

## November – Website Spotlight

November is Eastern Star Homes month for our Order. At our Senior Living Center in Yorba Linda, we provide a quality of life to members and non-members alike. We promote a foundation dedicated to charity, truth and loving kindness. We are thankful to all our residents as they spread joy and kindness to all they come in contact with. Gratitude and thankfulness are feelings of appreciation by a recipient of another's kindness. A lesson we can all understand. We hope you too will spread these gifts to others as we give thanks this month.
