

Richard Mullard, Past Patron (405), Co-Chairman, Liaison to Youth Groups Committee: Brother Vernon, it would be my honor if you would give your words of wisdom, also, to these youth groups, since you had so many years with them.

Vernon L. Gordon, Worthy Grand Patron: Are you relating back to when I was a member of DeMolay? Thank you very much. It is indeed a privilege for me to respond to these young people.

We think of many things when we hear these young people speak, not only here, but when I hear them in the Grand Lodge of California, my heart swells with pride, and many times they bring tears to my eyes simply because of the great sense of pride that I feel for them.

When we see them perform here, there are many things that come to our minds, but most often people will say they represent the future of the country. Indeed they do.

But it has to run much deeper than that. The causes for their being the future of our great nation, some of the things that came to my mind as I sat here today, listening to these young people, you might come home from the office, tired of political cliches that may well be used or misused. But I'm going to talk about things such as a kinder and gentler nation, a thousand points of light, family values.

These are more than tired political cliches; these are the very foundation stones of what this nation represents; and these young people are the standard by which we judge those phrases. They

are the ones who do represent a kinder and gentler nation, my Sisters and Brothers and my friends.

That opportunity has passed us by. We lost our chance. It's up to these young people to develop a kinder and gentler nation, and certainly their shining faces out in our communities are telling the story of this Fraternal Family. They are the thousand lights.

Family values -- where else can we find greater family values than being associated and affiliated with our great Masonic Fraternal Family? There is no other organization in the world that demonstrates family values any more than the Fraternal Family of Free Masons.

You might say, "no, no, that rests with religious organizations." To a point, that is true. There are religious organizations that espouse family values, so long as you believe in "my" religious beliefs.

We are not restrained by their religious dogmas and personal values. We have erased all. We love everyone. And that is what these young people represent.

Thank you so much for being here with us today.

Paula Remington, Worthy Grand Matron: The Order of the Eastern Star has a small token for each one of our youth leaders; so if you will come forward, I would be pleased to give it to you.

Will the Youth Committee introduce themselves, because we have some very proud people on this committee.

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee, Chairman: Thank you, Sister Paula. My name is Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee, and I have been a Job's Daughter for over 40 years. I have had the honor and the pleasure to serve as Grand Chaplain of the Grand Guardian Council of the State of California.

When Sister Paula asked us to serve on this committee, I was very delighted, because the people that offered to serve on the committee have many years of experience not only in Job's Daughters but in Rainbow and in DeMolay; and Sister Paula asked me to introduce each of these committee members.

At this time I would like to present the Co-Chairman of this committee, Janice Mullard.

As you can see, Janice has the Grand Cross of Colors, and I am very proud of her, because she was instrumental in arranging for those beautiful Rainbow Girls here this afternoon, and they did an absolutely wonderful job.

Janice was Worthy Matron in 1988. We did a lot of talking about Job's Daughters, Rainbow Girls, and DeMolay; and, of course, we talked about paper drives and all those wonderful things that we asked our husbands to do.

At this time I would like to present her very special husband, Richard Mullard.

These two very special people have planned that wonderful cookout, and you wonderful Eastern Star people have purchased the wonderful flowers which were made, 1500 of them. This money will go to our youth, and I thank each and every one of you who purchased flowers today. These two special people, Janice is a Grand Deputy; Richard serves on the Grand Advisory Board, and they're still working for Rainbow for Girls, and I thank you very, very much.

The next gentleman I wish to present is my husband.

This fine gentleman I met many, many years ago when I was a Job's Daughter, and it just goes to show that Job's Daughters and DeMolay can band together for a very wonderful experience. He is a Past Master; he has served DeMolay as League Administrator; and he has served DeMolay admirably; and I'm very proud of him.

The next fine lady that was appointed to this committee I barely met, but she has worked very hard on this committee. Janet McClanahan is one of the ladies that made 500 of these wonderful flowers, and I know she never wants to see another flower again. She's going to be Deputy next year; and, Janet, what have you done for Rainbow?

Janet McClanahan, Past Matron (348), Liaison to the Internationa Order of Rainbow for Girls: In Rainbow I served as Worthy Advisor. I was Grand Representative of New York and Past Mother Advisor, and I began the Pledge Program.

Paula Remington, Worthy Grand Matron: The next gentleman I wish to introduce, Mr. Donald Nielsen. I've known this gentleman for a great period of time, because I happened to serve as League Mom. The demands were tremendous, but it is with great pleasure that I present Donald Nielsen.

Donald Nielsen, Past Patron (259), Member, Liaison to Youth Groups Committee: Like the other members of this committee, I owe a great deal to the Order of DeMolay. This is my 47th year as a member of DeMolay. I have the privilege to have served as Master Councilor, as League Administrator. I am a Deputy of the International Supreme Council. I am a member of the Southern California Executive Committee and on the Foundation Board of Trustees.

It is an honor and a privilege to be able to keep so young by working with these young people all the time. Thank you very much.

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: There is one more fine lady who served on this committee. It is with a great deal of pleasure that I present Connie Thompson Deadrich, a Past Guardian of the State of California and a very fine lady, who served the International Order of Job's Daughters for many years.

Connie Thompson Deadrich, Past Matron (642), Member, Liaison to Youth Groups Committee: I owe an awful lot to the International Order of Job's Daughters. I have five daughters who

were active in Job's Daughters at one time or another. I now have six granddaughters, all over everywhere, and I plan to continue to give to the Order and to all the Masonic youth groups. I love you and God Bless you.

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: It has been this committee's privilege and honor to bring these young people into this arena today.

We are proud of each one of them. It makes my heart sing with gladness, because someday each of these youths will come into this beautiful Order of the Eastern Star and into our Masonic Order.

Without these young people there is no way to keep our Order going, so we need each and every one of them. Our committee thanks you for the privilege and honor of bringing them to you today.

We are going to be privileged to hear from Sister Paula's daughter, Wendy Remington, who is Past Honored Queen of Bethel 285 and also a member of Sister Paula's Chapter.

Wendy Remington: For those of you who have not met me or seen me before, I am Wendy Remington.

One of the lovely young people brought me in, and I would like to express gratitude to them, and it is usually right before this time that Mom is going in with "What am I going to say?" and I always say, "Well, just speak from your heart, and everything is going to be all right." And it was.

First off, I should say I'm very grateful to the Masons, because they are the heritage of this whole, wonderful Masonic Family that provides us with such an opportunity to grow. The organization promotes love of country and of God and of good morals and standards and wonderful lives.

But as Jeff said, when we're working for the railroad, what blesses one blesses all; and we are given a very great opportunity

to grow in these organizations and to better ourselves by wanting to serve others.

I have seen such growth in my parents since Mom started this five years ago. She has grown in strength and poise and all of her abilities, and I think Dad and Mr. Gordon have more patience.

They are not the only ones that have to be patient. It's a two-way street. So, Mom, you get some credit on that one, too, that's for sure.

When Mom started all this -- and it is sort of that time that things were coming to a point with her -- and the Worthy Grand Matron and the Worthy Grand Patron are going to come in tomorrow, so I am a little personal -- we were both going on different roads. She was giving her all to an experience going up the Line, being Worthy Grand Matron for Eastern Star; and I was finding my own way in college and in my life with music; and it wasn't always easy at times; and when I realized, for me, it was that the clime seemed to be that I was declaring my independence in a way; and naturally the thing that was hardest for me to deal with was when I finally put on her shoes; and looking at me from her shoes, I saw myself, which sounds odd, except to explain that there seems to be perhaps a letting go, in a sense.

But what I came to find, there was no loss at all, because we each found our own set of friends; and in the end of it all, we found some very, very good friends -- each other. Mom has been on the road an awful lot in the past five years, and it is safe to say I have been on the road the last couple of years, so on the road there is a lot of time to think, as you have all done, and that really led to song writing for me.

As I was cherishing my parents one day on the way from Northern California to Southern California, I thought of this song; and before we play it, I would like to say one thing to the youth, who are all supposed to be excused before this, but I wanted you to hear this, because I think that we can all sing it to each other, not just to our parents. Parents can sing it to their children.

To the youth, I would like to say, when I came in, I heard you speaking of challenges; and, yes, the world seems to be filled with challenges right now; but as I was thinking last night about 3:30 in the morning, knowing I was going to be speaking today, of some things that really were growing points for both Mom and I this year, which I would like to share with you, and those are, when you are faced with a challenge, think of it as an opportunity to excel and to overcome the obstacles of the world.

Remember that Columbus was brave enough to believe there wasn't an edge; and guess what, he didn't fall off.

Remember that Ginger Rogers did everything that Fred Astaire did, but backwards and in high heels and usually in a 30-pound beaded dress. Remember that nobody really, but Walt Disney's brother and sometimes his wife, believed that his ideas would work. Everybody told him it wouldn't, he was crazy; and when the idea of a theme park came up, his wife said, "Why would you want to build one of those? They are so dirty." And if you have noticed, Disneyland is one of the cleanest places on earth. He took care of that, too.

Think about the fact that even Barbra Streisand's mother told her that she couldn't do it, and she said that the commentator said to her, "You were raised with so much fear, how did you succeed?" And she said, "Well, I still fear; but it was not enough. I went through it," and what she meant by that is not that there wasn't enough fear, it just wasn't a good enough excuse, and she triumphed over it.

What you're saying is that people over generations are winning their ways in people's hearts; and 1492 or 1992 does not make a bit of difference, because if love is guiding you and that is your purpose, then you will succeed.

With that, I would like to say thank you to my parents for being such wonderful people and for the extended family that their involvement in this organization has allowed me to have, because Brother Vernon, you and your wife are always welcome in my house.

With that I would like to thank you for hearing me ramble on a bit, but I wanted you to know what wonderful unconditionally loving people my parents are, and all of you for giving of your time and efforts and energies to this wonderful organization.

(Playing of song with guitar accompaniment by Wendy Remington.)

Paula Remington, Worthy Grand Matron: Thank you, Wendy, for coming to do that for us. That was very special. She used to love to sing the song "Corner in the Sky" from Pippen, and the particular phrase "finding my way, my corner in the sky" always meant very much to her.

Janice Mullard, Past Matron (405), Co-Chairman, Liaison to Youth Groups Committee: When Elaine was introducing us, I met a gentleman who was a Mason and who, with me, joined the Eastern Star; and there is a lady probably in this room right now, who is going to be the next Matron, who actually started us 27 years ago working with Rainbow Girls; and we have been doing it ever since.

In order to stimulate the youth coming to this, last year we had a trophy; and we listed the group with the largest attendance. Last year it was the International Order of Rainbow for Girls. This year it is again the International Order of Rainbow for Girls.

We invite all of the youth to go out the right to the Copper Room, where we have some refreshments; and we would ask you to join us.

The flowers that you purchased, my Sisters and Brothers, we have over a thousand dollars.

Also, with the gift of our Worthy Grand Patron of the cotton bales, the offering taken up, tomorrow we will divide it among the youth groups. Thank you so much for your participation.

REPORT OF SPECIAL LIAISON TO YOUTH GROUPS COMMITTEE

(By Elaine Davies, Past Matron (483) and Raymond Davies, Past Patron (483), Chairmen)

Most Worthy Grand Matron, Past Most Worthy Grand Matron, Worthy Grand Matron and Worthy Grand Patron, Past Grand Matrons and Past Grand Patrons, Distinguished Members and Visitors, Sisters and Brothers of the Grand Chapter of California, Order of the Eastern Star:

This past year has been a bittersweet experience that is concluding with the indication of a positive trend.

