

Bridging Generations with Our Masonic Youth

The Order of the Eastern Star proudly shapes the future by sponsoring and mentoring California's three vibrant Masonic youth organizations: DeMolay, Job's Daughters, and Rainbow Girls.

Through leadership roles, service projects, and local chapter activities, these young people develop life skills rooted in honesty, respect, and responsibility. But they cannot do it alone. As OES members, we bridge the generations by serving as advisors, providing meeting spaces, and funding essential scholarships. By investing in them today, we ensure the Masonic spirit stays strong for generations to come.
