

GGC Officer Fund Building Bridges Worldwide

California OES is proud to support Brother Michael Cornell, Right Worthy Grand Sentinel, and Sister Barbie Holmes, Right Worthy Grand Conductress (PGM of NV). Over the next four years, we are honored to champion their journey leading to the offices of Most Worthy Grand Matron and Most Worthy Grand Patron for the 2030–2033 Triennium.

California Miners is our General Grand Chapter Officer Fund supporting Mike and Barbie. Nevada and California will work collaboratively to co-host the General Grand Chapter session in 2023. Join us as these dedicated members build bridges with OES sisters and brothers worldwide. For more information, contact Jan Smith, happyv701@comcast.net (530) 521-5657