All of the Members of this Committee, like a great many of yourselves, have served many years each, and are all currently serving as active Adult Leaders with the Masonic Youth Groups. The Adult Leader service of our Sister Paula and Brother Vernon was active right up to the moment of its being interrupted by the demands of service to our Beautiful Star.

We are pleased to report that we have been present to observe Sister Paula and Brother Vernon attending and been lovingly received at Job's Daughters' Grand Bethel, Rainbow's Grand Assembly, and DeMolay's Conclaves. A positive sign that, amount the Youth Leaders of the Youth Groups, our Order is still respected as a goal of our youth's adulthood.

As we have traveled the length and breadth of our State this year, we have been pleased to find that every group we visited had a past or current Worthy Matron or Patron actively involved as an Adult Leader.

In an effort to express the support of this Grand Chapter, this Committee has prepared and is accepting donations for Fiesta Flowers in colors corresponding to the colors relating to the Youth Orders. The proceeds from the donations will be divided equally among the Masonic Youth Groups State and Jurisdiction groups. Please see one of our Committee-persons in the lobby to obtain your Fiesta Flower.

We ask that you bring the Fiesta Flowers with you this afternoon and display them prominently as our Masonic Youth pay us a visit for this Session's Masonic Youth Recognition Afternoon. Your attendance will display our belief in them, and their enthusiasm will most surely favorably impact our outlook for the future.

Now, for the mentioned positive part of the report. We are all to well aware that there has been a steady stream of Eastern Star and DeMolay Chapters, Lodges, Bethels, Assemblies, and other groups that have disappeared through mergers, failures, and charter surrenders. That stream has not been stopped, but there has been a significant change this year. For the first time in twenty years, Job's Daughters Bethels were opened. We attended a new Bethel opening at Twin Peaks Temple between Lake Gregory and Arrowhead in the San Bernardino mountains, and the re-opening of a Bethel that had been closed in 1967 in Selma, just south of Fresno. For the first time in almost ten years, a new Rainbow Assembly is being organized in Hemet, and a DeMolay Chapter is about to reappear in Oceanside.

We know that these events have come about due to efforts by members of our Order, and we are confidant that their enthusiasm in those instances is at least matched by their zeal in their efforts within our Order.

Vernon Gordon, Worthy Grand Patron: Worthy Grand Matron, there comes a time when you hand the baton or the gavel, as the case may be, to your successor; and it is that moment in time. I hate to destroy the beautiful mood that was just created, but I must deliver my short farewell address to the members of this Grand Chapter.

FAREWELL REMARKS

(By Vernon Gordon, Worthy Grand Patron)

As I stand at this lectern, for my last official act as your Worthy Grand Patron, my heart is filled with gratitude to all of the members of this Grand Jurisdiction for their honest effort and support in extending the cause of the Order of the Eastern Star to the four corners of our beautiful State. "From Crescent

City to the Baja Border, from San Francisco to the Owens Valley."

We have accomplished much by working with other, for each other. These are challenging times in our Order, and these are challenging times in our country. The challenge of these times prompt us to pray with Josiah G. Holland:

"God give us people! A time like this demands,
Strong minds, great hearts, true faith, steady hands:
People whom the lust of office does not kill;
People whom the spoils of office cannot buy;
People who possess opinions and a will;
People who have honor and will not lie;

People who can stand before the demagogue
And damn his flattering without winking;
Patriots, sun crowned, who live above the fog
in public duty and private thinking."

This past year I have seen the true workings of such people as described in this verse, people dedicated to God and to their fellow human beings. My own experiences through the year convince me more vividly than ever of the destiny of this great Order.

We are people of faith drawn together in good works by the bonds of brotherly love. We are people of faith who can, and will, lead our society out of chaos and despair. We are people of faith, who, because of our great rust have found an inner resource of quiet strength. Let us not quibble about creeds, but let us accept the great challenge, "to do justly, to love mercy and to walk humbly with our great Creator."

Let us turn to the tasks that confront us. The tasks that confront us as we leave this Communication, tasks from every walk of life from which we come, the tasks of causing the Order of the Eastern Star to become "a willingness of the heart" in the minds of all people. Because we are members of this Order, and because of our reputation among men, the behavior pattern of our communities is influenced greatly by the way we

live. God has laid upon us a great responsibility and given us a wonderful opportunity to build a society in which justice, mercy and humble reverence for our Maker are the standards of behavior. To measure up to that opportunity, he has showed us how to walk humbly with him.

May each one of us, as children of God, rededicate ourselves to the task of building for eternity so that our works will stand the test of time and bear the marks of a member of this Fraternal Family. In this endeavor, let us be guided by the thoughts of John Ruskin who once said, "When we build, let us think that we build forever. Let is not be for the present delight nor for present use alone. Let it be such work as our descendants will thank us for, and let us think as we lay stone on stone, that time is to come when those stones will be held sacred because our hands have touched them; and that people will say as they look upon the labor and wrought substance of them, 'see! this was prepared for me, and placed in my trust'."

As Sister Paula and I prepare to place in the hands of others the great fraternal works of this Grand Jurisdiction which are incomplete, and will remain in that state so long as they are in the custody of mere mortals, hear these simple words of your simple servant:

"Judge me as the leader I have wanted to be,
Not just as the leader I have been,
For deeds undone and dreams unfulfilled
Are commonplace among we mortal men.

Recall, if you will, what I have tried to do
And not just the times I have erred,
If there be any virtue, if there by any praise,
These are the thoughts that should be spared.

So I pray for kindness as you remember me;
Be mindful of what I have wanted to do,
And judge me as you would judge yourself
For someone is also judging you."

My deepest love and admiration is extended to each of you, and may the peace and truth of God be, and remain with you always.

Paula Remington, Worthy Grand Matron: Thank you, each one, for being present this afternoon. We hope that those of you that wish to go and enjoy our youth at their reception, which is upstairs in the Copper Room, will go there; but unfortunately we need to re-open our Grand Chapter and finish a few short items.

Elaine Davis, Past Matron (483), Chairman, Liaison to Youth Groups Committee: We are going to close this Session with something we thought Sister Paula would truly like; and we will ask that each of the Order of the Eastern Star sing "Onward, Christian Soldiers" after the closing of the Bible.

(Singing by Rainbow for Girls and Job's Daughters and Julie Eisenhower and Leah and Letitia Galyean, Bethel (154), "Nearer My God to Thee.")

Opening: The Grand Chapter Room was purged and the Grand Conductress attended at the Altar.

Paula Remington, Worthy Grand Matron: Brother Earl, do we have some legislation?

REPORT OF THE COMMITTEE ON CONSTITUTION AND BYLAWS

(By Earl Eckert, Past Grand Patron, Chairman)

The resolution which was submitted this morning was referred to the Constitution and Bylaws Committee, Jurisprudence Committee, and Finance Committee. These three committees recommend an amendment to that resolution.

If I can read the resolution, the amendment is very simple; and then we will go from there.

Resolution No. 1

"BE IT RESOLVED, that the Worthy Grand Matron of 1992-93 direct the Finance Committee to submit with the printed auditors' report and budget in the delegates' proposed amendment book in the 1993 Grand Session, the specific basis on which the allocations, such as specific staff time for office expenditures, postage, mailing, etc., has been made to all charitable funds."

The committees recommend an **amendment** by striking out the words "printed auditors' report and budget."

Time constraints at this time do not permit us to have the auditors' report that far in advance.

Vernon L. Gordon, Worthy Grand Patron: Sisters and Brothers, you have heard the proposed amendment. You have heard the amendment to the proposed amendment or to the proposed resolution. We must follow procedure.

The issue is now before you, and we must vote on the amendment to the resolution.

The Amendment to resolution **Adopted:**

Resolution, as amended, **Not Adopted:**

DECISIONS OF THE WORTHY GRAND MATRON

Vernon L. Gordon, Worthy Grand Patron: Sisters and Brothers, we must resolve the decisions or take action on the decisions made by the Worthy Grand Matron during the previous year.

As I indicated to you earlier, whether it was today or last week -- I don't remember when it was -- she withdrew decision No. 1 as a decision. It was then reduced to a discretionary action by the Worthy Grand Matron.

2. Regarding Suspension of Plural Member for non-payment of dues. A plural member suspended in one Chapter for non-payment of dues must be suspended in the member's second Chapter also, even though the membership in the second Chapter is a life membership.

3. Membership eligibility of a divorced wife. The status as a widow of a Master Mason is terminated by marriage to a non-Mason and a subsequent divorce from the non-Mason does not restore her to the status of a widow of a Master Mason.

4. Propriety of establishing a Chapter Memorial Fund. A Chapter may not transfer control of its funds and property at any time by establishing a fund for a special purpose or by "ear-marking" the funds for a specific purpose.

5. Requirements to change place of stated meeting. Notice must be given to the members of a proposed change of place of the stated meeting. It must be voted upon by the Chapter and a Special Dispensation obtained from the Worthy Grand Matron.

6. Eligibility of Dual Member for Plural Membership. A dual member in California may not properly petition for membership in another California Chapter without first demitting from one of her/his present Chapters.

Would anyone have the courage to present a motion to the Chair that the Worthy Grand Matron's decisions be approved? We require two-thirds to carry. **MOTION:** *(It was moved and seconded to approve the Worthy Grand Matron's decisions.)* **Adopted:**

Paula Remington, Worthy Grand Matron: You still have the matter of going to Fresno in 1997. This was referred to Distribution. It must have gone back to some committee, and we will have that committee come forth.

We have several committees that have not yet given their reports. However, in the interest of time, if there be no objection, these reports will be printed in the proceedings.

The only one that I have any problem with that has not yet reported would be Appeals and Grievances.

Vernon Gordon, Worthy Grand Patron: Let me commend you for your patience. You have been argumentative but always patient, and it was always in the best interests of the Order. Thank you very much.

REPORT OF COMMITTEE ON APPEALS AND GRIEVANCES

(By Bernard Seamans, Past Grand Patron, Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored members, Sisters and Brothers:

Each of the members of the committee have responded when called upon, they have served you well and it has been my pleasure to serve with them. They are: Sisters Kathleen MacDonald, Associate Grand Conductress, Helen Luzier, Mary Jane Wade, Bonita Pack and Brothers Lloyd Budwig and Melvin Van Buskirk. Those not in attendance are working and not able to attend Grand Chapter. Worthy Grand Matron on behalf of all the members I thank you for the privilege of serving on this committee.

The names of members as well as the name and numbers of Chapters involved in any action referred to this committee has been omitted from this report, however, a detailed report has been made a part of the permanent files of this committee and is available to any member having a need to know.

One Chapter which was reported to be having a problem at the beginning of the year has seemingly resolved any difficulty and no one wants to file charges in the matter.

The Committee was requested to attend two separate Chapters to see if there was a problem in either of them as it was reported there was a possibility of indiscriminate use of the Black Ball being used. Members of the committee did not discover any continuing problem.

The results of the ballot on a applicant, (either for initiation or affiliation) should not be revealed to the applicant by other than official Chapter notification. Members or officers must not reveal verbal discussions relevant to the application to the applicant or other members.

