

Build a Bridge to Cancer Research

Our Order of the Eastern Star supports Relay for Life by coming together to raise funds for cancer research and patient care. We organize teams, host fundraisers, and participate in charity events, all which contribute to this important cause. By volunteering and taking part in Relay for Life activities, we build bridges within our community; connecting people from all walks of life who share our commitment to fighting cancer. Through these efforts, we strengthen those bonds and make a meaningful difference in the lives of those affected by cancer.
