

# The Home Endowment Fund Builds a Bridge

The Home Endowment Fund plays a vital role in supporting the Eastern Star Home that cares for our residents. This fund serves as a bridge, connecting the rich heritage of OES with the future needs of its community.

Contributions provide essential resources for ongoing care, facility upgrades, and programs that promote connection and well-being among residents, helping them live with dignity and comfort. Many donations are tax-deductible, allowing donors to make a lasting impact while receiving financial benefits.

To contribute, contact the Grand Chapter or your local chapter. Your support helps ensure a bright and secure future for our Eastern Star Home.