Charges of Conduct Unbecoming a Member were filed in one Chapter and after the Chapter Reviewing Committee made its review, the charges were rejected as being invalid for charges and returned to the accusers.

On several occasions during the year, members have sent their charges directly to this committee when they should go to the Worthy Matron of the Chapter. Section 908 of our Constitution and Laws explains the manner in which the distribution of such matters is to be accomplished.

In one Chapter there were eight charges of Conduct Unbecoming a Member filed; six of them were returned to the accusers as invalid and should be withdrawn. Two of the items were sent to trial and in both cases, (held in separate Chapters) the accused were found guilty and the sentences were for expulsion from the Order.

In closing, I would like to paraphrase from a letter the Worthy Grand Matron wrote to members involved in a situation.

"If you feel righteous in your own plight, remember what your action is to do to your Lodge, your Chapter, your Bethel, or your Assembly. Is it worth it? Does the end (whatever that may be for everyone involved), justify what you are doing to those important bodies we have all vowed to uphold? Are you doing this because of inherent stubbornness or false pride? Remember that a back that is so rigid is the easiest to break. The hurt that you cause to others involved is not going to go away. It will leave scars that may never disappear. You cannot take back an unkindness, but you can stop it before it gets out of control."

Accepted:

Paula Remington, Worthy Grand Matron: Thank you, Brother Bernie. As you know, I feel very strongly about this; and we both have been in tears because of seeing these things happen.

Thank you for the work you have done, because you have done it with honor and dignity.

The other committees that were to report will have their reports printed in the proceedings.

I would like to make one comment about our Heart Fund, our Heart Foundation that we strove to work so hard for this year, Sister Patty Rae Cleland is our Chairman.

I believe at the end of 1991 she had bypass surgery; and just recently this early summer, she had a heart transplant. She has been doing very well; however, just recently, she is in the hospital; so please let us give her our prayers that she will be all right and will be able to continue with the work.

We appreciate all she did for us, and she did get the letters out to the Chapters, and the money that was raised will be donated to the University of California Medical Center in San Francisco, which is where the research that helped her came from, so our dimes and dollars are going to be helping her and others like here.

REPORT OF THE COMMITTEE ON HEART FOUNDATION
(By Patti-Raye Cleland, Past Matron (396/583), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

Sister Paula, when you asked that I accept the Chairmanship of this important Committee you and I never imagined that I would have to go to such extreme lengths to prove a point as to the seriousness of Heart Disease. Be that as it may, after 16 years of debilitating heart disease, with my physicians pronouncing a likely six months to live following our last Grand Chapter Session, but now on the recovery road following heart transplantation surgery on June 13, 1992, here I

am able to attend this Grand Chapter Session to thank you, Sister Paula, for this appointment and the opportunity to share this Committee with the members of California and to thank them for their interest and dedication in supporting this special project. In addition to our Members, there were several donations received from non-members who chose to contribute to this fund by way of memorials for loved ones who passed away due to heart disease and related disorders.

Special appreciation is also given to our Grand Secretary and Grand Treasurer and the Grand chapter office staff. Diane and Sheri, thank you from the bottom of my new heart for helping me get through those trying months when I labored to give attention to this project while I remained in the hospital and those eleventh hour questions I had prior to this Grand Chapter session. Sixty-six days in the hospital brought me to near insanity, but light-hearted conversations with each of you did help me to return to the reality that being lovingly fraternal is the only way to go!! Thank you my dear friends.

For our 1991/1992 fiscal year, a total of $13,852.00 was donated to our Heart Research Program. Yes, a nice, tidy little sum, but it could be bigger!! After all, Heart Disease is our nation's number one killer. Today Cardio Vascular Disease claims the lives of one of every two Americans annually. That is well over one million deaths per year. Heart attacks claim 520,000 lives and strokes claim 150,000 lives and is the third largest killer falling behind Cardio Vascular Disease and Cancer. 1.5 million Americans suffer heart attacks on an annual basis and 500,000 suffer strokes. The survival of these two million Americans could possibly be the result of life savings CPR techniques, prompt use of medications and technology all available because of Heart Research. More funds are needed to provide additional research in the prevention of Heart Disease, improve and produce new medications and required technology. Having Cardio Vascular Disease for 16 years experiencing years of angina, four massive heart attacks, triple vessel bypass surgery, angioplasy, a coronary stroke leaving me unable to move or speak for 10 days, all of which left me with such a badly damaged heart and a possible six months to live, heart transplantation was the last alternative. You would not

believe the multitude of diagnostic tests and medications that I have been privileged to receive over the years and still must endure for the rest of my life which is the result of technology through research. All of that brought me only to today.

I would like to share with you the letter I wrote to the family members of the young man from whom I received my new heart. He was just 25 years old. I hoped this anonymous letter to people I would probably never meet would provide them some comfort during the tragic loss of their son knowing that it was either his wish and/or that of his family that a donor heart be made available to give the gift of life.

The letter read: "My dear loved ones: You will forever be in my thoughts and prayers. You have given more than anyone can imagine. Your consent to your loved one becoming a transplant donor is truly the most loving and unselfish act of love, understanding and compassion. I will always cherish this new life with honor and respect. Your loved one will walk with me as I take each step towards a happy and productive life. My goal is to work towards charity, truth, and loving kindness." And it was simply signed, "Heart Transplant Recipient #45, June 13, 1992, University of California Hospital, San Francisco."

And my loving thanks to you, Sisters and Brothers. Let not your heart be troubled. Please continue your support to our Heart Research Program, and remember...

"Your Heart is your Life. Keep it Beating!!!"

Thank you, Worthy Grand Matron.

REPORT OF ANNUAL SESSION SITE COMMITTEE

MOTION: Worthy Grand Matron, I move that Fresno be selected as the site for the 1997 Grand Chapter Assembly.
(The motion was seconded.)
Adopted:

REPORT OF THE COMMITTEE ON DISTRIBUTIONS

(By Nancy E. Thomas, Past Matron (571), Chairman)

The Committee on Distributions has referred the Worthy Grand Patron's recommendations to the Committees on Aims and Objectives and Constitution and Laws. The recommendation concerning General Grand Chapter is also referred to the Committee on Jurisprudence. The report from the Committee on Courtesies to Dignitaries is referred to each member of the Grand Line. All other matters referred to this Committee during Grand Chapter have been referred out and acted upon at Grand Chapter.

It should be noted that no report, which includes the Worthy Grand Matron, Worthy Grand Patron, Grand Secretary, Grand Treasurer or Home Board was referred to this committee 30 days before Grand Chapter as required in the Constitution and Laws. The sole report received in a timely manner was the report from the Special Committee on the Gerald Cashion Fund.

Diane Silva, Grand Secretary: MOTION: I move that the minutes of the Saturday Morning and Saturday Afternoon Sessions be considered read and printed in the proceedings.
(The motion was seconded.)
Adopted:

Paula Remington, Worthy Grand Matron: We're going to close our Grand Chapter. Before our closing, I would like to say I don't have a formal farewell, as Brother Vernon did; but I do want you to know that I appreciate the service you have given this year, each one of you; and my heart is very full.

I have enjoyed every minute of it, and I am so happy that those who came to San Diego and made this Session possible -- and it was you who did it, not me -- enjoyed our "Missions of Love" Session.

It was such a pleasure to have the Most Worthy Grand Matron and Most Worthy Grand Patron with us during these

Sessions. We enjoyed the fellowship of all our Distinguished Visitors.

My thanks to Brother Vernon and his dear Mae, for the kindness and consideration shown to me and my husband, Tom. Brother Vernon, having you by my side during this Session has been a great comfort to me, and I thank you for your most able assistance during our deliberations.

To my own Past Grand Matron, Sister Jean Powers, I wish to express my loving gratitude for all you have done to keep me on track. You made all this possible by appointing me in 1988 as Grand Marshal. Thanks to all the '88's who have worked to keep the wheels of Grand Chapter running smoothly.

Thanks to our General Chairman, for creating this beautiful memory.

To each one who contributed to the success of this Session, my loving thanks.

My Mother has shared this time with me, providing much love and support.

To my beloved husband, my undivided attention will be yours. It will be nice to be home to stay.

It has been my goal to bring Faith, Love and Harmony to our Members, and to let Divine Love guide me in all my activities for the Good of our Order in California.

Thank you, the Members of California, for letting your light shine on me for this time. I will cherish the memory of our "Missions of Love" Session.

As our footsteps trace future pathways in the sand, may they lead to roads of peace and happiness, and may God always walk beside us, and keep us in the hollow of His hand.

The Grand Conductress attended at the Altar, and the Worthy Grand Matron declared the Saturday Afternoon

Session of the Grand Chapter to be called from Labor to Refreshment, to reconvene for the Ceremony of Installation of Grand Officers at 2:00 p.m., Sunday afternoon.

(At 5:03 p.m. the Grand Marshal made the proper proclamation.)

"Keynote on Love"
(By Tom McKinney, Past Patron (643))

Love turns on the sun and exclaims "All is well with the world!" Only love brings us to full size. It discovers within us ambitions unnumbered and goodness unlimited. Love is a rare commodity indeed, for when you divide it, it multiplies. Love comforts like warm sunshine, refreshes like a gentle rain.

Love is a winning quality. It wins when everything else fails. You can't win many people by knocking them, nor by fussing with them, nor by embarrassing them, nor by exploiting them, nor by threatening them, nor by freezing them; but you can thaw them and draw them, simply loving them.

Love wins when politics, reasons fail. Our little world needs an atmosphere of understanding. We cannot fathom people unless we have the love that feels for them and with them. It is then that we place charitable construction on their motives, magnify their virtues and minimize their faults. When this is done, there is no problem in loving and understanding people.

Love is patient, love is kind. Love does not envy, Love does not boast, Love is not proud. Love is not rude, and it is not self

seeking, it is not easily angered, and keeps no records of wrongs. Love does not delight in evil, but rejoices with the truth. Love always perseveres. And love never fails. It is something that is with us where ever we go, it is there for the asking, all we have to do is ask.

When we stop and look around and see that each of us come from all over this beautiful state, from the north, and the south, and even some from without the state, all with different ideals, different practices, different thinking, and different opportunities, but all with the one common bond, the love and strength of our Lord.

Love has given us a bond that we did not know or understand. The Lord has truly blessed you and I, to bring us together on this day, to take time out of our busy routine to ponder what he has meant to us in our lives, and to say thank you for giving us the courage to care, and to love one another.

Love is greater than we could ever imagined, it is a bond that has tied us together, that we could care for one another, more so than we could have ever believed. Love continues to give us the strength to reach out and touch the lives of so many. Our Lord has truly touched each of our lives, and given to each of us the opportunity to Love one another.

May our prayer be today, "That we love one another."

REPORT OF THE COMMITTEE ON DIVINE SERVICE

(By Herbert Gore, Past Patron, and Vivian Gore, Past Matron, (365/545) Chairmen)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

It was an honor and a privilege that we served as Co-Chairmen of the 1992 Grand Chapter Diving Service Committee and it has been a most interesting experience to plan and prepare this program for our "Mission of Love" Session. Having received this appointment in March 1992, following the resignation of the previous chairman, left many questions unanswered and no guidelines available left much to be desired. On contacting the previous chairman, who we replaced, it was determined that nothing had been accomplished for this year's Divine Services so we were starting out about six months behind schedule.

