

## **Hello there, California!**

How many of you know that we have a very special member among us, set to represent you and I on an international level??? For those wondering, I'm referring to our very own Brother Michael Cornell who, this past October, was elected to the office of Right Worthy Grand Sentinel! This esteemed position is just the first step on his journey alongside Right Worthy Grand Conductress Sister Barbara Holmes of Nevada to the GENERAL GRAND EAST! To have such an amazing Brother representing our jurisdiction is an honor beyond measure and he deserves every ounce of support that we can provide. Seek out members of his group, the California Miners 2033 to find out ways to support him and Barbie as they embark on this incredible adventure.
