

Happy New Year!!!

We hope that all of you have enjoyed your holidays and are greeting your new year with much enthusiasm and excitement. It is this time of the year that we pay special attention to our future and with that in mind, we encourage you to consider that future in a much grander scale. In a few months we will all have someone in our worlds who is about to graduate from high school and are probably as we speak beginning to plan for their futures as well. This is where our scholarship fun comes into play! We invite all of you to share the scholarships available through our Order with these caretakers of our world. Invite them to apply by visiting our website and clicking on the “Scholarships” tab. What better way to preserve our futures than to provide for its education?

Alice Raymond, WGM