We prepared a proposed program and submitted it the first part of May for approval and/or suggestions to improve the program with requests for the names of the minister and his sermon, the soloists and their songs and what Youth Groups might be requested to participate. Information was not forthcoming, so in July we proceeded on our own to prepare the necessary program to be presented for approval at the September meeting of the Grand Chapter Week Committee. In August we received names of the minister and soloists which were incorporated into the program.

The program was finalized in late September and sent to our Group Chairman Bobbie and Rich Glass who graciously arranged for the reproduction and folding of 2000 copies.

We wish to extend our grateful thanks to all who contributed their time and efforts to assist in this Divine Service. This was a challenge and huge undertaking on our part, and the Worship Service could not have been a success without the help and cooperation of everyone who participated in their own individual capacity.

Much time, thought and ideas went into making this a simplistic and worthy program, and we trust that all in attendance approved of the efforts put forth.

We extend our sincere gratitude to Bobbie and Rich Glass, our Group Chairmen, and to our Committee Members, Alice Bombgardner, North Park Chapter No. 358; Vivian Boyd, Escondido Chapter No. 154; Judy and Ellis Kohl, San Diego Star Chapter No. 96; and Helen Vreeland, San Diego Chapter No. 358.

Our special thanks to Sister Ferne Hammond, Worthy Grand Organist and Past Grand Matron of the Grand Chapter of California for the beautiful music she provided for this Divine Service and for her accompaniment of our soloists Wendy Remington and Don Nielson.

Worthy Grand Matron, we thank you for this appointment and the opportunity to again participate as committee members during a Grand Chapter Session. We sincerely hope that you were pleased with the Divine Services.

"A DREAM IS A WISH YOUR HEART MAKES"

120th INSTALLATION OF OFFICERS

SUNDAY, NOVEMBER 1, 1992

The theme for the 120th Installation of Grand Officers was "A Dream Is A Wish Your Heart Makes". The stage had been turned into a beautiful rose garden with a Wishing Well in the center of the ramps. Coral colored roses trailed over the split-rail fence around the edge of the stage, with blue birds perched all around. The focal point of the stage was a large wooden bucket on its side. There were large gold coins which had spilled from the bucket.

Narration
(By Yvonne Beckenhauer, Past Grand Matron, Chairman)

How often we wish for things, we know can never come true, then again, how about the special things, which come from out of the blue.

It does no harm to wish for things, difficult and hard to gain, but many times your wish comes true and the "dream" you do obtain.

To wish and work, toward any ultimate dream, requires dedication, team work, and most of all, a theme.

Our Sister Mary, has had a wish for both you and me, yo be the best there is for our Order, in nineteen-ninety-three.

So as her dream unfolds, with style and sincerity, we look forward to a "Dream" come true, with much harmony.

(Float enters with the Worthy Grand Matron, Mary Meixner, and Worthy Grand Patron, Gene Stiles, seated in the nest of a bluebird surrounded by the beautiful coral roses. The men who were responsible for escorting the float around the Grand Chapter room are the Presidents of the Gene Stiles Associations in California.)

Like any new beginning, when things have been at rest, a new chick emerges, from her blue feathered nest.

She brings to us a song of love, of happiness and cheer, most of all she gives to us the promise, of a very enjoyable year.

Anyone who knows anything about blue birds will attest, that they choose a partner, who suits them the best.

One who'll be loving and caring, with that special pride, one who will be dedicated to be the "Big Bird" at her side.

So to these birds, ready to leave the nest, we wish for them a year of Happiness, Fun, Fulfillment and the Best!

Formation by
Associate Matrons & Associate Patrons
Presenting our

WORTHY GRAND MATRON AND WORTHY GRAND PATRON of 1993

Surrounding our float are many happy friends, and the formation they are making, on you depends.

Use your imagination and you can tell, that they are in the process, of making a Wishing Well.

The formation is started, by the Associate Matrons in two lines, then in come the Associate Patrons, to start their designs.

They are forming the Wishing Well, and we hope you can see, that if they are in the right places, it will look correctly.

If the Wishing Well does not look quite right to you, do not fret, there is still more formation we have got to do.

If the Wishing Well seems strange and leaves something to be desired, just remember the members are volunteers, and are not to be fired.

(Coral Roses come in)

Into our formation comes the America Rose, entwining itself on the Wishing Well, where ever it grows.

A symbol of nature, beauty and love, a beautiful reminder of God's gift from above.

"Everything's Coming Up Roses" . . . . California Singing Stars

Finally when our formation is completed, and it discloses, the picture of a Wishing Well, covered with roses.

If you think it looks good, and they are to be commended, give them your applause, that's what's recommended.

Escorting Barbara is her husband, Ron, a Past Patron of Bell Chapter.

Worthy Grand Patron: Brother William E. Stiles is the proper name for our Worthy Grand Patron, however, he is affectionately known as "Gene." Brother Gene became a Master Mason in Tustin Lodge No. 241 in 1962 and became Worshipful Master in 1967. He served as Secretary of his lodge from 1968 through 1977, and was appointed Inspector of the 630th Masonic District from 1977

through 1980. During those busy years, he found the time for Eastern Star and in 1964 he was initiated into Hermosa Chapter No. 105 and served as Worthy Patron in 1970 and 1991.

Gene is the recipient of the Hiram Award, is a former member of Santa Ana Order of DeMolay Advisory Council and a member of the Long Beach Scottish Rite Bodies. He is well aware of the requirements of Grand Chapter. He traveled with his wife, Barbara, when she was Deputy Grand Matron in 1978 and Grand Adah in 1984. As our Associate Grand Patron, the two of them have traveled extensively throughout California. They have one son, who is a Past Patron and his wife is a Past Matron, both of Hermosa Chapter. She will sing for Brother Gene this afternoon.

To help lead our great Order, is quite a chore,
It takes patience, love and so much more.
To make a commitment, just isn't enough,
To show and love our principles, that's the right stuff.
We look to a Worthy Grand Patron for that special gift,
We know Brother Gene will give us that lift.

Proudly escorting Gene is his wife, Barbara, who served as Worthy Matron with him in 1970 and 1991.

Worthy Grand Matron:

This afternoon, a dream, finally has come true,
If it can happen to Mary, it can happen to you.
Start on your dream, and you will realize,
The happiness of being a member, is the great prize.
We look forward to a great year, with Mary, but even more,
The renewed anticipation of more dreams in store.

Sister Mary Meixner, our Worthy Grand Matron, was initiated into Rose Chapter No. 292, Roseville, in 1961. She later affiliated with St. Helena Chapter No. 274, and through consolidation now belongs to Silver Spray Chapter No. 59, in Napa. Mary served as Worthy Matron in 1976, 1983 and 1984, each time with Brother Ed as her Worthy Patron.

Mary served as Deputy Grand Matron in 1982, Grand Adah in 1985, Grand Marshal in 1989, Associate Grand Conductress in 1990, Grand Conductress in 1991, and Associate Grand Matron in 1992. She was active on Grand Chapter Committees, among them: Credentials 1983, Election Board 1986 through 1988. She served on the Rainbow Board for one year.

Mary has two children and three grandchildren. Sustained by the support of family and friends, and devoted to the principles of this great Order, our Sister is prepared to assume the mantle of leadership. Our Sister Mary has had a wish for both you and me, to be the best there is for our Order, in nineteen-ninety-three. So, as her dream unfolds, with style and sincerity, we look forward to a "Dream" come true, with much harmony.

Mary is escorted, with pride, by her husband, Ed, Past Patron.

PROCLAMATION

Paula Remington, Junior Past Grand Matron: Worthy Grand Matron, it is now my privilege to invite you to the podium to receive this gavel and begin your year of presiding over the Grand Chapter. I know you will lead our members in California with love and understanding. It pleases me to relinquish my office to you.

Mary Meixner, Worthy Grand Matron: Thank you, Junior Past Grand Matron.

It is with a humble heart that I accept the responsibilities of this Grand Chapter.

Paula Remington, Junior Past Grand Matron: Sister Mary, this is the Isabella Harrison Hilditch jewel, which has been worn by many of our Past Grand Matrons and represents the love that they have given by their service to our Order. It comes to you with all the best wishes for a happy and successful year. May God always keep you in the hollow of His hand.

Mary Meixner, Worthy Grand Matron: Thank you, Sister Paula, for presenting me with this jewel. I will wear it with much honor and pride and with a prayer that my year of service to our Order will add only good things.

Vernon L. Gordon, Junior Past Grand Patron: Worthy Grand Patron -- does that not sound nice, Brother Gene?

It is with a great deal of honor that I present to you the platinum traveling pin and ring of the Worthy Grand Patron. The pin originally belonged to Brother Joseph Reed, Past Grand Patron of 1949; and the ring is from Brother J. Hartley Taylor, Past Grand Patron of 1935.

I congratulate you on your ascension to this distinguished office and may your year be full of happiness and success.

It is my earnest hope, Brother Gene, that the luster of these two beautiful jewels has not been tarnished during my year of service, and I pray that He will shine forth even brighter during your very capable service in the ensuing year.

Gene Stiles, Worthy Grand Patron: Thank you, Brother Vernon. I will do my best to uphold the honor which Brother Vernon did when he had these jewels, an emblem of this office, and the original owners of these pins. Thank you very much.

Worthy Grand Matron, it is with a great deal of honor and pleasure that I present to you your gavel. It is made of vermillion wood, and it was made by Brother Verne Jewett. May you enjoy

it. I know you will use it with great compassion and with great justice.

Mary Meixner, Worthy Grand Matron: Thank you, Brother Gene and Sister Barbara, for this beautiful gavel.

When Brother Gene asked me what kind of gavel I wanted, I told him coral; and I wanted him to go to Hawaii scuba diving for the coral. So this one comes as a total surprise, Brother Gene and Sister Barbara. It's beautiful. This will travel with us for each of our Official Visits, and every Worthy Matron and Worthy Patron in the state will use it.

Thank you, Sister Paula, for the use of your gavel and sounding block. I will return it to you now that I have one of my own.

INSTALLATION ADDRESS

(By Mary Meixner, Worthy Grand Matron)

Brother Gene Stiles, Worthy Grand Patron, Sister Paula Remington, Junior Past Grand Matron, Brother Vernon L. Gordon, Junior Past Grand Patron, Sister Thelma Bailey, Past Most Worthy Grand Matron, Sister Ferne Hammond, Worthy Grand Organist, Distinguished Members of the General Grand Chapter, Distinguished and Honored Members, Sisters, Brothers, Family and Guests:

"A Dream Is A Wish Your Heart Makes"

My dream has not always been to be your Worthy Grand Matron, but rather to be of service to our beautiful Order. Today you have given me the opportunity to do both. With the Serenity Prayer as my prayer for the year, I stand before you my heart filled with deep humility as I accept this sacred trust you have place in me, the leadership, welfare and the prosperity of our Order. Today you have given me the key to open the door of another Eastern Star Year. This is one of the greatest moments of my life.

When I was elected Associate Grand Conductress three years ago, today seemed like an eternity away but the time has gone by swiftly. I wish I could adequately express the emotion that fills my heart with pride and happiness, humility and gratitude. Pride and happiness that I have been given this opportunity to serve our beautiful Order of the Eastern Star, gratitude for the faith you have placed in me, and humility when I realize the duties and responsibilities which I have pledged to accept. I pray that God will give me strength to carry out my duties, the courage to face the problems which the year may bring and the knowledge and understanding to make wise decisions.

