

Helping Hands

Our Benevolent Fund aids our members when they are faced with unexpected expenses, and the Disaster Fund assists members in the event of a disaster. In our Order, no member should feel alone when faced with unexpected challenges in their life. We hope that we do not have to face any natural disasters during the coming year, but it's prudent to plan ahead and be prepared to support our members who may suffer losses including wildfires, floods, or personal trials. We ask that you help us be prepared to assist our members by donating to our Benevolent and Disaster Funds. Let us be the bridge that our sisters and brothers need.

Teri Baughman, WGM and Will McQuater, WGP
