

## July is J. C. Lee Cancer Fund Month

The J.C. Lee Memorial Cancer Fund is one of two Cancer Assistance Funds under the Foundation. Members who are in good standing, along with their immediate family members who live with and are financially dependent upon them, are eligible for assistance. Members who need help should send their application to the Cancer Assistance Chairman. If you need help to determine if you are eligible or just have questions, contact Grand Chapter.

To donate, look for the J. Clifford Lee Memorial Cancer Fund link under Cancer Assistance Funds.