Worthy Grand Patron, Brother Gene, may I be the first to congratulate you, it is a pleasure for me to share this honor with you. I want it to be considered as "our" year - one during which we, together, may reflect the real teachings and principles of our Order. I am looking forward to this year of service with you and your wife, Barbara. You two have become very special to Ed and me. May God grant us good health and happiness.

Sister Yvonne Beckenhauer, my dear friend, first, thank you for the faith and confidence you had in me when you appointed me as your Grand Marshal in 1989. To you and the 89's who assisted you in the many months of planning then the execution of those plans to make this the beautiful installation it has been, my grateful thanks. To have you install me as Worthy Grand Matron will always be a treasured memory. You wanted much of it to be a surprise to me and it was. The decorations, the float, and the narrations were beautiful and all that I had hoped they would be. The carrying pieces for the Grand Officers and Deputy Grand Matrons are lovely. To all who helped in any way my appreciation and loving thanks to each of you.

Sister Thelma Bailey, Past Most Worthy Grand Matron, thank you for serving as our Hostess this afternoon. You have been, and continue to be, an inspiration to all who know you.

Sister Ferne Hammond, Worthy Grand Organist, your music always gives my soul a lift. Thank you for playing our prelude music and setting the mood for the rest of the afternoon.

Sister Barbara Campbell, it has been a 'lefting' experience getting to know you. Most of the words I first heard from you were "left, left, left". Your floor work was beautiful, just as I knew it would be. Thank you for being our Installing Grand Marshal.

Brother Delroy Aldershof, to have you serve as Installing Grand Chaplain was very important to me. You and Margaret are very dear to Ed and me - how many hours over the years have we spent talking Eastern Star. We have appreciated your wise council and your love and it will never be forgotten. Thank you, my Fraternal Dad.

To Sisters, Yvonne Beckenhauer, Betty Stubblefield, Donna Smith, Ardath Garst and Katherine Hill, thank you for serving as Emblem Bearers. I have had the honor of serving with each of you and it was special to me to have you represent the five points of our Star.

Sister Kay Cosby, thank you for serving as Honorary Marshal. To the Past Grand Matrons who served as Bible Bearer and Bible Escorts our grateful thanks.

We also appreciate the Past Grand Patrons who carried the flags this afternoon. Brother Earl Eckert thank you for the lovely flag tribute.

Past Grand Matrons and Past Grand Patrons, you are, each one, special to me in your own way. Because of your service in the yesterdays, the way has been paved for our today and with your continued support, we will build for tomorrow for those who follow.

To the Elective Grand Officers, Congratulations. This year gives us another opportunity to share our work and ideas. I pray that this special love and friendship will grow stronger and that we will serve as an example for others to follow.

To the Appointive Grand Officers, how proud we are of you. You were chosen for this position because we feel that you will represent the membership of this state with honor and dignity. Remember, it is not the position we hold, but the way we fill

them, that is important. My thanks and love to each of you for accepting these appointments, and for being a part of this year. I must warn you, however, to be prepared for a great and exciting year.

To be able to appoint seventy-one Deputy Grand Matrons was a thrill for me and I look forward to serving with you this year.

Sister Paula and Brother Vernon, congratulations on a most successful year. I have enjoyed being a part of your hugging crew of '92. Thank you for installing our Grand Officers. You will now be able to get some well deserved rest.

To the Associate Matrons and Associate Patrons, what a thrill to see you in the formation. You were wonderful. The time that we have looked forward to for three years is upon us. I wish for you much happiness as you serve your respective Chapters.

Music is an important part of our ceremonies. Adding to our enjoyment this afternoon has been the California Singing Stars, Sisters Beatrice O'Rear, Nellie Cecil and Margaret Bradt, Organist, Terri Stiles and Don Nielsen Soloists. Thank you.

When I learned that I would be installed as Worthy Grand Matron in San Diego, I despaired of having many of my Chapter members in attendance. But, thanks to some old fashioned ingenuity a way was made possible for them to fly down for the day. We have about sixty Silver Spray Chapter Members here this afternoon. Will all the members of my Silver Spray Chapter please rise. Forty-five of these dear people left Napa at 5:00 a.m. this morning and will be returning tonight. I know it will be a long day for you, but please know how very much I appreciate your being here.

The Bible that is on our altar was presented to me by my Chapter. It will travel with me to all the Official Visits this year. Now will all of the Silverado Association please rise. Thank you, my Sisters and Brothers, for your loving support. Safe travels home.

Now for those who are the dearest in the world to me, my family. Will you please rise. Most of you know my husband, Ed Meixner, without who's love and support this would not be possible. My daughter, Vicki Rosel, and granddaughter, Elizabeth Rosel, who flew down for the day. Thank you, Vicki and Elizabeth, for sharing this special day with me.

As we begin this new year I admonish each of you to:

Forget about the days when it's been cloudy,
But don't forget your hours in the sun -
Forget about the times you've been defeated,
But don't forget the victories you've won -
Forget about mistakes that you can't change now,
But don't forget the lessons that you've learned.
Forget about misfortunes you've encountered,
But don't forget the time your luck has turned.
Forget about the days you've been lonely,
But don't forget the friendly smiles you've seen -
Forget about the plans that didn't seem to work our right,
But don't forget to always have a dream.

My Sisters and Brothers, may God Bless you and keep you, and until we meet again I wish you well.

Worthy Grand Patron, may we hear from you.

INSTALLATION ADDRESS

(By Gene Stiles, Worthy Grand Patron)

Worthy Grand Matron, Sister Mary Meixner, our Past Most Worthy Grand Matron, Distinguished and Honored Members, Sisters, Brothers, Family and Friends:

I cannot adequately express my thanks and appreciation to the members of the Grand Chapter of California, Order of the Eastern Star, and especially to our Worthy Grand Matron, Sister Mary Meixner, for the high honor and confidence that you have reposed in me this afternoon. My thanks to you will be to fulfill the charges and responsibilities of this position to the best of my

ability. I promise faithful service to the Order and support and dedication to you, our Worthy Grand Matron.

I congratulate you, Sister Mary, on your ascension to the exalted position of Worthy Grand Matron. This is a position of heavy commitments and responsibilities. It is an office that each and every member of the Order respects and honors. The office seeks the individual. You were sought, you answered, and now you lead.

We, along with our devoted Barbara and Edgar, have made a very congenial foursome. I know that this relationship will last for years to come. I do thank you for your friendship to Barbara and myself.

To our Past Most Worthy Grand Matron, Sister Thelma Bailey, how pleased we are that you are with us on this beautiful day. You are the beacon, by which the leaders of our Order, have been guided around the world.

We are also pleased to have with us today our Sisters Ferne Hammond, Worthy Grand Organist, Brother A. Leroy Covey, Public Relations Committee Member, and June Lucretia Barnum, Parliamentarian, of General Grand Chapter. Your dedication to the Order is also well renowned and is properly being recognized.

I have had the pleasure of being associated with Brother Vernon Gordon, both in Masonry and Eastern Star. It was therefore very special to be installed by this great representative of Fraternalism in California. This Brother truly exemplifies the equal dedication to both Freemasonry and the Eastern Star. This was the theme which I chose to display in my emblem.

Brother Vernon, I thank you for installing me as Worthy Grand Patron. I will do my utmost to uphold the high standards and ethics which you have exemplified, along with all the Worthy Grand Patrons who have preceded me to this office. It was a real pleasure to be part of Sister Paula's and your Grand Family of 1992. I thank the 1992 Grand Family for your friendship and all the laughs we enjoyed together.

To Sister Yvonne Beckenhauer, Past Grand Matron, and the 1989 Grand Family, what a nice Installation you have put on for us today. You have helped set a stage of excellence for the 1993 Grand Officers to follow. My thanks for all your devotion and work.

To Brother Don Neilsen, your singing was very moving and inspirational. Sister Terri, what a great job! You made Dad as proud as punch, thank you both so much.

I congratulate the Grand Officers of 1993 on being installed in your respective stations. You will always cherish your station and serve it well. Sister Mary would not have selected you if you were not the best and most devoted members she could find. It is an honor to be associated with you.

To the "Well Wishers and Hirams of Pride", I congratulate you on accepting the challenge to lead your Chapters during 1993. This may not be your first year at the helm but I hope and pray that each one of you will strive to make 1993 equal to your enthusiastic first adventure to the East. I wish you and your Chapters Fidelity, Pride and Happiness in 1993 as you govern with Patience and Compassion.

To the members of Hermosa Chapter and the various Chapters of Orange County I do thank you for your support and love. I must recognize one outstanding Brother of Hermosa Chapter and a Past Grand Patron of this Grand Chapter, who has joined the Great Architect of the Universe, Brother Thomas Thurman. Brother Tom is here in spirit today. What a fine and true path he blazed for those who follow in his footsteps. I now have the pleasure to present the members of Hermosa Chapter!

It is now my honor and pleasure to present my family. Please hold your applause until all have been introduced. First of all I am honored to present my supportive and loving wife, Barbara, who has served this Order so faithfully. I love you dearly.

Our Son, Steven, his wife Terri and our Grandchildren Matthew and Jennifer. Steve and Terri served Hermosa in 1990 and they will be serving again as Worthy Matron and Worthy

Patron during 1993. Thank you so much for just being your loving selves.

My Mother, Elizabeth Bailey, a member of Hermosa Chapter. Thank for all your love and support over the years. My father-in-law, Charles Buckley, a 65 year Mason, and his wife Olive. He is also a member of Hermosa and a great Dad. We also have with us Terri's grandparents, Fred and Ruth Freedman. Thanks for coming.

We, the Order of the Eastern Star, along with the Body of Masonry, are a very conservative group of individuals who avoid publicly expressing our virtues and accomplishments. We believe our good works will be known without our publicizing it to others. Unfortunately, in today's complex society, that is no longer true: Eastern Star and Freemasonry are rapidly becoming unknown to the general public.

We must be more open and vocal about our existence, our virtues and our service. This is particularly true when it comes to our Blue Lodge Brothers and their ladies. We must convince them that we are not competing with them, but rather complimenting them. We are walking the path of Fraternalism together. In the overall theme of the Eastern Star, the Brothers help to strengthen and support the Order without leading it. This support is important to the Order. Through our cooperative efforts we all gain. It is our goal that both Bodies grow and prosper so that more individuals can enjoy the fruits of Fraternal life. During the period of 1873 to 1931 the Eastern Star, in California, grew from 612 members to almost 110,000. That growth displays appeal and strength. Let us revitalize that appeal.

We must cultivate the common bonds we enjoy with our Blue Lodge Brothers and their ladies. As the Blue Lodge meets the needs of the unitiatiated man, we provide a Fraternal road where the Brothers and their ladies can become joint travelers pursuing a common purpose. We offer an opportunity for enriching their personal relationship while making untold friendships. We only need to convince them of the joys available and how their mutual lives can be enriched.

We are in the "Age of Change". Some of the changes in our society have been for good and others not so good, but nevertheless change. In the Order of the Eastern Star, we must always be prepared to listen to suggestions involving change and which present innovations. We must analyze what the changes are and whether they will benefit our Chapters.

