

Are you interested in helping at Grand Chapter, but are not sure which committee to serve on?

Special Duties committee is for you!

Special Duty tasks could be running errands, assisting out of state members or helping with set up. Tasks are assigned by the Worthy Grand Matron or the Grand Chapter Week Activities General Chairman.

Members can take one shift or be available all day and need to be reached by cell phone.

Committee members need to be available from set up day, October 13th through Installation, October 17th.