In any event we must be willing to try some innovative ideas and programs. I certainly do not entertain changes in our Ritual, Landmarks or Teachings but we must look for fertile areas for improvement, appeal and progress. I have a quote from George Bernard Shaw on the board in my office which reads, "Progress is impossible without change; and those who cannot change their minds cannot change anything." Therefore let us keep our minds open to change in order that we may progress.

We all know that our Fraternal Family is aging, therefore, while there is yet time, we must strive even harder for improvements. As John Steinbeck said; "It is the nature of a man as he grows older...to protest change, particularly change for the better." My Sisters and Brothers, let us not protest nor falter, but let us continue our Fraternal pursuit through cooperation, love and friendship.

Mary Meixner, Worthy Grand Matron: Sister Jean Powers, do you have a presentation to make at this time?

Jean Powers, Past Grand Matron: Thank you, Sister Mary, our Worthy Grand Matron.

To you, Sister Mary and Brother Gene, our Worthy Grand Matron and Worthy Grand Patron, we wish for you that our Heavenly Father will travel with you throughout this coming year along with your Grand Family and bring you home safely. God Bless you.

Sister Paula, would you like to join us.

Sister Paula, there is a season and a time to every purpose under the heaven. It is the time for you to enter into a new role

in the beautiful Order of the Eastern Star, that of the Past Grand Matron.

But first, on behalf of the members of Grand Chapter and the State of California, we thank you and Brother Tom for giving of yourself during this time of service, and God Bless you for what you have done for all of us. Brother Tom.

Tom Remington: Sister Paula, Junior Past Grand Matron, as Sister Jean has said, everything has a season. We have experienced one of our seasons, and you have demonstrated that, by a strong adherence to the principles of our Order, a humble reliance upon God, demonstration of a loving heart, and many good things which you and I each have been taught by our parents as we came up, especially what my mother taught me and you have demonstrated so well, that a patient understanding shall not go unrewarded.

You were chosen by your Sisters and Brothers, and by the generosity and I will say the enlightened foresight of our friend, Jean Powers, to travel this road; and you have demonstrated that you were capable and have performed an excellent job.

Therefore, it is appropriate that you should receive an emblem designating your status as Past Grand Matron of this Grand Chapter.

It is my privilege, on behalf of the Grand Chapter, on behalf of the many friends and admirers who have given to you their love gifts, on behalf of myself and our family, that I present to you this Past Grand Matron's ring, which, as I think about it, is probably very close to the anniversary of the first ring I gave you some 40 years ago.

This ring includes the star within a triangle of a Grand Chapter Officer; the gavel, which signifies you as a Past Grand Matron, surrounded by a jewel, which is what you are deserving of; and in the background, a little heart, part of your emblem, Sister Barbara's emblem and primarily of our late Sister Helen Isberg's emblem when we were first Worthy Matron and Worthy Patron in our Chapter in 1962. So it is an elegant symbol.

Paula Remington, Junior Past Grand Matron: I was determined that today I was not going to get weepy, like I did the other day. *(Presenting jewel.)*

Thank you, my dear people, Sister Jean, thank you for having had the confidence in me and much more foresight than I did. Thank you for that and for always being there for me and for being behind me, beside me. Wherever I needed you, you were there. Whatever I needed, you gave me your counsel. Thank you so very much, my dear.

No man is an island, no one stands alone, and I certainly have not stood alone in this Grand Chapter this year. You, the members, have brought me through, you; and it has been your year; and you have made it the beautiful year it has been.

My husband, Tom, has been beside me every time he could be, and there is nothing that I asked or even dreamed of that he didn't try to do.

My family, my dear mother and my family have been behind me and beside me whenever they could be. They have done whatever they could do, regardless of sacrifices; and there have been many.

My Chapter has been strongly behind me, and I love each one of them for all they have done.

I appreciate having been your Worthy Grand Matron, and I will strive to do even a better job and to lay my gavel down as a Past Grand Matron.

To Sister Mary and her incoming officers, we wish for you every happiness. We know that your journey is an ambitious one, but you will be able to climb that to reach your goal. We wish you every happiness, and we know that you will have it. Thank you, my Sisters and Brothers,.

Jean Powers, Past Grand Matron: Brother James Craven, do you have a presentation to make?

James Craven, Past Grand Patron: Thank you. Worthy Grand Matron, Worthy Grand Patron, our Past Most Worthy Grand Matron, now comes the Junior Past Grand Patron and Junior Past Grand Matron, the first time, I believe, they have been addressed as such.

Brother Vernon, we want to thank you for all the years that you have served not only Grand Lodge but this beautiful Order's Grand Chapter. These last two years with you have exemplified everything that we would want and expect to have in a Worthy Grand Patron, and it is an honor tonight for me to take part in presenting to you your jewel.

But there is a lady who has been behind you from the start, not only in the last two years but for many years before that.

Sister Mae, would you please pin this beautiful jewel on your husband and welcome him home.

Mae Gordon: Mr. Wonderful, God gave you wisdom, and I give you love, and the Grand Chapter of California, Order of the Eastern Star, gives you this beautiful jewel. *(Presenting jewel.)*

Vernon L. Gordon, Junior Past Grand Patron: Brother Jim, it was very significant to me and for me to have you present this pin to me, because you began my journey to this office last year when you installed me as Worthy Grand Patron, and thus we have come full circle, and I am most appreciative of your being here to make this presentation to me.

It is a special honor for me to have my wife, Mae, take part in this ceremony. I have said to each of you, if not all of you, on several occasions, as I traveled around the state, that those of you who cannot get along with my wife, Mae, have a serious internal problem.

The jewel that was presented to me, by its very construction, is unique in that it has the all-seeing eye, which is the symbol of a Grand Past Master, in the center of it. Therefore, it is exclusively for my use alone. No other person in this state is entitled to wear this emblem, and I might say to the Worthy

Grand Matron and the Worthy Grand Patron, just a few moments ago I became the only person in the State of California eligible to have a license plate with Past Grand Master and Past Grand Patron on it.

The service you have permitted me to give to this Grand Chapter leading up to the honor of receiving this beautiful pin has enriched my life, and I think things are getting a little too serious, so we better talk about riches for a moment.

The Guards and Guardettes at a luncheon were much surprised when I told them that, without even knowing it, Sister Paula selected me as Associate Grand Patron and my year of service of Worthy Grand Patron literally made me a millionaire. But they fully understood when I said I had $4,000,000. when I started.

I want to say to the members of La Sierra Venus Chapter my love for you has been strengthened throughout this year. You have been so supportive of me; and I am telling you, at this moment, Sister Mae and I are on our way home; and to those of you in this Jurisdiction who, in good conscience and with best intentions, may say to me "You are now returning to the ranks," in my mind, I have never gone an arm's length from any member of this great Jurisdiction; and therefore I have not left your ranks. Thank you very much.

Mary Meixner, Worthy Grand Matron: A few moments ago, Brother Gene presented me with this gavel. Because it was very important for us to be able to present our Chapters, Brother Gene's needed to leave by bus, I rushed through receiving this beautiful gavel. I also have a sounding block that is very unique; it has a Wishing Well on the sounding block.

Brother Vern Jewett, I don't know whether you are in the room; but wherever you are, my dear friend, I thank you for this beautiful gavel and sounding block as well as this beautiful Wishing Well that is in front of the stage.

Brother Vern made that, also; and I do most certainly appreciate it.

Sister Grand Marshal, will you please approach the Grand East.

Sister Denny Rae, it is with a lot of love that I present to you the emblem of your office. We wish you much happiness, and we know that your year of service to our Order and to this Worthy Grand Matron will be a happy and rewarding experience in your Eastern Star life.

CLOSING CEREMONY

Mary Meixner, Worthy Grand Matron: Sister Associate Grand matron, have you any further business to bring before the Grand Chapter?

Barbara Pierce, Associate Grand Matron: Worthy Grand Matron, I have no further business to present.

Mary Meixner, Worthy Grand Matron: Sister Grand Secretary, is there any business on your desk to be brought before the Grand Chapter?

Diane Silva, Grand Secretary: There is no further business on my desk, Worthy Grand Matron.

Mary Meixner, Worthy Grand Matron: Has any Sister of Brother present any business to offer for the consideration of the Grand Chapter? If not, we will proceed to close.

We will unite in singing our closing ode.

Closing Ode

"May The Good Lord Bless and Keep You"
May the Good Lord Bless and keep you,
Whether near or far away.
May you find that long awaited golden day today.
May your troubles all be small ones
And your fortunes ten times ten.
May the Good Lord Bless and get you
Til we meet again.

May you walk with sunlight shining
And a Bluebird in every tree.
May there be a silver lining,
Back of every cloud you see.
Fill your dreams with sweet tomorrows.
Never mind what might have been.
May the Good Lord Bless and keep you
Til we meet again.

Prayer: Ted Harris, Grand Chaplain:

Our Dear Father in Heaven, we thank Thee,
For each gift from Thy bounteous hand,
For the pleasure of greeting and meeting
With the members of this faithful band.
And each morn, may our prayers rise to heaven
For protection and care through the day.
And at evening, a prayer of thanksgiving
For the blessings that brighten our way.
May the days and the hours be spent wisely
And each known duty faithfully done,
That at last, when life's labours are finished,
We may hear Thy approval, "Well done".
Bless Thy children, O Father, we ask Thee,
And along life's rude way be our guide,
Let Thy love, like a mantle, enfold us,
In Thy love, may we ever abide.

Mary Meixner, Worthy Grand Matron: Sister Grand Conductress, attend at the Altar.

I now declare the Grand Chapter of California, Order of the Eastern Star, to be duly closed. Sister Grand Marshal, you will make the proclamation.

(At 5:30 p.m., the Grand Marshal made the proper proclamation.)

The next Annual Session of the Grand Chapter of California will be held in Fresno, California, October 16 - 21, 1993.

COMMITTEE REPORTS NOT GIVEN DURING THE SESSION

REPORT OF THE COMMITTEE ON ARBOR DAY

(By June Lucretia Barnum,
Past Grand Matron (129/280), Chairman)

To have our Worthy Grand Matron, Sister Paula Remington, encourage a tree-planting program again was a special joy to me and to all of the 1991 officers. This year Sister Paula requested that each Chapter plan an activity for the members centered around the planting of a tree in commemoration of Arbor Day. By so doing, in addition to enhancing our environment and gaining credit in our communities, recognition could be given to one of our Masonic Brothers, Luther Burbank, on whose birthday we, in California, celebrate Arbor Day.

Over 100 of our Chapters have reported to me that they did, in fact, plant trees. Innovation seemed to be the theme of this program:

There were almost as many different types of programs as there were Chapters participating;

There was such a variety of trees planted, it was like reading a botany book;

The locations at which trees were planted ranged from out on a barren hillside to a family garden, with Masonic Temple grounds being the most favored;

Most Chapters planted a single tree, but there were those which planted several and some participated in the Penny Pines Plantations where as many as 600 seedlings would be planted.

I was delighted to see that we really did get some great publicity in the local newspapers, thus helping to enhance our image in our communities.

Thank you, Worthy Grand Matron, for having allowed me the happy privilege of encouraging this program and keeping the records of who planted what and when. I love thinking of all the GREEN which our Chapters have extended throughout California!

REPORT OF THE COMMITTEE ON ESTARL

(By Patricia B. Quibell, Past Grand Matron, Chairman)

Worthy Grand Matron, Worthy Grand Patron, Sisters and Brothers:

While the ESTARL Fund is not a new project the concept of the post graduate award is.

Our Most Worthy Grand Matron, Sister Virginia Painter, has added a new dimension to the ESTARL Scholarships for individuals pursuing education in religious leadership. This is her priority special project. It will grant scholarships to those who have attained a Master of Divinity Degree and desire to continue their theological education by pursuing Doctoral Studies; Master of Theology or advanced training in Christian Service such as a college or university ministry. These scholarships will be granted regardless of religious affiliation, race, color, national or ethnic origin.

I hope over this triennium, we will zealously support the ESTARL Post Graduate Award.

As we live in a changing world, continuing education is necessary. The clergy who are prepared on the graduate level with a Master of Divinity Degree or its equivalent are faced with the need to continue their education to be adequately prepared for the changes clergy encounter. There was a time when a clergy of a congregation needed only inspiration and people with a willingness to hear the word of God. Times have so changed that according to one Bishop, "You can't have the clergy less educated than his or her people." Many seminaries are offering extended curriculums for this purpose.

It is our hope at the end of this triennium to present a minimum of one scholarship to each approved applicant of the 56 jurisdictions of General Grand Chapter.

To raise funds for the ESTARL Post Graduate Award, we are selling beautiful little gold angle pins. They may be sold individually or taken on consignment.

We also welcome memorial donations in the name of a loved one or a loved one or friends birthday, anniversary or special occasion.

I wish to thank the Grand Representatives of California for their support in the sale of the pins and Sister Dodee Hill, President of the Northern Grand Representatives and Sister Hazel Lawrence, Pin Chairman. I also wish to thank the Southern Grand Representatives for their valuable assistance and donation.

REPORT OF THE GRAND REPRESENTATIVES

(By Hazel D. Tubbs, Past Matron (28/222), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

Sister Paula, thank you for giving me the honor of serving as the first Chairman of the Grand Representatives. It is a new position and a challenge which I enjoyed.

As Chairman, it was necessary to write the Guidelines, attend Association meetings, answer many questions and assist in any way needed.

It was your desire to have a Grand Representative with his/her State flag present a pre-opening ceremony at the Official Visits. Sixty-two (62) representatives were asked to fulfill these ceremonies. In many cases a former Grand Representative were asked as there wasn't a Grand Representative in the area.

It has been interesting and a needed chairmanship. Serving as a Grand Representative is one of the most wonderful experience

a person can have in life provided they travel extensively especially outside the State of California. The friends you make public relationship work you do brings much happiness and joy.

I would like to make a few recommendations:

That this position be considered in the future as the newly appointed Grand Representatives need someone to guide them in their duties.

Divide the Grand Representatives into two groups - the former Grand Representatives to be Ambassadors and the active Grand Representatives a separate association with a former member as Advisor/Counselor.

Do not schedule any reception, association meeting on the day of a Grand Officer Reception or Official Visit within 50 miles of said meeting.

No reception for a Grand Representative who does not fulfill her responsibility to visit her out-of-state Grand Chapter.

REPORT OF THE COMMITTEE ON THE JERRY LEWIS TELETHON

(By Loretta Cottman, Past Matron (632), Chairman - South)

Worthy Grand Matron, Worthy Grand Patron, Sisters and Brothers:

The Southern Chapters of our Eastern Star participated in our Second Annual Bowl-a-Thon and all had a most enjoyable time. Bowling for fun takes all the kinks out of our bodies and puts lots of smiles and laughs back in our lives.

We had several lock-ups for the telethon: Dan Rowland in San Diego, Robert Boyler in Desert Hot Springs, Cathedral City, Jim and Sue Newton in Oxnard and our Junior Past Grand Patron, Brother Don Hull, in Los Angeles. Brother Don as locked for two sessions. We had approximately sixty persons participating in answering phones. Desert Hot Springs volunteers were in attendance from 6:00 a.m. to 2:00 p.m.

There were some protesters at the telethon. And when one protester was asked, "Where was all your anger when the Muscular Dystrophy Association gave you your $7,000 electric wheel chair which gives you mobility?," the man merely answered "I think I'll leave now."

I have felt a great deal of satisfaction working with the MDA, which distributes 78% of all monies to actually assisting patients and doing research. They, and I, feel a cure is near; great progress is being made.

We contributed approximately $25,000, plus whatever came in on telephone pledges, and we should all be proud of this accomplishment.

Worthy Grand Matron, I thank you for this opportunity to serve you and our Grand Chapter.

REPORT OF THE COMMITTEE ON MUSCULAR DYSTROPHY - NORTH

(By Roberta J. Glass, Past Matron (36), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Most Worthy Grand Matron, Virginia M. Painter, Most Worthy Grand Patron, Ray Osborne, Grand Officers of 1992, Distinguished and Honored Members, Voting Delegates, Sisters and Brothers:

In California this year, we have adopted, shown and proven over and over "The Order of the Eastern Star loves the Muscular Dystrophy Association."

We had two goals in accepting the challenge as did Sister Patsy Baker, 1990-91 Chairman. First to increase public awareness of our Order and consequently encourage membership and participation. We need to show the world that we are not cloistered, just working for our own interests and objectives, but are real people working in a real world.

Secondary is the actual funds raised, the result of these efforts. MDA, of course, is primarily interested in the money obtained and often did not give our people adequate public acclaim, but

together we worked with exuberance and success. I feel the members (and many non-member friends) found a more accountable success in the monies. We may never be able to compute the totals in new members. We can count the seeds in an apple, but only God can count the apples in a seed. We have planted some new seeds that must be nurtured.

January 18-19 brought statewide Bowl-a-Thons. In Northern California, 33 Chapters participated and $10,500 was turned into the MDA. 20 other Chapters and Districts whose members were unable to roll those balls contributed $1,400.

So many letters of enthusiasm and thanks have come to me indicating families re-establishing relationships by sharing time together. Chapters and Districts are strengthening ties and having the fun of fellowship in a new and different activity and have plans for "doing it again" next year.

To the Grand Line Officers of California, please consider continuing this avenue of growth for our Order.

1750 lapel pins with the logo "OES LOVES MDA" were sold for $1.00 each and $700 went to MDA. Thanks to each one who sold, gave away or wore a pin. Thank you, Ken Kessel, for creating and supplying these pins. We love you, too.

In another activity, the annual MDA Telethon, we accepted a challenge to "man" every MDA telephone in California for at least one hour on Labor Day, September 7th. In Northern California, approximately 170 members served over six hundred man hours answering phones, singing songs, presenting checks, serving the MDA by bringing food, cheering on and being there before television cameras in the name of the Order of the Eastern Star.

There were seven members of the Order who "suffered themselves" to be in "Executive Loci-ups." This raised an additional $7,000, plus gave statewide and regional coverage of Eastern Star Members. In all $15,000 was raised in the north for "Jerry's Kids."

In August, Jerry Lewis, National Campaign Chairman for the Muscular Dystrophy Association, was invited to be present at our Grand Chapter when this report was to be made.

We received a response thanking us for the time and efforts exerted in the various activities making them a huge success. He also said "As much as I'd like to be a part of your annual meeting, the demands of my hectic schedule preclude my being there." We later found out that Jerry was in the hospital having had back surgery on October 19. We are sorry, Jerry, that you could not be here. Our prayers are with you and your full recovery. Recovery can become hectic for sure!

Thank you, Sister Paula, for the opportunity to guide Northern California in the efforts to increase public awareness in this area and for supporting another worthwhile cause; to Sister Patsy Baker for groundwork set in 1990-91 and for your encouragement during this year; to Sister Loretta for guiding Southern California's successes; and to you members for all you have done to make this committee look good.

Sister Virginia Painter, we hope that from these beginnings our members will continue to serve with excellence to attain your Rose Award and Medallion.

A summary of our report will be sent to the *Eastern Star Journal*, the official publication of General Grand Chapter, and to the *Cal Star News* for inclusion in future issues.

REPORT OF THE COMMITTEE ON MILEAGE

(By Dean Newman, Past Patron (505/637), Chairman)

Worthy Grand Matron, Worthy Grand Patron, Distinguished and Honored Members, Sisters and Brothers:

Thank you very much, Sister Paula, for this appointment which has allowed me to serve Grand Chapter this year.

It is my pleasure to present the other members of the Mileage Committee: the Co-Chairman, Sister-wife Laura Newman (505/637), Alilea Martin (50/339), Marjorie Whitten (300), Mercy

Holiday (403), Violet Campbell (338), and Helen Sanders (398/494). I thank all of you for a job well done and for the work you are yet to do.

Happily for them, unfortunately for this committee, two of our members, Sisters Laura Newman and Helen Sanders, have been appointed Deputy Grand Matrons for next year and their conflicting schedules will prevent them from working with us when we distribute the Mileage checks.

It is the Worthy Grand Matron's wish that Mileage checks be distributed on Sunday, November 1 from 11:30 a.m. until 2:00 p.m. after the Divine Services and before the Installation of the 1993 Grand Officers.

You must pick-up your check in person. No checks will be mailed unless prior arrangements have been made with the Grand Secretary. Mileage checks will be distributed in the same location where you received your Credentials. Please show your dues receipt to the Mileage Committee member.

Mileage checks will be available for Grand Officers, Deputy Grand Matrons, Past Grand Elective Officers, members of Standing Committees, members of Special Committees authorized by Grand Chapter, members of elected boards of this Grand Chapter, Worthy Matrons and Worthy Patrons. In the event the Worthy Matron of a Chapter is unable to attend, her check may be given to the Associate Matron and if the Worthy Patron is not in attendance, his check may be paid to the Associate Patron.

To be eligible for mileage, you must be in attendance from the first to the last day inclusive.

Amounts to be distributed are as follows:

Grand Officers	$ 585.40
Deputy Grand Matrons	2,375.20
Past Grand Elective Officers	2,124.90
Worthy Matrons & Worthy Patrons	25,481.50
Committee Members	4,788.50
Total	$35,355.50

Our grateful appreciation is extended to our Grand Secretary, Sister Diane Silva, and her staff for making the work of this committee much easier. The members of the Credentials Committee are also heartily thanked for so graciously agreeing to assist with the distribution of the Mileage Checks on Sunday. Give them an extra smile, they have been working hard for you.

This year, the Committee processed 463 applications, considerably fewer than in previous years. By increasing the Grade Point Average to 3.50 in all categories except the 3.0 requirement for ESTARL recipients, our Committee felt that our awards were going to dedicated, quality students. Every application, even the ones that came to our attention after the deadline of April 1st, were carefully evaluated and considered.

We held our annual meeting on May 1st and 2nd at our home in Grass Valley to make a final determination. Again, this was a most difficult task with so many fine and deserving applications to consider. We were advised by the Grand Chapter office that $71,850 was available to us for General Education Scholarships. (This included $20,000 collected from 4-1-91 through 6-30-91.) $2,200 for ESTARL Scholarships (this includes $950 collected from 4-1-91 through 6-30-91. $1,000 for Richard Simon Memorial Scholarship to be given to an advanced medical student to assist in final graduate work. $500 for the June L. Barnum/Donald A. Hull Scholarship to be given to a Liberal Arts student who is a California resident attending a California college. $905 check from Reveille Chapter No. 47, donated by Monterey Bay Area members and others to create a Memorial Scholarship in memory of our late Sister Josephine Morris. Sister Josephine served as Organist in 1989 as well as having given generously of her time and talent in the Monterey Bay area.

Thanks to the generosity of the members of California and the great support provided by the Worthy Grand Matron, Worthy Grand Patron and members of this 1992 Grand Family, our Committee was please to award from the General Education Awards of $71,850:

86 Awards @ $800	$68,800
9 2-year @ $250	2,250
1 Trade School @ $500	500
	$71,550

Add three Special Memorial awards, four ESTARL Awards to the 96 General Education awards, makes a total of 103 awards given in 1992 and leaves $300 balance in the Scholarship Fund.

Of the total awards presented, 25 were OES, 15 were Rainbow Girls, 11 were Job's Daughters, 2 DeMolay. 21 stated that they were Masonically affiliated. Also, to date we have received 52 notes from appreciative frantic students, grateful for our assistance.

Sisters and Brothers, it has been a practice that all awards made to these dedicated students must be paid into the Financial Aid Offices of the school they plan to attend. If that student should also happen to have a loan at that Financial Aid Office, the school immediately relieves the student of any cash grants and applies it to the loan already on the books, even if the student is up to date on their payments.

A sobering thought: By the time the student calls for the needy funds to purchase books, living quarters, etc., their money has already been applied to an existing loan, and the Pot of Gold at the end of the Rainbow is empty. I don't know how you all feel about this practice, but it would make this Past Grand Matron have a happy heart and sense of accomplishment if that award check could go directly to the student. I so recommend it.

I offer my sincere appreciation to Sister Jean Powers, Past Grand Matron, for appointing me to the Scholarship Committee in 1988. It has been a privilege to work with such an outstanding group of people over the past five years.

To the members of my Committee, thank you for your long tedious hours of service spent in reviewing and evaluating the many applications that came before us. Your kindnesses and dedication to our effort made my year as Chairman a rewarding experience.

I am only sorry that Jim's inability to travel as yet makes it necessary for someone else to make this report.

To Sister Diane Silva, Grand Secretary, Sheri Weisser, Grand Treasurer, and their staff at the Grand Chapter office, my thanks for all the assistance you have given the Scholarship Committee this year.

Worthy Grand Matron, Worthy Grand Patron, Delegates to this Grand Chapter "Missions of Love" Session:

When the Worthy Grand Patron declares the ballot open, all debate must have ended before the Worthy Grand Patron give this order.

Please remain in your seats until the Worthy Grand Patron has declared the ballot closed and all Election Board members are out of the room.

REPORT OF THE COMMITTEES ON CONSTITUTION AND BYLAWS, JURISPRUDENCE AND MEMORIAL CANCER DRESSING STATIONS
(By Ardath Garst, Past Grand Matron)

The Committees on Constitution and Bylaws, Jurisprudence and the Memorial Cancer Dressing Stations, to whom Proposed Amendment No. 4 to Section 64 has been referred, recommend a "yes" vote.

The intent of the proponents and the members of the Memorial Cancer Dressing Stations Committee is to increase the numbers of the committee to provide more efficient and thorough coverage of the state and to better publicize the work of the Cancer Dressing Stations.

Betty Veffredo, Past Matron (326/382), Chairman, Memorial Cancer Dressing Stations Committee: Worthy Grand Matron, I propose a substitute amendment as follows: The Committee on Memorial Cancer Dressing Stations shall consist of a State Chairman and five co-chairmen distributed equally throughout the state. REPORT OF THE COMMITTEE ON CONSTITUTION AND BYLAWS

(By Earl Eckert, Past Grand Patron, Chairman)

The Committee on Constitution and Bylaws, to whom Proposed Amendment No. 5 to Section 69 has been referred, recommends a "yes" vote.

The adoption of this amendment would permit the Chairman to staff as needed members of the Credential Committee during the period one hour prior to the designated time for the opening and one-half hour after the designated time for opening of all business sessions of Grand Chapter.

Donna Graham, Past Matron (179): I am moving to amend, to insert the words "a minimum of" in front of the proposed change in this. That would allow the Credentials to be open longer if that were the desire of the Chairman of that particular committee. **Lost for lack of a second:**

Vernon L. Gordon, Worthy Grand Patron: Sisters and Brothers, it appears to the Chair that the Proposed Amendment as received a simple majority but not a two thirds and that is the order. **It will be carried over.**

Earl Eckert, Past Grand Patron, Chairman, Constitution and Bylaws Committee: Yesterday we considered Proposed Amendment No. 5. It received a majority vote, but not enough for adoption. Therefore, it is a carryover.

I was informed that the proponents, whom we had asked for information from yesterday, are members of the Credentials Committee and were at the Credentials table. That was the schedule of their time, and they were not permitted the opportunity to discuss or to inform the delegates of their intentions.

I would therefore ask if there is someone who voted on the prevailing side who would wish to move to reconsider that amendment.

Ruay Carter, Worthy Matron (436): I voted "no." I will move to reconsider. *(The motion was seconded.)*

REPORT OF THE COMMITTEES ON CONSTITUTION AND BYLAWS, JURISPRUDENCE AND FINANCE

(By Frank Young (19), Past Patron)

The Committees on Constitution and Bylaws, Jurisprudence and Finance, to whom Proposed Amendment No. 6 to Section 73 has been referred, recommend a "yes" vote.

The reason for this recommendation is to change the emphasis of the discussion of Grand Chapter from per capita to the budget as presented. By discussing and approving the annual budget of Grand Chapter, you will be, in effect, setting your own per capita.

While this legislation appears to give a blank check to those of us to just set a per capita, it is really, in effect, your decision to approve that budget.

The division of the budget by the estimated dues-paying members is the method for the determination of the per capita tax. For that reason, we urge a "yes" vote.

The Committee on Constitution and Bylaws and Jurisprudence, to whom Proposed Amendment No. 22 to Section 98 of the Constitution and Laws was referred, recommends a "no" vote.

The reason for the recommendation is two fold:

The first, the proposed legislation is too broad. Second, the legislation does not provide standards or guidelines to define the terminology of physical or mental disability.

It is the opinion of the joint committees that this legislation, if passed, would create confusion among the members of our state and its application for enforcement would be inconsistent.

REPORT OF THE COMMITTEES ON CONSTITUTION AND BYLAWS AND JURISPRUDENCE
(By Marguerite Weisheimer, Past Grand Matron)

The Committees on Constitution and Bylaws and Jurisprudence, to whom Proposed Amendment No. 23 to Section 111, Rule 18, was referred, recommend a "yes" vote on this.

This amendment provides that the Grand Line Officers and Deputy Grand Matrons would be provided with word-for-word copies of the secret work, which they, in turn, could then teach properly to their subordinate Chapter officers.

These word-for-word copies are issued by the General Grand Chapter, so you don't have to worry about that.
Adopted:

PROPOSED AMENDMENT No. 24:

Sec. 126. **SUBORDINATE CHAPTERS.** Every Chapter is required to adopt a code of bylaws for its government. Such bylaws shall be adopted by majority vote, and shall provide for:

(1) For Life Memberships, and fees therefor, not less than ~~Two Hundred Dollars ($200.00)~~ TWENTY-ONE (21) TIMES THE ANNUAL CHAPTER DUES IN EFFECT AT THE TIME THE LIFE MEMBERSHIP FEES ARE PAID, AND A LIFE SPONSORSHIP TO THE EASTERN STAR HOME;

REPORT OF THE COMMITTEES ON CONSTITUTION AND BYLAWS, JURISPRUDENCE AND FINANCE

(By Arthur Linsk, Past Patron (245), Chairman)

The Committees on Constitution and Bylaws, Jurisprudence and Finance, to which this Proposed Amendment was submitted, recommended a "yes" vote.

This Proposed Amendment corrects the dollar figure on the original proposal. It substitutes a more appropriate multiple of annual dues, which, if properly invested, will generate sufficient income to offset the loss of annual dues revenue.

This proposal goes to the Life Membership Fund, and 21 times our annual dues, for example, if your dues were $30 per annum, and a life membership fund is adopted, it would require $630 as a contribution from the Chapter for the life membership fund. And if invested at 5%, it would yield $30 per annum. As the dues apply to your Chapter, that multiple would apply, whether it is $15, $20, or $25, and interest at approximately 5% per annum.

The three committees recommend a "yes" vote.

Past Patron (96): I move that we amend the Proposed Amendment that this 21 times is for members less that 55 years old and 11 times for members over 55 years old. *(The motion was seconded.)*

June Lucretia Barnum, Junior Past Grand Matron: Worthy Grand Patron, I move that debate on this Proposed Amendment be limited to three additional minutes and that henceforth debate be limited to 10 minutes on any Proposed Amendment. *(The motion was seconded.)*

All interest received by the Chapter on the Life Membership Fund shall become a part of the general funds of the Chapter; provided however, that if current annual Grand Chapter assessments are more than the annual interest received by the Chapter on each life member's account, the principal of that member's account may not be reduced to pay such assessments. After the ~~termination of the membership of a life member, by death or otherwise~~ DEATH OF THE LAST LIVING LIFE MEMBER, the Chapter may transfer to its general funds all or any part of the principal of the Life Membership ~~fee paid by such member~~ FUND. Such action may be taken only after special notice to the membership and by the affirmative vote of at least two-thirds of the members present and voting.

REPORT OF THE COMMITTEES ON CONSTITUTION AND BYLAWS AND FINANCE

(By Arthur Linsk, Past Patron (245), Chairman)

The Committees on Constitution and Bylaws and Finance, to whom the Proposed Amendment No. 26 to Section 181 was referred, which seeks to make permanent the life membership funds in your Chapter until the death of your last living life member. Heretofore, the funds could, upon the demise or suspension of a member, and on each individual member the Chapter was to obtain an account for its life membership account, and so if a member unfortunately passed away, then the principal of that particular individual fund would be transferred to the General Fund of the Chapter.

The proposal really makes this life membership fund a life membership fund; and upon the demise of the last living life member, at that time the Chapter may transfer those funds and principal of the fund into the Chapter fund.

The committees have recommended a "yes" vote.

(By Thomas Sagar, Past Grand Patron, Chairman)

The Committees on Constitution and Bylaws, Jurisprudence and Aims and Objectives, to whom Proposed Amendment No. 29 to Section 202 has been referred, recommend a "yes" vote.

This proposes to strike language inconsistent with the General Grand Chapter Constitution and Bylaws, which, in Chapter 63 thereof, entitled "Membership," recites that any member of the Order may petition any Chapter for membership or affiliation. No residence is required for affiliation.

In order to bring our Constitution and Laws in line with General Grand Chapter, a "yes" vote will accomplish that purpose.

If a dispensation or waiver of jurisdiction has been obtained in regard to the petition, she shall so inform the

This is a Proposed Amendment No. 37 to Section 909 in our Laws, pertaining to discipline.

My Sisters and Brothers, our laws pertaining to discipline are amongst the most important in our Constitution. When charges are filed against a member, it creates great emotional upheaval within a Chapter and can cost that Chapter an enormous amount of money and pride.

This Proposed Amendment is offered by the proponents in an effort to require the Committee on Appeals and Grievances in all cases to make a serious effort to reconcile and to avoid the trial. We strongly recommend a "yes" vote.
